Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

WILL ROLLINS, Democratic

AGE: 37

OCCUPATION: Counterterrorism Prosecutor

EDUCATION AND QUALIFICATIONS:

I'm Will Rollins, and I'm running for Congress because America needs a new generation of leaders who will fight corruption, keep government out of our bedrooms, and protect our communities from extremism.

I served as a federal prosecutor, where I worked to keep residents in the Inland Empire and Coachella Valley safe. I took on MS-13 and the Sinaloa cartel. I prosecuted gang shootings, child predators, and kidnapping cases. I fought against opioid abuse and corruption by taking on fentanyl and heroin dealers, whose drugs killed a young victim, and prosecuted a doctor taking bribes to prescribe pain killers. Specializing in counterterrorism, I defended our country from adversaries like Russia, China, Iran, and ISIS, and I helped prosecute insurrectionists who breached the U.S. Capitol on January 6th.

In Congress, I will continue fighting against extremism and corruption and work to:

- Pass a new law guaranteeing a woman's right to abortion. Women and their doctors should make these personal health decisions, not politicians.
- Ban Members of Congress and their spouses from trading stocks, restrict the revolving door of lobbyists working in the Capitol, and end dark money and corporate campaign contributions.
- Stop price-gouging by massive oil corporations and Big Pharma and lower costs for working families and seniors.
- Keep our communities, schools, and police officers safe with violent criminal history and mental health background checks on gun sales.

I ask for your vote. Let's end the toxic divisions promoted by extremism and start solving problems.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican

AGE: 69

OCCUPATION: U.S. Representative

EDUCATION AND QUALIFICATIONS:

It is an honor to deliver results for Riverside County including federal funding for transportation, water and clean air projects. I voted for one of the largest middle-class tax cuts and doubled the child tax credit. My office has helped thousands of constituents to ensure veterans and seniors receive the benefits they deserve.

Inflation is crushing families every time they buy food or fill up on gas. I voted against trillions of dollars in inflationary spending pushed by President Biden. I am the only candidate who opposes tax increases and more inflationary spending.

We must increase American energy production to lower gas prices. Democrat proposals to decrease or tax energy production will only continue to raise prices for consumers.

I support local law enforcement officers who put their lives at risk to keep us safe. I oppose Democrat proposals to defund the police which has resulted in higher crime. I support increased funding for border security to gain control of our border and end drug and human trafficking. I created E-Verify, a program for employers to check the legal status of their employees.

I support school choice and parents' rights. I have worked to lower healthcare costs and fund research to cure terminal diseases.

I voted for a pay raise for troops and new benefits for veterans exposed to toxic burn pits. The United States must be a leader and confront challenges posed by China and Russia through strength and international alliances.

I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
32ND SENATORIAL DISTRICT**

KELLY SEYARTO, Republican

AGE: 62

OCCUPATION: State Assemblymember

EDUCATION AND QUALIFICATIONS:

California's state government is broken. There are no checks and balances in our Legislature, and it is clear that the supermajority one-party rule is bad for our citizens.

California has become unaffordable. As the nation deals with the highest inflation rates in four decades, California seems to be hit harder than the rest of the country. Our taxes are the highest in the nation, gas prices have skyrocketed, and our small business climate is ranked one of the worst in the country.

Our communities are less safe than they have ever been. Homeless encampments continue to plague our communities, our education system is failing to prepare our kids for the future, and we have done nothing to address our water supply issues.

After spending billions upon billions of taxpayer dollars, things are not getting better. Enough is enough.

As your State Senator, I will aggressively address these ongoing issues in a fiscally responsible manner while re-establishing transparency and credibility in our government. I have been and will continue to be a strong advocate for taxpayers.

That's why I'm the choice of taxpayer protection groups and public safety.

I offer years of life experience, having served 35 years as a firefighter and 13 years as a local elected official. My wife owns a small business. We raised our family in this region, and our kids were educated in our public schools.

I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
63RD ASSEMBLY DISTRICT**

FAUZIA RIZVI, Democratic

OCCUPATION: Engineer / Water Boardmember

EDUCATION AND QUALIFICATIONS:

There are too many politicians in Sacramento who put themselves or their political parties ahead of the people. I'm not a partisan politician. I'm an engineer and a problem solver who will work with anyone to get things done.

I'm proud to have raised my three children in Corona. As a small business owner, non-profit founder, and a local elected official, I understand the issues that matter to our communities and I've been of service to the people of this district for over 20 years.

I earned the trust of my neighbors to serve on Western Municipal Water District and I've worked with members of both parties to clean up our water using my experience as a water engineer.

As your State Assemblymember, I'll work on bipartisan solutions to:

- Invest in our small businesses and restore lost jobs.
- Reduce the tax burden on middle-class families and get inflation under control.
- Strengthen public safety and 911 response times.
- Increase access to home ownership and expand housing options.
- Improve services for veterans, seniors, and youth.
- Tackle the homelessness crisis.

My priorities will be the people of our communities, not partisan politics. We deserve a representative who lives in and understands our communities, and who will focus on getting results for us, not themselves. I'll put people first.

I'm grateful to have broad support from local elected officials, business owners, community leaders, and neighbors from both parties.

I would be honored to earn your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
63RD ASSEMBLY DISTRICT**

BILL ESSAYLI, Republican

OCCUPATION: Former Federal Prosecutor / Small Business Owner

EDUCATION AND QUALIFICATIONS:

I am running for the California Assembly because when it comes to educating our children, keeping families safe, and making California an affordable place to live, Sacramento has completely failed.

As a former federal prosecutor, Riverside County Deputy District Attorney, and now as an attorney in private practice, I have a record of holding people accountable, working to protect our community, and defending your liberties.

I prosecuted criminals on a variety of charges, including violent crime, identity theft, white-collar fraud, obstruction of justice, and many other offenses. I was on the team that investigated the 2015 terrorist attack in San Bernardino that killed 14 people.

Now, I'm ready to make the case in Sacramento for Riverside County families who are fed up with the status quo. California is on the wrong track, and I'm ready to make our state work again for parents, small business owners, and ensure we provide a brighter future for our children.

I will oppose tax increases in Sacramento because we have a spending problem, not a revenue problem. We must stop reckless spending that is fueling inflation. To lower gas prices, I believe we should take advantage of American resources rather than beg other countries to produce more.

Soft on crime policies have failed, and I will work to reverse them. I'm honored to be endorsed by Riverside County Sheriff Chad Bianco, Riverside County District Attorney Mike Hestrin, and every local law enforcement organization in the district.

I hope I can count on your support too!

EDUCATION AND QUALIFICATIONS:

I am running for Riverside County Superior Court Judge Seat #4 to ensure we protect our community and provide justice for victims and their families and to give all litigants fair administration of justice whether in criminal, civil, family, juvenile, or probate court.

For 17 years, I have served as a Senior Deputy District Attorney, successfully prosecuting some of society's worst criminals, including perpetrators of homicide, child abuse, sexual assault, gang violence, domestic violence, and political corruption. My unparalleled track record and years of courtroom experience taught me the necessary lessons and values to be your next judge.

Demonstrating my impartial approach to advancing justice, I have earned the support of the current Presiding Judge of Riverside County Superior Court and the current Presiding Justice for the Fourth District Court of Appeal, Division 2, each respectively supervising all judges or justices within Riverside County, (including the position I am running for), over 36 additional judges countywide, District Attorney Mike Hestrin, Public Defender Steve Harmon, public safety, and many more.

MEASURE "J" - ALVORD UNIFIED SCHOOL DISTRICT

FULL TEXT BALLOT PROPOSITION OF THE ALVORD UNIFIED SCHOOL DISTRICT BOND MEASURE ELECTION NOVEMBER 8, 2022

The following is the full proposition presented to the voters of the Improvement District by the Alvord Unified School District.

"To improve school safety systems, fix deteriorating roofs, plumbing, electrical, remove asbestos/ lead pipes, repair, construct, acquire classrooms, science labs, school facilities/ equipment and support student achievement and college/career readiness in math, science, technology, arts and skilled trades, shall Alvord Unified School District's measure be adopted authorizing \$248,000,000 in bonds at legal rates, levying 6 cents per \$100 assessed value (\$14,000,000 annually) while bonds are outstanding, with independent citizen oversight, annual audits, and all money locally-controlled?"

PROJECT LIST

The Board of Education of the Alvord Unified School District is committed to providing safe, secure, upgraded classrooms, labs and technology needed to support high quality instruction **in math, science, engineering and technology** which will prepare students for **college and in-demand jobs** in fields like health sciences, engineering, technology, and skilled trades. To that end, the Board evaluated the District's urgent and critical technology and facility needs, including **safety** issues, class size reduction, **basic repairs**, computer and information technology in developing the types of projects to be funded by this measure as described below. The District conducted a facilities evaluation and received public input in developing this Project List. Teachers, staff, community members and the Board have prioritized the key health and safety needs so that the most critical facility needs are addressed.

In approving this Project List, the Board of Education determines that the District **must**:

- (i) **Upgrade older schools so they meet current health codes, building safety codes and provide proper access for students with disabilities; and**
- (ii) **Remove hazardous materials, like asbestos and lead pipes from older schools; and**
- (iii) **Provide modern science labs and career technical facilities so students are prepared for college and in-demand careers in fields like health sciences, engineering, technology, and skilled trades; and**
- (iv) **Make repairs to older classrooms and school facilities, including deteriorating roofs, plumbing, sewer, heating, ventilation, and electrical systems; and**
- (v) **Provide a clear system of community accountability, including a project list detailing exactly how the money will be used, a Citizens' Oversight Committee, and independent audits to ensure the money is spent properly.**

The Project List includes the following types of upgrades and improvements at schools, facilities and sites within the District:

REPAIR OLDER SCHOOLS AND IMPROVE THE QUALITY OF EDUCATION

School Repair and Upgrade Projects Funded By Money That Cannot Be Taken By The State

Goals and Purposes:

Many of our schools were built at a time when asbestos and lead pipes were used during construction. We need to remove these hazardous materials from our schools.

Our students deserve to have the same educational opportunities as others in the region. By fixing our older schools and upgrading our classrooms and instructional technology, this bond will help improve the quality of education in our local schools.

- **Make repairs to older classrooms and school facilities including deteriorating roofs, plumbing, sewer, heating, ventilation, and electrical systems.**
- **Improve student safety and campus security systems including security fencing, security locks in each classroom, emergency communications systems, security cameras, smoke detectors, fire alarms, and sprinklers.**
- **Upgrade older schools so they meet current health codes and building safety codes and provide proper access for students with disabilities.**
- **Remove hazardous materials like asbestos and lead pipes from older school sites.**

STUDENT SAFETY AND ACHIEVEMENT: LOCAL SCHOOL FUNDING TO SUPPORT HIGH QUALITY INSTRUCTION IN MATH, SCIENCE, ENGINEERING AND TECHNOLOGY

Projects That Improve Student Safety and Success

Goals and Purposes:

If we want Alvord students to succeed in high school, college, and careers, they must be skilled in the use of today's technologies and have a solid background in science, math, engineering and technology. This measure will make this possible. Some of our schools have modern classrooms, labs, technology, and athletic facilities, while others don't. This measure will ensure that all students have equal access to the facilities, technology, and education they need to succeed.

- Provide modern science labs and career technical facilities so students are prepared for college and in-demand careers in fields like health sciences, engineering, technology, and skilled trades.
- Upgrade classrooms and computer systems to keep pace with technology.
- Bring older schools up to the same standards as newer schools, that way all students have the same access to the facilities, technology, and education they need to succeed.

In addition to the projects listed above, the repair and renovation of each of the District's existing schools and facilities, may include, but not be limited to, some or all of the following: add or renovate student and staff restrooms; repair and replace electrical, plumbing, heating, ventilation and air conditioning systems; upgrade of facilities for energy efficiencies; repair and replace worn-out and deteriorated roofs, windows, walls, floors, doors and drinking fountains; construct or renovate offices and facilities for professional development of teachers, more efficient administration and multi-purpose learning spaces and libraries; install wiring and electrical systems to safely accommodate computers, technology and other electrical devices; upgrade or construct support facilities including administrative, physical education, music, art, performing and fine arts classrooms or facilities, outdoor amphitheaters, science, computer labs/classrooms, auditoriums, libraries and buildings, swing space, covered eating areas, shade structures, maintenance and operations facilities and yards; repair and replace fire alarms, emergency communications and security systems; improve facilities to satisfy ADA requirements; resurface or replace asphalt, broken concrete and improve hard courts, turf and irrigation/drainage systems, all-weather outdoor tracks and campus landscaping; install signage, and fencing; expand parking and drop-off areas; improve all site utilities; acquire land; construct new school buildings; upgrade or replace interior and exterior painting, floor covering (including carpets), portable classrooms and school facades; demolition; upgrade central and finishing kitchens, food service, and school cafeterias; construct various forms of storage and support spaces and classrooms; improve outdoor learning environments and quads; repair, upgrade and install interior and exterior lighting systems; construct, acquire or improve playgrounds, play structures, athletic fields, tennis courts, gymnasiums, tracks and facilities to support student health, fitness and safety, lockers, and other facilities serving District students; replace outdated security fences and security systems (including access control systems), provide lunch shelters, upgrade music, art, performing arts and vocational education classrooms, multi-purpose rooms, learning, media, fitness and wellness centers; add or upgrade parking lots; construct, in conjunction with local 4-year college a Center for Study of advanced science, technology, engineering and math so high school students can get access to college level classes. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects.

The upgrading of technology infrastructure includes, but is not limited to, network rewiring, cabling, computers, mobile interface devices, data centers, switches, routers, modules, sound projection systems, public address systems, laser printers, digital white boards, document projectors, upgrade voice-over-IP, clock/telephone/ intercom systems, call manager and IT security, wireless technology systems, refresh classroom technology, acquire necessary software and miscellaneous IT and instructional equipment, data storage, phones, identity cards and the construction and installation of a data center in the cloud for the District enterprise systems, such as resource planning, websites, domain name systems, cloud applications and information security.

The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of portable classrooms and existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary on-site and off-site improvements, site preparation and restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation or drainage systems, traffic signals, sewer or utility lines, trees and landscaping, relocating fire access roads, road widening, and acquiring any necessary easements, licenses, permits or rights of way to the property. The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, legal fees and similar planning costs, connection fees, permit fees, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the types of projects and purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

No capital appreciation bonds or bond anticipation notes may be issued under this measure.

MEASURE "J"- ALVORD UNIFIED SCHOOL DISTRICT

TAX RATE STATEMENT

An election will be held in the Alvord Unified School District (the "District") on November 8, 2022, to authorize the sale of up to \$248,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9405 of the California Elections Code.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing of this statement, is 6 cents per \$100 (\$60 per \$100,000) of assessed valuation. The final fiscal year in which the tax to be levied to fund this bond issue is anticipated to be collected is fiscal year 2058-59.
2. The best estimate of the highest tax rate that would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 6 cents per \$100 (\$60 per \$100,000) of assessed valuation in fiscal year 2023-24.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is approximately \$500,540,975.

Voters should note that the estimated tax rate is based on the ASSESSED VALUE of taxable property on the County of Riverside official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE “J”

The Board of Education (“Board”) of the Alvord Unified School District (“District”) by adopting Resolution No. 1 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of two hundred forty-eight millions dollars (\$248,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to modernize, renovate, expand, rehabilitate, construct and replace school facilities, furnishings and equipment within the District. The Bonds may be used for school facilities projects such as upgrading older schools, removing hazardous materials, providing modern classrooms, and repairing older classrooms and facilities. The Bonds may also be used for upgrading technology infrastructure and providing modern science labs and career technical facilities. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure J is approved, the Board of the District will appoint a citizens’ oversight committee and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the upgrades, modernization, rehabilitation, or repair of school facilities, infrastructure, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is \$0.06 per \$100 per assessment (\$60 per \$100,000) of assessed value. The final fiscal year in which the tax to be levied to fund these bonds is anticipated to be collected in fiscal 2058-2059.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$500,540,975.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “J” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “J” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “J”

Vote YES on Measure J to provide locally controlled funding to provide safe classrooms and support excellent education for all students in Alvord Unified School District.

Most Alvord Unified schools have not been updated with modern classrooms. Several are 70 years or older, and many were built at a time when asbestos and lead pipes were used during construction. We need to remove these hazardous materials from our schools and update classrooms to meet today's safety and educational standards.

Our students deserve to have the same educational opportunities as others in the region. Measure J will make essential repairs and improvements so that local schools can serve our community well for decades to come.

Measure J will provide safe, modern classrooms, science labs and career technical facilities to support high-quality instruction so students are better prepared for college and good paying jobs in fields like health sciences, engineering, technology, and skilled trades.

Measure J Will:

- Improve campus safety and security systems
- Replace deteriorating roofs, plumbing, outdated electrical and inefficient heating and air conditioning systems
- Provide modern classrooms and labs for career and technology education (CTE) classes, including health sciences, engineering, technology, robotics and skilled trades
- Remove hazardous materials like asbestos and lead paint from older schools

Measure J Requires Strict Fiscal Accountability:

- Project list detailing exactly how the money will be used
- Citizens' Oversight Committee and independent audits are required
- All funds will support local students and cannot be taken away by the State
- Measure J funds cannot be used for administrator salaries or benefits

Whether or not you have school-aged children, maintaining and improving quality education in our local schools is a wise decision. Strong schools help protect the value of our homes and quality of life.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “J”

Everything in the argument in favor is intended to deceive you so you vote away your money.

Everybody knows public unions control the entire public education system in California, even with voluntary membership (Janus v. AFSCME 2018). Are the district trustees union puppets?

Didn't they show you that your kids don't matter to them? Didn't they shut down your schools? Didn't they extort benefits? Didn't they crush learning progress? Didn't they destroy your children's social framework? And NOW they want more of your money? NOW they want you to trust them? Really?

OVERSIGHT? It's fraud. Citizen oversight ends when votes are cast. If you could trust the board, why would you need oversight?

STRICT ACCOUNTABILITY? It's fraud. There is none. When you're not looking, they do whatever they want.

PROJECT LIST? It's fraud. Measure J includes everything under the sun. Read it.

ADMINISTRATOR SALARIES? Of course! Read the fine print!

Pro-bond arguments and rebuttals are written by school bond cartels. Signers are just stand-ins. <http://bit.ly/ElectionCheating>

Less than 15% of your taxes will go to facilities that will still be around by the time the bonds are paid off. At least half goes to wealthy investors.

The entire system is rigged to pass taxes. That's not just our opinion. <http://bit.ly/GrandJury2021>

Vote NO! on Measure J (\$496,000,000 tax).

ARGUMENT AGAINST MEASURE “J”

How much election cheating are you willing to put up with?

What if it's for an allegedly good cause? Does that change your answer?

Do you know all the public officials with duties related to local measure elections? County supervisors, registrar of voters, county counsel, school board that resolves to put measures on the ballots. A lot of public officials, most of them getting salaries you could never dream of.

Are these public officials corrupt? All of them?

Then how do you explain that at every election they all look the other way or point fingers at each other saying that “It’s not my job to enforce measure election laws?”

How is it then, that all these public officials, who you pay, combined, millions of dollars a year, have never (never means not once) put a local measure on the ballot that follows the law? <http://bit.ly/GrandJury2021>

Officials in counties other than Riverside, at least follow some of the laws. But your school board, registrar of voters, county counsel and supervisors do whatever they please.

It's almost like it's a conspiracy. Because the public officials (school board) who start the ball rolling, violate every meaningful law with the knowledge, apparently, that all the other public officials will go along with their corruption.

There are too many broken laws to mention in 300 words, but you can check it out (<http://bit.ly/ElectionCheating>) for all the gory details.

Bottom line: All the public officials would rather have gullible voters force taxpayers, including themselves, to send every dollar they dream up to some government agency or another. It's more for them. Less for you.

Are you tired of been taken for a chump? Vote HELL NO! on Measure J (\$496,000,000 tax).

REBUTTAL TO ARGUMENT AGAINST MEASURE “J”

Political party figureheads who do not even believe in public education simply have no credibility when it comes to the critical repairs and improvements needed in our neighborhood schools. In fact, the two opponents do not even live in our school district.

Here are the FACTs on Measure J:

FACT: Several AUSD schools are 70 years or older and were built at a time when asbestos and lead pipes were used during construction and need to be updated to meet today's safety and educational standards.

FACT: Measure J will repair and upgrade older schools to meet current health and building safety codes and provide proper access for students with disabilities.

FACT: Measure J will improve disaster safety measures, including fire-safety systems and earthquake retrofitting.

FACT: Measure will strengthen campus security and threat prevention/detection, improving school safety.

FACT: We need Measure J to provide College and Career Technical Education programs in science, technology, engineering, and mathematics (STEM) so local students are prepared to success in today's competitive careers.

Local community leaders SUPPORT Measure J because it is fiscally responsible:

- A Project list detailing exactly how all funds are spent is required
- Independent Citizens' Oversight Committee and annual audits
- All funds will support local students and cannot be taken away by the State
- Measure J funds cannot be used for administrator salaries or benefits

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver's license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently serving in a state or federal prison for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinevcs>) to renew your driver's license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver's license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 24: last day to register to vote and request your ballot

November 1: last day to update or change how you want to receive your ballot

November 8: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 15. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
