Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

AGE: 40

OCCUPATION: Emergency Room Doctor

EDUCATION AND QUALIFICATIONS:

Washington is broken. There's too much partisan bickering and too many career politicians who only care about what's best for them and their contributors. That's why I'm running for Congress.

I'm not a politician; I'm a public servant and physician, dedicated to serving this community. I grew up in Coachella Valley, and after college and Harvard Medical School, I returned to become an Emergency Room Doctor at Eisenhower Medical Center.

In Congress, I'll focus on the economy and health care. Thousands of people have lost their jobs, homes, or retirement savings. Thousands more are worried about Medicare cuts, or can't afford prescription drugs or health coverage. Washington just hasn't done enough to address these problems. I'll fight to develop new local industries that diversify our economy. I'll vote against any attempt to cut Social Security or Medicare. And I'll stand up to banks that take bailout money and then foreclose on responsible homeowners.

I believe that running for office should be about public service, not personal gain. I've devoted my life to public service – right here in Coachella Valley – opening clinics for people without health coverage, and mentoring kids who want to become doctors. I'm proud that I was recognized with the U.S. Army's 82nd Airborne Commander's Award for Public Service, and named Humanitarian of the Year by The Rancho Mirage Chamber of Commerce.

As an emergency room doctor, I'm trained to solve problems during challenging times, and to put people first. That's exactly what I'll do in Congress.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

MARY BONO MACK, Republican

OCCUPATION: United States Representative

EDUCATION AND QUALIFICATIONS:

I am honored to represent our community and extremely proud of everything we have accomplished together. But there is much more to do.

Our country faces many challenges, especially creating more jobs and turning our economy around. As a former small business owner, I understand what it takes to make payroll and put people to work. I have always fought for commonsense economic policies, lower taxes, and eliminating unnecessary regulations. We must encourage the entrepreneurial spirit of hard-working Americans with a system that rewards ingenuity.

I have fought hard to prevent the government take-over of our health care system, supported our Veterans and seniors, protected consumers and assisted agriculture by passing Country of Origin Labeling, and making Made in America matter again.

As the daughter of a WWII Veteran, I will always support our troops who make sacrifices everyday to keep our nation safe from the threat of terrorism. Our American ideals of liberty, tolerance, and freedom must remain a symbol of hope for all.

I am humbled and honored by the recognition I have received from numerous organizations, including the U.S. Chamber of Commerce, which presented me with their "Spirit of Enterprise Award" and "The Guardian of Small Business Award" from the National Federation of Independent Business.

I would be equally honored to have your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

BILL EMMERSON, Republican

AGE: 67

OCCUPATION: Dentist / Lawmaker / Educator

EDUCATION AND QUALIFICATIONS:

State government is broken, and I'm working overtime to fix it. To grow the economy, I supported tax incentives for small businesses that hire new employees, authored legislation to eliminate excessive regulations that scare jobs out of California, and voted to simplify the tax code to help employers create new jobs.

California's business climate is ranked the worst in the nation, and that's why I've fought for regulatory reforms to make the state friendlier to employers who want to create new jobs.

To cut waste, end irresponsible spending, and keep taxes down, I worked to:
Cap the maximum pension a public employee may receive.

Back a new law to make pay raises for politicians illegal during budget deficits. I voluntarily CUT my own pay by 11 %.

Co-author a measure to cap state spending to prevent future state budget deficits while protecting education.

Enact welfare reforms, SAVING billions of tax dollars while protecting children, the elderly and the disabled.

Require fingerprint background checks for healthcare service providers and recipients to prevent fraud and save millions.

An assistant professor, I backed reforms to protect school funding – including a guarantee to restore full funding once the economy recovers.

I opposed efforts to increase college/university tuition and fees. Affordable higher education is imperative.

With your support, I'll continue my fight to rebuild the economy, cut government waste out of the state budget, and reform a legislature that has failed us badly.

As we witness California cities go bankrupt, we all agree, hard-working Californians should not have to pay for Sacramento's mistakes. Californians are tired of broken promises that shortchange our children, our seniors, our veterans, and our working families. Education, healthcare, and public safety cannot continue to take major cuts.

As a Educator, Advocate, and local School Board Trustee I have worked with local leadership, families, and community stakeholders, during a tough budget crisis. We have worked together to balance our budget and have kept the school district fiscally solvent.

As a community leader, I have worked with small businesses to improve our local economy during these challenging times. I will find solutions to shape our communities and to encourage a fiscally strong local government. I am an independent thinker not bound to special interest groups and will always put the needs and concerns of my constituents first.

My pledge and priorities:

- I will bring our fair share of tax dollars back to our district to invest into schools, businesses, roads, and the needs of our communities.
- I will be the independent voice we need in Sacramento that will help stimulate job creation, small business development by eliminating duplicated and unnecessary regulations.
- I will support investment in local law enforcement and public safety, so we can maintain security within our schools and neighborhoods.
- I will demand a higher level of accountability, transparency, and fiscal responsibility.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

BRIAN NESTANDE, Republican
OCCUPATION: Lawmaker / Business Owner
EDUCATION AND QUALIFICATIONS:

AGE: 48

We can solve the budget crisis by doing two things – Limit Spending and Grow the Economy.

This election year voters face a choice between old policies that have slowed our state recovery and new policies that will lay a path for a more prosperous California. Having started my own business, I know the difficulties job creators face in the state. If California is to be the Golden State once again, we must stop chasing businesses across state lines and overseas.

As a legislature, we should enact policies that encourage economic growth. Our tax and regulatory system should be clear, consistent and fair to all.

We can and must eliminate duplicating and unnecessary regulations thereby growing businesses and putting people back to work.

I support enacting real pension reform, which will eliminate billions of dollars in unfunded liabilities.

We should use independent audits to find and remove waste in government.

A prosperous economy is the best way to ensure support for public safety, education, and a healthy environment for the next generation of Californians.

I would greatly appreciate your vote, please visit BrianNestande.com for more information.

GARY R. COOK

AGE: 59

OCCUPATION: Realtor, Nonprofit Exec. Dir.
EDUCATION AND QUALIFICATIONS:

I believe there is a movement afoot in America, that is by its design meant to discourage us, to make us lose FAITH in ourselves and our neighbors. I want to turn that around, to help instill in us a BELIEF that we can pull together and help one another to succeed. If we return to the VALUES that made this country GREAT, by respecting our differences, our individualism and common goals, we will win this battle to RESTORE our VISION and STRENGTH to do what is RIGHT. Our survival as a community depends on our ability to attain our HIGHEST nature, claim our DESTINY and REBUILD to provide our children a FUTURE they can depend on, by recreating a balanced economy that provides opportunity and equity for all.

A thriving economy may be built upon service to one another, not just sales of stuff. While overall the weakened shopping environment is down to basics, there are sectors that thrive in medicine and education. There are opportunities that need trained technicians in industries that are vital to our national economy. Those types of businesses can be built here, and to get to that point, we need to invest in ourselves.

BOB COLEMAN

OCCUPATION: Energy Technician
EDUCATION AND QUALIFICATIONS:

Have you ever been afraid to go somewhere in our city at night? My family and neighbors have. Things have got to change in the City of Hemet. A wise man once said: "All that is necessary for evil to triumph is for good men to do nothing." Never has this phrase had more meaning for me than now. I'm tired of listening to excuses and waiting for proposals. The time for committees and consultants is over. It's time we take responsibility and take back our community.

I'm compelled to stand for office, not only for my wife and children, but for every citizen of Hemet who feels frustrated, alone, or helpless. I honor and salute the American flag. The national anthem melts my heart, but my patriotism is greatest for the community I call home. I'm convinced that our local quality of life can be greatly improved, and you have my solemn promise that I will work tirelessly to bring civic pride back to the City of Hemet.

I respectfully ask for your vote this November 6th.

Thank You,

Bob Coleman

RICK CRIMENI

AGE: 63

OCCUPATION: Businessman
EDUCATION AND QUALIFICATIONS:

I have lived, raised my family and owned a florist business in Hemet for the past 23 years. I have a long-standing commitment to this community. I have been President of the Chamber of Commerce, served on the Hemet Planning Commission and sat on many non-profit boards.

In these tough times I have personally experienced the struggle of keeping my business in business. These past few years have been the most challenging of my career. We must get Hemet back in business. A healthy economy creates a healthy city that can pay for necessary services and desperately needed public safety. The city has to be business friendly and I will aggressively pursue economic development opportunities that will benefit our community.

I value our seniors. They rightfully expect a safe and peaceful place to call home. Seniors make few demands upon city services, rarely commit crimes, and contribute to the economic well being of our city.

I believe in Hemet. I believe in you and I believe in us. Tough times don't last, but tough citizens do. With strong fiscal accountability, aggressive enforcement and willing leadership we can turn Hemet around. Thank you for your vote on November 6th.

CITY OF HEMET**

BONNIE K. WRIGHT

AGE: 60

OCCUPATION: Grant and Loan Administrator
EDUCATION AND QUALIFICATIONS:

My experience as a small business owner, chamber leader and community volunteer has prepared me for the Hemet City Council.

I'm a 29-year Hemet resident. I've served as past chairman of the Chamber and Valley Economic Development Corporation, past president of Kiwanis and have served on various non-profit Boards.

As a Congressional Members district representative, my job was listening, and solving constituent's problems. This ability to cut through red tape and take care of people's needs swiftly will be a great benefit to city residents if I am on Council.

Currently I'm a grant and loan administrator for a public utility. We've secured over \$300 million for critical infrastructure projects by understanding how government works. The key to city growth and prosperity in this economy is sound fiscal responsibility. Realistic economic development must be a top priority.

Painful choices have been forced upon Hemet, including a 40% staff reduction and losses in State revenue. We need a capable, accessible city council to make sound decisions. We need to cut high costs of public safety consultants and take care of our streets. I will fight for essential services above all else. I'd appreciate your vote November 6.

GLEN HOLMES

OCCUPATION: Construction Manager
EDUCATION AND QUALIFICATIONS:

I am a lifelong resident of Hemet, in fact my mother was born here. The past 8 years our beautiful city has started to turn into a third world country. It breaks my heart to see what our little town is turning into.

This is the reason that I have decided to run for the city council. If elected I promise to work diligently to clean up our town.

We have many problems, the homeless, street gangs, foreclosed vacant property, prostitutes walking our streets, the amount of government subsidized housing, drugs etc.

This is not the full extent of our problems but until we get a handle on these problems nothing else matters much.

Do I have all of the answers? No but I do have answers to many of our problems and I make a commitment to the good people of Hemet from the second that I take office I will dedicate my time, energy and experience to clean the town up and stop the invasion of the unsavory elements of our society.

SHELLIE MILNE

OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

I'm a proud to be a mother, a family farmer, and a small construction business owner. Our family knows what it takes to make a payroll, and I'm not afraid of the hard work that will be required to turn our city around. I'm not one to waste time, and I firmly believe that Hemet does not have time to waste. If we are committed to taking back our city, we need real solutions now, together with no-nonsense leaders who will take action immediately. At a minimum, within 30 days of my election, I will initiate the following -- all of which can be accomplished without raising taxes:

1. A significant increase of police officers on the street paid for by eliminating non-essential city personnel and privatizing as many city services as possible.
2. A reduction of social service magnets that attract undesirable people and illegals to our city.
3. Passing tough "quality of life" ordinances including an early curfew for juveniles, tougher truancy and loitering measures, and regular check-stops. In short, I will do what it takes to make undesirable people and criminals not want to be here.

A vote for Shellie Milne is a vote for action.

CITY OF HEMET**

ROBERT YOUSSEF

OCCUPATION: Bank Manager
EDUCATION AND QUALIFICATIONS:

When I was elected in 2008, the system in place for the City of Hemet was unsustainable. The first order of business was to resolve the City's immediate financial crisis and restore confidence in our ability to remain viable. This we have done. We have reduced our deficit from \$10 million and created a \$12 million surplus. Most importantly -- we have accomplished this without raising taxes.

We now face the challenge of re-building the City of Hemet for the 21st Century. It is the challenge of our time, and what we do in the next four years will define our city for generations to come.

My focus and promise is clear: I will not accept the deterioration of our community by those non-productive individuals who come here merely to game the system, and prey upon our upstanding citizens. With your help, I can make Hemet a place where undesirable people are not welcome or tolerated. Absentee landlords will be held accountable for their bad tenants with the ROCS Program that I have initiated, and other tough-on-crime measures will soon follow. For more details, please visit Youssef4Hemet.com, or call me at 951-223-8082.

I would appreciate your vote on November 6th.
