Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

WILL ROLLINS, Democratic

AGE: 37

OCCUPATION: Counterterrorism Prosecutor

EDUCATION AND QUALIFICATIONS:

I'm Will Rollins, and I'm running for Congress because America needs a new generation of leaders who will fight corruption, keep government out of our bedrooms, and protect our communities from extremism.

I served as a federal prosecutor, where I worked to keep residents in the Inland Empire and Coachella Valley safe. I took on MS-13 and the Sinaloa cartel. I prosecuted gang shootings, child predators, and kidnapping cases. I fought against opioid abuse and corruption by taking on fentanyl and heroin dealers, whose drugs killed a young victim, and prosecuted a doctor taking bribes to prescribe pain killers. Specializing in counterterrorism, I defended our country from adversaries like Russia, China, Iran, and ISIS, and I helped prosecute insurrectionists who breached the U.S. Capitol on January 6th.

In Congress, I will continue fighting against extremism and corruption and work to:

- Pass a new law guaranteeing a woman's right to abortion. Women and their doctors should make these personal health decisions, not politicians.
- Ban Members of Congress and their spouses from trading stocks, restrict the revolving door of lobbyists working in the Capitol, and end dark money and corporate campaign contributions.
- Stop price-gouging by massive oil corporations and Big Pharma and lower costs for working families and seniors.
- Keep our communities, schools, and police officers safe with violent criminal history and mental health background checks on gun sales.

I ask for your vote. Let's end the toxic divisions promoted by extremism and start solving problems.

KEN CALVERT, Republican

AGE: 69

OCCUPATION: U.S. Representative

EDUCATION AND QUALIFICATIONS:

It is an honor to deliver results for Riverside County including federal funding for transportation, water and clean air projects. I voted for one of the largest middle-class tax cuts and doubled the child tax credit. My office has helped thousands of constituents to ensure veterans and seniors receive the benefits they deserve.

Inflation is crushing families every time they buy food or fill up on gas. I voted against trillions of dollars in inflationary spending pushed by President Biden. I am the only candidate who opposes tax increases and more inflationary spending.

We must increase American energy production to lower gas prices. Democrat proposals to decrease or tax energy production will only continue to raise prices for consumers.

I support local law enforcement officers who put their lives at risk to keep us safe. I oppose Democrat proposals to defund the police which has resulted in higher crime. I support increased funding for border security to gain control of our border and end drug and human trafficking. I created E-Verify, a program for employers to check the legal status of their employees.

I support school choice and parents' rights. I have worked to lower healthcare costs and fund research to cure terminal diseases.

I voted for a pay raise for troops and new benefits for veterans exposed to toxic burn pits. The United States must be a leader and confront challenges posed by China and Russia through strength and international alliances.

I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
58TH ASSEMBLY DISTRICT**

BERNARD WILLIAM MURPHY, Republican
OCCUPATION: Civil Engineer
EDUCATION AND QUALIFICATIONS:

The direction of this state needs to change. Born and raised in California, I earned a civil engineering degree from Cal Poly Pomona to improve the society in which my family lives. I have served on the Rubidoux Community Services District (RCSD) board of directors for eight years. Our rates are among the lowest in the region preparing for droughts while simultaneously delivering services to our community. I will bring this same type of efficient governance to our state legislature.

I have seen, firsthand, how the cost of idealistic policies from Sacramento has usurped our local control. RCSD has provided trash services to the community for years. Recently, we have had to raise rates to provide inspections of kitchen waste because of mandates from state bureaucrats. This is a blatant example of Sacramento trying to appear green and frivolously spend your money.

Education is a high priority for me, and we need to spend our state tax dollars wisely. The recent passing of Senate Bill 328, which restricts school start times before 8:30 am, does little to address that half the children attending public schools do not perform at grade level. We need more time for teaching, not less. The woke agenda of our state legislature who pushes for LGBTQ+ messaging in elementary school curriculums needs to change NOW!

California is a great state. If elected, I will work to engineer positive change for the hardworking people of the Inland Empire.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
58TH ASSEMBLY DISTRICT**

SABRINA CERVANTES, Democratic
OCCUPATION: California State Assemblymember
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

As your Assemblymember, I work hard every day to deliver results for the Inland Empire and serve as an accessible and responsive advocate for our district's residents. During my five years in the State Assembly, I have authored 31 bills that have been signed into law, including important legislation to help local veterans, seniors, small businesses, and schools.

In the State Assembly, I've fought to:

- Help local small businesses recover from the pandemic and create more jobs.
- Secure \$427 million to reduce traffic locally by repairing freeways, roads, and bridges.
- Promote public safety, fight human trafficking, and support survivors of sexual assault.
- Fully fund public schools and make college more accessible and affordable.
- Procure funding for the UC Riverside Medical School.
- Build a Veterans Resource Center at Norco College.

As Chair of the Assembly Jobs Committee, I'm helping lead California's economic recovery, and fighting to create jobs in the Inland Empire. As the mother of triplets, I understand the challenges working parents face every day, and that's why I worked to expand paid family leave and sick leave.

Before being elected to the Legislature, I worked in the private sector, state government, and for a statewide nonprofit organization. I'm proud to have support from community leaders throughout Corona, Eastvale, Grand Terrace, Jurupa Valley, and Riverside. I'd be honored to earn your vote and have the opportunity to continue representing the Inland Empire in the State Assembly.

EDUCATION AND QUALIFICATIONS:

I am running for Riverside County Superior Court Judge Seat #4 to ensure we protect our community and provide justice for victims and their families and to give all litigants fair administration of justice whether in criminal, civil, family, juvenile, or probate court.

For 17 years, I have served as a Senior Deputy District Attorney, successfully prosecuting some of society's worst criminals, including perpetrators of homicide, child abuse, sexual assault, gang violence, domestic violence, and political corruption. My unparalleled track record and years of courtroom experience taught me the necessary lessons and values to be your next judge.

Demonstrating my impartial approach to advancing justice, I have earned the support of the current Presiding Judge of Riverside County Superior Court and the current Presiding Justice for the Fourth District Court of Appeal, Division 2, each respectively supervising all judges or justices within Riverside County, (including the position I am running for), over 36 additional judges countywide, District Attorney Mike Hestrin, Public Defender Steve Harmon, public safety, and many more.

It's time we audit the Auditor-Controller's office. On May 26, 2022, Riverside County's Grand Jury identified several ongoing failures by the Auditor-Controller's office, putting Riverside County in "unnecessary financial risk." It's been a privilege to serve my hometown as Mayor and Councilmember. I was born and raised in the Grand Circle to a working-class immigrant family. My husband Zach and I live in District 1 with our newborn daughter Eleanor and dog Xiao Mei.

- Ensured our financial future – refinanced pension liability saving taxpayers \$166 million and strengthened debt repayment policies.
- Addressed homelessness head on – reduced homelessness by 33% through compassion and enforcement; invested in mental health and housing services; incorporated social workers with police outreach; increased police department by 15 Sworn Officers and 9 Community Service Officers; launched Park Ranger program; on track to open low-barrier shelter with onsite medical, dental, and behavioral health services.

The commercial cannabis business tax is a general tax enacted solely for general, governmental purposes of the city and not for specific purposes. All of the proceeds from the tax imposed by this chapter shall be placed in the city's general fund and be available for any lawful municipal purpose.

(4) Microbusiness. For every person engaged in the operation of a microbusiness, the maximum tax rate for the retail sale portion of the commercial cannabis business shall be nine percent (9%) of gross receipts, or fractional part thereof, generated by retail sales at the commercial cannabis business, and the maximum tax rate for the manufacturing and distribution portions of the commercial cannabis business shall be seven percent (7%) of gross receipts, or fractional part thereof, generated by manufacturing and distribution, subject to adjustment by the City Council pursuant to §3.38.040.

(5) All Other Commercial Cannabis Businesses & Illegal Cannabis Businesses. For every person engaged in the operation of a commercial cannabis business that is not otherwise subject to subsections (1) through (4) above, or is operating any commercial cannabis business in the city without a commercial cannabis permit duly approved and authorized by the city to operate lawfully in the city, the maximum tax rate shall be fifteen percent (15%) of gross receipts, or fractional part thereof, generated by the commercial cannabis business, subject to adjustment by the City Council pursuant to §3.38.040.

(C) **Registration and business license required.** Persons subject to the commercial cannabis business tax shall register with the city pursuant to § 3.38.050. They shall also be required to obtain a business license pursuant to Title 5 of this code.

3.38.040 Authorization to adjust tax rate and repeal or amend tax and chapter; limit on rate and methodology.

(A) **City council authority.** This chapter authorizes the maximum commercial cannabis business tax rate as identified in § 3.38.030 above. The City Council may, by ordinance, upwardly or downwardly adjust the rate of the tax imposed by this chapter as often as it so chooses, in fractional amounts either down to zero percent (0%) or up to the maximum rate provided in § 3.38.030 above, and may otherwise repeal, suspend, or amend this chapter without a vote of the People.

(B) **Constitutional rate and methodology limit.** Notwithstanding §3.38.040(A) above, as required by California Constitution Article XIIIIC (Proposition 218), voter approval is required for any amendment that would increase the maximum rate or methodology of any tax levied pursuant to this chapter.

(C) **Express authority without voter approval.** The People of the City of Corona affirm that the following actions shall not constitute an increase of the maximum rate or methodology of the commercial cannabis business tax requiring subsequent voter approval, regardless of the number of times such actions may be taken:

(1) **Adjustment upwards within maximum rate.** The upward adjustment of the tax rate applicable to any or all classes of commercial cannabis business, provided the rate does not exceed the maximum set forth in § 3.38.030;

(4) **Interpretation or clarification.** An action by the Tax Administrator or City Council that interprets or clarifies the methodology of the tax, or any definition applicable to the tax, so long as the interpretation or clarification (even if contrary to some prior interpretation or clarification) is not inconsistent with the language of this chapter;

(5) **Exemptions.** The establishment of a class of person or service that is exempt or excepted from the tax or the discontinuation of any such exemption or exception;

(6) **Repeal or suspension of tax or chapter.** The repeal of any tax imposed pursuant to this chapter, the repeal of this entire chapter, or the suspension of any such tax or this chapter for a temporary period of time.

(7) **Resumption of suspended tax.** Resuming collection of the tax imposed by this chapter, even if the City had, for some period of time, either suspended collection of the tax or otherwise failed to collect the tax, in whole or in part.

3.38.050 Registration, reporting and remittance of tax.

(A) **Registration of commercial cannabis business.** All commercial cannabis businesses shall be required to annually register as follows:

(1) **Information required.** All persons engaged in a commercial cannabis business, whether an existing, newly established or acquired business shall register with the Tax Administrator within thirty (30) days of commencing operation. In registering, such persons shall furnish to the Tax Administrator a sworn statement, upon a form provided by the Tax Administrator, setting forth the following information:

- (a) The name of the business;
- (b) The names and addresses of each owner;
- (c) The exact nature or kind of business;
- (d) The place where such business is to be carried on; and
- (e) Any additional information which the Tax Administrator may require.

(B) **Payment of tax.** The commercial cannabis business tax imposed by this chapter shall be paid, in arrears, on a monthly basis. Each person owing a commercial cannabis business tax shall, on or before the last day of the month following the close of the prior month, file with the Tax Administrator a statement ("tax statement") of the tax owed for that calendar month and the basis for calculating that tax. The Tax Administrator may require that the tax statement be submitted on a form prescribed by the Tax Administrator. The tax for each calendar month shall be due and payable on that same date that the tax statement for the calendar month is due.

(C) **Payment upon cessation of business.** Upon cessation of a commercial cannabis business, tax statements and payments shall be immediately due for all calendar months up to the calendar month during which cessation occurred.

(D) **Alternative reporting periods.** The Tax Administrator may, at his or her discretion, establish alternative reporting and payment periods for any taxpayer as the Tax Administrator deems necessary to ensure effective collection of the commercial cannabis business tax. The Tax Administrator may require that a taxpayer make payments via a cashier's check, money order, wire transfer, or similar instrument.

(E) **Cash payments.** If a taxpayer expects to make payment of the commercial cannabis business tax in cash, the taxpayer shall make an appointment with the Tax Administrator prior to submitting the payment. The Tax Administrator may, at his or her discretion, require that the taxpayer arrange for adequate security measures to ensure the safety of city employees and the public.

3.38.060 Payments and communications; Timely remittance.

Whenever any payment, statement, report, request or other communication is due, it must be received by the Tax Administrator on or before the final due date. A postmark will not be accepted as timely remittance. Unless otherwise specifically provided under other provisions of

this chapter, the taxes required to be paid pursuant to this chapter shall be deemed delinquent if not received by the Tax Administrator on or before the due date as specified in § 3.38.050. If the due date would fall on a Friday, Saturday, Sunday, or a holiday observed by the city, the due date shall be the next regular business day on which the city is open to the public.

3.38.070 Penalties and interest.

(A) **Failure to pay tax.** Any person who fails or refuses to pay any commercial cannabis business tax required to be paid pursuant to this chapter on or before the due date shall pay penalties and interest as follows:

(1) **Delinquency.** A penalty equal to ten percent (10%) of the amount of the tax, in addition to the amount of the tax, plus interest on the unpaid tax calculated from the due date of the tax at the rate of one-half percent (0.5%) per month.

(2) **Delinquency exceeding one month.** If the tax remains unpaid for a period exceeding one calendar month beyond the due date, an additional penalty equal to twenty percent (20%) of the amount of the tax, plus interest at the rate of one-half percent (0.5%) per month on the unpaid tax and on the unpaid penalties.

(3) **Fraud.** If the Tax Administrator determines that the nonpayment of any commercial cannabis business tax due under this chapter is due to fraud, a penalty of twenty-five percent (25%) of the amount of the tax shall be added thereto in addition to penalties and interest otherwise payable under this chapter and any other penalties allowed by law.

(4) **Interest rate.** Interest shall be applied at the rate of one-half percent (0.5%) per month on the first day of the month for the full month and will continue to accrue monthly on the tax and penalty until the balance is paid in full.

B. **Insufficient funds.** Whenever a check or electronic payment is submitted in payment of a commercial cannabis business tax and the payment is subsequently returned unpaid by the bank for any reason, the taxpayer will be liable for the tax amount due plus any fees, penalties and interest as provided for in this chapter, and any other amount allowed under state law.

3.38.080 Refunds and procedures.

(A) **Claim for refund.** Whenever the amount of any commercial cannabis business tax, penalty or interest has been overpaid, paid more than once, or has been erroneously collected or received by the city under this chapter, it may be refunded to the claimant who paid the tax provided that a written claim for refund is filed with the Tax Administrator within one (1) year of the date the tax was originally due or paid, whichever came first.

(B) **Audit of books and records.** The Tax Administrator shall have the right to examine and audit all the books and business records of the claimant in order to determine the eligibility of the claimant to the claimed refund. No claim for refund shall be allowed if the claimant refuses to allow such examination of claimant's books and business records after request by the Tax Administrator to do so.

(C) **Grounds for refund.** In the event that the commercial cannabis business tax was erroneously paid in an amount in excess of the tax due, and the error is attributable to the city, the city shall refund the amount of tax erroneously paid; provided that (i) a claim for refund has been timely filed with the Tax Administrator; and (ii) the refund cannot exceed, under any circumstance, the amount of tax overpaid during the twelve months preceding the last month for which the claim states the tax was overpaid.

(D) **Refund as a credit.** Any person entitled to a refund of taxes pursuant to this section may elect in writing to have such refund applied as a credit against a commercial cannabis business's taxes due in the future.

(E) **No refund for discontinuation of business.** No refund of any tax collected pursuant to this chapter shall be made because of the discontinuation, dissolution, or other termination of a commercial cannabis business.

3.38.090 Administration of the tax.

(A) **Duty of Tax Administrator.** It shall be the duty of the Tax Administrator to collect the taxes, penalties, fees, and perform the duties required by this chapter.

(B) **Promulgation of rules and regulations.** For purposes of administration and enforcement of this chapter generally, the Tax Administrator may from time to time promulgate such administrative interpretations, rules, and procedures consistent with the purpose, intent, and express terms of this chapter as he or she deems necessary to implement or clarify such provisions or aid in enforcement.

(C) **Administrative actions.** The Tax Administrator may take such administrative actions as needed to administer the commercial cannabis business tax, including but not limited to:

- (1) Provide to all commercial cannabis business taxpayers forms for the reporting of the tax;
- (2) Provide information to any taxpayer concerning the provisions of this chapter;
- (3) Receive and record all taxes remitted to the city as provided in this chapter;
- (4) Maintain records of taxpayer reports and taxes collected pursuant to this chapter;
- (5) Assess penalties and interest to taxpayers pursuant to this chapter;
- (6) Determine amounts owed under and enforce collection pursuant to this chapter.

3.38.100 Appeal procedure.

Any taxpayer aggrieved by any decision of the Tax Administrator with respect to the amount of tax, interest, penalties and fees, if any, due under this chapter may appeal to the City Manager by filing a notice of appeal with the City Clerk within thirty (30) calendar days of the serving or mailing of the Tax Administrator's determination of the amount due. The City Clerk, or his or her designee, shall fix a time and place for hearing such appeal, and the City Clerk, or his or her designee, shall give notice in writing to such taxpayer at the last known place of address. The findings and determination of the City Manager shall be in writing and shall be final and conclusive. Any amount found to be due shall be immediately due and payable upon delivery of the City Manager's determination to the taxpayer.

3.38.110 Enforcement; Action to collect.

Any taxes, penalties and/or fees required to be paid under the provisions of this chapter shall be deemed a debt owed to the city. Any person owing money to the city under the provisions of this chapter shall be liable in an action brought in the name of the city for the recovery of such debt. The provisions of this section shall not be deemed a limitation upon the right of the city to bring any other action including criminal, civil and equitable actions, based upon the failure to pay the tax, penalties and/or fees imposed by this chapter or the failure to comply with any of the provisions of this chapter.

3.38.120 Apportionment.

If a commercial cannabis business subject to the commercial cannabis business tax is operating both within and outside the city, it is the intent of the city to apply the commercial cannabis business tax so that the measure of the tax fairly reflects the proportion of the taxed activity actually carried on in the city. To the extent federal or state law requires that any tax due from any taxpayer be apportioned, the taxpayer may indicate said apportionment on his or her tax return. The Tax Administrator may promulgate administrative procedures for apportionment as he or she finds useful or necessary.

3.38.130 Audit and examination of premises and records.

(A) **Tax Administrator authority.** For the purpose of ascertaining the amount of commercial cannabis business tax owed or verifying any representations made by any taxpayer to the city in support of his or her tax calculation, the Tax Administrator shall have the power to audit and examine all books and records (including, but not limited to bookkeeping records, state and federal income tax returns, and other records relating to the gross receipts of the business) of persons engaged in commercial cannabis businesses. In conducting such investigation, the Tax Administrator shall have the power to inspect any equipment, such as computers or point of sale machines, that may contain such records.

(B) **Retention of records.** It shall be the duty of every person liable for the collection and payment to the city of any tax imposed by this chapter to keep and preserve, for a period of at least three (3) years, all records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and payment to the city, which records the Tax Administrator or his/her designee shall have the right to inspect at all reasonable times.

3.38.140 Payment of tax does not authorize unlawful business.

(A) **Compliance with code required.** The payment of a commercial cannabis business tax required by this chapter, and its acceptance by the city, shall not entitle any person to engage in a commercial cannabis business unless the person has complied with all of the requirements of this code and all other applicable state laws.

(B) **Unlawful businesses.** No tax paid under the provisions of this chapter shall be construed as authorizing the conduct or continuance of any illegal or unlawful business, or any business in violation of any local or state law.

3.38.150 Deficiencies and assessments.

(A) **Deficiency determination.** If the Tax Administrator is not satisfied that any statement filed as required under the provisions of this chapter is correct, or that the amount of tax is correctly computed, he or she may compute and determine the amount to be paid and make a deficiency determination upon the basis of the facts contained in the statement or upon the basis of any information in his or her possession or that may come into his or her possession within three (3) years of the date the tax was originally due and payable. One or more deficiency determinations of the amount of tax due for a period or periods may be made. When a person ceases engaging in a commercial cannabis business, a deficiency determination may be made at any time within three (3) years thereafter as to any liability arising from engaging in such commercial cannabis business whether or not a deficiency determination is issued prior to the date the tax would otherwise be due. Whenever a deficiency determination is made, a notice shall be given to the person concerned in the same manner as notices of assessment are given pursuant to this section.

(B) **Failure to report; Nonpayment.** Under any of the following circumstances, the Tax Administrator may make and give notice of an assessment of the amount of tax owed by a person under this chapter at any time:

- (1) If the person has not filed a complete tax statement required under the provisions of this chapter;
- (2) If the person has not paid the tax due under the provisions of this chapter; or

(3) If the person has not, after demand by the Tax Administrator, filed a corrected tax statement, or furnished to the Tax Administrator adequate substantiation of the information contained in a tax statement already filed, or paid any additional amount of tax due under the provisions of this chapter.

(C) **Notice of assessment.** The notice of assessment shall separately set forth the amount of any tax known by the Tax Administrator to be due or estimated by the Tax Administrator, after consideration of all information within the Tax Administrator's knowledge concerning the commercial

cannabis business and activities of the person assessed, to be due under each applicable provision of this chapter and shall include the amount of any penalties or interest accrued on each amount to the date of the notice of assessment.

(D) **Service of notice of assessment.** The notice of assessment shall be served upon the person either by personal delivery, by overnight delivery by a nationally-recognized courier service, or by a deposit of the notice in the United States mail, postage prepaid thereon, addressed to the person at the address of the location of the commercial cannabis business or to such other address as he or she shall register with the Tax Administrator for the purpose of receiving notices provided under this chapter; or, should the person have no address registered with the Tax Administrator for such purpose, then to such person's last known address. For the purpose of this section, a service by overnight delivery shall be deemed to have occurred one (1) calendar day following deposit with a courier and service by mail shall be deemed to have occurred three (3) days following deposit in the United States mail.

(E) **Hearing request; Notice of hearing.** Within thirty (30) calendar days after the date of service of the notice of assessment the person may request, in writing, a hearing on the assessment. If request for a hearing before the Tax Administrator is not made within the time herein prescribed, the tax assessed by the Tax Administrator shall become final and conclusive. Within thirty (30) calendar days of the receipt of a request for hearing, the Tax Administrator shall cause the matter to be set for hearing before him or her no later than thirty (30) calendar days after the receipt of the request, unless a later date is agreed to by the Tax Administrator and the person requesting the hearing. Notice of such hearing shall be given by the Tax Administrator to the person requesting such hearing not later than five (5) calendar days prior to such hearing.

(F) **Hearing.** At the time fixed for the hearing, the Tax Administrator shall hear all relevant testimony and evidence. The person requesting the hearing may appear and offer evidence why the assessment as made by the Tax Administrator should not be confirmed and fixed as the tax due. Within a reasonable time following the conclusion of the hearing, the Tax Administrator shall determine and reassess (if necessary) the proper tax to be charged and shall give written notice of final assessment to the person in the manner prescribed in this section for giving notice of assessment. The decision of the Tax Administrator may be appealed pursuant to §3.38.100.

(G) **Payment of Assessment.** Unless appealed, payment of the final assessment as set forth in the notice of final assessment shall become delinquent if not received by the Tax Administrator on or before the thirtieth (30th) calendar day following the date of receipt of the notice of final assessment. The penalty for delinquency shall be at the rates set forth herein, along with interest at the rate as set forth in this chapter, on the amount of the tax, exclusive of penalties, from the date of delinquency, until paid.

3.38.160 Violations - Misdemeanor.

(A) **Violations.** Any person violating any of the provisions of this chapter shall be guilty of a misdemeanor.

(B) **Failure to report; fraudulent report.** Any person who fails or refuses to register as required herein, or to furnish any tax statement required to be made, or who fails or refuses to furnish other data required by the Tax Administrator, or who renders a false or fraudulent tax statement or claim, is guilty of a misdemeanor. Any person required to make, render, sign or verify any report or claim who makes any false or fraudulent report or claim with intent to defeat or evade the determination of any amount due required by this chapter to be made is guilty of a misdemeanor.

(C) **Remedies cumulative.** All remedies and penalties prescribed by this chapter or which are available under any other provision of this code and any other provision of law or equity are cumulative. The use of one or more remedies by the city shall not bar the use of any other remedy for the purpose of enforcing the provisions of this chapter."

City Clerk of the City of Corona, California

IMPARTIAL ANALYSIS OF MEASURE “G”

On August 10, 2022, the City Council voted to place Measure G on the November 8, 2022 general municipal election ballot.

If approved by a majority of Corona voters, this Measure would add Chapter 3.38 (Commercial Cannabis Business Tax) to the Corona Municipal Code and enact a tax on commercial cannabis businesses operating within the City at the following maximum rates:

- Retail sale (including delivery) – up to 9% of gross receipts
- Manufacturing and distribution – up to 7% of gross receipts
- Testing laboratories – up to 3% of gross receipts
- All illegal cannabis businesses and any other type of commercial cannabis businesses (i.e. those the City may allow in the future) – up to 15% of gross receipts

Pursuant to California Constitution Article XIII C (Proposition 218), voter approval would be required to increase the maximum rates or change the tax methodology established in Chapter 3.38. However, the City Council would be authorized to amend the regulatory scheme, including setting the tax rate lower than the maximum, adjusting the tax rate between zero and the maximum, or taking other specified actions, without voter approval. This local tax is in addition to taxes collected by the State.

State law allows cities to determine whether to allow commercial cannabis businesses to operate in their jurisdiction. In 2020, the City Council added Chapter 5.36 to the Corona Municipal Code to allow and regulate commercial cannabis retail stores, manufacturing facilities, distribution activities, and testing laboratories, but to prohibit cultivation.

While the measure does not authorize otherwise illegal business activity, the commercial cannabis business tax would apply even if a business is operating illegally. Thus, the City could both shut down the illegal business and collect taxes on gross receipts earned while it was operating. Accordingly, the measure includes a maximum tax rate of 15% of gross receipts for illegal cannabis businesses and any other type of commercial cannabis business that the City may choose to allow and regulate in the future. Accordingly, if the City chooses to allow cultivation in the future, it would be subject to a maximum tax rate of 15% of gross receipts.

This tax would be a “general tax”. Thus, revenues raised from the tax would go into the City’s general fund to pay for any lawful City program, improvement, or service, such as police and emergency response, parks and youth/senior services, street repair, and other general services.

The estimated annual proceeds of this tax are \$5,000,000, but actual revenues would vary depending on the tax rates, the type and number of operating cannabis businesses, and the volume of business.

If approved, the measure would be effective 10 days after the results of the election are certified by the City Council. It would remain in effect until repealed by Corona voters voting at a subsequent election.

A “yes” vote on Measure G will authorize the commercial cannabis business tax.

A “no” vote on Measure G will not authorize the commercial cannabis business tax.

ARGUMENT IN FAVOR OF MEASURE “G”

Since California voters legalized recreational cannabis use in 2016, over 150 local jurisdictions have passed cannabis tax measures for the privilege of operating within their jurisdictions. In 2020, Corona began regulating cannabis retail stores, manufacturing facilities, distribution activities, and testing laboratories, and some are currently navigating the City and state permit processes and should be operating soon.

Measure G will benefit all City residents by ensuring cannabis businesses contribute fairly to costs associated with their regulatory requirements, as well as necessary code enforcement and police responses, without hurting City investments that maintain a quality of life for our residents. The City has invested significantly to address community priorities, such as economic development, homelessness, graffiti, police protection, and sound financial planning. The estimated \$5M in tax revenue from Measure G will help secure those priority investments for decades to come.

Measure G includes a unique provision intended to protect critical City resources - a higher tax on illegal cannabis businesses. Not only will the City use tools at our disposal to shut down illegal businesses, but we will also use our tax collection powers to make illegal operators reimburse us for those efforts. We believe this will help reduce illegal businesses, which damage our legitimate businesses and place a strain on limited City resources.

Whether or not you agree with the legalization of cannabis, it is critical that Measure G passes to generate the resources necessary to ensure compliance with complex legal requirements and avoid burdening other City programs and services.

If Measure G is adopted, it will replace any operational fees the businesses have contractually agreed to pay, and all funds will stay local - in Corona - to support our programs and services, with no monies going to Sacramento.

Please join us in voting “Yes” on Measure G.

STUDENT SAFETY AND ACHIEVEMENT: LOCAL SCHOOL FUNDING TO SUPPORT HIGH QUALITY INSTRUCTION IN MATH, SCIENCE, ENGINEERING AND TECHNOLOGY

Projects That Improve Student Safety and Success

Goals and Purposes:

If we want Alvord students to succeed in high school, college, and careers, they must be skilled in the use of today's technologies and have a solid background in science, math, engineering and technology. This measure will make this possible. Some of our schools have modern classrooms, labs, technology, and athletic facilities, while others don't. This measure will ensure that all students have equal access to the facilities, technology, and education they need to succeed.

- Provide modern science labs and career technical facilities so students are prepared for college and in-demand careers in fields like health sciences, engineering, technology, and skilled trades.
- Upgrade classrooms and computer systems to keep pace with technology.
- Bring older schools up to the same standards as newer schools, that way all students have the same access to the facilities, technology, and education they need to succeed.

In addition to the projects listed above, the repair and renovation of each of the District's existing schools and facilities, may include, but not be limited to, some or all of the following: add or renovate student and staff restrooms; repair and replace electrical, plumbing, heating, ventilation and air conditioning systems; upgrade of facilities for energy efficiencies; repair and replace worn-out and deteriorated roofs, windows, walls, floors, doors and drinking fountains; construct or renovate offices and facilities for professional development of teachers, more efficient administration and multi-purpose learning spaces and libraries; install wiring and electrical systems to safely accommodate computers, technology and other electrical devices; upgrade or construct support facilities including administrative, physical education, music, art, performing and fine arts classrooms or facilities, outdoor amphitheaters, science, computer labs/classrooms, auditoriums, libraries and buildings, swing space, covered eating areas, shade structures, maintenance and operations facilities and yards; repair and replace fire alarms, emergency communications and security systems; improve facilities to satisfy ADA requirements; resurface or replace asphalt, broken concrete and improve hard courts, turf and irrigation/drainage systems, all-weather outdoor tracks and campus landscaping; install signage, and fencing; expand parking and drop-off areas; improve all site utilities; acquire land; construct new school buildings; upgrade or replace interior and exterior painting, floor covering (including carpets), portable classrooms and school facades; demolition; upgrade central and finishing kitchens, food service, and school cafeterias; construct various forms of storage and support spaces and classrooms; improve outdoor learning environments and quads; repair, upgrade and install interior and exterior lighting systems; construct, acquire or improve playgrounds, play structures, athletic fields, tennis courts, gymnasiums, tracks and facilities to support student health, fitness and safety, lockers, and other facilities serving District students; replace outdated security fences and security systems (including access control systems), provide lunch shelters, upgrade music, art, performing arts and vocational education classrooms, multi-purpose rooms, learning, media, fitness and wellness centers; add or upgrade parking lots; construct, in conjunction with local 4-year college a Center for Study of advanced science, technology, engineering and math so high school students can get access to college level classes. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects.

The upgrading of technology infrastructure includes, but is not limited to, network rewiring, cabling, computers, mobile interface devices, data centers, switches, routers, modules, sound projection systems, public address systems, laser printers, digital white boards, document projectors, upgrade voice-over-IP, clock/telephone/ intercom systems, call manager and IT security, wireless technology systems, refresh classroom technology, acquire necessary software and miscellaneous IT and instructional equipment, data storage, phones, identity cards and the construction and installation of a data center in the cloud for the District enterprise systems, such as resource planning, websites, domain name systems, cloud applications and information security.

The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of portable classrooms and existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary on-site and off-site improvements, site preparation and restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation or drainage systems, traffic signals, sewer or utility lines, trees and landscaping, relocating fire access roads, road widening, and acquiring any necessary easements, licenses, permits or rights of way to the property. The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, legal fees and similar planning costs, connection fees, permit fees, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the types of projects and purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

TAX RATE STATEMENT

An election will be held in the Alvord Unified School District (the "District") on November 8, 2022, to authorize the sale of up to \$248,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9405 of the California Elections Code.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing of this statement, is 6 cents per \$100 (\$60 per \$100,000) of assessed valuation. The final fiscal year in which the tax to be levied to fund this bond issue is anticipated to be collected is fiscal year 2058-59.
2. The best estimate of the highest tax rate that would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 6 cents per \$100 (\$60 per \$100,000) of assessed valuation in fiscal year 2023-24.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is approximately \$500,540,975.

Voters should note that the estimated tax rate is based on the ASSESSED VALUE of taxable property on the County of Riverside official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE “J”

The Board of Education (“Board”) of the Alvord Unified School District (“District”) by adopting Resolution No. 1 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of two hundred forty-eight millions dollars (\$248,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to modernize, renovate, expand, rehabilitate, construct and replace school facilities, furnishings and equipment within the District. The Bonds may be used for school facilities projects such as upgrading older schools, removing hazardous materials, providing modern classrooms, and repairing older classrooms and facilities. The Bonds may also be used for upgrading technology infrastructure and providing modern science labs and career technical facilities. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure J is approved, the Board of the District will appoint a citizens’ oversight committee and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the upgrades, modernization, rehabilitation, or repair of school facilities, infrastructure, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is \$0.06 per \$100 per assessment (\$60 per \$100,000) of assessed value. The final fiscal year in which the tax to be levied to fund these bonds is anticipated to be collected in fiscal 2058-2059.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$500,540,975.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “J” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “J” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “J”

Vote YES on Measure J to provide locally controlled funding to provide safe classrooms and support excellent education for all students in Alvord Unified School District.

Most Alvord Unified schools have not been updated with modern classrooms. Several are 70 years or older, and many were built at a time when asbestos and lead pipes were used during construction. We need to remove these hazardous materials from our schools and update classrooms to meet today's safety and educational standards.

Our students deserve to have the same educational opportunities as others in the region. Measure J will make essential repairs and improvements so that local schools can serve our community well for decades to come.

Measure J will provide safe, modern classrooms, science labs and career technical facilities to support high-quality instruction so students are better prepared for college and good paying jobs in fields like health sciences, engineering, technology, and skilled trades.

Measure J Will:

- Improve campus safety and security systems
- Replace deteriorating roofs, plumbing, outdated electrical and inefficient heating and air conditioning systems
- Provide modern classrooms and labs for career and technology education (CTE) classes, including health sciences, engineering, technology, robotics and skilled trades
- Remove hazardous materials like asbestos and lead paint from older schools

Measure J Requires Strict Fiscal Accountability:

- Project list detailing exactly how the money will be used
- Citizens' Oversight Committee and independent audits are required
- All funds will support local students and cannot be taken away by the State
- Measure J funds cannot be used for administrator salaries or benefits

Whether or not you have school-aged children, maintaining and improving quality education in our local schools is a wise decision. Strong schools help protect the value of our homes and quality of life.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “J”

Everything in the argument in favor is intended to deceive you so you vote away your money.

Everybody knows public unions control the entire public education system in California, even with voluntary membership (Janus v. AFSCME 2018). Are the district trustees union puppets?

Didn't they show you that your kids don't matter to them? Didn't they shut down your schools? Didn't they extort benefits? Didn't they crush learning progress? Didn't they destroy your children's social framework? And NOW they want more of your money? NOW they want you to trust them? Really?

OVERSIGHT? It's fraud. Citizen oversight ends when votes are cast. If you could trust the board, why would you need oversight?

STRICT ACCOUNTABILITY? It's fraud. There is none. When you're not looking, they do whatever they want.

PROJECT LIST? It's fraud. Measure J includes everything under the sun. Read it.

ADMINISTRATOR SALARIES? Of course! Read the fine print!

Pro-bond arguments and rebuttals are written by school bond cartels. Signers are just stand-ins. <http://bit.ly/ElectionCheating>

Less than 15% of your taxes will go to facilities that will still be around by the time the bonds are paid off. At least half goes to wealthy investors.

The entire system is rigged to pass taxes. That's not just our opinion. <http://bit.ly/GrandJury2021>

Vote NO! on Measure J (\$496,000,000 tax).

ARGUMENT AGAINST MEASURE “J”

How much election cheating are you willing to put up with?

What if it's for an allegedly good cause? Does that change your answer?

Do you know all the public officials with duties related to local measure elections? County supervisors, registrar of voters, county counsel, school board that resolves to put measures on the ballots. A lot of public officials, most of them getting salaries you could never dream of.

Are these public officials corrupt? All of them?

Then how do you explain that at every election they all look the other way or point fingers at each other saying that “It’s not my job to enforce measure election laws?”

How is it then, that all these public officials, who you pay, combined, millions of dollars a year, have never (never means not once) put a local measure on the ballot that follows the law? <http://bit.ly/GrandJury2021>

Officials in counties other than Riverside, at least follow some of the laws. But your school board, registrar of voters, county counsel and supervisors do whatever they please.

It's almost like it's a conspiracy. Because the public officials (school board) who start the ball rolling, violate every meaningful law with the knowledge, apparently, that all the other public officials will go along with their corruption.

There are too many broken laws to mention in 300 words, but you can check it out (<http://bit.ly/ElectionCheating>) for all the gory details.

Bottom line: All the public officials would rather have gullible voters force taxpayers, including themselves, to send every dollar they dream up to some government agency or another. It's more for them. Less for you.

Are you tired of been taken for a chump? Vote HELL NO! on Measure J (\$496,000,000 tax).

REBUTTAL TO ARGUMENT AGAINST MEASURE “J”

Political party figureheads who do not even believe in public education simply have no credibility when it comes to the critical repairs and improvements needed in our neighborhood schools. In fact, the two opponents do not even live in our school district.

Here are the FACTs on Measure J:

FACT: Several AUSD schools are 70 years or older and were built at a time when asbestos and lead pipes were used during construction and need to be updated to meet today's safety and educational standards.

FACT: Measure J will repair and upgrade older schools to meet current health and building safety codes and provide proper access for students with disabilities.

FACT: Measure J will improve disaster safety measures, including fire-safety systems and earthquake retrofitting.

FACT: Measure will strengthen campus security and threat prevention/detection, improving school safety.

FACT: We need Measure J to provide College and Career Technical Education programs in science, technology, engineering, and mathematics (STEM) so local students are prepared to success in today's competitive careers.

Local community leaders SUPPORT Measure J because it is fiscally responsible:

- A Project list detailing exactly how all funds are spent is required
- Independent Citizens' Oversight Committee and annual audits
- All funds will support local students and cannot be taken away by the State
- Measure J funds cannot be used for administrator salaries or benefits

Vote YES on Measure J to provide locally controlled funding to provide safe classrooms and support excellent education for all students in Alvord Unified School District.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver's license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently serving in a state or federal prison for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinevcs>) to renew your driver's license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver's license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at [RegisterToVote.ca.gov](https://www.sos.ca.gov/elections/voter-registration/military-overseas-voters/) to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 24: last day to register to vote and request your ballot

November 1: last day to update or change how you want to receive your ballot

November 8: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 15. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
