REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Voter:

November 6, 2012 is Election Day. Your ballot contains contests for Federal, State, and local offices as well as statewide propositions and local measures. This Sample Ballot and Information Pamphlet provides ballot marking instructions, polling place hours, candidate and measure information, and other election details that are important for you to review before you vote. You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

Did you know that Vote-by-Mail ballots received in the Registrar of Voters office before Election Day are the first ballots counted on Election Night? You will find an application to receive a Vote-by-Mail Ballot on the back cover of this pamphlet.

Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

The Registrar of Voters team is here to serve you. Please contact us anytime, so we can help make your voting experience a positive one. Thank you for participating in this election -- your vote counts!

Sincerely,

Kari Verjil

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

MEASURES SUBMITTED TO THE VOTERS / MEDIDAS SOMETIDAS A LOS VOTANTES	
STATE / ESTADO	
31 STATE BUDGET. STATE AND LOCAL GOVERNMENT. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Establishes two-year state budget. Sets rules for offsetting new expenditures, and Governor budget cuts in fiscal emergencies. Local governments can alter application of laws governing state-funded programs. Fiscal Impact: Decreased state sales tax revenues of \$200 million annually, with corresponding increases of funding to local governments. Other, potentially more significant changes in state and local budgets, depending on future decisions by public officials. PRESUPUESTO ESTATAL. GOBIERNOS ESTATAL Y LOCALES. ENMIENDA CONSTITUCIONAL Y LEY POR INICIATIVA. Establece un presupuesto del estado cada dos años. Establece reglas para compensar nuevos gastos y recortes del presupuesto por parte del Gobernador ante emergencias fiscales. Los gobiernos locales pueden modificar la aplicación de las leyes que gobiernan los programas financiados por el estado. Impacto fiscal: Reducción en las recaudaciones tributarias estatales de \$200 millones anuales, con los correspondientes aumentos de financiamiento a los gobiernos locales. Otros cambios potencialmente más significativos en los presupuestos estatal y locales, dependiendo de las decisiones futuras de los funcionarios públicos.	Yes / Sí No / No
32 POLITICAL CONTRIBUTIONS BY PAYROLL DEDUCTION. CONTRIBUTIONS TO CANDIDATES. INITIATIVE STATUTE. Prohibits unions from using payroll-deducted funds for political purposes. Applies same use prohibition to payroll deductions, if any, by corporations or government contractors. Prohibits union and corporate contributions to candidates and their committees. Prohibits government contractor contributions to elected officers or their committees. Fiscal Impact: Increased costs to state and local government, potentially exceeding \$1 million annually, to implement and enforce the measure's requirements. CONTRIBUCIONES POLÍTICAS POR DEDUCCIONES DE NÓMINA. CONTRIBUCIONES A CANDIDATOS. LEY POR INICIATIVA. Prohibe el uso de fondos deducidos de la nómina para fines políticos por parte de los sindicatos. Aplica la misma prohibición de uso a las deducciones de nómina, si las hay, a las corporaciones o los contratistas del gobierno. Prohibe las contribuciones sindicales y corporativas a candidatos y sus comités. Prohibe las contribuciones de los contratistas del gobierno a funcionarios electos o a sus comités. Impacto fiscal: Aumento de costos para los gobiernos estatal y locales, potencialmente en exceso de \$1 millón anuales, para implementar y hacer cumplir los requisitos de la medida.	Yes / Sí No / No
33 AUTO INSURANCE COMPANIES. PRICES BASED ON DRIVER'S HISTORY OF INSURANCE COVERAGE. INITIATIVE STATUTE. Changes current law to allow insurance companies to set prices based on whether the driver previously carried auto insurance with any insurance company. Allows proportional discount for drivers with some prior coverage. Allows increased cost for drivers without history of continuous coverage. Fiscal Impact: Probably no significant fiscal effect on state insurance premium tax revenues. COMPAÑÍAS DE SEGURO DE AUTOMÓVILES. PRECIOS BASADOS EN EL HISTORIAL DE COBERTURA DE SEGURO DEL CONDUCTOR. LEY POR INICIATIVA. Cambia la ley actual para permitir que las compañías de seguro fijen sus precios de acuerdo a si el conductor tuvo antes un seguro de automóvil con cualquier compañía de seguros. Permite un descuento proporcional para conductores con alguna cobertura previa. Permite aumentar el costo para conductores sin historial de cobertura continua. Impacto fiscal: Probablemente sin efecto fiscal significativo sobre las recaudaciones tributarias estatales sobre las primas de seguro.	Yes / Sí No / No

34

DEATH PENALTY. INITIATIVE STATUTE. Repeals death penalty and replaces it with life imprisonment without possibility of parole. Applies retroactively to existing death sentences. Directs \$100 million to law enforcement agencies for investigations of homicide and rape cases. Fiscal Impact: Ongoing state and county criminal justice savings of about \$130 million annually within a few years, which could vary by tens of millions of dollars. One-time state costs of \$100 million for local law enforcement grants.

PENA DE MUERTE. LEY POR INICIATIVA. Deroga la pena de muerte y la reemplaza por cadena perpetua sin posibilidad de libertad condicional. Se aplica retroactivamente a las sentencias de muerte existentes. Asigna \$100 millones a las agencias de las fuerzas del orden para investigaciones de casos de homicidio y violación. Impacto fiscal: Ahorros continuos para la justicia penal del estado y los condados de alrededor de \$130 millones anuales en unos cuantos años, que podría variar en decenas de millones de dólares. Costos únicos para el estado de \$100 millones para subsidios a las fuerzas del orden locales.

No / No

35

HUMAN TRAFFICKING. PENALTIES. INITIATIVE STATUTE. Increases prison sentences and fines for human trafficking convictions. Requires convicted human traffickers to register as sex offenders. Requires registered sex offenders to disclose Internet activities and identities. Fiscal Impact: Costs of a few million dollars annually to state and local governments for addressing human trafficking offenses. Potential increased annual fine revenue of a similar amount, dedicated primarily for human trafficking victims.

TRATA DE PERSONAS. PENAS. LEY POR INICIATIVA. Aumenta las sentencias de prisión y las multas por condenas de trata de personas. Requiere que las personas condenadas por trata de personas se inscriban como infractores sexuales. Requiere que los infractores sexuales registrados divulguen sus actividades e identidades de Internet. Impacto fiscal: Costo de unos cuantos millones de dólares anuales para los gobiernos estatal y locales para procesar las infracciones por trata de personas. Aumento potencial de recaudaciones anuales de monto similar debido a las multas, que se dedicaran principalmente a las víctimas de trata de personas.

36 THREE STRIKES LAW. REPEAT FELONY OFFENDERS. PENALTIES. INITIATIVE STATUTE. Revises law to impose life sentence only when new felony conviction is serious or violent. May authorize re-sentencing if third strike conviction was not serious or violent. Fiscal Impact: Ongoing state correctional savings of around \$70 million annually, with even greater savings (up to \$90 million) over the next couple of decades. These savings could vary significantly depending on future state actions. LEY DE TRES GOLPES. INFRACTORES REINCIDENTES DE DELITOS MAYORES. PENAS. LEY POR INICIATIVA. Modifica la ley para imponer sentencias de cadena perpetua solo cuando la nueva condena es por un delito mayor grave o violento. Puede autorizar una nueva sentencia si la tercera condena no fue por un delito mayor grave o violento. Impacto fiscal: Ahorros continuos para correccionales estatales de unos \$70 millones anuales, con ahorros aun mayores (de hasta \$90 millones) en el próximo par de décadas. Estos ahorros pueden variar significativamente dependiendo de las acciones futuras del estado.	Yes / Si No / No
37 GENETICALLY ENGINEERED FOODS. LABELING. INITIATIVE STATUTE. Requires labeling of food sold to consumers made from plants or animals with genetic material changed in specified ways. Prohibits marketing such food, or other processed food, as "natural." Provides exemptions. Fiscal Impact: Increased annual state costs from a few hundred thousand dollars to over \$1 million to regulate the labeling of genetically engineered foods. Additional, but likely not significant, governmental costs to address violations under the measure. ALIMENTOS MODIFICADOS GENÉTICAMENTE. ETIQUETADO. LEY POR INICIATIVA. Requiere el etiquetado de alimentos vendidos a los consumidores fabricados con plantas o animales cuyo material genético fue modificado de maneras especificadas. Prohíbe la comercialización de dichos alimentos o de otros alimentos procesados como "naturales". Autoriza exenciones. Impacto fiscal: Aumento en los costos anuales para el estado desde unos cuantos cientos de miles de dólares a más de \$1 millón para regular el etiquetado de los alimentos modificados genéticamente. Costos adicionales para el gobierno, pero probablemente no significativos, para tratar las violaciones a la medida.	Yes / Si No / No
38 TAX TO FUND EDUCATION AND EARLY CHILDHOOD PROGRAMS. INITIATIVE STATUTE. Increases taxes on earnings using sliding scale, for twelve years. Revenues go to K-12 schools and early childhood programs, and for four years to repaying state debt. Fiscal Impact: Increased state tax revenues for 12 years—roughly \$10 billion annually in initial years, tending to grow over time. Funds used for schools, child care, and preschool, as well as providing savings on state debt payments. IMPUESTO PARA FINANCIAR LOS PROGRAMAS DE EDUCACIÓN Y DE NIÑEZ TEMPRANA. LEY POR INICIATIVA. Aumenta los impuestos sobre los ingresos usando una escala gradual por doce años. Las recaudaciones se destinan a escuelas de K-12 y a programas de niñez temprana, y por cuatro años a saldar la deuda estatal. Impacto fiscal: Aumento de las recaudaciones tributarias estatales durante 12 años – aproximadamente \$10,000 millones anuales en los años iniciales, con tendencia creciente con el tiempo. Los fondos se usan para escuelas, guarderías y preescolares, y también para ahorrar en los pagos de la deuda estatal.	Yes / Si No / No

39 **TAX TREATMENT FOR MULTISTATE BUSINESSES. CLEAN ENERGY AND ENERGY EFFICIENCY FUNDING. INITIATIVE STATUTE.** Requires multistate businesses to pay income taxes based on percentage of their sales in California. Dedicates revenues for five years to clean/efficient energy projects. Fiscal Impact: Increased state revenues of \$1 billion annually, with half of the revenues over the next five years spent on energy efficiency projects. Of the remaining revenues, a significant portion likely would be spent on schools.

TRATAMIENTO TRIBUTARIO PARA EMPRESAS MULTISTATALES. FINANCIAMIENTO PARA ENERGÍA LIMPIA Y EFICIENCIA ENERGÉTICA. LEY POR INICIATIVA. Requiere que las empresas multiestatales paguen impuestos sobre los ingresos basado en el porcentaje de sus ventas realizadas en California. Dedica ingresos durante cinco años a proyectos de energía limpia/eficiente. Impacto fiscal: Aumenta las recaudaciones estatales en \$1000 millones anualmente. La mitad de dichas recaudaciones se gastarán en los próximos cinco años en proyectos de eficiencia energética. Es probable que una porción significativa del resto de las recaudaciones se gaste en escuelas.

Yes / Sí
No / No

40 **REDISTRICTING. STATE SENATE DISTRICTS. REFERENDUM.** A "Yes" vote approves, and a "No" vote rejects, new State Senate districts drawn by the Citizens Redistricting Commission. If rejected, districts will be adjusted by officials supervised by the California Supreme Court. Fiscal Impact: Approving the referendum would have no fiscal impact on the state and local governments. Rejecting the referendum would result in a one-time cost of about \$1 million to the state and counties.

REDISTRIBUCIÓN DE DISTRITOS. DISTRITOS DEL SENADO ESTATAL. REFERENDO. Un voto "Sí" aprueba y un voto "No" rechaza los nuevos distritos del Senado estatal establecidos por la Comisión Ciudadana de Redistribución de Distritos. Si se rechaza, los distritos serán establecidos por funcionarios supervisados por la Corte Suprema de California. Impacto fiscal: Aprobar el referendo no tendría ningún impacto fiscal sobre los gobiernos estatal y locales. Rechazar el referendo resultaría en un costo único para el estado y los condados de alrededor de \$1 millón.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic AGE: 51
OCCUPATION: Public School Teacher / Community College Trustee
EDUCATION AND QUALIFICATIONS:

Dear Friend,

It's clear to anyone paying attention that Congress is broken.

Big oil companies, powerful insurance companies and special interest lobbyists have rigged the system, and our middle class is suffering for it. Congress has failed to renew tax cuts for middle class families or pass a single bill to help put struggling Americans back to work.

This is unacceptable.

As a lifelong resident of Riverside County, I'm tired of the partisan gridlock that delivers nothing to our community but empty promises.

We need jobs, jobs and more jobs. We need to reduce taxes for middle class families and provide tax credits to local small businesses for innovation and job creation. We also must stop handing out tax breaks to big corporations that ship jobs overseas.

I have dedicated my life to public service as a high school teacher and Riverside Community College Trustee. If you send me to Washington, I will fight for Riverside County families, our children, our veterans and especially our senior citizens by protecting Social Security and Medicare.

That's why I'm proud to be the only candidate endorsed by the National Committee to Protect Social Security and Medicare. I'm also proud to be endorsed by classroom teachers, nurses and many local leaders.

As your Congressman, I will work across party lines to fight for the middle class, protect Social Security and Medicare and bring good paying jobs to the Inland Empire. I respectfully ask for your vote.

Sincerely,

Mark Takano

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

JOHN F. TAVAGLIONE, Republican AGE: 64
OCCUPATION: Business Owner / County Supervisor
EDUCATION AND QUALIFICATIONS:

As County Supervisor, I'm working to create new, good-paying jobs in education, health care and construction at UC Riverside by building a new medical school.

In Congress, I'll continue my efforts to revive a stagnant economy.

I'll work across party lines to provide tax incentives for employers who hire new workers, INVEST IN EDUCATION, and simplify the tax code so small businesses can focus on CREATING JOBS.

I'll fight to reduce the \$15.5 trillion national debt and stop irresponsible spending that has done little to improve the economy.

As county supervisor, I saved millions of dollars by requiring county offices to buy used furniture, reduce travel costs and make prisoners pay for the cost of keeping themselves in jail.

In Congress, I'll continue my FIGHT AGAINST GOVERNMENT WASTE.

I'll take action to prevent future bailouts and hold Wall Street accountable for its mistakes.

As a private citizen, I've helped hundreds of young people get through college by raising millions of dollars for scholarships.

In Congress, I'll fight to keep college tuition rates down and ensure public schools have the funding they need to provide a quality education.

America must also keep its promise to retirees and veterans by PROTECTING MEDICARE and strengthening Social Security programs.

America's best days should be ahead of us.

But, we need to stop the partisan bickering and pull together to make America work better.

Mayor Ron Loveridge, Riverside Firefighters Association and National Latino Police Officers Association support my campaign. I hope you do too.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

JOSE MEDINA, Democratic **AGE: 59**
OCCUPATION: Riverside Educator / Boardmember
EDUCATION AND QUALIFICATIONS:

For over thirty years, I have worked to educate our children and build a stronger, safer community for Riverside families.

I have proudly served our community as a local teacher for three decades and as an elected Riverside Community College Boardmember for 13 years. I have educated our youth, prepared students for college and careers, improved academic standards, created after-school and job-training programs, balanced multi-million dollar budgets, and protected our tax dollars from raids by the state.

State budget cuts and bad decisions by Sacramento bureaucrats are devastating our schools, hurting our economy, and making neighborhoods less safe. I know that strong neighborhood schools, local colleges, and vocational education opportunities strengthen our economy and our community, and that we need local solutions for local problems.

As a father, a teacher, and a school boardmember, I have seen first-hand how fiscal mismanagement from Sacramento, and partisan politics have hurt Riverside County. At a time when schools are being cut to the bone, public safety services are slashed, and local businesses are forced to close shop or leave the state, I will bring a proven record of bringing people together to solve tough problems, balance budgets, and deliver services for Riverside County.

Please join local small business owners, teachers, public safety officers, and community leaders from all walks of life - Democrats, Republicans and Independents – who are coming together to support my campaign for State Assembly. I humbly ask for your support.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
NUVIEW UNION SCHOOL DISTRICT**

BRENDA ARMSTRONG

OCCUPATION: District Instructional Coach

EDUCATION AND QUALIFICATIONS:

During the past 30 years I have been married, raised a family, and taught children in the great town of Nuevo. Nuview School District is where my family has grown and was educated. This is why I want to contribute all my efforts here. I have witnessed Nuevo grow and enhance the opportunities Nuview Union offers our children and community. I want to further contribute and continue the focus on student achievement. I am dedicated to the students and families that share this commitment because they are my friends, family, colleagues, and former students. In order to be successful students, parents, teachers, administrators, and the Board must work together. I will make this commitment and I would thoroughly enjoy being a part of this team.

My educational experiences have been extensive. I currently work as a District Instructional Coach supporting several schools. I have worked as an Administrative Designee, Reading Specialist, Interventionist, Special Education Coordinator and Professional Development Presenter. These experiences have allowed me access to the most current research-based educational trends and methodologies to further make Nuevo a great place to live and learn. Make the right choice and vote for Armstrong, an advocate for children.

CHRISTINE UPTON

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

I am Christine Upton, a Nuevo resident of more than 40 years. I taught grades kindergarten through fifth for 28 years in Nuview's schools. My husband, children, and grandchildren attend(ed) Nuview schools. My experience in Nuview's educational system as classroom teacher, mentor teacher, site council member, parent, and volunteer allows me to view the issues facing our district through multiple lenses, while focusing on our students.

During the past four years I have worked diligently to improve financial transparency and accuracy, cut administrative costs, and improve the relationship between the district leadership and its employees. I have made it a priority to improve community access to the board. I make myself available to community members to discuss, clarify, and assist them with educational concerns.

The state's financial crisis has decimated our district's budget. I have had to make many tough decisions to insure financial stability but only after seeking and evaluating information from multiple sources. I have made every effort to keep cuts away from the classroom, including, maintaining a 180 day school year.

Our students have made great academic gains during my first term. Please allow me to continue to use my experience to benefit Nuview's children.

SAMIR TEHSELDAR

AGE: 51

OCCUPATION: Teacher

EDUCATION AND QUALIFICATIONS:

For over 12 years Samir Tehseldar has been an active member of the Nuevo community. He became involved with the children of our local area as an AYSO soccer coach, 4-H leader, and participates with the Nuview Lions Club. His love for helping children achieve in all capacities is evidenced by his continued devotion to the area's youth as a coach, mentor, and teacher.

After receiving his Bachelor's degree and teaching credential from Cal State San Bernardino, Samir was hired in 2011 by the Val Verde School District as a middle school mathematics teacher. As a team leader he helps regenerate the district's curriculum which leads to increased student success.

Samir continued his education to earn a Master's degree in Mathematics Curriculum and Instruction from Walden University in 2009 and obtained a second Master's Degree in Education and Administration from Concordia University in 2012. These advanced degrees enable Samir to have a deep understanding of educational law and how to promote student achievement through the school system.

Samir and his wife Lisa, a Nuview Union teacher, have been married 24 years and have raised and educated their three daughters Meagan, Stephanie, and Rebecca in the Nuview school system.

JEFF BELL

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

My wife and I enjoy living in the Nuevo area. We chose to settle down here with our four children because this community embraces traditional family values. I firmly believe that the most important lessons are learned within the walls of a child's own home. I am committed to work with the parents to support, encourage & equip our children for their future. Education should support family life and when families work together there is no limit to what can be achieved. The foundation of all my decisions will be based on what is best for the children of our community.

As a father and husband, I am devoted to seeing that all Nuevo kids receive the best education possible through our schools & undergirded by strong family values. A firm scholastic foundation is one of the springboards to outstanding citizenship in our country. I bring experience as a Businessman, Pastor, parent, and active community member. I've owned and operated successful businesses for many years, and will use this training and experience to ensure our schools are fiscally responsible! In our ever demanding world, our children deserve the best!

TOM OWINGS AGE: 61
OCCUPATION: Business Owner / MV Planning Commissioner
EDUCATION AND QUALIFICATIONS:

WE RISK BECOMING ANOTHER SAN BERNARDINO - Over the past four years, Moreno Valley has spent \$43,000,000 from its dwindling reserves without adequately cutting spending. I'll bring the skills of managing a large local business in a tough economy to the Council.

MORENO VALLEY DESPERATELY NEEDS JOBS - Unemployment continues above 14%. Red tape and high taxes are driving jobs out of Moreno Valley. To create and retain jobs (which strengthen our tax base and increase revenue) Moreno Valley must:

- Offer Small Business Incentives
- Reduce Regulatory Burdens On Business
- Improve City Infrastructure

EQUALLY IMPORTANT AS JOBS IS PUBLIC SAFETY - We need more police on the street to turn unsafe neighborhoods around. We must support our schools and add family recreational activities.

CITY HALL REFORMS - I've stood up for you against overzealous developers at the Planning Commission, and I'll do the same on the City Council. I will restore public confidence in City government with:

- Term Limits
- Campaign Contributions Limits
- Citywide Elected Mayor

VOTE FOR TOM OWINGS - After visiting 7,000 District home, I'm convinced I have the right vision, experience and principled leadership to get things back on track and people back to work.

ROBIN N. HASTINGS AGE: 59
OCCUPATION: Chief of Staff, Riv. Co., Dist. 5
EDUCATION AND QUALIFICATIONS:

Four years ago, I ran for City Council promising to work hard to get things done to make Moreno Valley a better place.

And I'm proud of what has been accomplished.

Crime is at the lowest level since statistics were recorded in 1991 –a 53% reduction.

Tens of millions of dollars have been invested to improve traffic, especially along Nason, around area schools.

More than 5,000 jobs have been created.

And despite these tough economic times our budget has been balanced, without raising taxes.

I've always believed in leading by example – so I voluntarily cut the salary I receive as a Councilmember and turned down benefits including a \$600 monthly car allowance provided to each Councilmember.

Now I'm running for re-election to continue the work we've been doing, keeping crime rates low, improving traffic conditions and generating more jobs for Moreno Valley residents.

I've lived in Moreno Valley for 24 years, working during the day, going to school at night and raising my family here.

I'm proud to be supported by Sheriff Stan Sniff and Supervisor Marion Ashley.

I've worked hard these past four years to get things done. With your support we'll continue to build a stronger Moreno Valley.

Thank you.

MEASURE "T" - PERRIS UNION HIGH SCHOOL DISTRICT

EXHIBIT "B"

BOND PROPOSITION OF THE
PERRIS UNION HIGH SCHOOL DISTRICT
(November 6, 2012):

"In order to acquire, construct and reconstruct school facilities, and provide for supporting infrastructure at the existing school site of the Perris Union High School District, and in so doing increase health, safety, welfare and educational effectiveness of classrooms for students, shall the Perris Union High School District be authorized to issue Bonds in an amount not to exceed \$153,420,000, including the furnishing and equipping of school facilities or the acquisition or lease of real property for schools and school facilities listed in Attachment "1" on file at the District office and herein incorporated, which Bonds shall be issued for a term not to exceed the applicable statutory maximum, which is currently twenty-five (25) years in the case of bonds issued under the authority of the Education Code and forty (40) years in the case of bonds issued under the authority of the Government Code, at an interest rate below the legal maximum, and which Bonds shall be subject to the following provisions:

- (A) That proceeds of the Bonds shall be used only for the construction of school facilities and supporting infrastructure, including the furnishing and equipping of school facilities or the acquisition or lease of real property for school facilities pursuant to California Constitution Article XIII A, Section 1(b)(3) and further that the proceeds of the Bonds shall be used only for the purposes specified in California Constitution Article XIII A, Section 1(b)(3) (as amended by Proposition 39) and not for any other purpose, including teacher and non-construction related administrator salaries and any other school operating expenses.
- (B) That a list of the specific school facilities projects to be funded with the proceeds of the Bonds is attached hereto as Attachment "1" and, based upon the adoption of this Resolution, this Board of Trustees hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the school facilities listed in Attachment "1".
- (C) That the Board of Trustees of the District shall conduct an annual, independent performance audit to insure that the proceeds from the sale of the Bonds have been expended only on the specific projects listed in this bond proposition.
- (D) That the Board of Trustees of the District shall conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of those proceeds have been expended for the school facilities projects identified herein.
- (E) That the Board of Trustees of the District will, pursuant to the provisions of applicable State law, appoint a citizens' oversight committee, and conduct annual independent audits (as referenced above) to assure that the Bond proceeds are spent only on the school, facilities and classroom improvements, projects and costs identified in Attachment "1" and for no other purposes.

Taxpayer Protections: The following taxpayer protections are specifically provided in this Bond Measure and by law:

- Bond funds shall be used only for the school facilities projects identified herein, and **not for any other purpose.**
- As required by law, an **Independent Citizen's Oversight Committee** shall oversee expenditures of bond funds, and related matters, and shall report to the Board of Trustees and communicate with the public on such expenditures.
- As required by law, the School District shall conduct **annual financial audits and performance audits** (using independent auditors) for all bond funds.
- Bond Funds **shall not be used** for teacher or non-construction related administrator salaries or other non-construction related operating expenses."

MEASURE "T" - PERRIS UNION HIGH SCHOOL DISTRICT

ATTACHMENT "1"

SCHOOL FACILITIES PROJECTS

Perris Union High School District 2012 Bond Project List

The Board of Trustees of the Perris Union High School District has evaluated the urgent and critical facility needs of each of the District's schools, and identified several projects for prioritization so that they do not become more pressing. These projects reflect the District's goals and plans to provide safe, clean, efficient, secure and modern school facilities, ensure that our students have the best learning environments possible, and meet high-priority goals to ensure student safety and 21st Century readiness:

- Provide quality vocational/technical education so students have the skills they need to obtain employment within an increasingly competitive economy,
- Support student safety,
- Ensure each student has the technological tools and resources they need to learn and be prepared for college and the workplace,
- Prevent classroom overcrowding,
- Increase accessibility for all students with disabilities,
- Attract and retain excellent teachers, and
- Maximize State and other outside matching funding opportunities.

• Promote Continued Increases in Student Achievement •

Academic achievement by students in schools throughout our District is rapidly on the rise! Recently released test scores from the California Department of Education show outstanding improvements as a result of the collective efforts by our students, staff members and our parents/community members. The College Board has named our District to the AP Achievement List for significant gains in advance placement and student performance.

• 21st Century Career Skills •

All of our facilities planning efforts are directed at supporting and improving our instructional programs and ensuring our students obtain a strong education in math, science and technology, so they can compete for a good job in a 21st Century economy. In addition, we know students who do not go to college need a vocational education that provides the job training, technical knowledge and specialized skills they need to succeed.

• Attracting and Retaining Excellent Teachers •

A top priority of the District is to attract and retain qualified teachers. Safe, clean, 21st-Century schools, with updated technology and adequate space to prevent student and classroom overcrowding will help attract and retain teachers in our local high schools.

• Equitable Spending •

It is the intention of the Board to ensure that bond proceeds are utilized equitably throughout the District commensurate with the current relative division of assessed valuations in various regions of the District. Implementation of this approach will help to facilitate responsible preparation for eventual District unification. In order to promote the consistent utilization of this expenditure approach, it is suggested that the Citizen's Oversight Committee monitor future expenditures with oversight toward practices that help to promote the most orderly transition as future District unifications are likely to occur.

• School Overcrowding •

Overcrowded schools experience higher rates of bullying, student fights, vandalism and youth violence. Crowding makes supervision more challenging and reduces opportunities for after school activities that help keep kids on the right track. Our community has experienced severe overcrowding twice before: Perris High School, originally built for 1,200 students, was serving 2,500 before Paloma Valley High School opened in 1995, and Paloma Valley High School, built for 2,200 students, was serving 3,400 before Heritage High School opened in 2007. Educators and parents at each site saw immediate improvement in student performance and safety when the crowding was eased in both cases.

Currently our local schools are currently at or over the functional capacity for which they were built.

- Pinacate Middle School: built for 700 students currently holds 1,200 students, expected to grow to more than 1,600 within 10 years
- Our local high schools were built for 2,000 to 2,700 students, but some face enrollment as high as 5,000 if nothing is done.
- A new high school is needed in Menifee to avoid extreme overcrowding when current Menifee elementary students reach high school. (A new high school in Menifee also will support eventual unification.)
- If our high schools become overcrowded again, we could lose much of the hard-won academic progress and improved test scores our schools have gained in the last few years

• Bond Measure Projects •

To meet the District's priorities of providing safe, clean, efficient, secure and modern school facilities for students, staff and other users of District facilities, to attract and retain quality teachers, and to improve the teaching and learning environments at District schools, the following improvement projects are proposed to be financed at the following sites, as needed:

- Perris High School
- Paloma Valley High School
- Heritage High School
- New High School #4, Southeast Menifee
- New High School #5, Lakeview-Nuevo
- Perris Lake High School
- The Academy
- California Military Institute (CMI)
- New Middle School #2 (in Perris)
- Pinacate Middle School (completion of phase III)

Projects to Upgrade Vocational/Technical Education and Train Students With Skills to Compete for 21st-Century Jobs

Goal and Purpose: To provide adequate facilities for all students by updating and improving aging classrooms with classroom technology and vocational/technical education programs and tools, so local schools can prepare students to meet the demands of today's high-tech economy and a competitive job market. Having quality schools with modern educational tools helps attract and retain excellent teachers and promotes continued increases in academic achievement by our students.

- Provide quality vocational education that provides job training, technical knowledge and specialized skills needed to be competitive in today's job market
- Update science and computer labs, and provide students with more access to technology to learn the vital skills needed for today's high-tech economy
- Improve classrooms to meet current academic, health and safety standards
- Upgrade electrical systems and wiring to enhance technology programs, improve internet access and more fully utilize technological resources at all District campuses
- Add solar facilities to reduce utility costs and save money for classroom instruction, and to provide opportunities for 21st-Century career education, job training and "hands-on" science education

Teaching /Learning Environment Improvements to Ensure Safe, Clean and Secure Schools

Goal and Purpose: Since quality, safe and up-to-date schools help protect and maintain strong property values, help attract and retain excellent teachers, and support student learning, students will benefit from a variety of health and safety projects such as:

- Updating fire alarm systems, smoke detectors, and sprinklers
- Improve schools as required to comply with existing building codes, including upgrading schools to ensure access for disabled students, staff, teachers and community members
- Improving security systems such as new door safety locks, lighting, fencing
- Removing potentially hazardous materials where found
- Repairing deteriorating school restrooms
- Upgrade/replace outdated, failing heating and cooling systems, lighting and wiring with up-to-date equipment that will reduce utility costs and save money
- Make safety, security, communications and technology improvements to existing District campuses, buildings and facilities
- Address unforeseen conditions revealed by construction/modernization

Construction of New Facilities to Prevent and Relieve Student Overcrowding

Goal and Purpose: Overcrowded schools make it difficult to attract and hire qualified teachers and staff, leading to student bullying, vandalism and youth violence, and making it difficult to provide adequate space for student learning. To help relieve student overcrowding and provide a safe and enriching learning environment for all students and teachers, the District will continue to evaluate the need for new middle and high school facilities to meet student and community needs. This may include:

- Planning, land acquisition, and design of new school facilities
- Construction of new classroom and instructional support facilities, science labs and career technical education facilities, physical education and athletic facilities, technology infrastructure, supporting site and campus infrastructure and furnishings and equipment
- Provide temporary (interim) classrooms and other school facilities as needed to accommodate students and school functions displaced during construction/renovation
- Necessary site preparation/restoration in connection with new construction, renovation or remodeling, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, and acquiring any necessary easements, licenses, or rights of way to property
- Demolition of outdated buildings to be replaced with new construction

Proceeds from the sale of bonds authorized by this Bond Measure may be used for the reconstruction, rehabilitation or replacement of existing school facilities or the construction of new facilities (including the acquisition of property, as required), as well as the provision of furnishing and equipping of school facilities, as specified in the Bond Measure Projects listed above.

Maximize State and other Outside Matching Fund Opportunities

In addition to the Bond Measure, the District will also aggressively and continuously pursue funds from all available alternative-funding sources to complete the facilities projects listed in the Bond Measure. The District has been highly successful in obtaining and securing these types of funds for school facilities projects from prior bond measures approved by the District's voters.

• Project Costs for Furnishings and Equipment to Support School Facilities •

Project Costs for furnishings and equipment for some or all of the identified District campuses may include, but are not limited to, some or all of the following: security, safety and communication systems and equipment, desks and tables; window and floor coverings (including tiles and carpeting); computers and computer systems, media recording and presentation equipment, including, but not limited to, audio systems, kitchen equipment; improvements and furnishings; science laboratory equipment; and/or other electronic equipment and systems.

• Other Project Costs to Support School Facilities •

Project costs for the above-referenced projects may include site preparation, installation costs, engineering, architect and design costs, project management costs, state or local fees, charges, costs or expenses, legal costs and expenses and costs involving design, planning, environmental review, construction and completion of the aforementioned projects, potential allocations for minor upgrades, renovations and modification costs for newly constructed and/or refurbished School District facilities, costs and expenses associated with the provision of renewable and/or more efficient energy sources for School District needs or facilities and related planning and infrastructure costs. Project costs may also include the payment or prepayment of lease payments for lease of authorized facilities, property or buildings, prepayment of lease obligations for facilities purposes and payment of costs and expenses for interim financing of authorized facilities (including, but not limited to, financing delivery costs) and the costs associated with necessary additional staff required to efficiently and effectively implement the planning, design and construction of the projects. Allowable project costs also include: costs of issuing the bonds or other securities (as authorized under California law), informational distribution costs and election costs authorized under State law. Funding for these projects may come from this Bond Measure or other District resources as the school facilities needs arise and additional funding sources are identified and accessed. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on, or necessary and incidental to, bond projects.

• Citizen Oversight and Local Accountability •

If this bond measure is approved, the Perris Union High School District Board of Trustees will appoint a citizens' oversight committee and conduct annual independent audits to assure that bond funds are spent only on school and classroom improvement projects and for no other purposes.

In preparing the foregoing list, the Board of Trustees of the Perris Union High School District has evaluated safety, class size reduction and information technology needs. Approval of the School District's bond measure does not guarantee that all of the identified projects within this list will be funded beyond local funds generated by the bond measure and does not guarantee that the projects will be completed in any particular order. The School District will also aggressively pursue funds from the State of California to complete facilities projects.

If this Bond measure is approved, the Perris Union High School District Board of Trustees will appoint a citizens' oversight committee and conduct annual independent audits to assure that bond funds are spent only on school and classroom improvements and for no other purposes.

MEASURE "T" - PERRIS UNION HIGH SCHOOL DISTRICT

TAX RATE STATEMENT

**PERRIS UNION HIGH SCHOOL DISTRICT -
General Obligation Bond Election of November 6, 2012**

MEASURE "T"

As shown on the enclosed official ballot, an election is being held in the Perris Union High School District ("District") on November 6, 2012, for the purpose of submitting to the registered voters within the District the question of whether the District shall issue and sell bonds in an amount not to exceed \$153,420,000 for the purpose of providing funds for the specified school facilities and school projects as set forth in the resolution of the District calling such bond election. This measure will authorize a tax sufficient for payment of interest on, and redemption of, the bonds. The bonds shall bear interest at a rate, or rates, to be established at such time as the bonds are sold, in one or more series, at fixed or variable interest rates not to exceed the maximum applicable statutory rate for such bonds. If such bonds are authorized and sold, the principal thereof and the interest thereon are a general obligation of the District, payable from the proceeds of *ad valorem* taxes on taxable real property located within the District.

The following information is submitted in compliance with California Elections Code Sections 9401 through 9404 based on estimates of assessed valuations available at the time of filing of this statement:

- (a) The best estimate from official sources of the tax rate that would be required to be levied to fund the bond issue during the first fiscal year after the first sale of the bonds based on estimated assessed valuations available at the time of filing of this statement or a projection based on experience within the same jurisdiction or other demonstrable factors is \$0.030 per \$100 (\$30.00 per \$100,000) of assessed valuation.
- (b) It is anticipated that the bonds will be sold in more than one series. The best estimate from official sources of the tax rate which would be required to be levied to fund such bond issues during the first fiscal year after the last sale of the bonds based on estimated assessed valuations available at the time of filing of this statement or a projection based on experience within the same jurisdiction or other demonstrable factors is \$0.030 per \$100 (\$30.00 per \$100,000) of assessed valuation.
- (c) The best estimate from official sources of the highest tax rate which would be required to be levied to fund the bond issues during the term of the bond issues, based on estimated assessed valuations available at the time of filing of this statement or a projection based on experience within the same jurisdiction or other demonstrable factors, is \$0.030 per \$100 (\$30.00 per \$100,000) of assessed valuation. It is estimated that the highest tax rate would apply in the 2013-2014 tax year based on assessed valuations available at the time of this filing or a projection based on experience within the same jurisdiction or other demonstrable factors.

Voters should note that these estimated tax rates are based on the *assessed value* of taxable property within the District as shown on the official rolls of Riverside County, *not* on the property's market value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective rate than described above. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the Riverside County Assessor in the annual assessment and the equalization process. Property owners should consult their own property tax bills and/or tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that these estimates are based on assumptions and projections derived from information obtained from official sources. The actual tax rates and the years in which they will apply may vary depending on the timing of any bond sales, the amount of bonds sold, market interest rates at the time of each sale of bonds and actual assessed valuations over the term of repayment of the bonds. The timing of the bond sales and the amount of bonds sold at any given time will be governed by the needs of the District, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each such sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the Riverside County Assessor in the annual assessment and the equalization process.

Dated: June 20, 2012

Business Services - Perris Union High School District

IMPARTIAL ANALYSIS OF MEASURE “T”

The Board of Education (“Board”) of the Perris Union High School District (“District”) by adopting Resolution No. 39:11-12 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligations bonds (“Bonds”) in the aggregate principal amount of \$153,420,000.

The Bonds would be used by the District to construct a new high school and to expand, rehabilitate and upgrade existing school facilities, including improving classrooms, science labs, vocational education, and instructional technology, removal of hazardous materials, upgrading fire safety and school security and improving access for disabled persons. The Bonds would not be used to increase salaries, benefits, or pensions for administrators, teachers, or any other school employees.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum interest rate permitted by the applicable laws of the State and the maximum term of the Bonds, or any series thereof, will not exceed 40 years.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “T” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “T” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

By: Sunshine S. Sykes,
Deputy County Counsel

ARGUMENT IN FAVOR OF MEASURE “T”

Voting YES on “T” will provide locally controlled funding to update and repair our local secondary schools serving Menifee and the Perris area.

Measure “T” will upgrade high school vocational education programs that give students opportunities to achieve the skills needed to compete for good jobs in today’s competitive economy. Measure “T” also provides essential school repairs and upgrades so all students have equal access to clean, safe and up-to-date classrooms, science labs, instructional technology and career training to prepare them for college and the workforce.

Student test scores at our neighborhood middle and high schools have risen steadily over the past five years. However, student overcrowding, outdated technology, and state budget cuts threaten this progress.

Measure “T” is a local solution: providing locally controlled funds to improve local schools. By law, all Measure “T” funds stay here and not one penny can be taken by Sacramento or used for other purposes.

Measure “T” will:

- Upgrade vocational education classrooms, labs and technology
- Update fire safety and school security systems
- Add classrooms and school facilities to relieve overcrowding, including a new high school in Menifee, which would support eventual unification
- Remove potentially hazardous materials where found
- Update restrooms and other essential school facilities
- Update science and computer labs
- Modernize educational tools to help attract and retain excellent teachers and promote continued increases in academic achievement by our students

Investing now in our local schools will also create new jobs and strengthen local property values. If we wait, these problems will become more costly.

An independent community oversight committee and annual public audits ensure strict oversight and accountability. No funds can be used for administrator salaries or benefits.

Join us and vote YES on Measure “T” to support quality education in local schools.

MEASURE "V" - NUVIEW UNION SCHOOL DISTRICT

BOND AUTHORIZATION

By approval of this measure by at least 55 percent of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to \$4 million in aggregated principal at interest rates not in excess of the legal limit and to provide financing for the specific school facilities projects listed in the Bond Project List described below, subject to all the accountability requirements specified below.

The Bonds may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by school districts. The Bonds may be issued in series by the District from time to time, and each series of Bonds shall mature within the legal limitations set forth in the applicable law under which the Bonds are issued.

District voters previously approved Measure "D" at an election held in the District on June 6, 2006. However, due to State law limitations imposed on the issuance of bonds under Measure "D", the District estimates that it will be unable to issue any additional Measure "D" Bonds in the immediate future. The Board of Trustees of the District has found and determined that there continues to be an urgent need in the District for the completion of the educational projects approved by District voters under Measure "D", and that no other District resources are available to finance such projects. If the Bonds are approved and issued, the Board of Trustees of the District has covenanted that it will cancel and shall not authorize the issuance of Measure "D" Bonds in a like amount.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

Evaluation of Needs. The School Board has identified detailed facilities needs of the District and has determined which projects to finance from a local bond at this time. The School Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

Independent Citizens' Oversight Committee. The School Board shall establish an Independent Citizens' Oversight Committee under Education Code Section 15278 and following to ensure that bond proceeds are expended only on the school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the School Board.

Performance Audits. The School Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The School Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

FURTHER SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction and/or rehabilitation of school facilities including the furnishing and equipping of school facilities or acquisition or lease of real property for school facilities and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

BOND PROJECT LIST

Projects Subject to Available Funding. The following list of projects is subject to the availability of adequate funding to the District. Approval of the bond measure does not guarantee that the proposed projects in the District that are the subject of bonds under the measure will be funded beyond the local revenues generated by the bond measure. The District's proposal for the projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

Scope of Projects. Bond proceeds will be expended to modernize, replace, renovate, construct, acquire, equip, furnish, rebuild and otherwise improve educational and support facilities within the District. Projects which are described below include all related and incidental costs, including their share of the costs of the election and bond issuance and costs of design, engineering, architect and other professional services, inspections, site preparation, utilities, landscaping, construction management and other planning, legal, accounting and similar costs, independent annual financial and performance audits, a customary construction contingency, and other costs incidental to and necessary for completion of the listed projects.

Bond proceeds may also be expended to acquire real property (or any interest in real property) for future educational and support facilities and to acquire and install furniture, fixtures and equipment at any classrooms and other educational facilities within the District. The District may alter the scope and nature of any of the specific projects which are described below as required by conditions that arise during the course of design and construction.

Whenever specific items are included in the following list, they are presented to provide examples and are not intended to limit the generality of the broader description of authorized projects. The order in which particular projects are listed is not intended to indicate priority for funding or completion.

Approval of Measure "V" does not guarantee that the proposed project or projects in the Nuview Union School District that are the subject of bonds under Measure "V" will be funded beyond the local revenues generated by Measure "V". The District's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

**Nuvview Union School District
Tax Rate Statement for
Bond Measure "V" Election to be held November 6, 2012**

An election will be held in Nuvview Union School District (the "District") on November 6, 2012 to reauthorize the sale of \$4,000,000 in general obligation bonds, previously approved by voters in June 2006 through the issuance of new bonds. The following information is submitted in compliance with Sections 9400-9404 of the California Elections Code.

1. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.0270 per \$100 (\$27.00 per \$100,000) of assessed valuation in fiscal year 2013-14.
2. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.0270 per \$100 (\$27.00 per \$100,000) of assessed valuation in fiscal year 2013-14.
3. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$.0270 per \$100 (\$27.00 per \$100,000) of assessed valuation.
4. The best estimate of the average tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$.0270 per \$100 (\$27.00 per \$100,000) of assessed valuation.

These estimates are based on projections derived from information obtained from official sources. The actual tax rates and the years in which they will apply may vary depending on the timing of bond sales, the amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the needs of the District. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined in the assessment and the equalization process.

Superintendent
Nuvview Union School District

IMPARTIAL ANALYSIS OF MEASURE "V"

The Board of Education ("Board") of the Nuvview Union School District ("District") by adopting Resolution No. 071912C ("Resolution"), elected to call an election pursuant to Section 1 paragraph (b) subsection (3) of Article XIII A of the California Constitution and Section 15264 *et seq.* of the Education Code to obtain authorization to issue and sell general obligations bonds ("Bonds") in the aggregate principal amount of \$4,000,000.

District voters previously approved a local school bond measure at a regularly scheduled election held in the District on June 6, 2006 ("Measure D"). Measure "D" allowed an ad valorem tax to be levied and collected on property within the boundaries of the District to pay the principal and interest on those bonds. The District estimates that it will be unable to issue any additional series of unissued Measure "D" bonds. This current Measure would issue Bonds in the amount equal to a portion of the unissued Measure "D" bonds. The District has covenanted that it will take action to cancel a like aggregate principal amount of Measure "D" bonds, thereby not increasing the total authorized District debt.

The Bonds would be used by the District to complete the educational projects approved by District voters under Measure "D" through the acquisition and improvement of real property and the furnishing, building, and equipping of school facilities. The Bonds would not be used to increase salaries, benefits, or pensions for administrators, teachers, or any other school employees.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Bonds would bear interest at an annual rate not to exceed the legal maximum payable. The Bonds could be sold in several series and would mature no later than forty (40) years following their issuance.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A "YES" vote on Measure "V" is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A "NO" vote on Measure "V" is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE "V"

In June 2006, Nuview Union School District voters passed a general obligation bond to improve our community's schools. Since that time, tremendous improvements have been made in repairing and rehabilitating our children's schools and classrooms.

But much remains to be done. Measure "V" will reauthorize \$4 million of the previously approved 2006 bonds. By voting YES on Measure "V" we can finish the job of improving our local public schools while at the same time SAVING MILLIONS OF TAXPAYER DOLLARS. Here's how:

Measure "V" makes financial sense and has taxpayer protections in place:

- Reauthorizing the 2006 bonds will allow the District to borrow at much lower interest rates, saving taxpayers millions of dollars in interest.
- Ironclad restrictions that money can only be spent on improving our community's schools. No funds can be spent on administrator salaries, pensions, or benefits.
- The reauthorized bonds will NOT cause any increase in total District debt.
- Required annual review of all expenditures by an independent citizens' oversight committee.
- Legally required annual audits.
- All Measure "V" funds MUST be used to improve our children's schools and **CANNOT BE TAKEN AWAY BY THE STATE AND SPENT ELSEWHERE!**

Measure "V" will let Nuview SD continue the job of fixing our schools by:

- Upgrading and replacing outdated heating, ventilation and air-conditioning systems.
- Upgrading and repairing aging restrooms and plumbing.
- Renovating and modernizing outdated classrooms and school facilities and improving safety enhancements at each campus.
- Upgrading classrooms with up-to-date technology.
- Repairing and replacing leaky roofs.

Our local schools are our most important asset and should be our number one priority. Measure "V" will improve our community's schools, help improve housing values, stimulate our local economy and save taxpayers millions of dollars in interest.

Please join us by voting YES on Measure "V"!
