Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic AGE: 51
OCCUPATION: Public School Teacher / Community College Trustee
EDUCATION AND QUALIFICATIONS:

Dear Friend,

It's clear to anyone paying attention that Congress is broken.

Big oil companies, powerful insurance companies and special interest lobbyists have rigged the system, and our middle class is suffering for it. Congress has failed to renew tax cuts for middle class families or pass a single bill to help put struggling Americans back to work.

This is unacceptable.

As a lifelong resident of Riverside County, I'm tired of the partisan gridlock that delivers nothing to our community but empty promises.

We need jobs, jobs and more jobs. We need to reduce taxes for middle class families and provide tax credits to local small businesses for innovation and job creation. We also must stop handing out tax breaks to big corporations that ship jobs overseas.

I have dedicated my life to public service as a high school teacher and Riverside Community College Trustee. If you send me to Washington, I will fight for Riverside County families, our children, our veterans and especially our senior citizens by protecting Social Security and Medicare.

That's why I'm proud to be the only candidate endorsed by the National Committee to Protect Social Security and Medicare. I'm also proud to be endorsed by classroom teachers, nurses and many local leaders.

As your Congressman, I will work across party lines to fight for the middle class, protect Social Security and Medicare and bring good paying jobs to the Inland Empire. I respectfully ask for your vote.

Sincerely,

Mark Takano

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

JOHN F. TAVAGLIONE, Republican AGE: 64
OCCUPATION: Business Owner / County Supervisor
EDUCATION AND QUALIFICATIONS:

As County Supervisor, I'm working to create new, good-paying jobs in education, health care and construction at UC Riverside by building a new medical school.

In Congress, I'll continue my efforts to revive a stagnant economy.

I'll work across party lines to provide tax incentives for employers who hire new workers, INVEST IN EDUCATION, and simplify the tax code so small businesses can focus on CREATING JOBS.

I'll fight to reduce the \$15.5 trillion national debt and stop irresponsible spending that has done little to improve the economy.

As county supervisor, I saved millions of dollars by requiring county offices to buy used furniture, reduce travel costs and make prisoners pay for the cost of keeping themselves in jail.

In Congress, I'll continue my FIGHT AGAINST GOVERNMENT WASTE.

I'll take action to prevent future bailouts and hold Wall Street accountable for its mistakes.

As a private citizen, I've helped hundreds of young people get through college by raising millions of dollars for scholarships.

In Congress, I'll fight to keep college tuition rates down and ensure public schools have the funding they need to provide a quality education.

America must also keep its promise to retirees and veterans by PROTECTING MEDICARE and strengthening Social Security programs.

America's best days should be ahead of us.

But, we need to stop the partisan bickering and pull together to make America work better.

Mayor Ron Loveridge, Riverside Firefighters Association and National Latino Police Officers Association support my campaign. I hope you do too.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

ERIC LINDER, Republican
OCCUPATION: Corona Business Owner
EDUCATION AND QUALIFICATIONS:

California's government is a mess.

Partisan fighting has replaced getting things done for California.

And because of that, we find ourselves in the mess we're in.

Instead of cutting waste and getting rid of bloated bureaucracies in Sacramento, funding for education has been cut, and our schools have been forced to increase class sizes.

Instead of cutting frivolous spending, the Legislature's only answer has been to seek higher taxes.

Instead of addressing over-crowded prisons, the Legislature has done nothing, resulting in dangerous felons being released back into our neighborhoods.

And instead of trying to fix a broken pension system, the politicians in Sacramento just watch our debt grow.

All of these problems need solutions. But to solve them, we need people who are actually interested in getting things done - people who bring new solutions.

I am a small business owner, not a career politician.

I haven't spent my life running for office over and over again.

I've been raising a family and growing my business.

And in my business, we operate under some pretty simple rules that the Legislature in Sacramento would do well to follow:

-Don't spend more than you take in.

-Work on small problems before they become big ones.

-Getting things done is more important than talking about getting them done.

I'm running for State Assembly to bring some common sense to Sacramento.

If you agree that we need more business owners and less career politicians in the State Assembly, I am asking for your support.

Elected 5 times – Trustee Alvord USD

My wife Pat and I have lived in Riverside for 48 years. We have three children. They were educated in Alvord Unified Schools, Riverside Community College, California State University, San Bernardino and the University of California, Riverside. One is Vice Principal and two are teachers.

I decided to run for California Assembly District 60 to help bring economic prosperity, self reliance, and improve the standard of living and quality of life. Ours is a newly reapportioned Assembly District, created as a result of the 2010 census. There is no incumbent. This is a new beginning. I am looking forward to sharing with you my vision for a new and revitalized Assembly District. I am also very interested in the views of citizens, businessman, private and public organizations across our district.

We need everyone to participate. I am offering my candidacy as a bridge between all the cities, the private and political interests in our region. I want to be your voice in Sacramento to loudly and firmly express your interests, concerns and work to promote and resolve them.

I NEED YOUR HELP TO ACHIEVE OUR GOALS. TOGETHER THERE IS MUCH WE CAN ACCOMPLISH.

Sincerely,

José Luis Pérez

FRANK JOHNSTON

AGE: 61

OCCUPATION: Retired
EDUCATION AND QUALIFICATIONS:

Military veteran, Jurupa resident since 1978, business owner, experienced Realtor. Citizens Patrol, Chamber Board member, and Rotary President-elect.

I worked tirelessly to promote incorporation and am knowledgeable regarding the fiscal issues facing our City. We have held costs below County estimates the first year while supporting increased traffic and law enforcement. My budget proposals have protected precious City resources while making necessary cuts to keep the budget balanced. I am working to reduce costs of all services while maintaining service levels in street maintenance, weed abatement, clearing of illegal signs, and regulating used clothing drop-off sites. I have worked hard to promote and attract good businesses for vital economic growth, and keep the City business friendly.

I assisted in negotiating City Hall and Sam's Western Wear contracts and initiated street repair projects. I helped negotiate a better, more cost effective animal control contract with the County.

I represent the city on regional boards, RCTC, RTA, and WRCOG; giving the City a regional voice and ensuring we receive our share of revenue for projects.

I will work to support improvements by listening to residents, promoting jobs, maintaining law enforcement, traffic control and code compliance. Thank you for your support.

BRIAN SCOTT BERKSON

AGE: 43

OCCUPATION: Small Business Owner, Businessman
EDUCATION AND QUALIFICATIONS:

I am on the ballot because Jurupa Valley residents continue to Support, Trust, and Want me on City Council. I care about our community and bring the experience required for working with governing agencies to Jurupa Valley and vow to keep our city alive. I will create programs for seniors, children and residents who need assistance.

Jurupa Valley is heading towards bankruptcy. Why waste money on unnecessary facilities, such as another city hall? With my budgeting experience, strategic analysis, and years working with public agencies, I will find ways to save money without eliminating programs or services, focus on crime, jobs and community improvements.

My family and I love Jurupa Valley and are active in our community. I serve on the Jurupa Softball Board and coached AYSO for our children, plus volunteer at community events. Our families deserve to enjoy Jurupa's many programs and services.

Together, we will create a budget and general plan that will ensure Jurupa Valley's future success.

I am committed to representing you, acting on your concerns, and working toward the same goals.

Together, we will save Jurupa Valley from Bankruptcy!

I Appreciate your Vote and Trust.

IMPARTIAL ANALYSIS OF MEASURE "P"

Article XIII B of the California Constitution and state law require that each public agency adopt an "appropriations limit," (also called a "Gann limit") which limits the "proceeds of taxes" that the public agency may receive to the amount adopted by the public agency. "Proceeds of taxes" generally means all taxes and subventions received by that public agency, subject to specific constitutional exceptions. Proceeds of taxes received by the public agency in excess of the limit must be returned.

At the time the City of Jurupa Valley was incorporated, the provisional appropriations limit, was set by the Riverside County Local Agency Formation Commission ("LAFCO") at \$27,914,961 and enacted as part of the incorporation of the City of Jurupa Valley by the voters in 2011.

Under the provisions of Government Code Section 56812, newly incorporated cities operate under the provisional appropriations limit set by LAFCO as a condition of incorporation until that limit is adjusted as permitted by law. Newly incorporated cities are then required to determine a permanent appropriation limit to be submitted to the voters at the first election after the first full fiscal year of incorporation. This November 2012 election is the first election after the City's first fiscal year. State law requires the permanent appropriations limit to be computed by adjusting the provisional limit for population increases or decreases and actual proceeds of taxes received.

The proposed permanent limit in Measure "P" is \$28,967,355 which is \$1,052,394 greater than the provisional limit adopted by the voters in 2011 at incorporation. The appropriations limit does not mean the City will spend this much money, only that this is the maximum amount of the proceeds of taxes it may receive. The permanent limit will be adjusted annually using factors for changes in population and changes in income as provided in state law.

A "yes" vote on Measure "P" would approve the appropriations limit for the City of Jurupa Valley at \$28,967,355. A "no" vote means the appropriation limit is not adopted and the provisional appropriations limit set by LAFCO and adopted as part of the incorporation by the voters remains in effect unless and until a permanent appropriations limit is adopted by the voters.

Measure "P" will be adopted if it is approved by a majority of the voters voting on the measure.

ARGUMENT IN FAVOR OF MEASURE "P"

The City Council of the City of Jurupa Valley urges your support of Measure "P", which will enact a permanent limit on tax proceeds appropriations for the City. Under California law, cities are required to establish such limits based upon tax revenues received in the first full fiscal year following incorporation as a City. This limitation is commonly known as the "Gann Limit."

The Gann Limit established by Measure "P", correctly reflects the calculation required by California law and reduces the amount of money the City may appropriate for city expenditures. The provisional expenditure limit that was originally established before the City was formed was \$27,914,961. The new limit that will be established by Measure "P" will be \$28,967,355, as was adjusted pursuant to the requirements of the Gann Limit adopted in 1978. Once approved by the voters, that appropriations limit will be in effect and adjusted annually as prescribed by state law, unless it is adjusted by a vote of the people.

Approval of this measure is necessary to bring the City of Jurupa Valley into compliance with the requirements of California Constitution Article XIII B. If the measure is not approved, the provisional limit established prior to incorporation will remain in effect and will not represent the true limitation that should apply.

It is important for Jurupa Valley to comply with state law. To accomplish that, your "yes" vote is essential. Please join with the leadership of the City in supporting Measure "P" so that Jurupa Valley will be in compliance with state law and certainty with regard to the fiscal operations of the City will be established.
