Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United vs. Comisión Federal Electoral* (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Pharmacist / California Senator

EDUCATION AND QUALIFICATIONS:

Washington is broken and Congress must share the blame. The \$20 trillion debt; the expanding threat of ISIS and Islamist terrorism; the failed healthcare system; the constant calls for high taxes - these problems are all products of politicians who have failed their oath of office, failed their country and us.

We can't expect change unless we're willing to vote for leaders committed to doing what's right, even when it means shaking up the status quo. I am running for Congress to do exactly that and give you the representation you deserve.

As your new representative in Congress, I will work to:

- Grow our economy to create good paying jobs; reduce regulations and protect American business and American workers.
- Repeal dangerous "deals" with countries like Iran that sponsor terrorism, murder members of the LBGT community and seek to destroy our friend Israel.
- Stop government from interfering too much in our lives and businesses.
- Increase and improve services for Veterans, military personnel and their families.
- Stop tax increases - you already pay too much - and balance the budget by cutting waste and bureaucracy.

I am a husband, father, grandfather pharmacist, small business owner and citizen-Senator. I am dedicated to keeping our nation safe, protecting your constitutional rights and improving our economy.

I'm proud to be endorsed by the Riverside Sheriffs Association, District Attorney Mike Hestrin, Riverside County Treasurer Don Kent, four County Supervisors and more than 70 elected public servants. I would be honored to receive your vote.
Thank you.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ M.D., Democratic

OCCUPATION: Congressman, Emergency Physician

EDUCATION AND QUALIFICATIONS:

I am not a career politician, and never will be. I'm an emergency physician who ran for office to serve people in our communities, just like I have for my entire adult life.

As a doctor, I'm trained to put people first:

I REPEATEDLY SUPPORTED STRENGTHENING OUR FIGHT AGAINST TERROR: I strongly oppose allowing Iran to develop nuclear weapons, and I supported tougher sanctions against Iran if they test new missiles or arm terrorists.

I STOOD UP AGAINST CUTS IN SOCIAL SECURITY AND MEDICARE: I promised that I would never vote to cut Social Security or Medicare benefits, and I've kept my promise.

I STOOD UP FOR VETERANS: I sponsored a "Veterans University" to help local vets learn about the benefits and resources they've earned. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

I OPPOSED PERKS FOR MEMBERS OF CONGRESS: I will vote against any pay raises for Congress, and I wrote legislation to prohibit Members of Congress from using taxpayer money to fly first class and lease luxury vehicles.

I FOUGHT TO MAKE SURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE. As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions, and to help people keep their existing policies under the new health care law.

We can't afford more partisan gridlock in Washington. That's why I'd be honored to have your support.
Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

MIKE MORRELL, Republican

OCCUPATION: Business Owner / Senator

EDUCATION AND QUALIFICATIONS:

After owning a business for 25 years, I ran for the State Legislature with the goal of restoring California to its greatness by limiting government power, ranking the citizens above the state, and improving our business and educational climate.

My wife Joanie and I have lived in this area all our lives. We were married here, we own a home here, in 1989 we opened a business here, and we raised our children David, Kristen and Matthew here. We believe it is our duty as parents to leave the Inland Empire a better place than we found it for future generations.

Since being elected, I've kept my word to the voters, working for the families of the Inland Empire, opposing proposals that would drive up the already high cost of living, keeping property taxes low, stopping several billion in tax increases, working on upgrading education standards, and passing legislation to improve the lives of veterans.

Government's job is to work for us, not against us: to provide more freedom and opportunity, not less. Citizens thrive when we keep more of the money we earn, so we can invest in our lives and the lives of our loved ones.

I am deeply committed to these principles and I have worked hard to serve you. I would be honored to receive your vote on November 8th. I will continue my efforts in making government efficient and effective.

Sincerely,

Mike Morrell

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican

AGE: 39

**OCCUPATION: Member of the State Assembly
EDUCATION AND QUALIFICATIONS:**

Two years ago, I was honored to receive your trust to provide our community a stronger voice in Sacramento. I'm proud that my reputation as an independent minded leader allows me to reach across party lines to get things done.

As Assembly Republican Leader, I negotiated directly with Governor Brown to pass a bipartisan compromise measure to reduce the cost of healthcare for Californians by \$100 million, reduce state debt by \$400 million and dedicate \$175 million toward fixing our broken roads and bridges.

Further, I've made fighting for middle class Californians a priority. From working to expand the child care tax credit so more families can afford child care to supporting career and technical training to elevate workers from minimum wage jobs into good paying, meaningful careers.

Together, we have accomplished a lot, but there is more to do.

To ease our water problems we must build more reservoirs to increase storage and ensure a safe, reliable water supply. We must reform California's teacher tenure system to ensure our students are taught by the very best.

I believe anything is possible in a society that opens up opportunity equally for all and provides the freedom to achieve our dreams.

While we've made progress, it's clear that we have more work to do to move beyond Sacramento's closed system and towards an open government that empowers each of us to succeed in this new dynamic economy.

The world is changing; let's change it for the better.

MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

GREG RODRIGUEZ, Democratic

**OCCUPATION: Community Health Manager
EDUCATION AND QUALIFICATIONS:**

I was raised in Southern California by a single mom who worked three jobs. I learned the values of personal responsibility and a strong work ethic early on. I worked my way through college studying economics and political science. Twenty years ago, I left work to become a full-time father after adopting my autistic nephew and another son who had been in five different foster homes before he was four. I am the only candidate in this race who has had children and knows the challenges parents face. I fought for solutions for children with developmental disabilities and improving education. I became District Director for Congressman Raul Ruiz and spent two years leading a team that delivered unparalleled constituent services to veterans, seniors, and other residents.

I am running for State Assembly to take my passion for solutions to Sacramento to get the results we need here in our district. With my passion for service I will work to create jobs, reduce crime, invest in renewable energy, strengthen our education system, create long-term solutions for water shortages and the Salton Sea, and most importantly to me, address our mental health and homeless issues in our district.

You can count on me to represent you and achieve results for everyone. Visit gregrodriguez.com. I would be honored to have your vote.

SHELLIE MILNE
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

As I listen to Third District voters, I hear a consistent and powerful message – citizens are tired of career politicians who come from within the political establishment, promising much but delivering nothing.

I'm a person of action -- family farmer, mother of six, and a small construction business owner. I know what it takes to live within a budget and make a payroll. I arrive at decisions and govern based upon conservative, common sense, bottom-line business principles.

I believe in limited government, fiscal responsibility, free markets, lower taxes, private property rights, and the Second Amendment. The most important role for government is to protect its citizens – All Lives Matter. As a member of the Board of Supervisors, my votes will always be consistent with these core values.

I have fought and won battles imposing term limits, enacting illegal immigration restrictions, reducing city council compensation, and requiring competitive bids for municipal services. I am also one of a select few in the entire State of California who has earned the official endorsement of the Howard Jarvis Taxpayers Association.

Please join me in my fight to limit the frivolous spending and fiscal abuses of Riverside County bureaucrats. Thank you for your vote.

MEASURE "Y" – SAN JACINTO UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND PROPOSITION

SAN JACINTO UNIFIED SCHOOL DISTRICT CLASSROOM SAFETY, RENOVATION, REPAIR AND CONSTRUCTION MEASURE

This Proposition may be known and referred to as the "San Jacinto Unified School District Classroom Safety, Renovation, Repair and Construction Measure" or as "Measure Y".

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the San Jacinto Unified School District (the "District") shall be authorized to issue and sell bonds of up to \$44,900,000 in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled "BOND PROJECT LIST" below (the "Bond Project List"), and qualify to receive State of California matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code (the "Education Code")).

Evaluation of Needs. The Board of Trustees of the District (the "Board") has prepared an updated facilities plan in order to evaluate and address all of the facilities needs of the District at each campus and facility, and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitations on Use of Bonds. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, including, to the extent permitted by law, the acquisition or lease of real property in connection with an existing or future financing of the specific school facilities projects listed in the Bond Project List, including the prepayment of existing or future interim lease, certificate of participation or lease revenue bond financings, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

Independent Citizens' Oversight Committee. The Board shall establish an independent citizens' oversight committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board. In accordance with Section 15282 of the Education Code, the citizens' oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens' organization, a member active in a bona fide taxpayers' organization, a member that is a parent or guardian of a child enrolled in the District, and a member that is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizen' oversight committee.

Annual Performance Audits. The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Annual Financial Audits. The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Special Bond Proceeds Account: Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board no later than January 1 of each year, commencing January 1, 2018, stating (a) the amount of bond proceeds received and expended in that year, and (b) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Joint-Use Projects. The District may enter into agreements with other public agencies or nonprofit organizations for joint use of school facilities financed with the proceeds of the bonds in accordance with Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that bond funds will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board shall determine.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and proceeds of the bonds shall be spent only for such purpose, pursuant to California Government Code Section 53410.

Bonds May be Issued in Excess of Statutory Bonding Limit. Issuance of all of the authorized bonds might require the outstanding debt of the District to exceed its statutory bonding limit of 2.50% of the total assessed valuation of taxable property in the District. In that event, the District

intends to seek a waiver of its bonding limit from the State Board of Education, which has the power to waive certain requirements of the Education Code applicable to the District. By approval of this proposition, the voters have authorized the District to seek such a waiver, and to issue authorized bonds in excess of the 2.50% limit as the State Board of Education may approve. No such waiver has yet been sought or granted.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

BOND PROJECT LIST

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of the bond proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition. Listed projects will be completed as needed at a particular school or facility site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. Any authorized repairs shall be capital expenditures. The Bond Project List does not authorize non-capital expenditures. Each project is assumed to include its share of costs of the election and bond issuance, construction-related costs, such as project and construction management, architectural, engineering, inspection and similar planning and testing costs, demolition and interim housing costs, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to and necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds expected from non-bond sources, including State of California grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds of the bonds under this proposition are as follows:

Approval of Measure Y does not guarantee that the proposed project or projects in the San Jacinto Unified School District that are the subject of bonds under Measure Y will be funded beyond the local revenues generated by Measure Y. The District's proposal for the project or projects assumes the receipt of matching State funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

MEASURE "Y"
TAX RATE STATEMENT

An election will be held in the San Jacinto Unified School District (the "District") on November 8, 2016, to authorize the sale of up to \$44,900,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.039 per \$100 (\$39.00 per \$100,000) of assessed valuation in fiscal year 2017-18.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.039 per \$100 (\$39.00 per \$100,000) of assessed valuation in fiscal year 2025-26.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.039 per \$100 (\$39.00 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year that the bonds remain outstanding.
4. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$98,780,000.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply, and the actual total debt service, may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE “Y”

The Board of Education (“Board”) of the San Jacinto Unified School District (“District”) by adopting Resolution No. 16-17-01 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of forty four million nine hundred thousand dollars (\$44,900,000).

This Measure was placed on the ballot by the Board of the above-identified District.

The Bonds would be used by the District on District wide projects to renovate, rehabilitate, repair and modernize buildings, electrical systems, security systems, technology infrastructure, and acquire renewable energy and energy saving systems. The Bonds may also be used to acquire, upgrade, renovate and/or replace buildings, classrooms and infrastructure at certain elementary, middle and high schools. The Bonds may be used to acquire and construct a new schools designed to house 1,000 to 1,500 students. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure Y is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest rate and the maximum term of the Bonds, or any series thereof, will not exceed maximum number of years from the date of the bond. The best estimate of the total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$98,780,000.

Approval of Measure Y does not guarantee that the proposed project or projects in the District, that are the subject of the Bonds under Measure Y, will be funded beyond the local revenues generated by Measure Y. The District’s proposal for the project(s) assumes the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “Y” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “Y” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “Y”

If you value the local quality of education – whether to prepare children for college and successful careers, keep kids out of trouble, or simply to protect your property values – there’s nothing more important on the November ballot than **VOTING YES on Measure Y.**

San Jacinto Unified schools work hard educating local children. And, after years of constant use as the “hub” of our community, they need attention. Some schools need major renovations. Others are overcrowded. All schools need upgrades for 21st century instruction.

Measure Y authorizes a prudent plan to upgrade SJUSD schools so college bound students can properly prepare, and career bound students seeking jobs immediately after graduation, can get the job training they need. NO other funding currently exists to upgrade these facilities.

Measure Y will:

- **Renovate** career-training facilities for science, technology, engineering, math and skilled trades
- **Repair** deteriorated roofs, plumbing, HVAC, lighting and electrical systems
- **Modernize** classrooms and educational technology for 21st century instruction
- **Upgrade** labs and equipment to meet rising college/university admission requirements
- **Construct** new classrooms and school facilities to accommodate enrollment growth
- **Improve** school safety and security, including access for disabled students

ALL MEASURE Y FUNDS STAY LOCAL for SJUSD schools. The State CAN’T take this funding away.

Taxpayer protections are REQUIRED. NO funds are allowed for administrators’ salaries. Independent Citizens’ Oversight and mandatory audits are required for fiscal accountability.

Maintaining local school facilities is a wise investment. Good schools protect property values. VOTING YES leverages your investment even further – passage of Measure Y qualifies our community for millions in State matching funds.

Stand with SJUSD teachers, parents, alumni, boosters, and civic and business leaders across the San Jacinto Valley who are VOTING YES on Measure Y – for our children, for our community.

Please VOTE YES on Y – at the bottom of your ballot.

IMPARTIAL ANALYSIS OF MEASURE “U”

The City of Hemet placed Measure U on the ballot seeking voter approval of a 1% transactions and use tax (hereinafter, the “tax”) to be used for general municipal services and all lawful public purposes of the City of Hemet.

If Measure U is approved, a one cent per dollar tax will be levied on the sale of all tangible personal property sold at retail within the City of Hemet, as well as upon the storage, use or other consumption of tangible personal property purchased from any retailer within the City of Hemet. The tax would be collected in the same manner and at the same time as sales taxes. Proceeds of the tax will be deposited in the City’s general fund and will be subject to the same independent annual audit as other general fund revenue.

Measure U requires the creation of a “Citizens’ Oversight Committee” to furnish independent advisory review of the expenditure of the tax revenues. The Committee will meet at least twice per year and its meetings will be subject to the Ralph M. Brown Act. The Committee will consist of seven members, all of whom are residents of the City or its sphere of influence, or own a business having its primary offices located in the City. Committee members will be appointed by the City Council for a two-year term. The Committee will annually review and report on the City’s proposed and actual expenditure of the tax proceeds, which will be submitted to the City Council for review at a noticed public meeting. The Committee will also review the required independent annual audit prior to its final review by the City Council.

California Revenue and Taxation Code section 7285.9 authorizes the City of Hemet to levy the proposed tax if the ordinance proposing the tax is approved by a two-thirds vote of the City Council and a majority of the voters. The Council approved the tax ordinance for submittal to the voters by a 4-1 vote on July 26, 2016. If approved by a majority of the voters, the ordinance would take effect on March 1, 2017 and would continue for a period of ten (10) years thereafter. The tax will be automatically repealed effective March 1, 2027 if not extended by a vote of the people.

ARGUMENT IN FAVOR OF MEASURE "U"

There's a public safety crisis in Hemet.

- #1 in murders in Riverside County.
- Violent crime is up 50%,
- Trespassing and Disturbing the Peace calls up 1,025%.
- Assaults on police officers up 1,100%.
- Gang members, drug dealers, parolees and sex offenders are pouring into Hemet.
- Hemet has 25% fewer police officers today than in 2010.

Last year, Hemet Fire Department responded to 16,171 calls for medical, rescue and fire emergencies, the most per capita in California.

- Since 2008, Fire Department staffing cut 40%.
- Fire Station 5 in eastern Hemet is without a fire engine, and not all fire stations have paramedics on duty.

With a decline in property and sales tax revenue caused by the Great Recession, the City lacks the resources to confront our public safety crisis.

California State Audit found no malfeasance and validated that the lack of revenue has drastically impacted public safety.

More boots on the ground will force criminals to go elsewhere and keep Hemet safe!

Measure U provides opportunities to:

- Add 39 new police officers patrolling neighborhoods
- Ensure faster 911 emergency response
- Restore police anti-gang and anti-drug units
- Expand tracking of parolees and sex offenders
- Provide paramedics at every fire station
- Restore Fire Engine Company at Station 5

Measure U adds 1¢ to the sales tax on every dollar spent, generating \$10 million annually providing opportunities for public safety, much of it paid by shoppers from outside our city.

Temecula, Menifee and Riverside are all fighting crime with new sales taxes. If we don't, Hemet will get even worse as all their criminals will scurry to our corner!

- Do U feel safe?
- Do U want to be safe?
- Then U should vote YES on U!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "U"

Mark Twain said it best – "There are lies, damned lies, and statistics." Percentage increases are inherently deceptive and the pro-tax folks are using every trick in the book to scare voters into passing this tax. THIS IS NOT A PUBLIC SAFETY TAX. Even the Howard Jarvis Taxpayers Association has weighed in by calling Hemet's public safety linkage an "offensive proposal" and further stating that "Tax elections should not be manipulated by promising the voters a specific purpose while evading the 2/3 vote needed to pass a special tax."

The pro-tax promoters are asking voters to sign a blank check. The increased revenue will be the highest in Hemet history and can be used for anything that a mere three members of the Hemet City Council deem worthy. Given their pitifully poor track record, providing more taxes will only promote and encourage further wasteful spending.

The current City Council majority has clearly shown they favor the unions over the taxpayers. And why shouldn't they – the unions are responsible for putting them into office. When U think of Measure U, think Unions and how they currently control our City Council. Their astronomically high salaries and benefits tell the story behind this tax. DON'T BE FOOLED.

Voters need to demand proper management and strict accountability – not pay more taxes. We currently have no accountability in the City of Hemet. You can change that with this election. When the pro-tax forces say they know best how to spend your taxes, just say -- NO "U" DON'T.

ARGUMENT AGAINST MEASURE “U”

NO “U” DON’T.

After spending more than \$300,000 in a failed June tax measure; the union-controlled special interests and their County friends (who won’t pay the tax) are back at it again with a 12.5% sales tax increase that goes directly into the General Fund and can be spent in any manner the City Council deems appropriate for the next ten years. THIS IS NOT A PUBLIC SAFETY TAX. Don’t be fooled.

The legacy of failure for the past 10 years is instructive for one to confidently cast a vote opposing this tax. Ridiculous real estate purchases, City Manager payoffs, City Union giveaways, and more overpaid consultants than one can count – all have contributed to our the current financial mess. The chickens have finally come home to roost and we taxpayers are being pressured to write the bailout check. Just say NO.

Know that when our non-resident Police Chief spends his time promoting new taxes, he is the highest paid Hemet employee making over \$315,000 per year in salary and benefits. He is protecting his pension first and foremost. Our Fire Chief is a double-dipping public retiree who is paid more than \$400,000 with his Orange County pension and Hemet salary. More than 32 of our Hemet safety employees make more than \$200,000 per year. Thanks to prior city councils that have put union demands above the interest of the taxpayers, Hemet now has an unfunded pension liability exceeding \$132,000,000. ENOUGH.

A sales tax increase is most unfair to retirees on fixed incomes. Ask yourself why an increase in sales taxes as opposed to property taxes is being proposed. The answer lies in those who support it from the County area to the east.

Hemet voters need to reject this tax and elect City Council members who will represent the taxpayers and not the local unions.

REBUTTAL TO ARGUMENT AGAINST MEASURE “U”

Do you feel Safe?

Opponents of Measure U are willing to compromise your safety in order to pursue their narrow political agenda. They offer no solutions to stop crime in our city, just political attacks on public employees.

Criminals have overrun Hemet. The city does not have the resources to adequately fight crime. Measure U gives us the resources to control our own destiny, adding more boots on the ground patrolling our neighborhoods, restoring Hemet’s quality of life and allowing us to feel safe in our homes.

Opponents of Measure U claim a sales tax is unfair to low-income residents. The truth is that the sales tax exempts necessities like food and prescription drugs, and much of the revenue it generates will come from people who shop here but live outside our city.

Opponents’ alternative — a property tax increase — would hurt seniors on fixed incomes far more than a small increase in the sales tax.

You know we have a crime problem in Hemet, it impacts you, your family, your property values and your quality of life - and if we do nothing it will just get worse. **OPPONENTS OF MEASURE U OFFER NO SOLUTIONS,** just political attacks.

Measure U is supported by people who care about their hometown and want to make it safe again — every major church organization, the Chamber of Commerce, local Republicans and Democrats, physicians, retail store owners, and individuals from every income level.
