You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

Did you know that Vote-by-Mail ballots received in the Registrar of Voters office before Election Day are the first ballots counted on Election Night? You will find an application to receive a Vote-by-Mail Ballot on the back cover of this pamphlet.

Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

ERIC LINDER, Republican
OCCUPATION: Corona Business Owner
EDUCATION AND QUALIFICATIONS:

California's government is a mess.

Partisan fighting has replaced getting things done for California.

And because of that, we find ourselves in the mess we're in.

Instead of cutting waste and getting rid of bloated bureaucracies in Sacramento, funding for education has been cut, and our schools have been forced to increase class sizes.

Instead of cutting frivolous spending, the Legislature's only answer has been to seek higher taxes.

Instead of addressing over-crowded prisons, the Legislature has done nothing, resulting in dangerous felons being released back into our neighborhoods.

And instead of trying to fix a broken pension system, the politicians in Sacramento just watch our debt grow.

All of these problems need solutions. But to solve them, we need people who are actually interested in getting things done - people who bring new solutions.

I am a small business owner, not a career politician.

I haven't spent my life running for office over and over again.

I've been raising a family and growing my business.

And in my business, we operate under some pretty simple rules that the Legislature in Sacramento would do well to follow:

-Don't spend more than you take in.

-Work on small problems before they become big ones.

-Getting things done is more important than talking about getting them done.

I'm running for State Assembly to bring some common sense to Sacramento.

If you agree that we need more business owners and less career politicians in the State Assembly, I am asking for your support.

MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

JOSÉ LUIS PÉREZ, Democratic **AGE: 70**
OCCUPATION: School Board Trustee, Retired Teacher /
Administrator
EDUCATION AND QUALIFICATIONS:

Certificate in School Business Management

Bachelor of Science - Business & Management

Teaching Credential, Masters Degree in School Administration

Speak, Read and Write Spanish Fluently

Elected 5 times – Trustee Alvord USD

My wife Pat and I have lived in Riverside for 48 years. We have three children. They were educated in Alvord Unified Schools, Riverside Community College, California State University, San Bernardino and the University of California, Riverside. One is Vice Principal and two are teachers.

I decided to run for California Assembly District 60 to help bring economic prosperity, self reliance, and improve the standard of living and quality of life. Ours is a newly reapportioned Assembly District, created as a result of the 2010 census. There is no incumbent. This is a new beginning. I am looking forward to sharing with you my vision for a new and revitalized Assembly District. I am also very interested in the views of citizens, businessman, private and public organizations across our district.

We need everyone to participate. I am offering my candidacy as a bridge between all the cities, the private and political interests in our region. I want to be your voice in Sacramento to loudly and firmly express your interests, concerns and work to promote and resolve them.

I NEED YOUR HELP TO ACHIEVE OUR GOALS. TOGETHER THERE IS MUCH WE CAN ACCOMPLISH.

Sincerely,

José Luis Pérez

CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, RIVERSIDE COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 1 LOUIS DAVIS AGE: 53 OCCUPATION: Region Manager / Education Advocate EDUCATION AND QUALIFICATIONS: I am committed to putting students first. I've been heavily involved in Corona, Eastvale, and Norco. I served on the Riverside Community College District Foundation Board, Norco College Community Advisory Council, Corona Library Board of Trustees, Corona-Norco YMCA Board of Directors, and the Corona Parents Advisory Group of Education at Santiago High School. As Riverside Community College District Trustee, I will be an advocate for students, parents, and faculty. I want to ensure community college stays affordable and accessible to students. We cannot rely on Sacramento to bail us out. We need innovative solutions to our problems. • Expand RCCD's two-year completion guarantee to include Corona-Norco Unified School District, to get students "in and out." • Aggressively seek out grant funding, private public partnerships, and other non-traditional sources. • Advocate utilizing technology to increase access to classes. • Ensure our students learn skills that match employer needs. I began at community college, before earning a B.A. from the University of Redlands. I have lived in Corona for ten years and work in public affairs in Riverside County. My daughter and the students in our community deserve access to higher education. It would be an honor and privilege to have your vote.	CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, RIVERSIDE COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 1 NATHAN A. MILLER OCCUPATION: District Director / Representative EDUCATION AND QUALIFICATIONS: Spending is out of control in California and education has been on the receiving end of cuts every time our leaders come up with a new scheme. Enough is enough. We must focus on our students and their futures, not salaries and benefits. When elected I refuse to accept any health benefits offered and refuse the financial stipend for Board Members. I attended a community college and later attended a four year university completing coursework in physics at LMU and a Bachelor's Degree in Political Science at Cal Poly Pomona University. Below is what I believe will give our students a fighting chance for a future with real career opportunities and a piece of the American Dream. • Create programs that prepare our students for real jobs in high demand. • Raising taxes is not a solution, it's about budgeting priorities. <u>Education first, bureaucracy last.</u> • Our Community Colleges should be affordable. Let's work to fast track our students headed on to four year Universities. It worked for me. If the system is broken, we can fix it. <u>I am asking you for your vote.</u> Endorsed by educators, local community leaders, Corona Assemblyman Jeff Miller and Eastvale Mayor Jeff DeGrandpre. CATHY L. SCIORTINO

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

My husband, Ned and I have resided in Corona for 26 years. We have three daughters, all products of Corona Norco Schools. Originally from Ohio, I attended Youngstown State University with a major in business and was a buyer for May Co. Corporation.

I have been a member of the school board for 17 years, serving 4 years as president. During this time, student enrollment has doubled, 23 new schools have been built and over \$100 million cut from the budget. These are uncertain times, however we must continue to offer a quality education for all students. Corona Norco is a large, complex district serving a diverse student population. Our schools should foster a safe, secure learning environment that promotes values of diversity, and a balanced curriculum supportive of college and career.

Communication with elected officials, educational organizations, higher education institutes and the business community is essential in securing vital dollars to provide seamless quality programs that promote success for our students. As a long serving board member, I have served on numerous boards and meet regularly with our legislatures. I believe my experience provides stability, continuity and leadership needed to navigate through the challenging times we continue to experience.

MICHELL SKIPWORTH

OCCUPATION: Business Consultant

EDUCATION AND QUALIFICATIONS:

Much of a child or teen's day is spent at school. The learning and socialization that occurs at school is critical not only to their individual success, but to the future of our nation. With strong support from parents, teachers, and community members, I have decided to seek re-election to the Corona-Norco Unified School District (CNUSD) Board of Education.

As the State reduced funding to educate our district's children by \$150,000,000 CNUSD found new collaboration with our employee groups and continued its solid fiscal management. The result: Our District is now considered one of the top School Districts in the nation.

If re-elected, I will continue the work that helps CNUSD provide quality instruction that meets the ever changing needs of our students and communities while providing a safe, encouraging and healthy environment that helps in developing our youth into productive adults.

As a parent of children currently enrolled in our district, a 20 year resident of Corona, and a proven leader with the vision for our school district's success, I know that together we can ensure our children receive a quality and safe education.

I would be honored to have your vote.

I am an incumbent. Having served Corona-Norco Unified School District for 17 years, I have the experience for improving further the high quality of education in the District. The District needs a Trustee who has the professional background, academic training, and community involvement for tackling the uncertain State budget, disparities in achievement, and trends in bullying, drugs, and gangs. JASON SCOTT

AGE: 56

**OCCUPATION: Council Member / Principal
EDUCATION AND QUALIFICATIONS:**

Four years ago, I ran for City Council with a simple promise – I'd work to get things done for Corona.

I'm proud to say that's exactly what I've done.

We have improved roads, synchronized traffic signals, and acquired new busses – all to make getting around Corona just a little easier.

We've helped create hundreds of new jobs here in Corona, bringing new businesses to town and helping others expand, by simplifying how companies work with the City.

Keeping Corona safe will always be a top priority – and it shows, as Corona was recently named one of the Top 100 Safest Cities in America.

We have maintained a balanced budget each of these past four years, and done so without raising taxes.

We've done a lot in these past four years, but the job isn't done yet.

I'm running for re-election to continue the work we've started – to keep improving traffic congestion, to create even more jobs in Corona, to keep our community safe, and keep our budget balanced.

I'm proud to be supported by Corona's Police Officers, Firefighters, our Mayor, and the Corona Taxpayers Association.

I've worked hard these last four years. I hope I have earned your support.

EDUCATION AND QUALIFICATIONS:

Corona is ready for fresh ideas, energy & leadership to shape our future. I'm a lifelong Corona resident, father, community leader, & transportation policy advocate with a record of success representing you: the taxpayer.

As your Councilmember, I will focus on:

- Local Jobs: more Corona residents working locally & spending less time commuting.
- Accountability: holding monthly town halls, strengthening "e-government" so citizens directly participate in decision-making & receive information.
- Fiscal Responsibility: Corona's budget shows deficits in years ahead; let's be proactive and not pass this problem to our children.
- Youth Recreation: supporting local leagues, promoting Corona as a hub for youth athletics.
- Downtown & Dos Lagos must be rejuvenated to become community destinations and economic engines

TRAFFIC RELIEF: I'm Riverside County's lead advocate for widening 91 and 15 freeways & increasing Metrolink service. I've helped secure more than \$1.3 billion to improve your commute & get you home to your family sooner.

COMMUNITY LEADER: I built a youth leadership program at our YMCA, am a board member of Corona Rotary, United Way & Dollars for Scholars: making Corona stronger.

I would be honored to serve you on City Council.

DICK HALEY

OCCUPATION: City Treasurer / Businessman

EDUCATION AND QUALIFICATIONS:

No one-not the President, your Senator or Congressman-impacts your life on a daily basis more than your Councilmember. Living here for the past 40 years, I have witnessed how the city has changed-for good and bad-and that perspective, I know, is invaluable in solving the problems we face today.

For the past ten years, I have served Corona as its elected Treasurer. During that time, I saved the city more than \$4 million. Additionally, even through the subsequent recession, I increased the assets of the city.

Owning a successful insurance agency in Corona, I am committed to being an advocate for small business owners.

As a decorated combat Marine, I learned to lead from a position of strength while listening and asking appropriate questions to make the necessary albeit difficult decisions.

My Vision for Corona

*Ensure fiscal soundness

*Improve the business climate

*Increase city resources to provide for the safety of Corona residents

*Expand public access to city departments

*Create a community that welcomes families and embraces activities for youth and teens

As an experienced proven leader with the passion and time to commit to the betterment of our community, I RESPECTFULLY ASK FOR YOUR VOTE.

I graduated from Oregon State University and moved to Corona in 1992 to work on the management team at the Corona Kmart. I spent 7 years in retail management before I moved to my current career in education. I have spent the last 12 years teaching at Norco High School where I now teach AP Government and Politics. I am running for the Corona City Council to bring a sense of vision to the city. I would like to see our community develop a plan for the future to guide us in our developments and business growth. In this plan we need to continue to strengthen our local businesses by creating a sense of collaboration between business and government. As the CEO/CFO of Martin Associates Brokerage since 1979, my job is to act as the primary caretaker of the commercial real estate investment portfolios of countless property owners. In doing so, I oversee no less than thirty separate owner checkbooks and financials to ensure a positive return on their investments. Essentially, I am responsible for crunching numbers, giving sound financial advice and making smart money decisions on behalf of others.

Community involvement has always been important to me. In the capacity of Planning Commissioner under two different Corona city councils, I have enjoyed serving the community by helping develop and approve projects which I believed would be most beneficial to the city.

My husband Ken and I have been residents of Corona since 1989. Together we have raised our two children here, both of whom continue to reside in Corona with their spouses and our three grandchildren.

I possess the skills Corona deserves from an elected official. As your Treasurer, I look forward to giving back to the community that has given so much to my family and myself. I have the "experience that counts" and would appreciate your vote.

Cities throughout California have been making news for all the wrong reasons.

Bankruptcies. Scandals. Cooking their books.

I'm running to be Corona's next City Treasurer so that our city never experiences a similar fiasco.

As a business owner here in Corona, I know what it means to invest money carefully and manage assets. I know what it means to make a budget. Spend less than you take in. Grow a business.

I have also served as a pastor for twenty-eight years, requiring a high level of trust, honesty, and integrity with my congregations.

The City Treasurer is the guardian of our City's finances.

I will be impartial, transparent, and unreservedly honest about the City's financial position, keeping it accountable and staying accountable to you.

I also have the experience as a successful business owner to help the City manage its money.

Even the United States has seen its Credit Rating downgraded recently, but our City maintains a top-notch rating.

I will strive to make sure that remains the case.

I'm running for Corona Treasurer to serve you, putting a lifetime of integrity, business experience, and accountability to work for our City.

I ask for your support.

Thank you.
