Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic
OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

Since being elected to Congress, I've worked tirelessly to support the hard-working communities of Riverside County.

As your Representative, I have expanded access to healthcare for our veterans, stood up for the middle class, worked to create high-paying jobs in the Inland Empire, and kept my promise to protect Social Security and Medicare.

My office has secured more than \$2.5 million in benefits owed to veterans and held regular town hall meetings to understand local priorities. I introduced legislation to strengthen our schools, rein in the abuses of the for-profit college industry, make it easier for veterans to transition back into our community, and support the creation of advanced manufacturing jobs in our region.

I will continue to work for our community by promoting investments in local job creators, by supporting comprehensive immigration reform, and by opposing tax cuts for billionaires and corporations who want to ship American jobs overseas.

Prior to being elected to Congress, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, our military, and middle-class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote so we can continue to grow our economy and move America forward.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

AJA SMITH, Republican
EDUCATION AND QUALIFICATIONS:

AGE: 39

Aja Smith (Vet) has dedicated her life and career to serving her country. Following in the footsteps of her family, Aja decided at a young age that she wanted to help preserve the great freedoms that our country was founded upon by joining the United States Airforce Reserves in 2002. She served from 2002-2012. Aja grew up in Moreno Valley, California and was raised by both her mother and grandmother who worked long hours as nurses, providing for Aja and ensuring she had every opportunity that her peers had. Aja's Grandparents served in the U.S. Military. Her Grandfather was a veteran of WWII, Korea, and Vietnam. Her great uncle was a Tuskegee Airman pilot.

Aja Smith's top priorities are:

National Defense: As a Veteran who understands National Security, Aja will ensure our National defense and Homeland security has the resources it needs to confront future threats. In Congress she will work to give our defense the resources that they need to keep Americans safe.

Veterans: Aja fully understands the needs and sacrifices of our service members and their families. She understands the commitment to our military service members does cease when they retire/separate from service and caring for our veterans must remain a top priority in Congress.

Economic Recovery and Tax reform: Aja understands the impact of a stagnant job market and knows that small business are the backbone of job growth in our country. By advancing long-term, pro-growth policies will get our economy growing.

ALI MAZAREI, Republican

AGE: 48

OCCUPATION: Businessowner / Entrepreneur

EDUCATION AND QUALIFICATIONS:

As a businessman, husband, and father of two wonderful daughters I want to build a better California, for your family and mine. I'm a proud member of the Riverside, Moreno Valley, Perris Chambers of Commerce and believe a strong business community is the backbone for our economy. It has been an honor to be appointed to the Riverside County Mead Valley Municipal Advisory Council by the County Board of Supervisors to serve as a representative for the community.

- I support TAX CUTS and will work tirelessly for you to eliminate wasteful spending! Hard working *families deserve to keep their hard earned money, not be burdened with more taxes!*
- I oppose the GAS TAX and would not support any tax increase without voter approval.
- We must STOP wasteful spending on the Governor's "Bullet Train" and focus on meaningful projects that enhance our quality of life such as water storage and supply, not on a train to nowhere.
- I stand with First Responders. PUBLIC SAFETY is one of my top priorities, we must keep California safe.

I promise to fight for small businesses, tax cuts, education and public safety. I believe that education should work to improve the lives of every child; even those who may not go on to higher education.

And we must never forget the Veterans who served our country.

I believe in a better, stronger, more prosperous California. Together we can make it happen.

It would be an honor to fight for you in Sacramento!

I appreciate your support - Thank You for your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

JOSE MEDINA, Democratic

OCCUPATION: Teacher / State Assemblymember

EDUCATION AND QUALIFICATIONS:

I ran for State Assembly to give Riverside County a stronger voice, and deliver our fair share of funding for schools, public safety, transportation, and other vital services. With three decades of experience as a classroom teacher, school boardmember, and community college trustee, I knew our communities deserved better.

As your State Assemblymember, I've worked hard to help clean up the state's finances and deliver balanced budgets five years in a row. In addition, we've paid down the state's debt, improved California's credit rating, and created a Rainy Day fund with a projected \$13.5 billion in savings.

California's finances are stronger than ever. Thanks to these fiscally responsible efforts, I've helped spearhead efforts to deliver millions in state investment for Riverside County.

This work includes fully funding the new Medical School at UC Riverside, re-investing in local schools and community colleges, new workforce development programs, fixing our roads and freeways, and expanding access to affordable health care for Riverside families, veterans, and seniors.

We're also leading efforts to build new affordable housing throughout Riverside, expanding renewable energy projects, and fighting for better wages and benefits for workers.

While Washington DC has been filled with dysfunction and partisan fighting, I'm proud of the work we're doing to keep California moving forward... and I won't stop until everyone in Riverside County has the opportunity to succeed.

Please join local teachers, firefighters, nurses, small business owners, and the Democratic Party in supporting my campaign.

RIVERSIDE COUNTY SUPERVISOR,
DISTRICT 5**

JEFF HEWITT

AGE: 65

OCCUPATION: Small Businessman / Mayor

EDUCATION AND QUALIFICATIONS:

Riverside County residents need representation in Riverside County.

Career establishment politicians have nearly bankrupted our county, gambling billions of dollars on Sacramento shell games. With eyes on distant offices they have funneled funds and resources away, instead of putting them to work here. Our families, our schools, our roads, our jobs and our very way of life must have at least one Supervisor who will work for Riverside County's interests FIRST.

Jeff Hewitt has dedicated himself to the health and wealth of Riverside County.

Jeff became Mayor of Calimesa after starting public service on their planning commission as a volunteer. By cutting off the tendrils of Sacramento from his city, he doubled Calimesa's fire department staffing and infrastructure while significantly reducing annual costs.

Sacramento corruption is out of control; we need Jeff to stand up for Riverside County.

Jeff is a native who raised his family here, built his business here, and Jeff only has interests here. Jeff works for family values. Jeff works for working men and women. Jeff works for keeping our tax dollars in our County, working for our needs.

Jeff works for Riverside County, because Jeff works for YOU.

RIVERSIDE COUNTY
SHERIFF / CORONER / PUBLIC ADMINISTRATOR**

STAN SNIFF

OCCUPATION: Riverside County Sheriff

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

CHAD BIANCO

AGE: 50

OCCUPATION: Lieutenant Sheriffs Department

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff's office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That's why I'm proud to be law enforcement's choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I'll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff's Association, Riverside Police Officers' Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here's what the RIVERSIDE SHERIFF'S ASSOCIATION SAYS: “Lt. Chad Bianco's unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

As Sheriff, I'll work to bring the public safety community together to make our county a safe place to live and work.

EDUCATION AND QUALIFICATIONS:

My name is Raul Ruiz, and I am running for City Council because Perris has given so much to me and I feel it is time to give back.

I am a small business owner and I feel that the city would benefit from a leader with roots from our community that can balance budgets, make decisions, and help others achieve their goals.

My dedication to community service is demonstrated by my service on the St. James School Board, the St. James Parish Council, and as President of the 5th District Municipal Advisory Council. Further, as a little league coach and catechism teacher for over 20 years, I watched many of the children in our community grow up to become productive and responsible adults. My years of community involvement have taught me the value of being a leader to our youth and in our community. Moving Perris forward the right way!

Perris is an amazing city, rich in history, full of possibilities, and home to a diverse community of residents who deserve a future that exceeds the standards others have set for us.

Perris deserves a leader who will bring innovation, energy, and passion to the City Council. As an eleven year resident, I know where our city has been and where we want it to go!

We still need more housing and commercial options so our money stays in our city. We must make infrastructure expansion and repair priority now, not later. We need more youth and senior programs to serve those growing populations. And we still have to address the overdue beautification throughout our great city!

I am a 20-year veteran of the Air Force. I understand hard work and commitment. I have served eight years on your Planning Commission building a better Perris for all of us. I know the potential our City has. As a parent and a nine-year substitute teacher in our schools, I know the everyday problems our families face and how we can work together to solve them.

Together, let's move Perris forward!

SECTION 2. SECTION 3.40.020(C) (COMMERCIAL MARIJUANA DISTRIBUTION AND MANUFACTURING OPERATIONS TAX) IS HEREBY ADDED TO CHAPTER 3.40 (MARIJUANA TAX) OF TITLE 3 (REVENUE AND FINANCE) OF THE PERRIS MUNICIPAL CODE AS FOLLOWS:

"Marijuana Distribution and Commercial Manufacturing Operations Tax. All distributors and commercial manufacturers operating within the City of Perris, either pursuant to this Code or otherwise, and regardless of whether such operation has a valid commercial marijuana operation permit pursuant to this Code, shall pay a maximum marijuana tax of 10 cents for each \$1.00 of proceeds or fractional part thereof, the rate to be set by resolution of the City Council."

SECTION 3. ADMINISTRATION, IMPLEMENTATION, AND ENFORCEMENT

The tax contemplated by this Ordinance shall be administered, implemented, and enforced in accordance with Chapter 3.40 (Marijuana Tax) of Title 3 (Revenue and Finance) of the Perris Municipal Code, as it may be amended from time to time.

SECTION 4. EFFECTIVE DATE.

If a majority of the voters of the City of Perris voting at the General Municipal Election of November 6, 2018 vote in favor of this Ordinance, then this Ordinance shall become a valid and binding ordinance of the City of Perris, and shall be considered as adopted upon the date that the vote is declared by the City Council of the City of Perris, and this Ordinance shall go into effect ten (10) days after that date, pursuant to Election Code section 9217.

SECTION 5. CITY COUNCIL AUTHORITY TO AMEND AND/OR REPEAL

This is a City Council sponsored initiative Ordinance which otherwise would only be subject to amendment by the voters of the City of Perris. However, pursuant to Section 9217 of the California Elections Code, the City Council expressly reserves the right and authority to amend or repeal the Ordinance in any manner that does not increase a tax rate, or otherwise constitute a tax increase for which voter approval is required by Article XIII C of the California Constitution.

SECTION 6. SEVERABILITY.

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held to be invalid or unenforceable by a court of competent jurisdiction, the remaining portions of this Ordinance shall nonetheless remain in full force and effect. The People hereby declare that they would have adopted each section, subsection, sentence, clause, phrase, or portion of this Ordinance, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions of this Ordinance be declared invalid or unenforceable.

SECTION 7. CEQA.

This measure to be submitted to the voters adopts a general tax to fund any lawful purpose of the City. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment. Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EXECUTION.

The Mayor of the City of Perris is hereby authorized and ordered to attest to the adoption of the Ordinance by the voters of the City of Perris by signing where indicated below.

I hereby certify that the foregoing Ordinance was **PASSED, APPROVED and ADOPTED** by the People of the City of Perris, California voting on the 6th day of November, 2018.

IMPARTIAL ANALYSIS OF MEASURE “G”

The City of Perris (“City”) currently permits commercial cannabis distribution and manufacturing activities. The Perris City Council voted to place Measure G on the ballot for the November 6, 2018 general municipal election. If passed by the voters, Measure G will impose a tax on commercial cannabis distribution and manufacturing activities in the City. Other cannabis activities are already subject to a similar tax passed by the City’s voters in 2016.

Measure G will impose a permanent general tax of up to ten percent (10%) of the proceeds of commercial marijuana distribution and manufacturing activities. This tax is not a sales or use tax and shall not be calculated or assessed as such. The estimated revenue from the tax will depend on several factors, but based on a staff review of taxes imposed by other cities the annual amount of the tax is estimated to be \$2.3 million. The revenue could be higher or lower than the estimate. The actual tax rate may be set by the City Council from time to time, but cannot be higher than the maximum rate unless approved by voters at a future general election.

The revenues generated from the taxes will be deposited into the City’s general fund and used for expenditures as determined by the City Council. Typical expenditures include law enforcement, fire protection services, youth and senior programs, street and sidewalk repair, staffing parks, graffiti removal, construction and maintenance of public parks and facilities, City recreational and park programs, and City special events.

Measure G would also establish regulations to administer the tax, including collection, enforcement, penalties and refunds. All of the regulations established by Measure G may be amended or repealed by the City Council from time to time.

A “**Yes**” vote approves taxing commercial marijuana distribution and manufacturing activities in the City. A “**No**” vote disapproves taxing commercial marijuana distribution and manufacturing activities. This Measure will take effect only if a majority of voters vote “**Yes**” at the November 6, 2018, general municipal election.

MAYOR, MICHAEL M. VARGAS

ATTEST:

City Clerk, Nancy Salazar

IMPARTIAL ANALYSIS OF MEASURE "H"

In the City of Perris ("City") the elected offices are Mayor, City Council, and City Clerk. The term of office for each of these offices is currently four years. There is currently no limit on the number of terms that may be served in any of these offices.

The Perris City Council voted to place Measure H on the ballot for the November 6, 2018 general municipal election. If passed by the voters, Measure H will establish a lifetime limit of three terms upon these elected offices. Measure H will not change the length of a term, which will remain at four years. Therefore, Measure H would mean that an individual may serve up to 12 years in one of the offices mentioned above, but would not be eligible to serve in that office again.

The lifetime limit of three terms will not be aggregated between the elected offices. For example, an individual may serve three terms as Mayor, another three terms as a Council Member, and another three terms as City Clerk, in any order. The three terms do not need to be consecutively served, so for example an individual may serve one term as a Council Member, then one term as Mayor, then two more terms as a Council Member, and so forth.

Measure H will apply to terms of office beginning on or after the November 6, 2018 general municipal election. Measure H will not apply retroactively. That is, terms served or partially-served prior to Measure H will not count toward the three-term limit.

In the event there is a future vacancy in one of the elected offices, and an individual is elected or appointed to fill that vacancy, the partial term will not count toward the three-term limit if the remainder of the partial term is less than half of the full term. The method of counting partial terms may be amended by a majority vote of the City Council provided that those amendments are consistent with and further the purposes of Measure H. All other amendments require approval of the City's voters.

A **"Yes"** vote approves establishing a lifetime term limit of three terms for the elected offices of Mayor, Council Member, and City Clerk. A **"No"** vote disapproves establishing such term limits. This Measure will take effect only if a majority of voters vote **"Yes"** at the November 6, 2018, general municipal election.

MEASURE "W" - PERRIS UNION HIGH SCHOOL DISTRICT

FULL TEXT BALLOT PROPOSITION OF THE PERRIS UNION HIGH SCHOOL DISTRICT BOND MEASURE ELECTION NOVEMBER 6, 2018

The following is the full proposition presented to the voters by the Perris Union High School District.

"To construct a high school for Menifee, additional classrooms at high schools serving Perris, Romoland, and Nuevo, relieve severe overcrowding, improve our schools, student safety, college readiness, access to math, science, engineering, technology, skilled trades, repair, acquire, construct classrooms/labs/equipment/facilities, shall this Perris Union High School District measure authorizing \$148,000,000 in bonds at legal rates, levying approximately 3¢/\$100 assessed value (averaging \$10,000,000 annually) while bonds are outstanding, be approved, with citizen oversight/ all money locally controlled?"

PROJECT LIST

The Board of Trustees of the Perris Union High School District is committed to improving the quality of education in local schools by providing safe, secure, upgraded classrooms, facilities and technology needed to support high quality instruction in core subjects like math, science, and technology. To that end, the Board evaluated the District's urgent and critical facility needs, including safety issues, class size, computer and information technology, and prepared a Long-Range Facilities Master Plan, accepted by the Board on July 25, 2017, which is incorporated herein in its entirety, in developing the scope of projects to be funded. The District conducted a facilities evaluation and received public input in developing this Project List. Teachers, staff, community members and the Board have prioritized the key health and safety needs so that the most critical facility needs are addressed. **The Board concluded that reducing overcrowding, upgrading science labs, engineering labs, and career technical education facilities so students are prepared for college and in-demand careers and protecting the quality of our schools, the quality of life in our community, and the value of our homes are wise investments.** Therefore, in approving this Project List, the Board of Trustees determines that the District **must:**

- (i) **Improve access to modern classrooms, labs and career training facilities needed to support high quality instruction in math, science, engineering, technology, and skilled trades; and**
- (ii) **Create flexible, multi-use classrooms to support hands-on science instruction and learning-by-doing; and**
- (iii) **Provide classrooms, science and engineering labs, career and technical education facilities so students are prepared for college and in-demand careers; and**
- (iv) **Repair or replace deteriorating roofs, aging plumbing, and electrical systems where needed; and**
- (v) **Improve student safety and campus security; and**
- (vi) **Adhere to specific fiscal accountability safeguards:**
 - (a) **All expenditures subject to annual independent financial audits.**
 - (b) **No funds used for administrators' salaries and pensions.**
 - (c) **No money taken by the State; all funds stay local.**
 - (d) **All expenditures reviewed by an independent taxpayer oversight committee to ensure that funds are spent only as authorized.**

The Project List includes the following types of upgrades and improvements at District schools, facilities and sites:

CONSTRUCT, REPAIR AND IMPROVE SCHOOLS/RELIEVE OVERCROWDING

Basic School Construction, Repair and Upgrade Projects Funded By Money That Cannot Be Taken By the State

Goals and Purposes: Rapid growth in the District has resulted in overcrowded high schools. For example, Paloma Valley High School was built for 2,200 students, currently accommodates approximately 3,200 students, and is expected to reach 4,000 students within five years. Crowded schools limit educational opportunities for our students. This measure will relieve severe classroom overcrowding, provide for a new high school, and allow the District to ensure all students have access to modern educational facilities.

- Construct a new, comprehensive high school to serve Menifee and reduce overcrowding at other high schools, including but not limited to classrooms, laboratories, career training facilities, administrative spaces, athletic facilities, parking and traffic facilities, and all related site improvements, landscaping, furnishings and equipment.
- Complete the final phase of construction at Perris High School, including additional career technology classrooms and related facilities, a performing arts center, and creating a single point of entry to improve student safety.
- Construct, upgrade and modernize classrooms, science labs, career technical education facilities, computer systems and instructional technology needed throughout District schools to support instruction in science, technology, engineering, math and skilled trades so students are prepared for college and in-demand careers.
- Upgrade career training facilities and equipment needed to prepare students throughout the District for careers in healthcare, biomedical science, computer science, and agriculture.
- Create flexible, multi-use classrooms throughout District schools to support hands-on instruction and learning-by-doing.
- Repair or replace deteriorating roofs, aging plumbing and electrical systems where needed.
- Construct new middle school facilities and renovate, expand and improve middle schools as needed to reduce overcrowding and accommodate growth.

- Renovate, modernize, and improve aging non-classroom school facilities throughout District schools, including multi-purpose rooms, libraries, arts facilities, cafeterias, and restrooms.
- Improve heating, ventilation, and air-conditioning systems, insulation, doors, and windows to increase energy efficiency and save money.

STUDENT HEALTH AND SAFETY

Student Safety, Health and Campus Security Projects

Goal and Purpose: Whether or not you have school-age children, providing for safe and secure schools, protecting the quality of life in our community, and preserving the value of our homes is a wise investment. This measure will upgrade and implement student health and safety systems, including security lighting, fencing, provisions for single point of entry, smoke detectors, fire alarms, sprinklers, and campus security systems for improved student safety.

Schools will benefit from a variety of safety projects throughout District schools, such as:

- Improve student safety and campus security systems, including security lighting, fences, gates, other access control systems, security cameras, emergency communications systems, and classroom door locks.
- Modernize and improve facility safety systems such as smoke detectors, fire alarms and sprinklers.
- Expand and construct physical education facilities, including gymnasiums and other athletic facilities needed to support student health, fitness and safety.
- Replace aging, outdated portables with modern classrooms that meet 21st century health, safety and academic standards.
- Modernize school facilities to improve access for students with disabilities.

* * *

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: add or renovate student and staff restrooms; repair and replace electrical, plumbing, heating and ventilation systems; upgrade of facilities for energy efficiencies; repair and replace worn-out and deteriorated roofs, windows, walls, floors, doors and drinking fountains; construct or renovate the District office and facilities for professional development of teachers, more efficient administration and proper data security; install wiring and electrical systems to safely accommodate computers, information technology and other electrical devices; upgrade or construct support facilities including administrative, physical education, music, art, performing and fine arts classrooms or facilities, science, computer labs/classrooms, libraries and buildings, dedicated eating areas, maintenance facilities and yards; repair and replace fire alarms, emergency communications and security systems; improve facilities to satisfy ADA requirements; resurface or replace asphalt and hard courts, turf (including artificial turf) and irrigation/drainage systems and campus landscaping; expand parking and drop-off areas; improve all site utilities; acquire land; construct new school buildings; upgrade interior and exterior painting, floor covering, and school facades; demolition; upgrade kitchens, food service, and school cafeterias; construct various forms of storage and support spaces and classrooms; improve outdoor learning environments and quads; repair, upgrade and install interior and exterior lighting systems; improve playgrounds, athletic fields and play apparatus; replace outdated security fences and security systems (including access control systems), provide lunch shelters, indoor space for assemblies or for rainy day lunch; upgrade music labs, multi-purpose rooms, learning centers and media centers; add new parking lots and parking structures. The upgrading of technology infrastructure includes, but is not limited to, network rewiring, cabling, computers, portable interface devices, servers, switches, routers, modules, sound projection systems, laser printers, digital white boards, document projectors, upgrade voice-over-IP, clock/telephone/ intercom systems, call manager and network security/firewall, wireless technology systems, refresh classroom technology and other miscellaneous equipment. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of portable classrooms and existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation or drainage systems, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

FISCAL ACCOUNTABILITY: IN ACCORDANCE WITH EDUCATION CODE SECTION 15272, THE BOARD OF TRUSTEES WILL APPOINT A CITIZENS' OVERSIGHT COMMITTEE AND CONDUCT ANNUAL INDEPENDENT AUDITS TO ASSURE THAT FUNDS ARE SPENT ONLY ON DISTRICT PROJECTS AND FOR NO OTHER PURPOSE. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

NO ADMINISTRATOR SALARIES: PROCEEDS FROM THE SALE OF THE BONDS AUTHORIZED BY THIS PROPOSITION SHALL BE

USED ONLY FOR THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, REHABILITATION, OR REPLACEMENT OF SCHOOL FACILITIES, INCLUDING THE FURNISHING AND EQUIPPING OF SCHOOL FACILITIES, AND NOT FOR ANY OTHER PURPOSE, INCLUDING TEACHER AND SCHOOL ADMINISTRATOR SALARIES AND OTHER OPERATING EXPENSES.

MEASURE "W" - PERRIS UNION HIGH SCHOOL DISTRICT

**TAX RATE STATEMENT
PERRIS UNION HIGH SCHOOL DISTRICT
BOND PROPOSITION
NOVEMBER 6, 2018 ELECTION**

An election will be held in the Perris Union High School District (the "District") on November 6, 2018, to authorize the sale of up to \$148,000,000 in bonds of the District to finance improvements to educational facilities as described in the proposition. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is three cents per \$100 of assessed valuation (or \$30.00 per \$100,000 of assessed valuation). The final fiscal year in which it is anticipated that the tax will be collected is 2047-48.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is three cents per \$100 of assessed valuation (or \$30.00 per \$100,000 of assessed valuation). It is estimated that such rate would be levied in fiscal year 2019-20.
3. The best estimate of the total debt service, including the principal and interest that would be required to be repaid if all the bonds are issued and sold, is approximately \$297 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls. In accordance with Education Code Section 15100 subparagraph (c), the Board has obtained reasonable and informed projections of assessed property valuations that take into consideration projections (if any) of assessed property valuations made by the County Assessor. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The date of sale and the amount of bonds sold at any given time will be determined by the District based on its need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process. Accordingly, the actual tax rates and the years in which such rates are applicable may vary from those presently estimated as above stated.

Perris Union High School District

By: Grant Bennett, Superintendent

IMPARTIAL ANALYSIS OF MEASURE “W”

The Board of Trustees (“Board”) of the Perris Union High School District (“District”) by adopting Resolution No. 1:18-19 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of one hundred forty-eight million dollars (\$148,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to construct a new high school, construct, upgrade and renovate classrooms, labs, equipment and facilities, and to improve student safety. The Bonds may be used for school facilities projects such as modernizing classrooms, labs and career-training facilities and to support instruction in math, science, engineering, technology and skilled trade. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure W is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, modernization, rehabilitation, or replacement of school facilities, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is \$0.03 per \$100 per assessment (or \$30 per \$100,000) of assessed value.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$297,000,000.

Approval of Measure W does not guarantee that the proposed project or projects in the District, that are the subject of the Bonds under Measure W, will be funded beyond the local revenues generated by Measure W. The District’s proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “W” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “W” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “W”

Voting Yes on Measure W will relieve significant school overcrowding, keeping our students safe and on the path to success in college and competitive careers.

Our area is growing rapidly. For example, Paloma Valley High School was built for 2,200 students, currently educates 3,200 and will reach 4,000 within five years: nearly double the intended capacity.

Crowded schools are unsafe and limit educational opportunities. Menifee desperately needs an additional high school – it’s the only way to solve the overcrowding problem.

That’s why we need Measure W. It provides a dedicated, locally controlled source of funding that can only be spent on local secondary schools. The State can’t take one penny.

Measure W gives every student a chance at 21st-century success. Currently, there is not enough lab space to meet student demand for science, technology and engineering classes. By expanding local schools and upgrading them to modern standards, Measure W will open the door for educational opportunities.

Vote Yes on W: Relieve Overcrowding, Support Student Success

- Build a new high school in Menifee to relieve classroom overcrowding at all schools
- Protect student safety and campus security by establishing a single point of entry
- Improve access to modern classrooms, labs and career training facilities to support quality instruction in math, science, engineering, technology and skilled trades
- Increase access to career training facilities that prepare students for careers in healthcare, biomedical science, computer science, agriculture and skilled trades

A Clear System of Fiscal Accountability

- Independent citizens’ oversight and annual public audits are mandatory
- A detailed project list outlining exactly how Measure W will be spent is included in your voter pamphlet
- Measure W cannot fund administrator salaries

Strong schools protect strong property values, even if you don’t have kids.

Join us in voting Yes on W: protect student safety and academic opportunities.

Language Services

The County of Riverside is making voting easier in 2018! Some polling places (but not all) will have translated sample ballots that voters can use as a reference tool when voting. Please visit www.voteinfo.net to find a list of polling places in Riverside County and the translated sample ballots that will be available at each. This will help you determine if your polling place will have one of these translated sample ballots in your preferred language.

If you wish to see one of these translated sample ballots before Election Day, you may request one. You can request one by calling (800) 773-VOTE (8683) or by visiting www.voteinfo.net. Please be aware that only voters who live in particular areas can receive these translated sample ballots. Requests must be received no later than 7 days before an election.

Additionally, remember that if you need assistance you may bring up to two people to assist you in voting, as long as they are not representatives from your employer or your union (if you have one). Bring a family member or friend!

Servicios de Idioma

¡En 2018, el Condado de Riverside facilita el proceso de votación! Algunas casillas electorales (pero no todas) contarán con muestras de boletas de votación traducidas que los votantes pueden usar como referencia al momento de votar. Por favor visite www.voteinfo.net para ver una lista de casillas electorales en el Condado de Riverside y las muestras de boletas de votación traducidas que estarán disponibles en cada una de ellas para referencia. Esto le ayudará a determinar si su casilla electoral que le corresponde contará con boletas de votación traducidas en su idioma de preferencia.

Si desea ver una de estas muestras de boletas de votación traducidas antes del Día de Elección, puede solicitar una. Para hacerlo, llame al (800) 773-VOTE (8683), o visite www.voteinfo.net. Por favor tenga en cuenta que solamente los votantes que residen en determinadas áreas pueden recibir estas muestras de boletas de votación traducidas. Las solicitudes deben ser recibidas a más tardar 7 días antes de la elección.

Además, recuerde que si necesita ayuda, puede llevar hasta dos personas para que lo asistan en la votación, siempre que no sean representantes de su empleador o su sindicato (si lo tiene). ¡Lleve a un familiar o un amigo!

Conditional Voter Registration

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here's how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the county elections official processes the affidavit of registration, determines that you're eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683)

You may check the status of your voter registration at www.voteinfo.net/AmlRegistered

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

To register to vote online, visit RegisterToVote.ca.gov.
