Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

The last few years have been deeply challenging. And while we all hope the worst of the pandemic is over, the impact will be felt for years.

Now more than ever, we need elected officials who put public service over politics.

I'm the son of farmworkers, who grew up in Coachella.

I'm an emergency physician who ran for Congress to serve people; I'm not a career politician. When I care for patients, it doesn't matter what political party they belong to or whether they are wealthy. All that matters is serving them.

I brought that same commitment to Congress, and continue to do so:

FIGHTING FOR COVID RECOVERY: I helped pass laws that distributed vaccines to everyone who wanted them, delivered \$250 million that allowed local schools to reopen safely, and created a child tax credit that helped 90,000 local families pay for rent, food, and healthcare.

FIGHTING FOR RETIREES AND VETERANS: I promised I would protect Social Security, Medicare, and Veterans' benefits and I've kept my promise. And, I've helped local retirees and veterans collect \$13 million in Social Security and other benefits they'd earned.

FIGHTING FOR AFFORDABLE HEALTHCARE: I wrote a law to improve MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I am working to make prescription drugs more affordable.

We have a lot of work to do; I will not stop until the job is done.

With the economic turmoil facing our country, my goals continue to focus on providing a steady hand to guide our county through these challenging times. EDUCATION AND QUALIFICATIONS:

It's time we audit the Auditor-Controller's office. On May 26, 2022, Riverside County's Grand Jury identified several ongoing failures by the Auditor-Controller's office, putting Riverside County in "unnecessary financial risk." JACULIN PETERSON

OCCUPATION: Retired Navy Chief

EDUCATION AND QUALIFICATIONS:

When my husband and I discovered this beautiful valley in 2010, we knew that we had found the perfect place to retire. Sadly, my husband passed away shortly after we moved to our new home. I thought about moving elsewhere, but I had such a good feeling about Hemet that I decided to stay. What a difference twelve years has made in our community.

What does it say about a place when you're embarrassed to invite your guests out to dinner, or when the City Council rolls out the welcome mat for homeless with severe mental disorders? What it says to me is that we better act quickly to clean up our city before we lose it altogether. I'm committed to taking back Hemet for the good and decent people who love this community and want to see it realize its incredible potential.

I bring to the City Council my 20-year career in the United States Navy, and the organization, discipline and resolve that a Chief Petty Officer must possess. I specialize in solving problems, and I don't waste time in the process. Please join me in my fight to recapture our community.

Thank you for your vote.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF HEMET, DISTRICT 2**

GENE HIKEL

OCCUPATION: Retired Math Teacher

EDUCATION AND QUALIFICATIONS:

As a resident of Hemet for 16 years I have been involved in our community for many years. For example, I was on the Committee that developed Hemet's Master Plan. In addition, I was involved in a citizen's effort to keep the Hemet Fire Department. I have also served on my community's Homeowners Association Board for six years. I led a successful effort to protect Reinhardt Canyon from a dense housing development that would have been dangerous for both Reinhardt Canyon and the Four Seasons Community.

I want to bring common sense to the Hemet City Council. I believe the priorities for local government are public safety (police and fire), roads, parks, and quality city planning. I realize the City of Hemet has financial issues. I will work hard to secure grants from state and federal agencies to meet the needs of Hemet.

I would appreciate your support

IMPARTIAL ANALYSIS OF MEASURE "H"

The City Council of the City of Hemet has placed on the ballot Measure H, which asks the voters of the City of Hemet to adopt an ordinance extending without increasing the City's existing one percent (1%) Transactions and Use Tax previously approved by the voters as Measure U at the general election on November 8, 2016. The City's authority to collect the existing tax will expire in 2027. If Measure H is approved, the City's authority to collect the existing tax will continue until repealed or amended by the voters of the City of Hemet.

The one percent Transactions and Use Tax is a general tax. These tax revenues are collected by the City and may be used for any municipal purpose. On August 23, 2016, prior to the approval of Measure U by the voters, the City Council of the City of Hemet adopted Resolution Number 4703 which stated the City Council's intention to expend all proceeds of tax for enhancing public safety services within the City of Hemet. The City Council reaffirmed this intention on December 13, 2016 following the approval of Measure U by the voters. It is estimated that the tax will generate \$15 million for Fiscal Year 2022-2023.

The one percent Transactions and Use Tax is subject to an independent annual financial audit that occurs alongside the City of Hemet's Annual Comprehensive Financial Report. Beginning in 2020, the City of Hemet implemented an additional level of review known as an Agreed Upon Procedures to provide for an additional level of transparency regarding the revenues and expenditures of the tax. The Annual Comprehensive Financial Report and the Agreed Upon Procedures are reviewed by a Citizen Oversight Committee.

The California Constitution requires that an extension of the one percent Transactions and Use Tax be approved by a majority of the voters voting on the measure. A "yes" vote on Measure H authorizes the City of Hemet to continue collecting the existing tax until repealed or amended by the voters of the City of Hemet. A "no" vote will result in the existing tax expiring in 2027.

CERTIFICATION

This impartial analysis is hereby submitted to the elections official in accordance with Section 9280 of the Elections Code of the State of California.

ARGUMENT IN FAVOR OF MEASURE “H”

Keep Hemet Safe. Vote YES on Measure H.

Six years ago, Hemet voters recognized there was a public safety crisis facing our city – violent crime up 50%, assaults on police officers up 1,100%, gang members, drug dealers, parolees and sex offenders pouring in. Voters approved Measure U to respond to this crisis and protect local residents and businesses.

Because of Measure U, the city has been able to significantly expand police and fire services -- hiring and training new police officers, firefighters, non-sworn employees and support staff -- to enhance public safety services in the city. New technology and upgrades have improved response times, communications and overall safety in the community.

Measure U is also responsible for the expansion of our Police Traffic Bureau, Gang Teams, ROCS - homeless and nuisance response team, reopening of Fire Station 5, enhanced paramedic services, and replacement of aging equipment in both the Police and Fire Departments.

The result has been significant reductions in both violent and property crimes, better trained and equipped public safety personnel and faster emergency response times. Hemet is now recognized throughout the region for its progress in restoring public safety.

But Measure U will soon expire, putting at risk the enhanced public safety services that have made our city safer and more livable.

If approved by voters, Measure H on the November ballot will ensure continued support for these and other critical city services – with no increase in existing taxes.

As has been the case with Measure U, there will continue to be an independent citizens' oversight committee to ensure these funds are used as voters intended – to keep our community safe!

That's why Measure H is supported by seniors, neighborhood leaders, business owners, faith leaders, Republicans, Democrats, police officers, firefighters and concerned taxpayers.

Please join us in voting YES on Measure H to Keep Hemet Safe.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “H”

The City Council and Public Safety Union promoters of Measure “H” are calling it the “Keep Hemet Safe” proposition. Seriously? Ask yourself some very simple questions: Do you feel safer now than you did in 2016? After shelling out \$65,000,000, have Hemet taxpayers received their money's worth? Who do the Measure “H” promoters think they are fooling? Hemet is not safe.

The crime statistics cited by the authors in favor of Measure “H” are not only totally inconsistent with the published FBI reports for Hemet, but they are also completely contrary to our collective common sense. The average Hemet citizen knows precisely how much our community has deteriorated since 2016, and no amount of misleading statistics or public safety dog and pony shows can convince us of some alternative reality. Hemet is not safe.

The promoters of Measure “H” also claim that it has broad-based support, and that Measure “H” is an early reward for doing such great work implementing Measure “U”. The truth is that most of our local business leaders who championed Measure “U” in 2016 don't agree with Measure “H”. Their silence speaks volumes. They know very well -- Hemet is not safe.

Send a message to the City Council that is loud and clear – we want the promised “boots on the ground” to be hired immediately, and we want to know exactly how our \$65,000,000 has been spent. Bring a better version of Measure “H” back within the next four years. Only then can Hemet begin to be safe.

Vote NO on Measure “H”.

ARGUMENT AGAINST MEASURE “H”

In November of 2016, Hemet voters overwhelmingly passed Measure “U” and, as a result, approximately \$65,000,000 to date has been added to the City of Hemet General Fund. Sixty-Five. Million. Dollars. In 2016, the City Council made a promise to the voters that the millions raised by Measure “U” would be spent on public safety, with the number one priority of increasing “boots on the ground” to combat the ever-increasing crime rate. Mayor Bonnie Wright stated in a YouTube video (still available for viewing) that if the voters passed Measure “U” the City would immediately hire 36 police officers. In 2016, there were approximately 54 police officers at that constituted our patrol staff. Six years later, the number is approximately 60. What happened? After taxpayers paid \$65,000,000 we have basically the same “boots on the ground” as in 2016. We held up our end but promises made by the Hemet City Council were definitely broken.

Now the Council is asking voters to re-authorize Measure “U” in the form of Measure “H” except that this time, there is no 10-year expiration. Why now? Measure “U” doesn’t expire until November of 2026. Between Primary and General elections, we have four more opportunities to re-authorize Measure “U.” Why not send the City Council a message and insist that it keeps its original promise before asking taxpayers to trust them with a blank check that will never expire.

Note that Measure “U” funds (an average of approximately \$13,000,000 per year) will still continue until 2026 if voters decline Measure “H.” Let’s hold our City Council accountable. We should know exactly where our \$65,000,000 was spent and we need to see the promised “boots on the ground” fulfilled. Only then should the City Council ask us to tax ourselves further.

Vote NO on this premature Measure “H.”

By: Jaculin “Jackie” Peterson
John Petty

REBUTTAL TO ARGUMENT AGAINST MEASURE “H”

Measure U enabled Hemet to increase public safety personnel and implement new technologies. These funds were spent consistent with the intent of voters, while responding to unforeseen challenges, including pandemic-related recruitment and retention problems that impacted public agencies throughout the state.

We’ve made tremendous progress, including the development of specially-trained teams to address gang activity, homelessness and drug sales. We’ve implemented new technologies to increase efficiency – resulting in reduced crime rates and improved fire and paramedic services.

The small group of opponents that claimed Measure U wasn’t needed are now making the same claims about Measure H. They want our City to wait until a new crisis is upon us before taking the necessary steps to maintain public safety.

But it takes years to recruit and train public safety professionals. If we wait until Measure U expires, the progress we’ve made will be lost, our trained professionals will be recruited away by other cities, and we risk returning to the crisis that existed before Measure U.

Both our residents and our public safety employees deserve to feel secure, knowing Hemet will have the resources to retain existing personnel and attract new talent.

Local sales taxes with no expiration date are in place in over 90% of cities in Riverside County. The threat of Measure U expiring would seriously hinder our ability to avoid layoffs and would undercut efforts to recruit and retain top-quality professionals.

The Measure U Oversight Committee will remain in effect to ensure funds are spent as promised, with transparency and accountability.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver's license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently serving in a state or federal prison for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinevcs>) to renew your driver's license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver's license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.
