Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
50TH CONGRESSIONAL DISTRICT**

DAVID B. SECOR, Democratic **AGE: 65**
OCCUPATION: Veteran of Vietnam and the Daily Battles of the
Middle Class

EDUCATION AND QUALIFICATIONS:

Thank you for voting. The voters remain the only power greater than money in politics today.

I do not ask to represent your interests in Washington just to be something, but to do something. The People expect and deserve a representative who listens. One not tied to special interests, who won't pander to any group. One who focuses solely on advancing the interests of the people, small businesses, agriculture, and on preserving our beautiful backcountry. It is for the children, their future, that we must plant the seedlings of trees whose shade we will never know.

Partisan gridlock is inexcusable in a struggling economy. Jobs mean growth, customers for small businesses. We must overhaul our banking, foreign trade and tax policies to add revenue and bring outsourced jobs and industries back to the USA. We must set new priorities. Rebuild America. Cut excess Pentagon spending to strengthen the nation. Future battles will be economic, won or lost in our nation's classrooms.

Our Constitutional Rights are under continuous attack. Rights of privacy, freedom and justice for all, they define America. Social Security, Medicare, women's healthcare, public education, the postal system, are important to all our citizens.

A 30-year Crest resident, I served in Vietnam with the 1st Air Cavalry in 1968, received a B.A. in Communication at SDSU in 1973, have worked 20 years in the private sector and 19 years in the Courts. Cast your vote for one of your own. A citizen, of and for the people.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
50TH CONGRESSIONAL DISTRICT**

DUNCAN HUNTER, Republican
OCCUPATION: Marine / U.S. Representative
EDUCATION AND QUALIFICATIONS:

It is an honor to serve as your voice in the House of Representatives.

The decisions made in Washington, D.C. impact our lives every day. As your representative, I fight for our district, our values and our nation.

Years of reckless spending in Congress has created a \$16 trillion debt that threatens our future. Borrowing from countries like China puts our economy and our security at risk. I'm working to end wasteful spending, reduce the debt and hold government accountable for how it spends our money.

As your representative, my priorities remain: Restoring America's manufacturing base, the true catalyst for our national economy; Eliminating job-killing regulations, taxes and fees that harm small and medium size businesses; Controlling our Southern border to stop the flow of illegal aliens; Ending wasteful, duplicative programs and bureaucracy in the federal government; Achieving energy independence by using our own natural and manmade resources here in North America and; Freeing ourselves from the stranglehold of regimes that negotiate international policy using oil prices.

As a Marine, I believe that government's most fundamental purpose is to protect our country and its citizens. I will never waiver when it comes to maintaining our battle-ready military force – the best trained and best equipped force on earth - and supporting the families of our troops.

With your support, I'll continue to fight for the values that have made us the greatest nation on earth.

Please visit my website, www.HunterforCongress.com, to learn more and see how you can help. Thank you.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
75TH ASSEMBLY DISTRICT**

MARIE WALDRON, Republican

OCCUPATION: Small Businessowner / Councilmember

EDUCATION AND QUALIFICATIONS:

I SUPPORT:

JOB CREATION by cutting taxes and burdensome regulations

BALANCED BUDGETS and a state spending cap

RELIABLE AND AFFORDABLE WATER for our economy and families

PROVEN TAXFIGHTER: I am endorsed by the Howard Jarvis Taxpayers Association PAC because of my long record in opposition to higher taxes.

A PRINCIPLED CONSERVATIVE REFORMER: I will fight for balanced budgets without tax increases and support a state spending cap to prohibit spending more money than we bring in.

I MEAN BUSINESS AND JOBS: As a local small businessowner, I understand the impact of unfair government regulations, taxes and spending on businesses. Less government equals more jobs.

FIGHTING TO MAKE OUR SCHOOLS WORK AGAIN: Education dollars should be spent in the classroom to help teachers do their job - not on bureaucrats. We need to hold teachers accountable but we must give them the tools to do the job. School choice and competition will benefit education.

As a Escondido city councilmember since 1998, I have fought for fiscal restraint, smaller government and protecting individual liberties. I have been a leader on pension reform and promoting government efficiency.

As a parent, I'm concerned about our childrens' future. I will fight to protect our traditional family values.

I am active in our community, my church and support many local civic organizations. My husband and I have a school age son who is in Boy Scouts and Little League. We worked to found the successful "Cruisin' Grand" hotrod event in downtown Escondido for the past 13 years.

I am proud to have served on the MVUSD School Board for 21 years. Participating in the development of this school district is one of the most important experiences of my life. My decisions are always based upon strengthening curriculum, reducing rigid classroom settings for more individualized learning, critical thinking, and worthy innovation.

I support ambitious strategic goals for every area of our District, such as: online learning, more career pathways, a stronger emphasis on Science and Math, Visual and Performing Arts, athletics, technology, English, and world languages.

Our kids need even more enrichment in this competitive world. I visit classrooms in every school every year, honoring what's excellent and who's doing it. No one represents Murrieta citizens in their anxious desires for progress better than I.

We face serious pressure from politicians to shorten the school year and dilute standards and curriculum -- now, more than ever, my experience and dedication is vital for the success of Murrieta's children. Re-elect me, and be confident that I'll make good decisions based on what our *students* need, not what's best for Sacramento.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
MURRIETA VALLEY UNIFIED SCHOOL DISTRICT**

BARBARA J. MUIR **AGE: 62**
OCCUPATION: Retired Teacher
EDUCATION AND QUALIFICATIONS:

Retirement has many advantages, but I want to contribute to the growth and continued success of the Murrieta Valley Unified School District. There are many difficult decisions to be made, and I offer a new voice and fresh pair of eyes to help get us through these fiscally difficult times.

I received my Bachelor's Degree and teacher training at Cal State University San Bernardino. I earned my Master's Degree in Educational Counseling with emphasis on Career Counseling from Azuza Pacific University. I have a strong belief that *all* education is *career* education which leads me to want to build on the strong career path programs that MVUSD has already started. By giving students focused pathways, I believe many more will choose post-secondary education.

I believe strongly that all parties should be listened to and be given a chance to contribute to district policies. I am a strong believer in transparency in all aspects of government and will strive to keep the public informed, to the greatest extent possible, about how, why, and where their tax dollars are being spent. A vote for me is a vote for giving everyone a voice in the education of our children.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
MURRIETA VALLEY UNIFIED SCHOOL DISTRICT**

GREGORY R. LEE **AGE: 46**
OCCUPATION: Retired Police Officer
EDUCATION AND QUALIFICATIONS:

Murrieta has been my home for the past 17 years, and I have seen our community grow. I promise to commit to our children, families and teachers. I am a retired police officer and have 2 school aged children enrolled in our local elementary school.

I graduated with a Bachelor's Degree in Communications from California State University, Fullerton.

My experience as a police officer has taught me many lessons: dedication, problem solving, and leadership. I enjoy working as a team to ensure speedy resolutions without unnecessary delay.

During tough times with increased budget concerns, I will examine the budgetary issues and work with my fellow Board members to make good common sense decisions.

I am proud to have the endorsements of the Murrieta Teacher's Association, retired Riverside County Sheriff, Cois Byrd and California State University, San Bernardino Emergency Preparedness manager Don Soderbloom.

I respectfully ask for your consideration on Election Day. I would be honored to serve as proud Board member of the Murrieta Valley Unified School District.

I plan on visiting the school locations and will be an active member of the school board.

Please vote for Gregory R. Lee.

**CANDIDATE STATEMENT FOR
COUNTY SUPERVISOR,
1ST DISTRICT**

KEVIN JEFFRIES

AGE: 51

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

I'm a small business owner and family man. I'm running to remind county government that they work for us, we don't work for them.

RESTORE SAFE NEIGHBORHOODS. Our county spent \$730,000 on lobbyists while cutting Deputy Sheriffs. Then the county granted Early Release and put 3500 convicted criminals back into our communities! Our tax dollars should pay for Police and Firefighters - not bureaucrats and lobbyists.

PASS COUNTY FINANCIAL REFORMS. County Supervisors enjoy six-figure salaries and lifetime pensions. Reform must start at the top! Recently approved salary INCREASES will cost our county \$730 million over 4 years! Let's end the lavish giveaways, reduce bloated salaries and benefits, and eliminate pensions for County Supervisors.

FIGHT NEW TAXES. I've led statewide efforts to protect taxpayers, and I personally opposed raising your vehicle tax, income tax and sales tax, saving families and small businesses nearly \$1000 a year.

BRING BACK JOBS. Even with high unemployment our county continues to make it difficult for businesses to grow and create new jobs. We must eliminate layers of bureaucracies and regulations and start welcoming new jobs!

ENDORSEMENTS.

**CANDIDATE STATEMENT FOR
COUNTY SUPERVISOR,
1ST DISTRICT**

BOB BUSTER

OCCUPATION: Small Businessman / County Supervisor / U.S.

Army Veteran

EDUCATION AND QUALIFICATIONS:

Sacramento politicians cover-up the state budget deficit by raising taxes and shifting the burden to local residents.

In contrast, I've held the line on taxes, reformed public employee pensions (saving more than \$860 million), and conservatively managed County finances.

As a Riverside County native and local businessman, my priorities are to bring high-paying local jobs, keep our neighborhoods safe, and reduce traffic congestion.

The Meridian Business Park, has created 2,600 new jobs, with 6,000 more on the way. The UC Riverside Medical School will attract thousands more high-tech jobs. They are examples of my approach to rebuilding our local economy to ensure future prosperity.

I've kept County finances strong despite the recession. That has enabled me to put more Sheriff's Deputies on the street, open five neighborhood fire stations, and reduce 9-1-1 response times. That's why District Attorney Paul Zellerbach and retired Sheriff Cois Byrd support my candidacy.

I required developers – not taxpayers – to upgrade roads to reduce traffic congestion, and secured federal funds to expand the 91 freeway, creating an additional 16,200 jobs in our region.

If you support my Independent approach, I'd appreciate your vote.
