You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

Did you know that Vote-by-Mail ballots received in the Registrar of Voters office before Election Day are the first ballots counted on Election Night? You will find an application to receive a Vote-by-Mail Ballot on the back cover of this pamphlet.

Voting early is another great option. You may vote early at the Registrar of Voters office Monday through Friday beginning October 9, and at participating Malls in Riverside County on October 26 through October 28.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

You can learn more about voting by mail, voting early or training to be a poll worker by reviewing this pamphlet or by visiting www.voteinfo.net or by calling (800) 773-VOTE (8683).

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

Only the two candidates receiving the most votes – regardless of party preference – move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

AGE: 40

OCCUPATION: Emergency Room Doctor

EDUCATION AND QUALIFICATIONS:

Washington is broken. There's too much partisan bickering and too many career politicians who only care about what's best for them and their contributors. That's why I'm running for Congress.

I'm not a politician; I'm a public servant and physician, dedicated to serving this community. I grew up in Coachella Valley, and after college and Harvard Medical School, I returned to become an Emergency Room Doctor at Eisenhower Medical Center.

In Congress, I'll focus on the economy and health care. Thousands of people have lost their jobs, homes, or retirement savings. Thousands more are worried about Medicare cuts, or can't afford prescription drugs or health coverage. Washington just hasn't done enough to address these problems. I'll fight to develop new local industries that diversify our economy. I'll vote against any attempt to cut Social Security or Medicare. And I'll stand up to banks that take bailout money and then foreclose on responsible homeowners.

I believe that running for office should be about public service, not personal gain. I've devoted my life to public service – right here in Coachella Valley – opening clinics for people without health coverage, and mentoring kids who want to become doctors. I'm proud that I was recognized with the U.S. Army's 82nd Airborne Commander's Award for Public Service, and named Humanitarian of the Year by The Rancho Mirage Chamber of Commerce.

As an emergency room doctor, I'm trained to solve problems during challenging times, and to put people first. That's exactly what I'll do in Congress.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

MARY BONO MACK, Republican

OCCUPATION: United States Representative

EDUCATION AND QUALIFICATIONS:

I am honored to represent our community and extremely proud of everything we have accomplished together. But there is much more to do.

Our country faces many challenges, especially creating more jobs and turning our economy around. As a former small business owner, I understand what it takes to make payroll and put people to work. I have always fought for commonsense economic policies, lower taxes, and eliminating unnecessary regulations. We must encourage the entrepreneurial spirit of hard-working Americans with a system that rewards ingenuity.

I have fought hard to prevent the government take-over of our health care system, supported our Veterans and seniors, protected consumers and assisted agriculture by passing Country of Origin Labeling, and making Made in America matter again.

As the daughter of a WWII Veteran, I will always support our troops who make sacrifices everyday to keep our nation safe from the threat of terrorism. Our American ideals of liberty, tolerance, and freedom must remain a symbol of hope for all.

I am humbled and honored by the recognition I have received from numerous organizations, including the U.S. Chamber of Commerce, which presented me with their "Spirit of Enterprise Award" and "The Guardian of Small Business Award" from the National Federation of Independent Business.

I would be equally honored to have your vote.

OCCUPATION: Dentist / Lawmaker / Educator

EDUCATION AND QUALIFICATIONS:

State government is broken, and I'm working overtime to fix it. To grow the economy, I supported tax incentives for small businesses that hire new employees, authored legislation to eliminate excessive regulations that scare jobs out of California, and voted to simplify the tax code to help employers create new jobs.

California's business climate is ranked the worst in the nation, and that's why I've fought for regulatory reforms to make the state friendlier to employers who want to create new jobs.

To cut waste, end irresponsible spending, and keep taxes down, I worked to:
Cap the maximum pension a public employee may receive.

Back a new law to make pay raises for politicians illegal during budget deficits. I voluntarily CUT my own pay by 11 %.

Co-author a measure to cap state spending to prevent future state budget deficits while protecting education.

Enact welfare reforms, SAVING billions of tax dollars while protecting children, the elderly and the disabled.

Require fingerprint background checks for healthcare service providers and recipients to prevent fraud and save millions.

An assistant professor, I backed reforms to protect school funding – including a guarantee to restore full funding once the economy recovers.

I opposed efforts to increase college/university tuition and fees. Affordable higher education is imperative.

With your support, I'll continue my fight to rebuild the economy, cut government waste out of the state budget, and reform a legislature that has failed us badly.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

MARK A. OROZCO, Democratic
OCCUPATION: Teacher / School Boardmember
EDUCATION AND QUALIFICATIONS:

AGE: 35

As we witness California cities go bankrupt, we all agree, hard-working Californians should not have to pay for Sacramento's mistakes. Californians are tired of broken promises that shortchange our children, our seniors, our veterans, and our working families. Education, healthcare, and public safety cannot continue to take major cuts.

As a Educator, Advocate, and local School Board Trustee I have worked with local leadership, families, and community stakeholders, during a tough budget crisis. We have worked together to balance our budget and have kept the school district fiscally solvent.

As a community leader, I have worked with small businesses to improve our local economy during these challenging times. I will find solutions to shape our communities and to encourage a fiscally strong local government. I am an independent thinker not bound to special interest groups and will always put the needs and concerns of my constituents first.

My pledge and priorities:

- I will bring our fair share of tax dollars back to our district to invest into schools, businesses, roads, and the needs of our communities.
- I will be the independent voice we need in Sacramento that will help stimulate job creation, small business development by eliminating duplicated and unnecessary regulations.
- I will support investment in local law enforcement and public safety, so we can maintain security within our schools and neighborhoods.
- I will demand a higher level of accountability, transparency, and fiscal responsibility.

I would be honored to have your vote, please visit MarkOrozco.com for more information.

BRIAN NESTANDE, Republican
OCCUPATION: Lawmaker / Business Owner
EDUCATION AND QUALIFICATIONS:

AGE: 48

We can solve the budget crisis by doing two things – Limit Spending and Grow the Economy.

This election year voters face a choice between old policies that have slowed our state recovery and new policies that will lay a path for a more prosperous California. Having started my own business, I know the difficulties job creators face in the state. If California is to be the Golden State once again, we must stop chasing businesses across state lines and overseas.

As a legislature, we should enact policies that encourage economic growth. Our tax and regulatory system should be clear, consistent and fair to all.

We can and must eliminate duplicating and unnecessary regulations thereby growing businesses and putting people back to work.

I support enacting real pension reform, which will eliminate billions of dollars in unfunded liabilities.

We should use independent audits to find and remove waste in government.

A prosperous economy is the best way to ensure support for public safety, education, and a healthy environment for the next generation of Californians.

I would greatly appreciate your vote, please visit BrianNestande.com for more information.

WAYNE B. HACKNEY

OCCUPATION: Appointed Incumbent

EDUCATION AND QUALIFICATIONS:

I retired from education after 48 years of service. The last 23 years of my career, I worked at Beaumont High School as a math teacher, Athletic Director and an Assistant Principal for 19 years. I am passionate about education, it is my strength.

This has been a wonderful experience and given me a working knowledge of what is happening district-wide at Beaumont Unified School District. I am proud that our District continues to achieve high test scores and provide a safe learning environment for students.

If elected, I will continue to do my best to represent parents and all residents and keep Beaumont Unified School District moving forward instructionally while making prudent fiscal decisions. My policy, which I will continue to uphold, is to keep an open mind and listen to all sides of an issue to make an informed decision.

It has been my pleasure to serve the community on the school board. I would appreciate your confidence in me by voting Wayne Hackey for Beaumont Unified School District Board of Trustees.

Dear Voters,

My name is Steve Hovey, and I am running for the Beaumont School Board, with the experience, leadership, and integrity to be an effective and responsible representative for our community. EDWARD D. BROWN

OCCUPATION: Contractor

EDUCATION AND QUALIFICATIONS:

The future of the country depends on the youth of tomorrow. I firmly believe this and believe in the youth of today. Since 2002, I've been involved with Beaumont youth, from teaching middle school 7th graders to coaching youth baseball, serving as a Cub Scout Den Leader and volunteering time and money to support the Boys and Girls Clubs of the Pass Area. Additionally, I'm a father of two young children in the Beaumont school system.

Since 2002, I've been blessed to live in a community where leaders are supportive of the youth and where the community creates advanced athletic and academic environments to support continued growth of our youth.

Having spent much of the past decade running a local business, Ponderiffic Adventures, I know the local economic and development needs. Having a BS in Biology and a MS in Plant Science gives me a broad base of knowledge to benefit the public school system as a school board member. As a US Army Veteran I am committed to making wise choices about the values that a school board member should promote in the Beaumont school system. Please consider my experience and credentials for the position. Thank You, Edward Brown.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF BANNING**

EDWARD MILLER

OCCUPATION: Retired Engineer

EDUCATION AND QUALIFICATIONS:

I am one of the authors and organizers of the initiative that required our city council to abandon the plan to have Banning be the sewage incinerator for much of Southern California. What our city council does matters immensely. I have a doctorate in Engineering Science, and will bring the careful scrutiny of an engineer to all matters brought before the council.

Our city is mired in debt, and has excessively high utility rates which discourages business and hurts all of us. Banning has low revenue which must be increased to provide for our needed city services.

The primary need of our city is a reduction in bond debt and an increase in our city income and jobs for our residents. Toward these aims if elected I will work to:

Help existing business expand .

Bring new business to Banning by offering proper incentives.

Avoid increasing our bond debt and work to reduce the present bond debt.

Assure that the City budget does not contain wasteful projects.

Make San Geronio college a central, important part of Banning.

Help city departments in writing proposals for Federal and NGO grants.

Improve the healthiness of Banning's environment for us all.

Listen to all carefully.

CITY COUNCIL MEMBER,
CITY OF BANNING**

DON ROBINSON

AGE: 64

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

Banning's slogan is, "Proud History, Prosperous Tomorrow". I am proud of my accomplishments since my election in 2008. My fellow Councilmembers elected me the Community Redevelopment Agency chairman for three years in a row and now your Mayor. We were able to put the best staff together and Banning went from deficit spending to a balanced budget. Improvements to the cities appearance and infrastructure have brought some great job creating projects. We are now a business friendly city. We have a number of goals that we need to meet to reach our "prosperous tomorrow". My goals for Banning residents is to enjoy a high quality of life, maintain a balanced budget and lower our unemployment rate through education and business development. I believe that our community college is very important, we met the goal to have the campus open in 2010. I have worked on a regional approach that brought Banning a fire contract bringing one million dollars revenue to our general fund a year. The animal services contract saved Banning \$100,000 per year. I sit on RTA, SCAG boards and numerous committees. I brought Fire Memories Museum to Banning. Please vote for me to continue Banning's Prosperous Tomorrow.

EDUCATION AND QUALIFICATIONS:

I grew up in Banning and over the last eight years, refined my skills in management, research, funding and logistics while serving in the US Military. **CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF BANNING**

DON M. PETERSON

AGE: 62

OCCUPATION: Businessman / former Police Sergeant, Teacher and Vietnam Veteran

EDUCATION AND QUALIFICATIONS:

I am married, have 3 children and two grandchildren. I served with the Army in Vietnam, and received a Purple Heart in 1969. I graduated from Victor Valley Community College, and continued my education at the University of San Diego with a major in Education.

We all know there has been gross mismanagement at City Hall for years. Decisions by elected officials are burying the citizens of Banning in huge debt. We've had four City Managers since 2008, and we have gone from being nearly debt free to owing 115 million dollars. Questionable decisions involving: The Cultural Alliance, The San Geronio Inn, The Haven, etc., have cost the taxpayers more than 30 million dollars in losses.

We must hold our elected officials to a higher standard, and demand: accountability and transparency. Spending must be controlled, and borrowing stopped. Common sense says: You can't spend what you don't have.

I have owned a Private Security company for 25 years, and presently employ 40 persons. As a businessman, a former Police Sergeant, and Teacher, I believe I am the best candidate for City Council. I know how to make a business work, and how to serve my community.

**CANDIDATE STATEMENT FOR
DIRECTOR, AT LARGE,
SAN GORGONIO PASS WATER AGENCY**

JOHN MACHISIC

OCCUPATION: Retired Educator

EDUCATION AND QUALIFICATIONS:

Water is of great importance to the Pass. The quality of life for our residents and potential future growth of our area depends on a good and constant supply of water, both now and in the future.

Water is a regional problem and not just a local one. What happens in the Pass affects all of us, and it's important that all of our Water Agencies work together to solve problems.

The Pass Water Agency needs to meet with all of the local water agencies regularly to solve problems, utilize our facilities efficiently, and plan for the future.

For the past 10 years, I have served on a local water agency as a Director. I established and approved water department policies, approved budgets, and dealt directly with Planning for future water needs.

I am a 19 year resident of the Pass and have committed myself to Community service, serving on the Banning City Council, and the Beaumont School Board. I earned my Bachelors, Masters and Doctorate Degrees from Nebraska and USC.

I believe that I have the background, experience and education to serve the Pass as a Director for the San Gorgonio Water Agency.

**CANDIDATE STATEMENT FOR
DIRECTOR, AT LARGE,
SAN GORGONIO PASS WATER AGENCY**

MARY ANN MELLEBY

AGE: 67

OCCUPATION: Retired

EDUCATION AND QUALIFICATIONS:

Since April 2011, when I was appointed to fill a vacancy, I have served as Director at Large for the San Gorgonio Pass Water Agency. Just prior to this appointment, I retired as public affairs director for a water agency, a position I held for 13 years. My 32-year career in public relations and marketing also included positions in health care and educational organizations.

Because of my experience in the water industry, I have an extensive knowledge of state, regional and local water issues. I have conducted successful community outreach, water conservation and water education programs. My professional skills include effective communication methods, strategic planning and organizational management. I hold degrees from the University of La Verne in journalism/public relations (bachelors) and organizational management (masters).

During the past 18 months, I have demonstrated leadership and dedication. I chaired the strategic planning committee and currently serve on a statewide water communications committee. I am committed to continue collaborative efforts with the water entities in the region to ensure that the water supply needs, both currently and in the future, are met. I want to continue to represent you and would greatly appreciate your vote on November 6. www.maryann4sgpasswater.com

**CANDIDATE STATEMENT FOR
DIRECTOR, AT LARGE,
SAN GORGONIO PASS WATER AGENCY**

BLAIR M BALL

AGE: 55

OCCUPATION: Optometrist

EDUCATION AND QUALIFICATIONS:

I am an Optometrist and have been practicing and living in the Pass area since 1986. I am married with five children. I have participated in water board meetings (including the Pass Agency) and water related conferences over the past decade and understand the water issues in the Pass.

The San Gorgonio Pass Water Agency imports and sells water to the local water districts. Part of your property tax pays for the water system to import state water. Your local water district charges you for the actual water purchased from the Agency and delivers it to your residence through their system. A plan was recently proposed wherein the Pass Agency would construct more pipelines to transfer the imported water to various local water districts for an estimated cost of 72 million dollars. Increased property taxes will repay this debt. Local water districts state that they can move the water among themselves using the pipes they already have in place as is done elsewhere and that the plan is a duplication of systems. I oppose spending 72 million dollars, which will increase our property taxes, in order to pay for a duplicate water system. I ask for your support.
