REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Voter:

November 6, 2012 is Election Day. Your ballot contains contests for Federal, State, and local offices as well as statewide propositions and local measures. This Sample Ballot and Information Pamphlet provides ballot marking instructions, polling place hours, candidate and measure information, and other election details that are important for you to review before you vote. You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

Did you know that Vote-by-Mail ballots received in the Registrar of Voters office before Election Day are the first ballots counted on Election Night? You will find an application to receive a Vote-by-Mail Ballot on the back cover of this pamphlet.

Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic AGE: 51
OCCUPATION: Public School Teacher / Community College Trustee
EDUCATION AND QUALIFICATIONS:

Dear Friend,

It's clear to anyone paying attention that Congress is broken.

Big oil companies, powerful insurance companies and special interest lobbyists have rigged the system, and our middle class is suffering for it. Congress has failed to renew tax cuts for middle class families or pass a single bill to help put struggling Americans back to work.

This is unacceptable.

As a lifelong resident of Riverside County, I'm tired of the partisan gridlock that delivers nothing to our community but empty promises.

We need jobs, jobs and more jobs. We need to reduce taxes for middle class families and provide tax credits to local small businesses for innovation and job creation. We also must stop handing out tax breaks to big corporations that ship jobs overseas.

I have dedicated my life to public service as a high school teacher and Riverside Community College Trustee. If you send me to Washington, I will fight for Riverside County families, our children, our veterans and especially our senior citizens by protecting Social Security and Medicare.

That's why I'm proud to be the only candidate endorsed by the National Committee to Protect Social Security and Medicare. I'm also proud to be endorsed by classroom teachers, nurses and many local leaders.

As your Congressman, I will work across party lines to fight for the middle class, protect Social Security and Medicare and bring good paying jobs to the Inland Empire. I respectfully ask for your vote.

Sincerely,

Mark Takano

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

JOHN F. TAVAGLIONE, Republican AGE: 64
OCCUPATION: Business Owner / County Supervisor
EDUCATION AND QUALIFICATIONS:

As County Supervisor, I'm working to create new, good-paying jobs in education, health care and construction at UC Riverside by building a new medical school.

In Congress, I'll continue my efforts to revive a stagnant economy.

I'll work across party lines to provide tax incentives for employers who hire new workers, INVEST IN EDUCATION, and simplify the tax code so small businesses can focus on CREATING JOBS.

I'll fight to reduce the \$15.5 trillion national debt and stop irresponsible spending that has done little to improve the economy.

As county supervisor, I saved millions of dollars by requiring county offices to buy used furniture, reduce travel costs and make prisoners pay for the cost of keeping themselves in jail.

In Congress, I'll continue my FIGHT AGAINST GOVERNMENT WASTE.

I'll take action to prevent future bailouts and hold Wall Street accountable for its mistakes.

As a private citizen, I've helped hundreds of young people get through college by raising millions of dollars for scholarships.

In Congress, I'll fight to keep college tuition rates down and ensure public schools have the funding they need to provide a quality education.

America must also keep its promise to retirees and veterans by PROTECTING MEDICARE and strengthening Social Security programs.

America's best days should be ahead of us.

But, we need to stop the partisan bickering and pull together to make America work better.

Mayor Ron Loveridge, Riverside Firefighters Association and National Latino Police Officers Association support my campaign. I hope you do too.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

ERIC LINDER, Republican

OCCUPATION: Corona Business Owner

EDUCATION AND QUALIFICATIONS:

California's government is a mess.

Partisan fighting has replaced getting things done for California.

And because of that, we find ourselves in the mess we're in.

Instead of cutting waste and getting rid of bloated bureaucracies in Sacramento, funding for education has been cut, and our schools have been forced to increase class sizes.

Instead of cutting frivolous spending, the Legislature's only answer has been to seek higher taxes.

Instead of addressing over-crowded prisons, the Legislature has done nothing, resulting in dangerous felons being released back into our neighborhoods.

And instead of trying to fix a broken pension system, the politicians in Sacramento just watch our debt grow.

All of these problems need solutions. But to solve them, we need people who are actually interested in getting things done - people who bring new solutions.

I am a small business owner, not a career politician.

I haven't spent my life running for office over and over again.

I've been raising a family and growing my business.

And in my business, we operate under some pretty simple rules that the Legislature in Sacramento would do well to follow:

-Don't spend more than you take in.

-Work on small problems before they become big ones.

-Getting things done is more important than talking about getting them done.

I'm running for State Assembly to bring some common sense to Sacramento.

If you agree that we need more business owners and less career politicians in the State Assembly, I am asking for your support.

My wife Pat and I have lived in Riverside for 48 years. We have three children. They were educated in Alvord Unified Schools, Riverside Community College, California State University, San Bernardino and the University of California, Riverside. One is Vice Principal and two are teachers.

I decided to run for California Assembly District 60 to help bring economic prosperity, self reliance, and improve the standard of living and quality of life. Ours is a newly reapportioned Assembly District, created as a result of the 2010 census. There is no incumbent. This is a new beginning. I am looking forward to sharing with you my vision for a new and revitalized Assembly District. I am also very interested in the views of citizens, businessman, private and public organizations across our district.

We need everyone to participate. I am offering my candidacy as a bridge between all the cities, the private and political interests in our region. I want to be your voice in Sacramento to loudly and firmly express your interests, concerns and work to promote and resolve them.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
CORONA-NORCO UNIFIED SCHOOL DISTRICT**

CATHY L. SCIORTINO

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

My husband, Ned and I have resided in Corona for 26 years. We have three daughters, all products of Corona Norco Schools. Originally from Ohio, I attended Youngstown State University with a major in business and was a buyer for May Co. Corporation.

I have been a member of the school board for 17 years, serving 4 years as president. During this time, student enrollment has doubled, 23 new schools have been built and over \$100 million cut from the budget. These are uncertain times, however we must continue to offer a quality education for all students. Corona Norco is a large, complex district serving a diverse student population. Our schools should foster a safe, secure learning environment that promotes values of diversity, and a balanced curriculum supportive of college and career.

Communication with elected officials, educational organizations, higher education institutes and the business community is essential in securing vital dollars to provide seamless quality programs that promote success for our students. As a long serving board member, I have served on numerous boards and meet regularly with our legislatures. I believe my experience provides stability, continuity and leadership needed to navigate through the challenging times we continue to experience.

MICHELL SKIPWORTH

OCCUPATION: Business Consultant

EDUCATION AND QUALIFICATIONS:

Much of a child or teen's day is spent at school. The learning and socialization that occurs at school is critical not only to their individual success, but to the future of our nation. With strong support from parents, teachers, and community members, I have decided to seek re-election to the Corona-Norco Unified School District (CNUSD) Board of Education.

As the State reduced funding to educate our district's children by \$150,000,000 CNUSD found new collaboration with our employee groups and continued its solid fiscal management. The result: Our District is now considered one of the top School Districts in the nation.

If re-elected, I will continue the work that helps CNUSD provide quality instruction that meets the ever changing needs of our students and communities while providing a safe, encouraging and healthy environment that helps in developing our youth into productive adults.

As a parent of children currently enrolled in our district, a 20 year resident of Corona, and a proven leader with the vision for our school district's success, I know that together we can ensure our children receive a quality and safe education.

I would be honored to have your vote.

JOSE LALAS

AGE: 61

OCCUPATION: Professor

EDUCATION AND QUALIFICATIONS:

I am an incumbent. Having served Corona-Norco Unified School District for 17 years, I have the experience for improving further the high quality of education in the District. The District needs a Trustee who has the professional background, academic training, and community involvement for tackling the uncertain State budget, disparities in achievement, and trends in bullying, drugs, and gangs. A parent of 4 students who graduated from the District, my master's, specialist, and Ph.D. degrees are in literacy/education. As professor, I prepare teachers and administrators on effective teaching and leadership. As former teacher and experienced school trustee, I listen to parents, students, and staff. I engage administrators, teachers, staff, and students in courageous and respectful conversations.

I uphold collaboration as a negotiation approach in the District since 1991. I collaborate with administrators and teachers in examining the achievement gap critically. I pursue and support policies for more vocational opportunities, technology, and college career readiness as well as critical thinking, art, and music for ALL students.

The Corona-Norco Teachers and local California School Employees associations already endorsed my re-election for school board.

I ask you to re-elect me for my campaign for quality education. Contact me at (951) 279-1670 or at jose_lalas@redlands.edu.

MARY HELEN M. YBARRA

AGE: 55

OCCUPATION: Physical Therapist Assistant

EDUCATION AND QUALIFICATIONS:

I have been married 30 years and am the proud mother of two young men that were successful students of the CNUSD. Throughout my life I have been dedicated in my efforts advocating for the best interest, highest standards, health, safety and educational needs of all children.

My 20 year record of achievements point to the fact that I've been very successful in building partnerships with teachers, parents, students, administrators in the CNUSD and the community. I will bring a positive commitment to continuously improve the quality of education, safety, technology and school infrastructure.

My experience at various levels in PTA and numerous board positions in community organizations has allowed me to listen to the concerns of parents, teachers, students, administrators and the community, helping guide them to successful outcomes. I believe as a board member we must be fully committed to excellence in all we do.

Unfortunately, for the foreseeable future, we await many financial challenges. However, I know that by working together we can meet the challenges that lie ahead. I have the experience, training, education, background and insight to make positive contributions to the Corona Norco Unified School District. Vote for Mary Ybarra a "New Voice"

KEVIN JEFFRIES

AGE: 51

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

I'm a small business owner and family man. I'm running to remind county government that they work for us, we don't work for them.

RESTORE SAFE NEIGHBORHOODS. Our county spent \$730,000 on lobbyists while cutting Deputy Sheriffs. Then the county granted Early Release and put 3500 convicted criminals back into our communities! Our tax dollars should pay for Police and Firefighters - not bureaucrats and lobbyists.

PASS COUNTY FINANCIAL REFORMS. County Supervisors enjoy six-figure salaries and lifetime pensions. Reform must start at the top! Recently approved salary INCREASES will cost our county \$730 million over 4 years! Let's end the lavish giveaways, reduce bloated salaries and benefits, and eliminate pensions for County Supervisors.

FIGHT NEW TAXES. I've led statewide efforts to protect taxpayers, and I personally opposed raising your vehicle tax, income tax and sales tax, saving families and small businesses nearly \$1000 a year.

BRING BACK JOBS. Even with high unemployment our county continues to make it difficult for businesses to grow and create new jobs. We must eliminate layers of bureaucracies and regulations and start welcoming new jobs!

ENDORSEMENTS.

COUNTY SUPERVISOR,
1ST DISTRICT**

BOB BUSTER

OCCUPATION: Small Businessman / County Supervisor / U.S. Army Veteran

EDUCATION AND QUALIFICATIONS:

Sacramento politicians cover-up the state budget deficit by raising taxes and shifting the burden to local residents.

In contrast, I've held the line on taxes, reformed public employee pensions (saving more than \$860 million), and conservatively managed County finances.

As a Riverside County native and local businessman, my priorities are to bring high-paying local jobs, keep our neighborhoods safe, and reduce traffic congestion.

The Meridian Business Park, has created 2,600 new jobs, with 6,000 more on the way. The UC Riverside Medical School will attract thousands more high-tech jobs. They are examples of my approach to rebuilding our local economy to ensure future prosperity.

I've kept County finances strong despite the recession. That has enabled me to put more Sheriff's Deputies on the street, open five neighborhood fire stations, and reduce 9-1-1 response times. That's why District Attorney Paul Zellerbach and retired Sheriff Cois Byrd support my candidacy.

I required developers – not taxpayers – to upgrade roads to reduce traffic congestion, and secured federal funds to expand the 91 freeway, creating an additional 16,200 jobs in our region.

If you support my Independent approach, I'd appreciate your vote.
