Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

AGE: 40

OCCUPATION: Emergency Room Doctor

EDUCATION AND QUALIFICATIONS:

Washington is broken. There's too much partisan bickering and too many career politicians who only care about what's best for them and their contributors. That's why I'm running for Congress.

I'm not a politician; I'm a public servant and physician, dedicated to serving this community. I grew up in Coachella Valley, and after college and Harvard Medical School, I returned to become an Emergency Room Doctor at Eisenhower Medical Center.

In Congress, I'll focus on the economy and health care. Thousands of people have lost their jobs, homes, or retirement savings. Thousands more are worried about Medicare cuts, or can't afford prescription drugs or health coverage. Washington just hasn't done enough to address these problems. I'll fight to develop new local industries that diversify our economy. I'll vote against any attempt to cut Social Security or Medicare. And I'll stand up to banks that take bailout money and then foreclose on responsible homeowners.

I believe that running for office should be about public service, not personal gain. I've devoted my life to public service – right here in Coachella Valley – opening clinics for people without health coverage, and mentoring kids who want to become doctors. I'm proud that I was recognized with the U.S. Army's 82nd Airborne Commander's Award for Public Service, and named Humanitarian of the Year by The Rancho Mirage Chamber of Commerce.

As an emergency room doctor, I'm trained to solve problems during challenging times, and to put people first. That's exactly what I'll do in Congress.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

MARY BONO MACK, Republican

OCCUPATION: United States Representative

EDUCATION AND QUALIFICATIONS:

I am honored to represent our community and extremely proud of everything we have accomplished together. But there is much more to do.

Our country faces many challenges, especially creating more jobs and turning our economy around. As a former small business owner, I understand what it takes to make payroll and put people to work. I have always fought for commonsense economic policies, lower taxes, and eliminating unnecessary regulations. We must encourage the entrepreneurial spirit of hard-working Americans with a system that rewards ingenuity.

I have fought hard to prevent the government take-over of our health care system, supported our Veterans and seniors, protected consumers and assisted agriculture by passing Country of Origin Labeling, and making Made in America matter again.

As the daughter of a WWII Veteran, I will always support our troops who make sacrifices everyday to keep our nation safe from the threat of terrorism. Our American ideals of liberty, tolerance, and freedom must remain a symbol of hope for all.

I am humbled and honored by the recognition I have received from numerous organizations, including the U.S. Chamber of Commerce, which presented me with their "Spirit of Enterprise Award" and "The Guardian of Small Business Award" from the National Federation of Independent Business.

I would be equally honored to have your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

MARK A. OROZCO, Democratic
OCCUPATION: Teacher / School Boardmember
EDUCATION AND QUALIFICATIONS:

AGE: 35

As we witness California cities go bankrupt, we all agree, hard-working Californians should not have to pay for Sacramento's mistakes. Californians are tired of broken promises that shortchange our children, our seniors, our veterans, and our working families. Education, healthcare, and public safety cannot continue to take major cuts.

As a Educator, Advocate, and local School Board Trustee I have worked with local leadership, families, and community stakeholders, during a tough budget crisis. We have worked together to balance our budget and have kept the school district fiscally solvent.

As a community leader, I have worked with small businesses to improve our local economy during these challenging times. I will find solutions to shape our communities and to encourage a fiscally strong local government. I am an independent thinker not bound to special interest groups and will always put the needs and concerns of my constituents first.

My pledge and priorities:

- I will bring our fair share of tax dollars back to our district to invest into schools, businesses, roads, and the needs of our communities.
- I will be the independent voice we need in Sacramento that will help stimulate job creation, small business development by eliminating duplicated and unnecessary regulations.
- I will support investment in local law enforcement and public safety, so we can maintain security within our schools and neighborhoods.
- I will demand a higher level of accountability, transparency, and fiscal responsibility.

I would be honored to have your vote, please visit MarkOrozco.com for more information.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

BRIAN NESTANDE, Republican
OCCUPATION: Lawmaker / Business Owner
EDUCATION AND QUALIFICATIONS:

AGE: 48

We can solve the budget crisis by doing two things – Limit Spending and Grow the Economy.

This election year voters face a choice between old policies that have slowed our state recovery and new policies that will lay a path for a more prosperous California. Having started my own business, I know the difficulties job creators face in the state. If California is to be the Golden State once again, we must stop chasing businesses across state lines and overseas.

As a legislature, we should enact policies that encourage economic growth. Our tax and regulatory system should be clear, consistent and fair to all.

We can and must eliminate duplicating and unnecessary regulations thereby growing businesses and putting people back to work.

I support enacting real pension reform, which will eliminate billions of dollars in unfunded liabilities.

We should use independent audits to find and remove waste in government.

A prosperous economy is the best way to ensure support for public safety, education, and a healthy environment for the next generation of Californians.

I would greatly appreciate your vote, please visit BrianNestande.com for more information.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
DESERT SANDS UNIFIED SCHOOL DISTRICT**

GARY TOMAK **AGE: 58**
OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

Bachelor's Degree – Finance; MBA – Human Resource Management

Since first elected to the school board, I have worked to raise the academic bar, promote a rigorous curriculum, close the achievement gap, offer greater school choice, and provide a safe and effective learning environment.

Academic achievement has improved dramatically across the district. More students are taking college entrance exams and scoring higher. More students are studying calculus, biology, chemistry, and physics.

Desert Sands continues to be recognized by the US Department of Education as a model for school choice programs. During my tenure on the school board I have worked to: add a new charter school for middle school students; develop magnet schools which focus on communication, law, medicine and the performing arts; enhance independent study and online-learning programs; introduce a robotics program; and, expand the highly rigorous International Baccalaureate Program. I support vocational educational programs as an option for those pursuing careers in culinary arts, public service, and computer technology.

I will continue to work to modernize classrooms with state-of-the-art technology, enhance programs in music, art, and the performing arts, and improve facilities for athletic programs.

With your continued support, my priority will always be KIDS: Keep Improving Desert Sands.

MATT MONICA **AGE: 68**
OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

Educating our children successfully is a necessary and critical element in their becoming productive citizens. Children must be provided the tools needed to excel in reading, writing, mathematics, science and computer technology. This goal can be accomplished by hiring the most Qualified and Competent Teachers, Support Staff and Administrators. Input from Parents, Seniors, Retired Educators and Students must be included in the curriculum decision making process. This district-wide cooperative effort will result in higher test scores, higher graduation rates and the knowledge to pursue college or professional careers.

The district must be responsible and accountable for all expenditures. After all, the district operates as a direct result of taxes paid by district residents.

My wife MaryAnn is past President of the California School Employees Association. Our sons Matteo and Joseph graduated from Indio High School and have professional careers. I'm a Marine Corps Veteran with BA and MA Degrees and Life Credentials in Teaching and Counseling. I served as a Counselor, Administrator and Instructor for 34 years. I have been on the Desert Sands Board of Education for 26 years.

I will bring your voice into the decision making process.
Let's make a difference together for our Children.

DJ RISK
OCCUPATION: Retired Business Owner
EDUCATION AND QUALIFICATIONS:

I have a great love for this valley and my family shares its history since the 1950s. I graduated from Palm Springs High where I was Senior Class President and played football and wrestled before attending college on an athletic and academic scholarship. I continue to connect to the school system with four children attending the elementary, middle, and high schools of DSUSD. My passion for learning in the classroom is confirmed by each of my children's teachers where I have spent thousands of hours serving in classes teaching reading and science. I volunteer with a youth group and care about these students; I attend their music, theater, science, and sporting events throughout the district.

I'm running for school board having been recruited and encouraged by several teachers and principals because of my passion for our students. My years of business and community service have qualified me to understand budgets and to work with the interests of multiple factions.

Our school district faces enormous strains due to declining budgets. We must be fiscally wise and yet find ways to meet the future through a focus on and love for science and technology developed in our children. DJ Risk for DSUSD!

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,

WENDY S. JONATHAN **AGE: 55**
OCCUPATION: Businesswoman, Retired Educator
EDUCATION AND QUALIFICATIONS:

Through our schools, we build our future. We continue to be challenged by an ongoing economic crisis. So we need leadership with a vision for success that also knows how to maximize limited resources.

As your school board member:

- I will promote policies that remove obstacles to student achievement and that focus on student success.
- I will give schools the tools they need to be effective, including classrooms with modern technology.
- I will ensure a safe and healthy school environment for our children, including zero tolerance for unacceptable behavior and prevention programs that keep kids on the right track.

I am a businesswoman and a community volunteer. I have been an educator for 24 years and I am passionate about education. My husband and I have lived in the Coachella Valley for 33 years. We raised two children here, both of whom received their education through DSUSD. I have earned and received the endorsement of the teachers, city council members, and community leaders from every city in our district.

With quality education our students win, our schools win, and our community wins. On Election Day, vote Wendy Jonathan for Desert Sands School Board.

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF LA QUINTA**

DON ADOLPH

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

It has been my honor and privilege to serve the City of La Quinta as a planning commissioner, city council member, and as your Mayor these past years. As a twenty year resident I have seen our city grow and develop substantially during this time into one of the premier cities of Riverside County.

Although very progressive and fiscally sound we cannot be complacent. With a sagging economy we need to continue to have strong city leadership to keep us healthy. Protection of our assets, safety of our citizens, and fulfilling the needs of all our citizens is mandatory.

I ask for your continued support. Look at where we have been, where we are, and our plans for the future. The eastern end of the valley is where the new growth is. We are a major part of the growth, and as growth is inevitable we need to have good proven leadership to direct La Quinta's vision for the future. Now is not the time to change.

All that we have accomplished wouldn't have been possible without a great city staff and community volunteers. My thanks to them and to my wife, Diane, for their support.

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF LA QUINTA**

ROBERT F. SYLK

OCCUPATION: Executive

EDUCATION AND QUALIFICATIONS:

As a businessman and resident of La Quinta, I understand the need to be frugal with YOUR money. I believe government should operate like the private sector. When there is no more money, spending must stop!

I am familiar with city government, as a former Board Member of the La Quinta Chamber of Commerce and Vice Chairman of the La Quinta Community Services Commission.

During these tough times, you have my commitment, as your Mayor, to be fiscally prudent with the taxpayers' money and I will not vote to raise taxes or fees!

As your Mayor, my door will be open to residents, landowners, developers and business owners. I will represent you to the La Quinta staff to insure the city is run properly.

I will support the following major goals of La Quinta:

- * Public safety (Sheriff and Fire Protection)
- * Honesty and Accountability in Government
- * Bringing a 5 star hotel to Silver Rock, making Silver Rock a tax generating facility.

I am proud that my wife and I raised our two sons in La Quinta. It is important to me that La Quinta be a safe community with strong family values.

No more Polyester, SYLK for Mayor

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF LA QUINTA**

TERRY B. HENDERSON

OCCUPATION: Business Woman / Mayor Pro Tem

EDUCATION AND QUALIFICATIONS:

I am running for Mayor because the skills needed have dramatically changed by the demands imposed by the State. In order to protect our unique lifestyle, the Mayor must not only understand the City, but also the outside pressures of state government.

I have been a member of the City Council for 17 years, 9 years on the board of the League of California Cities, representing La Quinta statewide. I have a keen understanding of how the State deeply impacts City Hall.

Today, local government must be significantly more involved in actions taken by the state government. Rather than living within its means, the State eliminated redevelopment, taking away millions of dollars and many important tools that we used to build our fiscal strength. La Quinta is not immune to today's economic challenges and must continue with a conservative approach to budgeting. To this end I have voluntarily taken a 15% reduction in my monthly stipend.

California will continue to attack our independence and the Mayor must be up the challenge. I have the knowledge and leadership skills to educate our community, fight Sacramento and protect La Quinta.

I ask for your vote for mayor

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF LA QUINTA**

LEE M. OSBORNE

AGE: 52

OCCUPATION: CPA

EDUCATION AND QUALIFICATIONS:

Lee Osborne is a Certified Public Accountant, 14-year business owner and community leader. A resident of La Quinta for 20 years. Lee and his wife of 27 years have raised their five children in our community. Lee previously served on City Council from 2002 to 2008 and was appointed again in 2012 because of his experience and solid understanding of the city's complex finances.

Lee brings to City Council the expertise to tackle the challenges to:

- Balance our City Budget
- Promote our local economy
- Protect police and fire services
- Support our parks and schools

Lee's community leadership experience includes:

- La Quinta Investment Advisory Board
- Boys & Girls Club of the Coachella Valley
- Past-President, La Quinta Rotary
- Vice-Chair, Housing Authority
- CVAG Homeless Committee

Lee is endorsed by:

- Supervisor John Benoit
- Mayor Don Adolph
- Mayor Pro-Tem Terry Henderson
- Councilmember Linda Evans
- Councilmember Kristy Franklin • Sheriff Stanley Sniff

La Quinta is on the right track and has made tremendous progress in a time during which many California cities are in trouble.

Lee is accountable, dedicated and experienced. It is essential that we continue the progress in our City by keeping Lee Osborne on City Council.

KRISTY FRANKLIN

AGE: 68

OCCUPATION: City Council Member

EDUCATION AND QUALIFICATIONS:

For the past four years I have been working hard for you as your City Councilwoman. I pledged to help make SilverRock profitable and to open the doors for future development there, both were accomplished. I promised to keep a close watch on La Quinta's expansion to the east so that when we do grow we are able to provide necessary public safety services. I also promised to listen to the business community and to YOU.....again both were accomplished.

Our City has been bombarded recently with drastic changes in leadership. Compounding this was the dissolution of the RDA, which has thrown us into a fiscal crisis. Maintaining experienced leadership at this juncture is critical.

I need your support, your voice and your vote, not just for the November 6th election, but also for the next four years. Please join me in keeping your community safe and prosperous and remember that there is a U in La Quinta!

ROBERT RADI

AGE: 41

OCCUPATION: Executive / Educator / Entrepreneur

EDUCATION AND QUALIFICATIONS:

My name is Robert Radi. I have been actively involved in several community projects and I want to continue my contribution by serving you as a Councilmember.

I was educated in Europe and in the United States. I hold a Master in Business Administration from Pepperdine University, and I am a Ph.D. candidate in Organizational Leadership at the Chicago School. Currently I am serving as the Ambassador of the Presidents and Key Executives MBA program at Pepperdine University, where I prepare senior executives to further their graduate education.

I funded my first business at age 22. Serving as its CEO, I turned it into a respected professional consultancy, working with national and global brands for the past 19 years. For eight years, I also served as an Adjunct Professor at Otis College.

Given my professional background in business strategy, global markets, financial management and marketing, I know I can help our City. Our long term future remains bright if we take tangible actions; however, as we enter into new territories it is quite obvious that what got us here will not get us there.

I would appreciate your vote for me, Robert Radi, to serve on La Quinta City Council.

EDUCATION AND QUALIFICATIONS:

VOTE FOR ED PACK!

YOUR WATER: With 429,936 people using Coachella Valley Water

YOUR MONEY: with a budget of \$264 MILLION

YOUR VOTE: YOUR VOTE IS CRUCIAL to the ongoing FUTURE of quality water at reasonable rates.

With 8 YEARS of experience on the Hesperia City Council (which controlled it's own water department), I have a solid ADMINISTRATIVE EXPERIENCE leading a water district.

As a retired FIREFIGHTER I have a PRACTICAL APPRECIATION for the IMPORTANCE of water.

LIVING IN A DESERT, NOTHING IS MORE IMPORTANT THAN WATER, THE QUALITY, AVAILABILITY, AND PRICE OF THAT WATER IS WHAT I WILL FIGHT FOR. Our current system is aging and maintenance alone is not enough, we must plan for the modernization of our water delivery and storage systems in order to meet our growing demands in a fiscally and ecologically responsible manner. I can only do this with your support, in a district that stretches from Palm Springs to Coachella.

On Election Day remember; It's YOUR WATER, YOUR MONEY, and YOUR VOTE that will determine the future of our valley. THANK YOU FOR YOUR VOTE!
