You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

Did you know that Vote-by-Mail ballots received in the Registrar of Voters office before Election Day are the first ballots counted on Election Night? You will find an application to receive a Vote-by-Mail Ballot on the back cover of this pamphlet.

Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.

RAUL RUIZ, Democratic

AGE: 40

OCCUPATION: Emergency Room Doctor

EDUCATION AND QUALIFICATIONS:

Washington is broken. There's too much partisan bickering and too many career politicians who only care about what's best for them and their contributors. That's why I'm running for Congress.

I'm not a politician; I'm a public servant and physician, dedicated to serving this community. I grew up in Coachella Valley, and after college and Harvard Medical School, I returned to become an Emergency Room Doctor at Eisenhower Medical Center.

In Congress, I'll focus on the economy and health care. Thousands of people have lost their jobs, homes, or retirement savings. Thousands more are worried about Medicare cuts, or can't afford prescription drugs or health coverage. Washington just hasn't done enough to address these problems. I'll fight to develop new local industries that diversify our economy. I'll vote against any attempt to cut Social Security or Medicare. And I'll stand up to banks that take bailout money and then foreclose on responsible homeowners.

I believe that running for office should be about public service, not personal gain. I've devoted my life to public service – right here in Coachella Valley – opening clinics for people without health coverage, and mentoring kids who want to become doctors. I'm proud that I was recognized with the U.S. Army's 82nd Airborne Commander's Award for Public Service, and named Humanitarian of the Year by The Rancho Mirage Chamber of Commerce.

As an emergency room doctor, I'm trained to solve problems during challenging times, and to put people first. That's exactly what I'll do in Congress.

MARY BONO MACK, Republican

OCCUPATION: United States Representative

EDUCATION AND QUALIFICATIONS:

I am honored to represent our community and extremely proud of everything we have accomplished together. But there is much more to do.

Our country faces many challenges, especially creating more jobs and turning our economy around. As a former small business owner, I understand what it takes to make payroll and put people to work. I have always fought for commonsense economic policies, lower taxes, and eliminating unnecessary regulations. We must encourage the entrepreneurial spirit of hard-working Americans with a system that rewards ingenuity.

I have fought hard to prevent the government take-over of our health care system, supported our Veterans and seniors, protected consumers and assisted agriculture by passing Country of Origin Labeling, and making Made in America matter again.

As the daughter of a WWII Veteran, I will always support our troops who make sacrifices everyday to keep our nation safe from the threat of terrorism. Our American ideals of liberty, tolerance, and freedom must remain a symbol of hope for all.

I am humbled and honored by the recognition I have received from numerous organizations, including the U.S. Chamber of Commerce, which presented me with their "Spirit of Enterprise Award" and "The Guardian of Small Business Award" from the National Federation of Independent Business.

I would be equally honored to have your vote.

MARK A. OROZCO, Democratic

As we witness California cities go bankrupt, we all agree, hard-working Californians should not have to pay for Sacramento's mistakes. Californians are tired of broken promises that shortchange our children, our seniors, our veterans, and our working families. Education, healthcare, and public safety cannot continue to take major cuts.

As a Educator, Advocate, and local School Board Trustee I have worked with local leadership, families, and community stakeholders, during a tough budget crisis. We have worked together to balance our budget and have kept the school district fiscally solvent.

As a community leader, I have worked with small businesses to improve our local economy during these challenging times. I will find solutions to shape our communities and to encourage a fiscally strong local government. I am an independent thinker not bound to special interest groups and will always put the needs and concerns of my constituents first.

My pledge and priorities:

- I will bring our fair share of tax dollars back to our district to invest into schools, businesses, roads, and the needs of our communities.
- I will be the independent voice we need in Sacramento that will help stimulate job creation, small business development by eliminating duplicated and unnecessary regulations.
- I will support investment in local law enforcement and public safety, so we can maintain security within our schools and neighborhoods.
- I will demand a higher level of accountability, transparency, and fiscal responsibility.

We can solve the budget crisis by doing two things – Limit Spending and Grow the Economy.

This election year voters face a choice between old policies that have slowed our state recovery and new policies that will lay a path for a more prosperous California. Having started my own business, I know the difficulties job creators face in the state. If California is to be the Golden State once again, we must stop chasing businesses across state lines and overseas.

As a legislature, we should enact policies that encourage economic growth. Our tax and regulatory system should be clear, consistent and fair to all.

We can and must eliminate duplicating and unnecessary regulations thereby growing businesses and putting people back to work.

I support enacting real pension reform, which will eliminate billions of dollars in unfunded liabilities.

We should use independent audits to find and remove waste in government.

A prosperous economy is the best way to ensure support for public safety, education, and a healthy environment for the next generation of Californians.

Since first elected to the school board, I have worked to raise the academic bar, promote a rigorous curriculum, close the achievement gap, offer greater school choice, and provide a safe and effective learning environment.

Academic achievement has improved dramatically across the district. More students are taking college entrance exams and scoring higher. More students are studying calculus, biology, chemistry, and physics.

Desert Sands continues to be recognized by the US Department of Education as a model for school choice programs. During my tenure on the school board I have worked to: add a new charter school for middle school students; develop magnet schools which focus on communication, law, medicine and the performing arts; enhance independent study and online-learning programs; introduce a robotics program; and, expand the highly rigorous International Baccalaureate Program. I support vocational educational programs as an option for those pursuing careers in culinary arts, public service, and computer technology.

I will continue to work to modernize classrooms with state-of-the-art technology, enhance programs in music, art, and the performing arts, and improve facilities for athletic programs.

Educating our children successfully is a necessary and critical element in their becoming productive citizens. Children must be provided the tools needed to excel in reading, writing, mathematics, science and computer technology. This goal can be accomplished by hiring the most Qualified and Competent Teachers, Support Staff and Administrators. Input from Parents, Seniors, Retired Educators and Students must be included in the curriculum decision making process. This district-wide cooperative effort will result in higher test scores, higher graduation rates and the knowledge to pursue college or professional careers.

The district must be responsible and accountable for all expenditures. After all, the district operates as a direct result of taxes paid by district residents.

OCCUPATION: Retired Business Owner
EDUCATION AND QUALIFICATIONS:

I have a great love for this valley and my family shares its history since the 1950s. I graduated from Palm Springs High where I was Senior Class President and played football and wrestled before attending college on an athletic and academic scholarship. I continue to connect to the school system with four children attending the elementary, middle, and high schools of DSUSD. My passion for learning in the classroom is confirmed by each of my children's teachers where I have spent thousands of hours serving in classes teaching reading and science. I volunteer with a youth group and care about these students; I attend their music, theater, science, and sporting events throughout the district.

I'm running for school board having been recruited and encouraged by several teachers and principals because of my passion for our students. My years of business and community service have qualified me to understand budgets and to work with the interests of multiple factions.

Our school district faces enormous strains due to declining budgets. We must be fiscally wise and yet find ways to meet the future through a focus on and love for science and technology developed in our children. DJ Risk for DSUSD!

CITY COUNCIL MEMBER,
CITY OF INDIAN WELLS**

DOUGLAS H. HANSON

AGE: 68

**OCCUPATION: Mayor, City of Indian Wells
EDUCATION AND QUALIFICATIONS:**

Doug Hanson was elected to the Indian Wells City Council in 2008 and is currently serving as its Mayor.

Mayor Hanson has over 40 years of extensive entrepreneurial and business experience, principally in three areas: Telecommunications, Broadcasting, and Real Estate.

As a former business leader, I understand business and I have demonstrated that over these last four years. I understand that Fiscal Responsibility is a beacon by which every Council Member should be guided. No one has devoted more time, energy, and enthusiasm to our city and I pledge to continue for the next four years. If re-elected, I pledge to only serve four more years.

Working together as a council we have achieved the following:

1. Began televising Council Meetings.
2. Established term limits.
3. Made Tennis Tickets available to all residents.
4. Agreed to underground utilities in the village area.
5. Installed speed monitors.
6. Established Mayor's office hours.
7. Contracted with Troon to manage the Golf Resort.
8. Approved The Ryerson project, with estimated TOT in excess of \$1 million.
9. Established Town Hall meetings.
10. Placed the Mayoral Rotation question on the ballot.
11. Maintained a budget surplus.

My essential goal for the next four years will be, adding revenues and achieving Economic Sustainability.

The future economic drivers lie in three areas of our city:

1. West of Miles Avenue, the proposed Ryerson project.
2. East of Miles, the Miles Lodge Retail LLC, project.
3. Area around the Tennis Gardens.

All three areas will require an experienced negotiator capable of negotiating with the owners to ensure these areas are developed for their highest and best use, yet providing the greatest revenue possible. With my real estate development and contract negotiating experience, I bring a career of knowledge to these negotiations that will allow all three areas to be utilized in a way that will add to the quality of life of our residents.

We must also work closely with representatives of the Tennis Gardens, supporting their goal to increase attendance to over 500,000, representing over \$1.5 million of ticket tax revenue.

As your Mayor this past year, I have created an open and friendly environment. I have always considered the residents first. Our community is safer. The City has become more transparent and accountable. We continue to be fiscally sound and our resident amenities remain intact. I have lived my pledge and ask for your vote.

CITY COUNCIL MEMBER,
CITY OF INDIAN WELLS**

DANA REED

AGE: 68

**OCCUPATION: Governmental Ethics Attorney
EDUCATION AND QUALIFICATIONS:**

I started my career working for Ronald Reagan as a young campaign aide in 1966. Ronald Reagan taught me many things. None is more important than the principle that local government is the most important level of government because it's closest to the people.

Following his inauguration in January 1967, Governor Reagan asked me to work on transportation issues. When George Deukmejian became governor, I put my law practice on hold and returned to Sacramento for two years as his Undersecretary of Business, Transportation and Housing. Later, I was appointed by Governor Pete Wilson to serve on the California Transportation Commission.

I continue to be involved in public service. I have done legal work for numerous cities, counties and special districts, advising them on complying with California's complex governmental ethics laws.

For the past 26 years, I have been privileged to enjoy Indian Wells as a resident and homeowner. I am running for our City Council for one simple reason: I care about Indian Wells, and I am concerned how it is being governed.

Our elected officials receive compensation that is far too generous for a city of our small size.

For example, according to official City records (available at www.cityofindianwells.com/City-Council/Agendas) during the past five years, each Councilmember received an average of \$61,800, per year, in salary and benefits.

My neighbor, retired County Supervisor Pete Schabarum, started an initiative campaign to limit what our Councilmembers can receive to \$1,000 per month.

I worked with Pete to write this initiative and helped gather signatures to place it on the ballot – it is now called Measure S.

In addition to passing Measure S, there are other reforms that I will support as your City Councilman.

Currently taxpayers pay both the Employer's share, AND THE EMPLOYEE'S SHARE, of the cost of pension and health care benefits, including Social Security. This is almost unheard of in the private sector – and is fast becoming obsolete in public agencies.

As your Councilman, I will insist that City employees pay their share of pension and health care benefits and I will continue to work to eliminate benefits for Councilmembers entirely.

Excessive compensation for elected officials and public employees erodes public confidence in government. As your City Councilman, I will use my experience in law and public policy to reform our city government.

I would be honored to serve YOU as a Member of the City Council.

HADDON B. LIBBY

AGE: 50

**OCCUPATION: Businessman
EDUCATION AND QUALIFICATIONS:**

If we are going to change the cultures of Washington DC and Sacramento, we must start with our City. This is why I am running. Our Valley needs strong principled leaders who will demand transparency in government and stand up for you against crony capitalism.

More than any other person in this election, I have worked toward resolving the excesses of this city council by questioning excessive pay, pension, perks and benefits that ranked among the top in California.

To solve our City's fiscal problems, it is crucial to have a council member with strong financial and analytical skills. I am that person. This City Council buried 52% or over \$5,000,000 of its operating budget in development projects last year and much more over the last three years. This means that we will be paying for those annual operating expenses over the next decade. This is not how you balance your family budget and is not how our City should balance its budget. With \$130,000,000 in debt and inadequate cashflow to comfortably service all of that debt, we need a council member with the knowledge, will and desire to fix this structural problem without sacrificing the quality of city services that include our Fire and Police departments.

Throughout my career, I have been a problem solver. More than ever, our City needs this expertise.

This election is about regaining control of our City. We deserve a Council that represents all of us and not just a select few.

I want to serve on your City Council in order to show proper decorum and demonstrate what true leadership is. In order to show how government should be of, by and for the people, I need your vote.

LARRY “BEAR” BONAFIDE

OCCUPATION: Retired Business Executive

EDUCATION AND QUALIFICATIONS:

I believe that the City Council's mandate is to enhance our community's exceptional quality of life, encourage active citizen involvement, practice fiscal conservatism and deliver superior services that protect our public health, safety and welfare.

Unbecoming conduct and hostility by Council and citizens alike have generated continuing “tabloid” headlines about our City. The result has been a devaluation of both the City's and the Council's image and reputation. In the process, this has inhibited the Council's ability to fulfill its mandate.

The lack of quality leadership in the Council comes at a perilous time. Given the loss of Redevelopment Agency funds (\$3.7 million annually) and a volatile economy, new leadership is critical! We need leaders who are proactive not reactive. We need cohesion not division.

Solving our City's problems will not be accomplished with slogans, impressive resumes or platitudes. Hence, we must practice fiscal conservatism, delivered through sound planning and financially prudent and contemporary management practices. I am committed to instituting creative and aggressive revenue growth plans and maximizing the contribution of our City's assets and income sources – with an immediate emphasis on those that are underperforming.

I believe the way to restore our prestige and ensure our exceptional quality of life is to embrace a central tenet of the City's General Plan: “Teamwork between citizens, elected and appointed officials, with respect for diverse viewpoints while supporting each other towards common goals”.

Securing the future of our stellar City will demand visionary planners and problem solvers who will work together as a team. I am a successful team builder, team leader and team player. Webster defines BONAFIDE as: “Good faith without fraud or deceit; authentic; earnest...” This is who I am.

I attended Penn State University and held senior executive leadership positions with Marriott, US Foodservice and Chevron. In 2004, I retired and relocated from the San Francisco Bay Area to Indian Wells with my wife Elle. We feel privileged to live here, and as full time residents, we are committed to investing a significant amount of time to civic endeavors.

I am currently Chairman of the Indian Wells Country Club Community-FAMD elected Board of Directors, (an agency of the City of Indian Wells, reporting to the City Council), past Chairman of the Indian Wells Country Club Board of Governors, and Chairman/Founder of the Indian Wells Political Endorsement Committee.

I respectfully ask for your vote of confidence to lead our City into the future.

EDUCATION AND QUALIFICATIONS:

As a resident of Indian Wells, I wish to be considered a candidate for the City Council in order to improve and provide insight into possible solutions to the current problems that our City faces. Over the last few years, our City Council has taken a direction that concerns me. In the last year, it has been discovered that over the years benefits and wages have been given to the City Council that are unwarranted and are detrimental to the other residents of Indian Wells. In addition, the failure to exhibit fiscal restraints over the last eight years has put Indian Wells in less than satisfactory financial position.

My efforts will be directed to implementing a responsible City government. Below are items I will focus on if elected:

- Listening and respecting the rights and wishes of all our residents not just a special few.
- Oppose unnecessary expenditures.
- Support rigorous budgetary controls.
- Increase the City's cash surplus.
- Eliminate all City Council benefits and limit Council salaries.
- Return City Council to part-time status.
- Attempt to update City Charter regarding:
 - Capital Expenditures
 - Donations
 - Salaries/Benefits
- Improve revenue and cash flow of Indian Wells Club.
- Maximize use of under developed properties.
- Oppose any extensions to Folgesson on Myles Crossing property.
- Oppose widening of Highway 111.

It is time for a change of direction and leadership in our City Council. This community is a special place to live and all the negative publicity and failure to realize the responsibility to the residents of Indian Wells needs to change before the City's reputation is damaged beyond repair.

I pledge to help bring back the integrity, civic responsibility and respect for the Indian Wells residents that we serve. I ask for your vote on November 6.

The automatic annual rotation is further intended to permit as many Council Members as possible to have an opportunity during their membership on the City Council to occupy the position of Mayor and Mayor Pro Tempore. This section shall not be amended or repealed without first obtaining the approval of a majority of those persons voting on any such proposed amendment or repeal at a general or special municipal election called for this purpose.

(b) At the first regular meeting of the City Council in December of each year, or as soon thereafter as reasonably possible in the event any newly elected Council Members have not yet taken office due to delayed certification of election results, the City Council shall appoint from among the Council Members the Mayor and the Mayor Pro Tempore to immediately assume those positions, as applicable. Appointment to the position of Mayor and Mayor Pro Tempore shall be made on a rotating basis among all Council Members as follows, and the Mayor and Mayor Pro Tempore shall serve until their applicable successor is appointed or they vacate the applicable position due to inability to fulfill the responsibilities of that position, as defined in subsection (c):

(1) the Council Member having the longest current continuous membership on the City Council without serving as Mayor shall be appointed Mayor.

(2) the Council Member having the second longest current continuous membership on the City Council without serving as Mayor shall be appointed Mayor Pro Tempore.

(3) if two or more Council Members equally qualify hereunder for appointment as Mayor, any Council Member who has not previously served as Mayor during the period of current continuous membership of the qualified Council Member shall be appointed Mayor; and if two or more Council Members thereafter equally qualify hereunder for appointment as Mayor, the Council Member who received the most votes among them in his/her most recent election to Council shall be appointed Mayor, and the Council Member who received the second most votes among them in his/her most recent election to Council shall be appointed Mayor Pro Tempore; and if two or more Council Members thereafter equally qualify hereunder for appointment as Mayor, the Council Member whose name is then drawn by lot or other random procedure shall be appointed Mayor, and the other Council Member shall be appointed Mayor Pro Tempore.

(4) if two or more Council Members equally qualify hereunder for appointment as Mayor Pro Tempore, the appointment of Mayor Pro Tempore shall be made in accordance with the same priority and criteria as otherwise set forth for appointment as Mayor in subsection (b)(3).

(5) notwithstanding any provision to the contrary, a Council Member shall not be eligible for appointment as Mayor until he/she has first completed at least one year of his/her current term on the City Council, unless no other Council Member can otherwise assume the position of Mayor due to inability to fulfill the responsibilities of that position, as that term is defined in subsection (c).

(6) if the position of Mayor becomes vacant due to inability to fulfill the responsibilities of that position, as that term is defined in subsection (c), the Mayor Pro Tempore shall be appointed Mayor for the remainder of that term of Mayor, and shall be reappointed Mayor for the next full term of the position of Mayor if then qualified hereunder; provide, however, that service for the partial term as Mayor hereunder shall not be deemed to constitute service as Mayor for purposes of subsections (b)(1), (2) and (3).

(7) if the position of Mayor Pro Tempore becomes vacant due to inability to fulfill the responsibilities of that position, as that term is defined in subsection (c), the Council Member next qualified to become Mayor Pro Tempore shall be appointed Mayor Pro Tempore for the remainder of that term of Mayor Pro Tempore, and shall be reappointed Mayor Pro Tempore for the next full term of the position of Mayor Pro Tempore if then qualified hereunder; provided, however, that service for the partial term as Mayor Pro Tempore hereunder shall not be deemed to constitute service as Mayor Pro Tempore for purposes of subsections (b)(1), (2) and (3).

(c) A Council Member shall not be appointed Mayor or Mayor Pro Tempore, and the Mayor or Mayor Pro Tempore shall be deemed to have vacated their position, due to inability to fulfill the responsibilities of that position. As used in this section, the term "inability to fulfill the responsibilities of that position" shall mean at least one of the following:

(1) unexcused absences from more than four (4) regular or special City Council meetings within the twelve (12) month period prior to appointment as Mayor or Mayor Pro Tempore, as applicable, or during the period of service as Mayor or Mayor Pro Tempore, as applicable;

(2) resignation from or voluntary decision not to assume appointment to the position of Mayor or Mayor Pro Tempore, as applicable;

(3) death, or physical incapacity due to medical condition severely limiting the ability of the Mayor or Mayor Pro Tempore, as applicable, to perform ongoing duties assigned to them by City policy or the City Council;

(4) mental incapacity (such as by reason of severe stroke, serious head injury, serious nervous breakdown, or serious mental illness) of the Council Member otherwise qualified hereunder to be appointed to, or serving in the applicable position of, Mayor or Mayor Pro Tempore, as reasonably determined at a public meeting by a majority of the City Council as then fully constituted;

(5) upon the case by case determination by the City Council, in its discretion, to apply the following to the appointment or removal, as applicable, of the Mayor or Mayor Pro Tempore, as applicable: censure at a public meeting by a majority of the City Council, as then fully constituted, resulting from either (A) a repeated failure of the Mayor or Mayor Pro Tempore, as applicable, to represent the City Council's adopted positions when representing the City, and not him or herself individually, after the City Council had first provided a written warning concerning such failure, or (B) a violation of a requirement of law pertaining to conduct by public officials, other than as set forth in subsection(c)(6), as determined by a governmental commission, agency or officer not a part of the City;

(6) arrest while Mayor or Mayor Pro Tempore, as applicable, for a felony or any crime of violence or moral turpitude; provided that if and when the prosecution of such felony or other crime is terminated without a plea agreement or conviction, then the Council Member shall thereafter be placed in the highest priority behind the Mayor or Mayor Pro Tempore, as applicable, as otherwise set forth in subsection (b).

(d) As used in this section, the terms "qualify", "qualified" and "qualify hereunder" mean that a Council Member meets the priority and criteria established for selection as Mayor or Mayor Pro Tem, as applicable, as set forth in subsection (b)."

SECTION 2. If any section, subsection, sentence, clause, phrase or provision of this Ordinance or the application thereof to any person or circumstances is held invalid or unconstitutional by any court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity of any other provision or applications, and to this end the provisions of this Ordinance are declared to be severable. The People hereby declare that they would have passed this Ordinance and each section, subsection, sentence, clause, phrase or provision thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or provisions thereof be declared invalid or unconstitutional.

SECTION 3. This Ordinance shall take effect only if approved by a majority of the eligible voters of the City of Indian Wells voting at a General Municipal election to be held on November 6, 2012, and shall take effect immediately after the City Council has certified the results of the General Municipal election by resolution.

IMPARTIAL ANALYSIS OF MEASURE "Q"

Measure "Q" proposes approval of Ordinance Bill No. 2012-04 by the qualified voters of the City of Indian Wells.

The Ordinance would provide that, at the first regular Council meeting in December annually, the Council will appoint one Council Member as Mayor and one Council Member as Mayor Pro Tempore. The Council Member having the longest current continuous membership on the Council without serving as Mayor shall be appointed as Mayor, and the Council Member having the second longest current continuous membership on the Council without serving as Mayor shall be appointed Mayor Pro Tempore. Currently, the Mayor and Mayor Pro Tempore are selected annually from among all Council Members, and can be changed at any time by a majority vote of the Council.

The Ordinance would provide a specific procedure for selection of the Mayor and Mayor Pro Tempore if two or more Council Members equally qualify for appointment. The Mayor and Mayor Pro Tempore shall serve until their applicable successor is appointed, or until they vacate their applicable position due to inability to fulfill the responsibilities of that position.

A Council Member shall not be appointed Mayor or Mayor Pro Tempore, or a Council Member so appointed shall be deemed to have vacated the position of Mayor or Mayor Pro Tempore, if he or she is unable to fulfill the responsibilities of that position, due to one or more of the following reasons:

1. unexcused absences from more than four Council meetings within the twelve month period prior to appointment or during the term of service as Mayor or Mayor Pro Tempore;
2. resignation or voluntary decision not to assume appointment as Mayor or Mayor Pro Tempore;
3. death or physical incapacity;
4. mental incapacity;
5. if censured by a majority of the City Council for specific reasons outlined in the Ordinance; or
6. arrest for a felony or crime of violence or moral turpitude, provided that, if prosecution of such crime is terminated without a plea agreement or conviction, such Council Member shall be placed in the highest priority for reappointment to the position.

If the position of Mayor becomes vacant due to inability to fulfill the duties of that position, the Mayor Pro Tempore shall be appointed Mayor, and shall be reappointed Mayor for the next full term of the position. Further, if the position of Mayor Pro Tempore becomes vacant due to inability to fulfill the duties of that position, the Council Member next qualified to become Mayor Pro Tempore shall be appointed Mayor Pro Tempore, and shall be reappointed Mayor Pro Tempore for the next full term of the position.

Measure "Q" requires approval of a majority of voters. A "yes" vote for Measure "Q" will approve the proposed Ordinance described above. A "no" vote against Measure "Q" will maintain the status quo.

ORDINANCE BILL NO. 2012-07

AN ORDINANCE AUTHORIZING THE CITY OF INDIAN WELLS TO IMPOSE, LEVY AND COLLECT A SPECIAL PARCEL TAX FOR THE MAINTENANCE AND SERVICING OF LANDSCAPE AND LIGHTING IMPROVEMENTS

WHEREAS, pursuant to the Landscape and Lighting Act of 1972 (California Streets and Highways Code section 22500 et seq.), the City of Indian Wells) (the "City") formed seventeen separate landscape and lighting maintenance assessment districts (the "LLMDs") for the purpose of funding the maintenance and servicing of landscape improvements (as more particularly defined herein) within the public rights-of-way throughout the City; and

WHEREAS, in 1991, the LLMDs were subsequently consolidated into one landscape and lighting maintenance assessment district (the "Landscape and Lighting District No. 91-1"), with eighteen zones established therein; and

WHEREAS, although the improvements being maintained and serviced in Landscape and Lighting District No. 91-1 are located throughout the City, not all property owners within the City pay assessments for the maintenance and servicing of the improvements but enjoy and are benefitted by the improvements; and

WHEREAS, the current assessments are insufficient to recover the costs of maintaining and servicing the improvements and the City has an interest in providing adequate funding for the maintenance and servicing of such improvements for the benefit of the entire community; and

WHEREAS, the City must find an immediate solution to provide adequate funding for the maintenance and servicing of the improvements; and

WHEREAS, the City desires to impose, levy, and collect a special parcel tax to provide such funding, meet anticipated future demands; and

WHEREAS, pursuant to California Constitution articles XIII A, section 4, XIII C, section 2(d), and XIII D, section 3(a), and California Government Code sections 50075, 50077, 53722, and 53724 no local government may impose, extend, or increase any special tax unless and until that tax is submitted to the electorate and approved by an affirmative vote of two-thirds of the qualified electors voting in the election; and

WHEREAS, the City will be authorized to impose, levy, and collect the special parcel tax at the maximum rate of \$171.00 per taxable property within the City of Indian Wells commencing July 1, 2013, and annually may be adjust the special parcel tax for inflation each Fiscal Year to recover increases in the costs of providing the maintenance and servicing of the improvements; and

IMPARTIAL ANALYSIS OF MEASURE “R”

The City of Indian Wells formed eighteen landscape and lighting maintenance assessment districts (“LLMDs”) to fund the maintenance of landscape and lighting improvements within the City’s public rights-of-way on Highway 111, Cook Street, and Eldorado Drive (“Improvements”). In 1991, the LLMDs were consolidated into one district (the “LLMD No. 91-1”), which has eighteen zones. Although the Improvements maintained within LLMD No. 91-1 are located throughout the City, not all City property owners pay assessments for their maintenance.

Measure “R” proposes the adoption of an ordinance authorizing the City to impose a parcel tax on all taxable property within the City for the specific purpose of funding the maintenance and servicing of the Improvements located in LLMD No. 91-1. The parcel tax would be imposed at a rate of \$171 per taxable parcel commencing July 1, 2013. For each fiscal year beginning fiscal year 2014-15, the maximum allowable parcel tax could be increased, as needed, by the percentage change in the Consumer Price Index for all Urban Consumers (“CPI-U”), for the Los Angeles-Riverside-Orange County area for the year ending the preceding December 31, capped at 3%. If for any reason the percentage change in the CPI-U is negative, the maximum allowable tax could not be decreased and would remain at the amount as computed for the previous fiscal year. If the City Council determines that an adjustment for inflation is not necessary in any given fiscal year, the City Council would not be obligated to increase the parcel tax in that fiscal year.

If the parcel tax is approved by the voters, commencing July 1, 2013, the City will suspend the imposition, levy, and collection of the special benefit assessments on residential parcels within LLMD No. 91-1 for so long as the parcel tax is imposed, levied, and collected by the City. Because there are additional costs for maintaining certain improvements that specially benefit non-residential parcels in Zones A8, A11A, A11C, and E of LLMD No. 91-1, the special benefit assessments for non-residential parcels within these zones would not be suspended.

In order for the City to adopt the proposed parcel tax and resulting suspension of assessments on residential lots in LLMD No. 91-1, Measure “R” must be approved by two-thirds of the voters voting in the election on Measure “R”.

A “yes” vote on Measure “R” authorizes the City to (1) impose the parcel tax, commencing July 1, 2013, at the rate of \$171 per taxable parcel per year; and (2) provide for annual inflationary adjustments of the tax capped at 3%.

A “no” vote on Measure “R” prohibits the City from (i) imposing the parcel tax commencing July 1, 2013, at the rate of \$171 per taxable parcel per year; and (ii) providing for annual inflationary adjustments of the tax capped at 3%.

S/ Office of the City Attorney, City of Indian Wells
Stephen P. Deitsch, City Attorney

ARGUMENT AGAINST MEASURE “R”

Indian Wells does not need a new parcel tax. City residents are urged to vote “NO” on Measure “R” because it improperly benefits a limited number of privately owned properties along Highway 111, Cook and Eldorado by requiring all other parcels to pay the cost of beautification for the few.

The City’s existing Landscape and Lighting Maintenance District 91-1 (LLMD) is made up of 18 zones that include many, but not all parcels on the streets mentioned. At the time of purchase, all residents affected by the LLMD should have been advised that a cost of their home ownership included the cost of landscaping and maintaining their properties as required by the LLMD.

Under Measure “R”, all parcels within the city will now share the cost of landscaping and lighting for the LLMD affected properties. In some zones within the LLMD, the costs will actually increase because the new tax is greater than the current LLMD fee. Other parcels will pay less as their costs will be shared by all parcel owners.

For those parcels affected by LLMD fees, the solution is to cut back on annual expenses, just as we all do when budgeting expenses. A little less color planted each year will not make the affected parcels or the City less desirable. Under the new tax, city government will be more directly involved in the landscape business, which almost guarantees increased costs.

Measure “R” unfairly places a greater value on the selected parcels which can now look to city taxes to beautify their properties. Under “R”, we must pay not only for our own landscaping and maintenance, but for the LLMD privately-owned properties as well.

We do not need to pay a tax for the beautification of properties within the city. Vote “No” on “R”.

MEASURE “S” - CITY OF INDIAN WELLS

EXHIBIT “A” PROPOSED CHARTER AMENDMENT

1. Section 101 is added to Article I of the Charter of the City of Indian Wells to read as follows:

“Section 101. Councilperson’s Compensation. Except as below or as may be required by applicable Federal or State law, no City funds shall be expended, or anything of value provided to, or on behalf of, any member of the City Council for his or her personal use or benefit.

The City Treasurer is authorized to make the following payments:

For services rendered as a member of the City Council - \$1,000 per month
For services rendered as Mayor – an additional \$500 per month
For services rendered as Mayor Pro Tem – an additional \$250 per month

Beginning July 1, 2014 and each year thereafter, the City Treasurer shall adjust the amounts above to reflect any changes in the Consumer Price Index for this area as determined by the Bureau of Labor Standards of the United States Department of Labor.

Nothing herein shall be construed to prohibit the reimbursement of ordinary and necessary expenses incurred in the performance of ones duties as a Member of the City Council, or Mayor, or Mayor Pro Tem provided such expenditures were reasonably incurred and approved in advance by the City Council.”

IMPARTIAL ANALYSIS OF MEASURE “S”

Measure “S” proposes an amendment to the Charter of the City of Indian Wells. It would provide that no City funds or other items of value may be provided to or on behalf of any City Council Member for his or her personal use or benefit, except as provided therein or required by applicable State or Federal law. Measure “S” was proposed by initiative petition signed by more than 15% of the registered voters of the City.

The proposed amendment would add Section 101 to Article I of the Charter to state that the following payments may be made to City Council Members:

1. For services rendered as a Member of the City Council - \$1,000 per month
2. For services rendered as Mayor – an additional \$500 per month
3. For services rendered as Mayor Pro Tem – an additional \$250 per month

Beginning July 1, 2014, and each year thereafter, Measure “S” would require the City Treasurer to adjust the above amounts to reflect changes in the Consumer Price Index (“CPI”) for the area, as determined by the Bureau of Labor Standards of the U.S. Department of Labor.

In addition to the above payments, Measure “S” would permit reimbursement of ordinary and necessary expenses incurred in the performance of duties as a City Council Member, Mayor, or Mayor Pro Tem, provided such expenses were reasonably incurred and approved by the City Council in advance.

Council Members are currently compensated in accordance with Section 2.08.050 of the City of Indian Wells Municipal Code, which provides that Council Members shall receive a stipend of \$2,500.00 per month, subject to an annual Cost of Living adjustment up to a limit of \$100.00. By approval of the current year budget, Council Members have reduced their current stipend to \$2,300.00 per month. In addition, currently, Council Members may receive compensation in the form of tickets in the possession and control of the City for admission to entertainment, recreational, amusement and similar events.

State law requires that sitting Council Members remain in the CalPERS defined benefit plan once they have elected to opt into CalPERS membership. All of the sitting Council Members have made such an election. Therefore, sitting Council Members must not only continue to participate in CalPERS but, the City must continue to contribute to the CalPERS defined benefit plan on their behalf in the form of the required employer contribution.

If Measure “S” is adopted, the amount payable would be reduced to \$1,000.00 per month for Council Members and \$1,500.00 and \$1,250.00 per month for Mayor and Mayor Pro Tem, respectively, subject to an annual CPI adjustment, plus ordinary, necessary and reasonably incurred expenses approved by the City Council in advance.

If adopted by the voters, this Charter Amendment may be amended or repealed only by vote of the people.

Measure “S” requires approval of a majority of voters. A “yes” vote for Measure “S” will adopt the amendment to the City Charter described above. A “no” vote against Measure “S” will maintain the status quo.

ARGUMENT IN FAVOR OF MEASURE “S”

STOP Excessive Compensation for Indian Wells Council Members

Excessive compensation and benefits for elected officials erodes public confidence in government.

The members of our Indian Wells City Council vote to set their own compensation and benefits. They have abused their authority.

According to official city records, in the past five years, our councilmembers each received an average of \$61,800 per year in salary and benefits (the records are available at <http://www.cityofindianwells.com/city-council/agendas>).

That’s not all! Currently, each City Councilmember is enrolled in the state’s generous public pension system in which they are eligible to receive tens of thousands of dollars in additional benefits each year for the rest of their lives.

Lifetime pension and healthcare benefits for each current Councilmember could top \$500,000!

This compensation system is excessive for a city of 5,000 residents, where City Councilmembers attend a few meetings per month.

That is why, more than 700 of your neighbors, signed petitions to place Measure “S” on the ballot.

Measure “S” will reform our city charter and limit amount the amount of compensation our city councilmembers can receive to \$1,000 per month...PERIOD.

That is more than generous considering the limited amount of work our city elected officials are required to do.

Excessive compensation and benefits for part-time elected officials reduces available funding for public safety, road maintenance and other necessary public programs.

When our city was founded in 1967, the mayor and city council served without compensation and there was no shortage of good, qualified public-spirited citizens who were willing to serve.

Our recent mayors and city councils have failed to set the right priorities for our city by limiting their own compensation and benefits. We, the people, must do it for them.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “S”

The Indian Wells Council Compensation was never excessive. Yet in spite of this, in August, 2011 the Council voluntarily cut its compensation 26%.

Council members spend on average 20 hours per week representing the residents on City business which includes consideration of fiscal, legal, environmental, labor and other issues and challenges. Indian Wells Council Members have the added responsibility of maintaining City liaison over major hotels, worldwide events and the 5th largest tennis stadium in the world.

The Council on its own has proposed additional compensation package reductions which would place the Indian Wells Council in the lower third of Coachella Valley Cities when it comes to Compensation.

The Charter amendment proposal would cut compensation to a level BELOW minimum wage in California! Certainly the expertise and experience that our duly elected Council members bring merits higher compensation than a fast food fry cook. This measure, if enacted, would greatly discourage qualified candidates in being attracted to serve on its Council.

It is neither well thought out nor well intended.

The current Council acted responsibly in carrying out its mandate regulating Compensation. They have also performed in a responsible manner in maintaining fiscal soundness in having not only an unbroken record of balanced budgets but a reserve set aside as well.

❖ Don’t try to fix what is not broken!

Vote No on the Proposed Charter Amendment.

ARGUMENT AGAINST MEASURE “S”

We agree with the sponsors of Measure “S” that the current level of Council compensation needs to be reduced. We also agree that when a new council pay base is agreed upon, it should be changed by a majority vote of the residents.

We do not agree with the draconian cuts in Council Compensation proposed in this initiative, especially with no stated basis other than “they are overpaid”! Council compensation should be based on an objective and reasonable valuation after considering all of the tangible and intangible assets of the City. This decision should be about a reasonable choice not a punitive action against current Council members.

On August 2, 2012, a reasonable proposal for restructuring Council compensation was introduced. We believe this to be a fair and reasonable compromise plan. It cuts the total Council Member compensation, including all benefits and taxes, by slightly less than 70% of the 2011 high point and 5% below the 2002 total Council Member compensation.

It must be noted that whatever Council compensation levels are adopted they are not just applicable to the current Council, but to all future Councils as well.

The bottom line is vote no on this amendment! If the voters are unhappy with Council's performance, vote them out. Do not punish all future Council members.

REBUTTAL TO ARGUMENT AGAINST MEASURE “S”

Opponents of Measure “S” want you to believe that the City Council's efforts to reduce their own compensation have been “reasonable,” and the \$12,000 annual limit set by Measure “S” is “draconian.” They are wrong on both counts.

The ‘Desert Sun’s’ well-researched data show that only a handful of California’s 478 cities pay their councils more than \$20,000 annually. The norm is less than \$10,000 annually. Some large cities that pay their council members less than our proposed \$12,000 annually include;

- Laguna Beach (\$7,487, population 36,224),
- Ventura (\$7,725, pop. 107,514),
- Whittier (\$10,228, pop. 85,943),
- Temecula (\$10,320, pop. 100,146) and
- Murrieta (\$7,200, pop. 101,462)
- San Clemente (\$5,135, pop. 64,401)

The city attorney’s “impartial analysis” of Measure “S” mentions that council members reduced their cash stipend by 8% (to \$27,600 annually) but retained all their “employee” benefits (pension & health care)! Additionally they retained their ability to “receive compensation in the form of tickets in the possession and control of the City for admission to entertainment, recreational, amusement and similar events.” In light of what other similarly-sized cities pay, their self-imposed reduction to \$27,600 annually, we continue to overpay the council.

Measure “S” is NOT designed to “punish” present or future council members – it was signed by five (5) of the ten (10) candidates who are running for city council! It provides fair and reasonable compensation to part-time council members, and puts the controls back in the hands of Indian Wells taxpayers.

Vote Yes on Measure “S”.
