Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

TIM SHERIDAN, Democratic
OCCUPATION: Negotiator / Litigator / Instructor
EDUCATION AND QUALIFICATIONS:

AGE: 50

To change Washington, we need to send someone new to Washington. I'm that new person!

When I'm elected:

I will focus on protecting Social Security. If you're a Social Security recipient, you did not receive a cost-of-living increase this year because Congress has continued to mandate the use of an outdated Consumer Price Index (CPI). I will work to change the index to one that will result in a consistent and fairer cost-of-living increase each year.

Second, I will fight to increase pay for our military personnel and to ensure that the Department of Veterans Affairs is fully funded. We have a responsibility to our veterans and I will make veterans issues and their individual needs a priority.

Third, I will introduce legislation to reduce student loan interest rates and promote more reasonable repayment terms — both for current and future borrowers. When students leave college, they should not be saddled with unreasonable payments because of excessively high interest rates on student loans.

Fourth, jobs! I will actively engage with individuals, small businesses and corporations and will initiate measures to bring good-paying jobs to our community, including jobs related to clean energy, those necessary to complete infrastructure repairs and to resolve traffic issues.

Finally, I pledge that when I'm not in Washington, I will be at home in the District to meet and listen to my fellow citizens. I will attend community events and maintain regularly scheduled office hours.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

It's an honor to represent Riverside County in Congress and I stand ready to serve as your voice for a more effective, accountable government in Washington.

Economic opportunity and wage growth continue to be stagnant, that's why I'm leading the effort in Congress to reduce job-killing bureaucrat regulations that create more red-tape than jobs. We need tax reform that lets you keep more of the money you earn.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hard working families.

We must keep Americans safe from all threats. I want to give our military and our law enforcement agencies the assets and ability to eliminate radical Islamic terror threats before they kill innocent Americans. I stand with our police officers and military, who do an extraordinary job everyday.

I voted to stop Obama's Syrian and Iraqi refugee program.

Obama's unconstitutional executive orders and support for pro-amnesty policies only makes our broken immigration system even worse.

I wrote the bill that created E-Verify and I'm leading the effort in Congress to make its use mandatory nationwide.

I proudly authored the bill that helps restore local control of Ontario Airport and got that legislation signed into law.

My priorities include: protecting Americans from radical Islamic extremists, improving our economy; addressing our immigration crisis; and tackling California's water challenges.

I humbly ask for your vote and thank you for the opportunity to represent you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
31ST SENATORIAL DISTRICT**

RICHARD REED, Republican

AGE: 65

OCCUPATION: Attorney

EDUCATION AND QUALIFICATIONS:

If you have never heard of me, it's because I am not a career politician. I was a public school teacher for over ten years and have owned three businesses, all of them in Riverside. As an attorney, I have advocated for property rights and championed, before the court of appeal, the 1st Amendment right of voters to place a measure on the ballot without interference from the government. I do not believe in government-as-usual.

I believe in: smaller government and fewer regulations; local control and lower taxes; better roads and more water.

Smaller government: California government is a business-hostile bureaucracy that stifles entrepreneurship with red tape and misplaced subsidies.

Local control: Communities should be allowed greater self-determination in determining policies that impact local businesses and resources. Keep control and tax dollars local.

Better roads: Transportation is essential to economic prosperity. Well-maintained highways allow businesses to operate more efficiently and reduce costs to the consumer.

More water: Northern California gets sufficient annual rainfall to keep the state's reservoirs full. Over a century of repeated droughts should have taught the legislature not to rely on snow-melt in the Sierra Nevada Mountains to supply the state with water that is vital to agriculture and to residents.

We have the means to solve our water problems. In the 21st Century, more droughts and famines are caused by governments than by nature. Please vote for me in November and vote against government-as-usual.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

SABRINA CERVANTES, Democratic
OCCUPATION: Assembly District Director
EDUCATION AND QUALIFICATIONS:

SABRINA CERVANTES is a lifelong Riverside County resident, who serves as a local District Director for the State Assembly. In this role, she works with community organizations and businesses to strengthen our regional economy, improve our public schools, and protect funding for services that our seniors and veterans rely on.

We need a new leader, SABRINA CERVANTES, who will fight for working families and the middle-class, not the special interests and lobbyists that already have too much power in Sacramento.

SABRINA CERVANTES is strongly supported by local nurses and school employees because she has a proven record of fighting for the issues that matter most to middle-class families. Her campaign has also earned the endorsements of Attorney General Kamala Harris, Congressman Mark Takano, State Senator Richard Roth, former Riverside Mayor Ron Loveridge, and community leaders from Corona, Eastvale, Jurupa Valley, Norco, and Riverside.

SABRINA CERVANTES earned her Bachelor of Arts Degree from the University of California, Riverside, and she completed an executive education program at the Kennedy School of Government at Harvard University. She is also a leader in local non-profit organizations.

"I'm running for State Assembly to protect the promise of California for the middle-class, and I will fight to ensure that those who work hard are able to succeed and provide the best possible opportunities for their families. I would be honored to earn your vote."

CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, RIVERSIDE COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 1	CANDIDATE STATEMENT FOR GOVERNING BOARD MEMBER, RIVERSIDE COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 1
BILL HEDRICK OCCUPATION: Educator EDUCATION AND QUALIFICATIONS: I successfully served the Corona-Norco-Eastvale communities for 22 years as a member of the Corona-Norco Unified School District Board of Education. Our district grew from 17,000 to 54,000 students; we built new schools and renovated others. We introduced innovative programs. Today CNUSD is recognized as one of the best districts in the nation. I was proud to bring unique foreign language options, JrROTC, Advancement Via Individual Determination (AVID), and JFK Middle College High School to our district. We built Roosevelt High and renovated and expanded Norco High and Corona High. And, CNUSD made significant progress closing achievement gaps for the economically disadvantaged. Our local community college, Norco College, is a wonderful institution but it needs an advocate. Put me to work on your behalf to highlight the excellent programs in place and to work with the faculty to expand opportunities for students. Let me work to improve student services and student recruitment. Allow me to pursue ways to improve traffic flow around the campus. Norco College, already excellent, can be the best! As in the past, I will be available to you. I can be reached at 951-737-0734, or at www.billhedrickforrccd.com. I worked hard with colleagues and educators to bring distinction to CNUSD. I will do the same as your representative on the community college board.	AGE: 40 NATHAN A. OCCUPATION: Parent / Community Volunteer
EDUCATION AND QUALIFICATIONS:

As a mother of five who unequivocally believes in the value of public education and is deeply vested in our community and my children's school, I am very excited about the possibility of serving on the CNUSD School Board.

I am involved within our community in many ways, including being an active member of our PTA and our School Site Council. My passion and dedication for all students can be seen in my commitment in attending all CNUSD meetings and advocating for student services. I have expressed my concerns with the budgeting process, and I am objective, fair, and appreciative of the diverse needs of the CNUSD and our community.

District 5 is split between incorporated and unincorporated communities, but we all share common issues like traffic congestion and over crowded classrooms. With future development coming in both the city and the county, we need to be pro-active with student needs and school sites instead of reactive. If elected, I will come with an open mind and the energy necessary to perform all of the functions of a school board member and be an active representative for the parents and students of our community.

I would appreciate your vote.

CHAD MORGAN

AGE: 37

OCCUPATION: Businessman / Attorney
EDUCATION AND QUALIFICATIONS:

My wife and I choose south Corona/Temescal Valley to raise our family in large part because of its great schools. I started my business here and volunteer as a Corona-Norco AYSO coach/board member and coach Temescal Valley Little League softball. Our daughters attend CNUSD's Todd Academy, and it won't be long before they join other students in the region with 30-minute commutes to overcrowded high schools.

I'm running for school board not only to ensure our schools are as good tomorrow as they are today but also to fulfill a 10-year-old promise to use south Corona and Temescal Valley Mello-Roos taxes to build a local high school. This will ease overcrowding throughout CNUSD, reduce traffic, and shorten commute times.

For much of my professional career, I worked as an advisor to local government officials. Today, I help individuals and businesses solve problems with government. Building a high school isn't easy, but I have the experience needed to solve the complex puzzle necessary to make it happen.

I'm honored with support from Riverside County Supervisor Kevin Jeffries, former Corona Mayor Jeff Miller, and countless parents, teachers, and neighbors throughout the district.

JASON SCOTT

OCCUPATION: Mayor / School Principal
EDUCATION AND QUALIFICATIONS:

As Corona's Mayor, I am proud of the work I have been able to accomplish on City Council over the past eight years.

We have improved roads, synchronized traffic signals, and acquired transit buses – all to make getting around Corona a little easier. Our efforts brought the \$1.3 billion 91 freeway project and the Foothill Parkway extension. I admit the construction is frustrating, but the improvements will benefit us all. The good news is the freeway project will be finished in 2017.

We've helped create hundreds of new jobs in Corona, bringing new businesses to town and helping others expand, by simplifying how companies work with the City.

Keeping Corona safe will always be a top priority – and it shows, as Corona was recently named the 13th Safest City in America.

We have maintained a balanced budget every year I have served on Council, and done so without raising taxes.

I'm running for re-election to continue the work I started - improve traffic circulation, create more jobs, keep the community safe, and maintain a balanced budget.

I'm proud to be supported by Corona's Police Officers, Firefighters, and the Inland Empire Taxpayers Association.

I hope I have earned your vote.

ALEX GARCIA

OCCUPATION: Business Owner Operator
EDUCATION AND QUALIFICATIONS:

Alex Garcia is a thirteen year resident of Corona. He is a homeowner, and owns a business in the city as well.

Alex understands the challenges facing residents and business owners. Corona is a wonderful community to live, work, and raise a family, however, state and federal policies are impacting Corona's quality of life.

Corona needs to strengthen public safety in this time of early release of criminals from state and county jails. We need to be more creative in the conservation and maintenance of our city water, sewer and electric services. We need to protect our low tax rates and we need to do a better job of planning our transportation improvements to make them less inconvenient for Corona residents.

As a successful businessman in Corona, Alex knows how to balance a budget, get the best bang for the buck and balance the needs of the residents and the business community. A healthy local business climate will mean lower taxes and better city services for everyone.

Alex Garcia is committed to Corona's success. He will be a thoughtful, independent voice on the Corona City Council.

CHAD WILLARDSON

OCCUPATION: Financial Management
EDUCATION AND QUALIFICATIONS:

I'm running for Corona City Treasurer because I believe Corona taxpayers deserve a financial leader with the highest order of expertise and ethics.

As a taxpayer, you can have confidence in my 14 years of experience being entrusted to make sound financial decisions for families and businesses just like yours, managing over \$100 million. I'm not a politician.

After a successful career at a major wealth management firm, I started my own business, Pacific Capital, in Corona in 2011 in the midst of the recession. I know what it takes to succeed in today's fragile economy. Corona's budget is barely balanced and cannot afford an inexperienced Treasurer managing the security of your \$230+ million account. I'm an Accredited Wealth Management Advisor, Certified Retirement Planning Counselor and member of the National Ethics Association.

Corona is the community where my wife and I built a successful business and are raising our five children. I've demonstrated financial leadership in our community by serving on the Corona-Norco School District's citizen oversight committee, serving as president of my HOA, and in leadership of my church. I'm the only candidate endorsed by Corona's current City Treasurer.

I humbly ask for your vote and your trust as Treasurer.

Hello, my name is Michael Daly.

I recently became a parent, and I am worried about the future of our water supply and how it is going to affect our children.

I was born and raised locally and graduated from University of California, Riverside with Bachelors degrees in both Religion and History. Being the first in my family to graduate college, I understand hard work and American values.

California has passed along its water problems unto the backs of everyday hard working Americans by raising water rates and introducing water taxes without any real plan of how to get out of this mess. This is not ok.

We are five years into this drought and our elected officials have no plan. That is unacceptable for our community. We must change leadership—now.

Let's change the direction of our community and lower our taxes and water rates – I'm ready to do just that for our community and for our kids.

During this time of critical water shortage, it is essential to elect a board member who embraces innovative conservation efforts, transparency, and accountability. I proudly serve on the executive board of the State Coalition of Probation Organizations. I have extensive experience working for the safety of law enforcement personnel through proactive legislation. I pride myself in my commitment to my community and have a long history of family members doing the same.

Since the 1970's, my family has been deeply engaged with local water management, helping create manmade wetlands in the Prado Basin, which is now used to help filter the Santa Ana River water. My goal is to promote collaborative partnerships and efforts between the community and WMWD.

Thanks to All, who made a commitment to Water Conservation and used water wisely, during the drought in our region.

As, Western's Board President, my commitment has been to insure a reliable water supply system serving our area, presently and in the future. We must develop more local resources, there-by reducing costly imported water from Northern California.

I have supported water conservation programs with Corona and with local schools by providing funds for turf removal and educational student projects. Also, working with agencies, Western has developed water recycle, several inter-agency exchanges, groundwater replenishment and desalination projects.

A local resident, since 1964, I have served as Mayor, Councilman, Western's Board member, and on Transportation, Economic, Education, Health, Housing, Environmental, Recreation, Civic and Community Organizations to improve our quality of life in the area.

IMPARTIAL ANALYSIS OF MEASURE “N”

The City Council of the City of Corona has placed Measure N on the ballot to ask voters if Ordinance No. 3236 should be approved to change the way in which Corona elects its City Council Members.

Historically, Corona’s City Council Members have been elected under an “at-large” election process, meaning that each is elected by the voters of the entire City and each can reside anywhere in the City. If approved, Measure N would create five Council electoral districts and would require that the voters of each district elect one Council Member who also resides in that district. This is known as a “by-district” election process.

The City Council, with the assistance of City staff and a demographics expert, conducted several public workshops and Council hearings to gather community input regarding by-district elections and proposed maps to delineate the boundaries of each Council electoral district. As a result, the map attached to Ordinance No. 3236 was selected for consideration by the voters.

Measure N would not have any impact on the terms of the current City Council Members or those elected in 2016, who would continue in office until the expiration of their terms.

If Measure N is approved by a majority of the voters, the first by-district elections for Districts 1, 4 and 5 would be held at the November 2018 General Election. The first by-district elections for Districts 2 and 3 would be held at the November 2020 General Election. Council Members would continue to serve four year terms.

If Measure N is not approved by a majority of the voters, the City will retain its at-large City Council election process. It is possible that the City could thereafter face a legal challenge under the state or federal Voting Rights Acts to require the City to change to a by-district City Council election process, but whether such a challenge would be successful depends upon many factors, some of which are unknown.

By: City Attorney

The above statement is an impartial analysis of Measure N. If you desire a copy of the measure, please call the elections official's office at (951) 736-2201 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “N”

For over a century, Corona's five city council members have been elected on an “at-large” basis, with all voters casting ballots for all candidates. Measure N will change that by dividing the city into five districts; one council member will represent each district and the citizens will vote only for candidates who actually live within their own districts.

Measure N is the solution for Corona.

Here's why:

- **It's Local.** Voting YES on Measure N will mean that all Corona residents will be represented by city council members who live in their neighborhoods.

- **It's Fair.** Voting YES on Measure N will reduce the influence of special interest groups and will lead to equitable representation for all neighborhoods.

- **It's Smart.** Voting YES on Measure N will cost nothing.

Since the early 1970s, many Corona residents have supported transitioning to by-district elections. In the summer of 2015, a group of your neighbors became involved in every step of the process to ensure that the resolution and the proposed district map were true reflections of us and our growing city. That proposed map is overwhelmingly favored by the residents who participated in this process.

Should Measure N pass, we will vote for three council members by districts in 2018 and the remaining two in 2020.

Passage of Measure N will bring Corona into compliance with state law – the California Voting Rights Act (CVRA).

The fact is, if Measure N does not pass, Corona will be subject to expensive class-action litigation that will force us to go to by-district elections – but without local resident input.

Other cities have spent millions of dollars in litigation and settlements, only to lose. We can't afford that.

We ask you to please vote YES on Measure N!
