Elections in California

NEW LAW Took Effect January 1, 2011

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- **Connect the head and tail of the arrow that points to your choice like the example provided.**
- **Check both front and back of ballot for voting contests.**

CANDIDATE STATEMENT FOR UNITED STATES REPRESENTATIVE, 36TH CONGRESSIONAL DISTRICT

RAUL RUIZ, Democratic **AGE: 40**
OCCUPATION: Emergency Room Doctor
EDUCATION AND QUALIFICATIONS:

Washington is broken. There's too much partisan bickering and too many career politicians who only care about what's best for them and their contributors. That's why I'm running for Congress.

I'm not a politician; I'm a public servant and physician, dedicated to serving this community. I grew up in Coachella Valley, and after college and Harvard Medical School, I returned to become an Emergency Room Doctor at Eisenhower Medical Center.

In Congress, I'll focus on the economy and health care. Thousands of people have lost their jobs, homes, or retirement savings. Thousands more are worried about Medicare cuts, or can't afford prescription drugs or health coverage. Washington just hasn't done enough to address these problems. I'll fight to develop new local industries that diversify our economy. I'll vote against any attempt to cut Social Security or Medicare. And I'll stand up to banks that take bailout money and then foreclose on responsible homeowners.

I believe that running for office should be about public service, not personal gain. I've devoted my life to public service – right here in Coachella Valley – opening clinics for people without health coverage, and mentoring kids who want to become doctors. I'm proud that I was recognized with the *U.S. Army's 82nd Airborne Commander's Award for Public Service,* and named *Humanitarian of the Year* by *The Rancho Mirage Chamber of Commerce.*

As an emergency room doctor, I'm trained to solve problems during challenging times, and to put people first. That's exactly what I'll do in Congress.

CANDIDATE STATEMENT FOR UNITED STATES REPRESENTATIVE, 36TH CONGRESSIONAL DISTRICT

MARY BONO MACK, Republican
OCCUPATION: United States Representative
EDUCATION AND QUALIFICATIONS:

I am honored to represent our community and extremely proud of everything we have accomplished together. But there is much more to do.

Our country faces many challenges, especially creating more jobs and turning our economy around. As a former small business owner, I understand what it takes to make payroll and put people to work. I have always fought for commonsense economic policies, lower taxes, and eliminating unnecessary regulations. We must encourage the entrepreneurial spirit of hard-working Americans with a system that rewards ingenuity.

I have fought hard to prevent the government take-over of our health care system, supported our Veterans and seniors, protected consumers and assisted agriculture by passing Country of Origin Labeling, and making Made in America matter again.

As the daughter of a WWII Veteran, I will always support our troops who make sacrifices everyday to keep our nation safe from the threat of terrorism. Our American ideals of liberty, tolerance, and freedom must remain a symbol of hope for all.

I am humbled and honored by the recognition I have received from numerous organizations, including the U.S. Chamber of Commerce, which presented me with their "Spirit of Enterprise Award" and "The Guardian of Small Business Award" from the National Federation of Independent Business.

I would be equally honored to have your vote.

CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
56TH ASSEMBLY DISTRICT

V. MANUEL PEREZ, Democratic
OCCUPATION: Assembly Member 80th District
EDUCATION AND QUALIFICATIONS:

It is an honor to represent Riverside County in the Assembly - we have accomplished a great deal in a short amount of time, but there is still much more work to be done.

My legislative priorities have focused on economic recovery, local job creation, and tapping our local renewable energy potential to create long-lasting economic opportunities and a sustainable economy.

Growing up in Riverside County, raising my family here, and serving on the school board before I was elected to the Legislature, I know first-hand that Riverside County has been neglected by the state and federal government for decades. I have fought hard to bring resources and opportunities to our community – millions of dollars to build 5 overpasses and interchanges creating jobs and a better transportation infrastructure in the Coachella Valley.

I have championed legislation signed by both Republican and Democratic Governors to streamline regulations, while protecting common-sense environmental standards, to keep jobs and local businesses here in California. I successfully cut through the partisan bickering and gridlock in Sacramento to get results for our region and my votes remain consistent to keep communities safe and prioritize educational opportunities in tough budget times.

With your support, I will continue to work tirelessly to support our veterans, restore the Salton Sea, ensure our Agricultural community remains competitive in the global economy and for small businesses and manufacturing opportunities here at home.

As I seek re-election for my final term in the State Assembly, I respectfully ask for your vote.

CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, DESERT COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 2

MARY JANE SANCHEZ-FULTON
OCCUPATION: Educator / Businesswoman
EDUCATION AND QUALIFICATIONS:

COD's golden moment is now..... Hello, I'm Mary Jane Sanchez-Fulton, MA. BA from U.C. Berkeley. As a Trustee I will help COD get its financial house back in order. I refuse to foreclose on our students' future. As a former COD/UCR/UCLA Ext. business instructor, and K-12 teacher for 15 years, I am running to keep COD affordable and accessible for all. This will be accomplished by strict fiscal discipline and responsible strategic college development.

I will help implement a comprehensive plan to create innovative public and private partnerships that will underwrite our programs to keep classes open and COD affordable for generations to come. Cooperation creates results. As a proven community and educational leader I promise results...not talk.

I thank GOD, America and my husband that I'm in the position to dedicate my time, energy and skills to serve COD as a Trustee. I see the dedicated students, staff, faculty and administration of COD as an extended family. I care. I also care about California's educational future, our students' future ------ your future to enrich your mind. Now is the hour that I humbly ask for your vote, my friend. Let's work together at Sanchezmaryjane@aol.com. THANK YOU!

CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, DESERT COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 2

CHARLES H. HAYDEN **AGE: 77**
OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

As a College of the Desert Board member I understand its importance to the communities of the valley. Desert Hot Springs has been my home for forty years and I am currently working to bring a COD education center to our community. I am aware that the school is the most visible path forward for returning students wanting to create new careers. Also, COD is the first college experience for many of our high school graduates. I have worked hard to insure student success and to keep student transfer rates high as well as completion of vocational certificates.

Board members are responsible for guiding the school through difficult economic times. We work to provide stability for school employees and protect the resources necessary to deliver quality educational services. Currently COD is a fully accredited community college and is on sound financial footing. I have been a firm caretaker in working with the Board to manage taxpayer funds.

I have been committed for over two decades in my efforts to support COD as a Board member. I ask for your vote in order to continue to lead COD in providing affordable, quality education for our valley.

CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, PALM SPRINGS UNIFIED SCHOOL DISTRICT

RICHARD CLAPP **AGE: 64**
OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

When elected in 2008 to the PSUSD School Board, I made a commitment to invest my energy and 37-year, firsthand knowledge and educational experience to move the District forward, ensuring we continued providing education that would keep kids engaged and wanting to go to school each day. During the past four years the District's test scores climbed, more students chose to complete high school, and financially, the district is one of the most solvent in Riverside County. Not afraid to ask questions, I consistently worked with administrators and teachers to improve the facilities for learning, and many positive changes occurred.

All this, and more, was possible because I have had the privilege to serve alongside dedicated Members of the School Board that work collectively to create the best possible outcomes for the students of PSUSD.

When faced with a challenge, I ask three questions: What outcome is best for our children? Does it support the District's mission and support the professional staff that prepares children for life after high school? Is it fiscally responsible?

I am qualified to serve a second term and ask for your vote on November 6.

Kids Come First! Clapp for Kids!

CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, PALM SPRINGS UNIFIED SCHOOL DISTRICT

SHARI STEWART **AGE: 63**
OCCUPATION: Educator / Board Member
EDUCATION AND QUALIFICATIONS:

Educating public school students should be our nation's top priority. The knowledge and skills that our schools provide must equip today's students to meet the unpredictable economic and social issues that impact their future.

My educational background and 13 years of service on the PSUSD Board afford me the critical experience necessary to understand the fiscal ramifications of California's current budget crisis. Although our budget continues to shrink, we must nevertheless maintain our excellent programs and services by seeking creative ways to streamline the budget and by continuing to be fiscally responsible. Economic realities require those of us involved with education to examine everything we do in order to sustain the finest quality programs in the most efficient way.

I received my teaching credential at California State University, Northridge. My husband and I have owned a local business for 28 years, and I am active in community and local organizations. My sons attended and graduated from PSUSD schools.

I am proud of the school district's accomplishments made during my tenure on the Board. Students have shown substantial achievement growth in response to high expectations. I pledge to continue supporting the programs and policies that have fostered that growth.

CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, PALM SPRINGS UNIFIED SCHOOL DISTRICT

CARL R.V. BROWN
OCCUPATION: Retired University Professor / Dean
EDUCATION AND QUALIFICATIONS:

Experience: I am a recently retired University Professor and Dean and a long time Coachella Valley resident. Prior to my university experience, I was a high school English teacher and later a local school board member. I'm also a United States Air Force Veteran, and member of the American Legion and the Veterans of Foreign Wars.

Graduate Education:

--Ph.D., English and Education, Stanford University

--Post-Graduate Study, Educational Management, Harvard University

Educational Philosophy: I believe our public schools should be managed by fiscal soundness and balanced budgets; deliver quality education to all students; provide for education in preparation for both higher education and for career and technical fields; moreover, we must give special students the education they need to succeed. Palm Springs Unified School District board members play a vital role in achieving these goals. California school systems must reframe their practices to be aligned with the latest research on successful schools. I know that research and will be a strong advocate for school change in keeping with what we know about how best to educate our children. No mission is more vital to our community today.

Thanks for your consideration,

Carl R.V. Brown, Ph.D.

CANDIDATE STATEMENT FOR DIRECTOR, DESERT HEALTHCARE DISTRICT

MICHAEL ROBERT SOLOMON **AGE: 52**
OCCUPATION: Physician
EDUCATION AND QUALIFICATIONS:

As an incumbent director of our Desert's Healthcare District, it has been my pleasure to serve the residents of our local community by supporting efforts to meet their healthcare needs.

In addition to my duties with the district, I maintain a busy private medical practice in Palm Springs and am very aware of the healthcare concerns of my patients and the gaps in services available to them especially in these difficult economic times.

I am not a career politician. My focus is on the healthcare needs of our community and what can be done to continually improve access to quality care and resources for our residents.

Over the past four years I have worked hard along side of our community leaders to bring new programs and projects to those who need them including the FIND food bank, the Desert Hot Springs Community Wellness Center and establishing UC Riverside's Medical School presence among the hospitals and clinics throughout our valley, while continuing to support ongoing programs such as Shelter From the Storm, the Boy's and Girl's Club, the Desert Aids Project and the health and education programs in our children's school system.

Please vote for Mike Solomon on Election Day.

CANDIDATE STATEMENT FOR DIRECTOR, DESERT HEALTHCARE DISTRICT

RON STEWART **AGE: 46**
OCCUPATION: Health Services Professional
EDUCATION AND QUALIFICATIONS:

My name is Dr. RON STEWART and I ask for your vote to become a board member of the DESERT HEALTHCARE DISTRICT. Problems such as childhood obesity, the local shortage of doctors & nurses, access to affordable prescription medication, the importance of immunizations for communicable diseases and overall better health for older adults are important issues in our Desert. Realistic solutions are within our reach. The Healthcare District is a powerful vehicle in our health care system and it makes significant investments within our communities each year. Last year the District used its grant making ability to infuse our valley with millions of dollars to support health care. I have extensive experience in budgeting, planning, grant management and evaluation management. I am the vice chair of the JFK Memorial Hospital Board, sit on the County of Riverside's Community Health Centers Board overseeing twelve public health clinics and I authored the study that established this Valley's only totally free medical clinic for our neighbors who can't afford health insurance and need medical attention. I will be your advocate and ensure that politics, personal agendas and personal preferences don't determine the use of our precious tax dollars entrusted to the District. www.stewartron.com

CANDIDATE STATEMENT FOR DIRECTOR, DESERT HEALTHCARE DISTRICT

WILLIAM J. GRIMM **AGE: 50**
OCCUPATION: Doctor
EDUCATION AND QUALIFICATIONS:

William J. Grimm - Primary Care Doctor
As a doctor and a resident of The Desert Healthcare District, I understand the importance of the District in guiding the health and wellness for our community.
Serving my patients in the Palm Springs area for over 20 years, I realize that patients are also neighbors, friends, and community who have trusted me with their wellness. I take that position seriously and have served on the Board of Councilors for the Riverside County Medical Association for over 15 years to assure that we focus on the highest level of medical care possible and that we are providing the most advanced treatments available. As a practicing doctor and an active member of the California Medical Association, I understand the impacts of state and federal legislation on our District. It is important to me to make sure that the community is aware and fully understands this ever changing legislation. I'm running for the seat on the Desert Healthcare District Board to help guide the future of medical care for neighbors, patients and the community as a whole. Your vote is a vote to secure and improve the health and wellness for our Desert Healthcare District.

CANDIDATE STATEMENT FOR DIRECTOR, DESERT HEALTHCARE DISTRICT

MARK MATTHEWS **AGE: 56**
OCCUPATION: Desert Healthcare District Director
EDUCATION AND QUALIFICATIONS:

I have had the privilege of serving you as a Director of Desert Healthcare District since 1997 and currently am the board President. My hospital governance experience spans over 30 years starting in St. Paul, Minnesota. Healthcare is facing the most significant change in generations with the implementation of the Healthcare Affordability Act and its many components. Residents of Desert Healthcare District can rest assured that we are prepared to meet these challenges with state of the art facilities and services.

In the time I have served many positive things have happened for your Healthcare District. A public debt of nearly 90 million dollars has been transformed into reserves of over 50 million to meet the needs of our community for years to come.

I am a past President of the Mizell Senior Center, have served the City of Palm Springs on the Airport Commission and the Planning Commission. I was a co-founder of the Veterans Day Parade. My education includes a BA in Speech-Communication and an MBA.

I love the diversity and strength of our community and ask for your vote to continue the work of your Desert Healthcare District.

CANDIDATE STATEMENT FOR DIRECTOR, DESERT HEALTHCARE DISTRICT

SIDNEY J. RUBENSTEIN
OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

Healthcare has been a major part of my adult life starting with my enrollment in dental school and continuing on through my professional career and beyond. On return from military service I began my private practice and also volunteered with a hospital group that provided free services to an indigent population as part of a comprehensive training program. I have served the Desert Healthcare District board in many roles including several years as the board president. I am currently serving as Program/Grant committee chairman. This assignment has provided me with endless opportunities to meet and appreciate the activities of many of the nonprofit groups in our area that are involved in healthcare. I am also serving as a board representative on the governing board of Desert Regional Medical Center-the hospital owned by the citizens of our district. Our talented board of directors with the support of our outstanding professional staff have evaluated and supported many outstanding programs over the past several years.

With your support I promise to devote my time, expertise and efforts to continue the important work we are doing to improve health in our district for all.

Thank you for your consideration.
