Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

AGE: 40

OCCUPATION: Emergency Room Doctor

EDUCATION AND QUALIFICATIONS:

Washington is broken. There's too much partisan bickering and too many career politicians who only care about what's best for them and their contributors. That's why I'm running for Congress.

I'm not a politician; I'm a public servant and physician, dedicated to serving this community. I grew up in Coachella Valley, and after college and Harvard Medical School, I returned to become an Emergency Room Doctor at Eisenhower Medical Center.

In Congress, I'll focus on the economy and health care. Thousands of people have lost their jobs, homes, or retirement savings. Thousands more are worried about Medicare cuts, or can't afford prescription drugs or health coverage. Washington just hasn't done enough to address these problems. I'll fight to develop new local industries that diversify our economy. I'll vote against any attempt to cut Social Security or Medicare. And I'll stand up to banks that take bailout money and then foreclose on responsible homeowners.

I believe that running for office should be about public service, not personal gain. I've devoted my life to public service – right here in Coachella Valley – opening clinics for people without health coverage, and mentoring kids who want to become doctors. I'm proud that I was recognized with the U.S. Army's 82nd Airborne Commander's Award for Public Service, and named Humanitarian of the Year by The Rancho Mirage Chamber of Commerce.

As an emergency room doctor, I'm trained to solve problems during challenging times, and to put people first. That's exactly what I'll do in Congress.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

MARY BONO MACK, Republican

OCCUPATION: United States Representative

EDUCATION AND QUALIFICATIONS:

I am honored to represent our community and extremely proud of everything we have accomplished together. But there is much more to do.

Our country faces many challenges, especially creating more jobs and turning our economy around. As a former small business owner, I understand what it takes to make payroll and put people to work. I have always fought for commonsense economic policies, lower taxes, and eliminating unnecessary regulations. We must encourage the entrepreneurial spirit of hard-working Americans with a system that rewards ingenuity.

I have fought hard to prevent the government take-over of our health care system, supported our Veterans and seniors, protected consumers and assisted agriculture by passing Country of Origin Labeling, and making Made in America matter again.

As the daughter of a WWII Veteran, I will always support our troops who make sacrifices everyday to keep our nation safe from the threat of terrorism. Our American ideals of liberty, tolerance, and freedom must remain a symbol of hope for all.

I am humbled and honored by the recognition I have received from numerous organizations, including the U.S. Chamber of Commerce, which presented me with their "Spirit of Enterprise Award" and "The Guardian of Small Business Award" from the National Federation of Independent Business.

I would be equally honored to have your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
56TH ASSEMBLY DISTRICT**

V. MANUEL PEREZ, Democratic

OCCUPATION: Assembly Member 80th District

EDUCATION AND QUALIFICATIONS:

It is an honor to represent Riverside County in the Assembly - we have accomplished a great deal in a short amount of time, but there is still much more work to be done.

My legislative priorities have focused on economic recovery, local job creation, and tapping our local renewable energy potential to create long-lasting economic opportunities and a sustainable economy.

Growing up in Riverside County, raising my family here, and serving on the school board before I was elected to the Legislature, I know first-hand that Riverside County has been neglected by the state and federal government for decades. I have fought hard to bring resources and opportunities to our community – millions of dollars to build 5 overpasses and interchanges creating jobs and a better transportation infrastructure in the Coachella Valley.

I have championed legislation signed by both Republican and Democratic Governors to streamline regulations, while protecting common-sense environmental standards, to keep jobs and local businesses here in California. I successfully cut through the partisan bickering and gridlock in Sacramento to get results for our region and my votes remain consistent to keep communities safe and prioritize educational opportunities in tough budget times.

With your support, I will continue to work tirelessly to support our veterans, restore the Salton Sea, ensure our Agricultural community remains competitive in the global economy and for small businesses and manufacturing opportunities here at home.

As I seek re-election for my final term in the State Assembly, I respectfully ask for your vote.

PALM SPRINGS UNIFIED SCHOOL DISTRICT**

RICHARD CLAPP

AGE: 64

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

When elected in 2008 to the PSUSD School Board, I made a commitment to invest my energy and 37-year, firsthand knowledge and educational experience to move the District forward, ensuring we continued providing education that would keep kids engaged and wanting to go to school each day. During the past four years the District's test scores climbed, more students chose to complete high school, and financially, the district is one of the most solvent in Riverside County. Not afraid to ask questions, I consistently worked with administrators and teachers to improve the facilities for learning, and many positive changes occurred.

All this, and more, was possible because I have had the privilege to serve alongside dedicated Members of the School Board that work collectively to create the best possible outcomes for the students of PSUSD.

When faced with a challenge, I ask three questions: What outcome is best for our children? Does it support the District's mission and support the professional staff that prepares children for life after high school? Is it fiscally responsible?

I am qualified to serve a second term and ask for your vote on November 6.

GOVERNING BOARD MEMBER,
PALM SPRINGS UNIFIED SCHOOL DISTRICT**

SHARI STEWART

AGE: 63

OCCUPATION: Educator / Board Member

EDUCATION AND QUALIFICATIONS:

Educating public school students should be our nation's top priority. The knowledge and skills that our schools provide must equip today's students to meet the unpredictable economic and social issues that impact their future.

My educational background and 13 years of service on the PSUSD Board afford me the critical experience necessary to understand the fiscal ramifications of California's current budget crisis. Although our budget continues to shrink, we must nevertheless maintain our excellent programs and services by seeking creative ways to streamline the budget and by continuing to be fiscally responsible. Economic realities require those of us involved with education to examine everything we do in order to sustain the finest quality programs in the most efficient way.

I received my teaching credential at California State University, Northridge. My husband and I have owned a local business for 28 years, and I am active in community and local organizations. My sons attended and graduated from PSUSD schools.

I am proud of the school district's accomplishments made during my tenure on the Board. Students have shown substantial achievement growth in response to high expectations. I pledge to continue supporting the programs and policies that have fostered that growth.

GOVERNING BOARD MEMBER,
PALM SPRINGS UNIFIED SCHOOL DISTRICT**

CARL R.V. BROWN

OCCUPATION: Retired University Professor / Dean

EDUCATION AND QUALIFICATIONS:

Experience: I am a recently retired University Professor and Dean and a long time Coachella Valley resident. Prior to my university experience, I was a high school English teacher and later a local school board member. I'm also a United States Air Force Veteran, and member of the American Legion and the Veterans of Foreign Wars.

Graduate Education:

--Ph.D., English and Education, Stanford University

--Post-Graduate Study, Educational Management, Harvard University

Educational Philosophy: I believe our public schools should be managed by fiscal soundness and balanced budgets; deliver quality education to all students; provide for education in preparation for both higher education and for career and technical fields; moreover, we must give special students the education they need to succeed. Palm Springs Unified School District board members play a vital role in achieving these goals. California school systems must reframe their practices to be aligned with the latest research on successful schools. I know that research and will be a strong advocate for school change in keeping with what we know about how best to educate our children. No mission is more vital to our community today.

Thanks for your consideration,

Carl R.V. Brown, Ph.D.

CHIP YARBOROUGH

AGE: 49

OCCUPATION: 9-1-1 Executive Director

EDUCATION AND QUALIFICATIONS:

Elect me as your next Mayor and I will Restart Cathedral City. Having many years of experience managing organizations and bringing diverse people together to solve significant financial challenges, in my first 100 days, I will work with the Council to solve our city's problems. We will identify a clear plan for the City Manager to implement.

One of my top priorities is to restore Public Safety and find ways to fund our Police and Fire Departments. I will accomplish this by using my knowledge and management experience in Public Safety. I will insist on a balanced budget that is developed using a zero based budget approach, just like we do with our households. I will ensure that our downtown projects are completed, and I will promote a strong relationship with the business community and the Chamber OF Commerce. I will create an adhoc committee of local business owners and City staff to review processes and ensure that our Government is more efficient. Lastly, I am a full time resident and I am committed to the prosperity of our community. I have a bachelor's degree in business, and a master's degree in Leadership from St. Mary's College of California.

CITY OF CATHEDRAL CITY**

STAN HENRY

OCCUPATION: Retired Police Chief

EDUCATION AND QUALIFICATIONS:

Stan Henry is your Pro Business and Pro Public Safety choice.

Stan is a business and community leader that served as your Police Chief for 15 years. Stan has lived in Cathedral City for 22 years and he and his wife Julie have three kids and three grandchildren.

Stan's straightforward priorities that will improve our community are:

- Balance our City Budget with common sense cuts
- Promote our local economy -- a healthy business community means a healthy Cathedral City
- Protect police and fire service levels to safeguard our community
- Support schools and recreation opportunities for our kids

Stan is endorsed by:

- Sheriff Stan Sniff, The Police Officers Association and Police and Fire Managers
- Cathedral City Finance and Planning Commissioners Bill Proctor, Todd Hooks and Jim Warlin.

Stan is more than a leading public safety advocate, he can craft creative solutions to complex problems. That is why:

- Supervisor Benoit appointed Stan to the Oversight Board to the Redevelopment Agency Successor Agency
- Stan was the Cathedral City Chamber of Commerce Orion Award Man of the Year in 2002 and Business Man of the Year Award in 2009

For leadership and solutions vote Stan Henry.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF CATHEDRAL CITY**

RONALD A. GARCIA

AGE: 62

OCCUPATION: Retired

EDUCATION AND QUALIFICATIONS:

This November the citizens of Cathedral City have a choice to make, you can stay the course with politics as usual with no clear direction, inside fighting and no leadership or you can make a change by electing Ron Garcia who will make no nonsense straight forward decisions. The first priority is to insure that the city always has a balanced budget. To achieve this, we must work together, presenting new ideas as alternatives for the citizens and community. The city cannot continue raising taxes as a solution to problems. There should be term limits and a rotating Mayor which will best serve the community. If elected, I will lead the way for change that the City deserves and which will best serve the community.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF CATHEDRAL CITY**

PAUL S. MARCHAND

OCCUPATION: Attorney / Small Businessman

EDUCATION AND QUALIFICATIONS:

Cathedral City is facing the worst financial crisis in its history. We need a councilmember with the vision and the knowledge to meet and beat the challenges we face.

I will be that councilmember.

We need a councilmember whose first priority is improving Cathedral City's finances. We can't simply try to cut our way to solvency; Cathedral City needs aggressive economic development, and new, non-tax revenues, not appeals for yet another tax or slashing city staff and reducing city services.

I will be that councilmember.

We need a councilmember who is not an ideologue, a do-nothing, or a bench-warmer, but a councilmember who isn't afraid of making decisions that need to be made, and who votes "no" on frivolous public spending.

I will be that councilmember.

We need a councilmember who is committed to public transparency and to representing all of Cathedral City's people all of the time.

I will be that councilmember.

I will be a servant of the people of Cathedral City, not a captive of special interests or agendas, factions, or cliques.

I live and work in Cathedral City. I know and share your concerns.

It would be my honor to represent you.

I ask for your vote.

CITY COUNCIL MEMBER,
CITY OF CATHEDRAL CITY**

J “COWBOY” MUELLER

OCCUPATION: Business Owner

EDUCATION AND QUALIFICATIONS:

You have a choice to make this Election Day.

I am a businessman of 25 years who speaks his mind plainly and isn't beholden to employee unions, special interest or others who serve themselves instead of the citizens.

Here is what I believe in:

Tax payer funded pensions are unsustainable.

Eliminate City Council's lifetime pensions and health benefits and offer 401Ks to all city employees.

Finally balance our budget! No gimmicks, no games and NO new taxes!

Get MORE police on the streets and save MILLIONS of our tax dollars by sharing resources. County Sheriffs and CalFire will mean MORE officers on the ground in Cathedral City and better response times – they're already doing a terrific job for neighboring Rancho Mirage and Palm Desert.

Unleash business growth and development by cutting taxes, fees and assessments. This will spur growth and generate much needed revenue.

My wife and children have lived in Cathedral City for 22 years. We own several successful businesses.

If you share my dream and my passion for city government that operates like a business and works for all the citizens and not anyone else, then I would be honored to serve as your Councilman.

CITY COUNCIL MEMBER,

CHARLES “BUD” ENGLAND

AGE: 50

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

Dear Friend, I would like to thank you for allowing me the privilege to represent you as your elected city council member over the past 12 years. Along with your values, concern and ideas, I have brought to your council chamber a unique problem solving ability, 25 years of combined business management ownership, common sense, calmness and leadership under fire, solving problems and moving this community forward.

This has been without question challenging - yet rewarding, as we have made countless positive improvements in our neighborhoods and business and overall community. However, as you know, we still face many new challenges as we deal with faltering national, state and local economies. It is my goal and desire to continue upgrading our neighborhoods, improving our economic growth, fine tuning our budget, and providing the most professional police, fire, and public services possible. I certainly believe that with your continued support, as we work toward these goals, we will continue to be a city that we all will be proud of.

Thank you again,

Bud

GREGORY S PETTIS

AGE: 56

OCCUPATION: Councilman / Realtor

EDUCATION AND QUALIFICATIONS:

I was first inspired to serve the public when I was 12-years-old, meeting and listening to Robert F. Kennedy talk about the possibilities of our state and our nation. Since I moved to the Coachella Valley in 1979, I've been working to continue that vision of expanding hope and opportunity, whether serving as a member of the City Council, the board of the Riverside County Transportation Commission, the League of California Cities or as the Managing Director of the Institute for Environmental Sustainability at California State University San Bernardino.

I want to continue using that experience to help our community keep healthy by expanding transportation alternatives, growing economic opportunities, improving our neighborhoods and protecting our environment. In short, I want to keep working for our City and You!

We are coming out of a national recession and doing so with a balanced budget and prudent reserves. Cathedral City is positioned to grow and prosper as our downtown comes alive, north of I-10 develops and our housing market grows again.

We live in a very special place. Together, we will continue to be the Spirit of the Desert. Thank you for the opportunity to work for you.

**CANDIDATE STATEMENT FOR
DIRECTOR,
DESERT HEALTHCARE DISTRICT**

MICHAEL ROBERT SOLOMON

AGE: 52

OCCUPATION: Physician

EDUCATION AND QUALIFICATIONS:

As an incumbent director of our Desert's Healthcare District, it has been my pleasure to serve the residents of our local community by supporting efforts to meet their healthcare needs.

In addition to my duties with the district, I maintain a busy private medical practice in Palm Springs and am very aware of the healthcare concerns of my patients and the gaps in services available to them especially in these difficult economic times.

I am not a career politician. My focus is on the healthcare needs of our community and what can be done to continually improve access to quality care and resources for our residents.

Over the past four years I have worked hard along side of our community leaders to bring new programs and projects to those who need them including the FIND food bank, the Desert Hot Springs Community Wellness Center and establishing UC Riverside's Medical School presence among the hospitals and clinics throughout our valley, while continuing to support ongoing programs such as Shelter From the Storm, the Boy's and Girl's Club, the Desert Aids Project and the health and education programs in our children's school system.

Please vote for Mike Solomon on Election Day.

**CANDIDATE STATEMENT FOR
DIRECTOR,
DESERT HEALTHCARE DISTRICT**

RON STEWART

AGE: 46

OCCUPATION: Health Services Professional

EDUCATION AND QUALIFICATIONS:

My name is Dr. RON STEWART and I ask for your vote to become a board member of the DESERT HEALTHCARE DISTRICT. Problems such as childhood obesity, the local shortage of doctors & nurses, access to affordable prescription medication, the importance of immunizations for communicable diseases and overall better health for older adults are important issues in our Desert. Realistic solutions are within our reach. The Healthcare District is a powerful vehicle in our health care system and it makes significant investments within our communities each year. Last year the District used its grant making ability to infuse our valley with millions of dollars to support health care. I have extensive experience in budgeting, planning, grant management and evaluation management. I am the vice chair of the JFK Memorial Hospital Board, sit on the County of Riverside's Community Health Centers Board overseeing twelve public health clinics and I authored the study that established this Valley's only totally free medical clinic for our neighbors who can't afford health insurance and need medical attention. I will be your advocate and ensure that politics, personal agendas and personal preferences don't determine the use of our precious tax dollars entrusted to the District. www.stewartron.com

DIRECTOR,
DESERT HEALTHCARE DISTRICT**

WILLIAM J. GRIMM

AGE: 50

OCCUPATION: Doctor

EDUCATION AND QUALIFICATIONS:

William J. Grimm - Primary Care Doctor

As a doctor and a resident of The Desert Healthcare District, I understand the importance of the District in guiding the health and wellness for our community.

Serving my patients in the Palm Springs area for over 20 years, I realize that patients are also neighbors, friends, and community who have trusted me with their wellness. I take that position seriously and have served on the Board of Councilors for the Riverside County Medical Association for over 15 years to assure that we focus on the highest level of medical care possible and that we are providing the most advanced treatments available. As a practicing doctor and an active member of the California Medical Association, I understand the impacts of state and federal legislation on our District. It is important to me to make sure that the community is aware and fully understands this ever changing legislation. I'm running for the seat on the Desert Healthcare District Board to help guide the future of medical care for neighbors, patients and the community as a whole. Your vote is a vote to secure and improve the health and wellness for our Desert Healthcare District.

MARK MATTHEWS

AGE: 56

OCCUPATION: Desert Healthcare District Director

EDUCATION AND QUALIFICATIONS:

I have had the privilege of serving you as a Director of Desert Healthcare District since 1997 and currently am the board President. My hospital governance experience spans over 30 years starting in St. Paul, Minnesota. Healthcare is facing the most significant change in generations with the implementation of the Healthcare Affordability Act and its many components. Residents of Desert Healthcare District can rest assured that we are prepared to meet these challenges with state of the art facilities and services.

In the time I have served many positive things have happened for your Healthcare District. A public debt of nearly 90 million dollars has been transformed into reserves of over 50 million to meet the needs of our community for years to come.

I am a past President of the Mizell Senior Center, have served the City of Palm Springs on the Airport Commission and the Planning Commission. I was a co-founder of the Veterans Day Parade. My education includes a BA in Speech-Communication and an MBA.

I love the diversity and strength of our community and ask for your vote to continue the work of your Desert Healthcare District.

**CANDIDATE STATEMENT FOR
DIRECTOR,
DESERT HEALTHCARE DISTRICT**

SIDNEY J. RUBENSTEIN

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

Healthcare has been a major part of my adult life starting with my enrollment in dental school and continuing on through my professional career and beyond. On return from military service I began my private practice and also volunteered with a hospital group that provided free services to an indigent population as part of a comprehensive training program. I have served the Desert Healthcare District board in many roles including several years as the board president. I am currently serving as Program/Grant committee chairman. This assignment has provided me with endless opportunities to meet and appreciate the activities of many of the nonprofit groups in our area that are involved in healthcare. I am also serving as a board representative on the governing board of Desert Regional Medical Center-the hospital owned by the citizens of our district. Our talented board of directors with the support of our outstanding professional staff have evaluated and supported many outstanding programs over the past several years.

With your support I promise to devote my time, expertise and efforts to continue the important work we are doing to improve health in our district for all.

Thank you for your consideration.

YOUR MONEY: with a budget of \$264 MILLION

YOUR VOTE: YOUR VOTE IS CRUCIAL to the ongoing FUTURE of quality water at reasonable rates.

With 8 YEARS of experience on the Hesperia City Council (which controlled it's own water department), I have a solid ADMINISTRATIVE EXPERIENCE leading a water district.

As a retired FIREFIGHTER I have a PRACTICAL APPRECIATION for the IMPORTANCE of water.

LIVING IN A DESERT, NOTHING IS MORE IMPORTANT THAN WATER, THE QUALITY, AVAILABILITY, AND PRICE OF THAT WATER IS WHAT I WILL FIGHT FOR. Our current system is aging and maintenance alone is not enough, we must plan for the modernization of our water delivery and storage systems in order to meet our growing demands in a fiscally and ecologically responsible manner. I can only do this with your support, in a district that stretches from Palm Springs to Coachella.

On Election Day remember; It's YOUR WATER, YOUR MONEY, and YOUR VOTE that will determine the future of our valley. THANK YOU FOR YOUR VOTE!
