REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Voter:

November 6, 2012 is Election Day. Your ballot contains contests for Federal, State, and local offices as well as statewide propositions and local measures. This Sample Ballot and Information Pamphlet provides ballot marking instructions, polling place hours, candidate and measure information, and other election details that are important for you to review before you vote. You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

Did you know that Vote-by-Mail ballots received in the Registrar of Voters office before Election Day are the first ballots counted on Election Night? You will find an application to receive a Vote-by-Mail Ballot on the back cover of this pamphlet.

Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

The Registrar of Voters team is here to serve you. Please contact us anytime, so we can help make your voting experience a positive one. Thank you for participating in this election -- your vote counts!

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic AGE: 51
OCCUPATION: Public School Teacher / Community College Trustee
EDUCATION AND QUALIFICATIONS:

Dear Friend,

It's clear to anyone paying attention that Congress is broken.

Big oil companies, powerful insurance companies and special interest lobbyists have rigged the system, and our middle class is suffering for it. Congress has failed to renew tax cuts for middle class families or pass a single bill to help put struggling Americans back to work.

This is unacceptable.

As a lifelong resident of Riverside County, I'm tired of the partisan gridlock that delivers nothing to our community but empty promises.

We need jobs, jobs and more jobs. We need to reduce taxes for middle class families and provide tax credits to local small businesses for innovation and job creation. We also must stop handing out tax breaks to big corporations that ship jobs overseas.

I have dedicated my life to public service as a high school teacher and Riverside Community College Trustee. If you send me to Washington, I will fight for Riverside County families, our children, our veterans and especially our senior citizens by protecting Social Security and Medicare.

That's why I'm proud to be the only candidate endorsed by the National Committee to Protect Social Security and Medicare. I'm also proud to be endorsed by classroom teachers, nurses and many local leaders.

As your Congressman, I will work across party lines to fight for the middle class, protect Social Security and Medicare and bring good paying jobs to the Inland Empire. I respectfully ask for your vote.

Sincerely,

Mark Takano

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

JOHN F. TAVAGLIONE, Republican AGE: 64
OCCUPATION: Business Owner / County Supervisor
EDUCATION AND QUALIFICATIONS:

As County Supervisor, I'm working to create new, good-paying jobs in education, health care and construction at UC Riverside by building a new medical school.

In Congress, I'll continue my efforts to revive a stagnant economy.

I'll work across party lines to provide tax incentives for employers who hire new workers, INVEST IN EDUCATION, and simplify the tax code so small businesses can focus on CREATING JOBS.

I'll fight to reduce the \$15.5 trillion national debt and stop irresponsible spending that has done little to improve the economy.

As county supervisor, I saved millions of dollars by requiring county offices to buy used furniture, reduce travel costs and make prisoners pay for the cost of keeping themselves in jail.

In Congress, I'll continue my FIGHT AGAINST GOVERNMENT WASTE.

I'll take action to prevent future bailouts and hold Wall Street accountable for its mistakes.

As a private citizen, I've helped hundreds of young people get through college by raising millions of dollars for scholarships.

In Congress, I'll fight to keep college tuition rates down and ensure public schools have the funding they need to provide a quality education.

America must also keep its promise to retirees and veterans by PROTECTING MEDICARE and strengthening Social Security programs.

America's best days should be ahead of us.

But, we need to stop the partisan bickering and pull together to make America work better.

Mayor Ron Loveridge, Riverside Firefighters Association and National Latino Police Officers Association support my campaign. I hope you do too.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

JOSE MEDINA, Democratic **AGE: 59**
OCCUPATION: Riverside Educator / Boardmember
EDUCATION AND QUALIFICATIONS:

For over thirty years, I have worked to educate our children and build a stronger, safer community for Riverside families.

I have proudly served our community as a local teacher for three decades and as an elected Riverside Community College Boardmember for 13 years. I have educated our youth, prepared students for college and careers, improved academic standards, created after-school and job-training programs, balanced multi-million dollar budgets, and protected our tax dollars from raids by the state.

State budget cuts and bad decisions by Sacramento bureaucrats are devastating our schools, hurting our economy, and making neighborhoods less safe. I know that strong neighborhood schools, local colleges, and vocational education opportunities strengthen our economy and our community, and that we need local solutions for local problems.

As a father, a teacher, and a school boardmember, I have seen first-hand how fiscal mismanagement from Sacramento, and partisan politics have hurt Riverside County. At a time when schools are being cut to the bone, public safety services are slashed, and local businesses are forced to close shop or leave the state, I will bring a proven record of bringing people together to solve tough problems, balance budgets, and deliver services for Riverside County.

Please join local small business owners, teachers, public safety officers, and community leaders from all walks of life - Democrats, Republicans and Independents – who are coming together to support my campaign for State Assembly. I humbly ask for your support.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
VAL VERDE UNIFIED SCHOOL DISTRICT**

SUZANNE STOTLAR AGE: 64
OCCUPATION: Retired Teacher / Scientist
EDUCATION AND QUALIFICATIONS:

As a scientist and business owner, I developed and managed personnel and budgets successfully. While living in the district and teaching physics and mathematics at Rancho Verde High School for the past 8 years, I encouraged the students of our district to achieve their dreams. I have an administrative credential as well as an understanding of community and district issues.

Val Verde USD has been recognized nationally as test scores have improved dramatically while enrollment has increased. VVUSD experienced challenges resulting from the economy, the state's inability to fund education, and the lack of appropriate oversight by prior school boards that resulted in \$12,000,000 in fines and hundreds of thousands in legal claims.

In 2008 voters approved Measure J, \$43,440,000 to begin a new high school and update /improve district facilities. In June voters approved Measure L to build the same new high school, pay down the \$89,000,000 in debt, and update facilities and technology.

I will ensure that district funds are spent appropriately and that Measure L will result in a new high school, the debt will be paid, and our students will continue to thrive academically.

I am committed to this school district! Let's make it happen!

MARTA "MARTI" RODRIGUEZ-HARRIS AGE: 60
OCCUPATION: Labor Relations Representative
EDUCATION AND QUALIFICATIONS:

My educational background; Associate of Arts Degree in Liberal Arts- East Los Angeles Community College

I am bilingual, proficient in English and Spanish.

My position as a Labor Relations Representative for the California School Employees Association affords me the opportunity to utilize my vast knowledge of the California Education Code on a daily basis. The California Education Code is the standard that governs school and community college districts, their administrators, employees and students.

In addition, my experience in mitigating budget decisions during these trying times is a natural fit to the office I seek.

My background as a collaborative negotiator, with dispute resolutions will serve our community well while working with fellow school board members.

Recently, you the voters passed Measure L, extending your trust that this bond money will provide our student's with the proper resources. As a Board Member, I will insist on fiscal oversight of your taxpayer dollars. Today's students are the leaders of tomorrow and we must be guardians of that future.

MARLA KIRKLAND AGE: 56
OCCUPATION: Infant / Toddler Educator
EDUCATION AND QUALIFICATIONS:

I am a VVUSD community member of 28 years. My husband and I have two sons who attended Val Verde schools and graduated from Rancho Verde H.S. I have vast experience, having served on the board for 21 years. During my tenure, we built schools, improved test scores, and received state and national recognition for our academic achievements.

Experience is invaluable! With your vote I can be seated without a learning curve. I will strive to ensure ALL students receive a twenty-first century education and will be ready to enter the workforce upon graduation. As new state funds become available, I support bringing back programs which have been cut. I am delighted that construction on the new high school will begin soon to ease overcrowding and thereby promote safety. I assure you the new high school will be built within budget and will be comparable to other district schools.

Your vote to elect me as trustee will make a positive difference. I conduct myself appropriately in complex situations and at public meetings, and communicate effectively with parents, community members, superintendent and staff.

I pledge to evaluate and continually strengthen our schools with a visionary focus.

Your vote is appreciated.

GOVERNING BOARD MEMBER,
VAL VERDE UNIFIED SCHOOL DISTRICT**

FREDY DE LEON

OCCUPATION: Val Verde Governing Board Member

EDUCATION AND QUALIFICATIONS:

It has been my honor to serve the public as a Governing Board Member for the last four years.

I attended public schools and received my college degree from California State University Long Beach. Afterward, I began working as a substitute teacher in Val Verde while going to law school at night. I also interned with the Orange County District Attorney's Office and then graduated with Honors from Whittier Law School. After four years of teaching, I decided to continue advocating for the children of the district as a Board Member.

During my tenure, I helped bring fiscal stability to the district by holding administration accountable, I oversaw a successful increase in the graduation rate, and despite state budget cutbacks, I heralded the return of two school resource officers. I am committed to increasing educational opportunities for all children in Val Verde and believe that a successful public school system is vital to a prosperous society. As a former teacher, I understand the need to put children first.

I respectfully ask for your vote so that I may continue to provide the community with my experience and commitment to education.

VAL VERDE UNIFIED SCHOOL DISTRICT**

STACEY GUZMAN

AGE: 50

OCCUPATION: Board Member / Parent

EDUCATION AND QUALIFICATIONS:

This community has been my home for 24 years. When my children started school, I became active in their classrooms, PTA, School Site Council and the School Board.

During my tenure as a VVUSD Trustee for 13 years, it has been extremely rewarding and challenging. We built 11 schools, set policy; managed a budget of over \$150 million for 19,000 students and 1,700 employees, with NO schools in Program Improvement in our district.

Our District remains strong today with a positive 3 year budget, nationally recognized academic scores and no layoffs in the last 2 years despite inadequate state funding. I am honored and proud to be a part of these accomplishments.

As a graduate of the Masters in Governance program through the California School Board Association, I recognized the responsibility of striving to make our school district better with a strong foundation in English, Math and Science to ensure college readiness.

I am proud that all four of my children are graduates of our district, and with my six grandchildren my focus is stronger today.

Accomplishments are the results of strong leadership, careful planning and a vision that reflects our constituency.

I ask for your vote!
