Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United vs. Comisión Federal Electoral* (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

TIM SHERIDAN, Democratic **AGE: 50**
OCCUPATION: Negotiator / Litigator / Instructor
EDUCATION AND QUALIFICATIONS:

To change Washington, we need to send someone new to Washington.
I'm that new person!

When I'm elected:

I will focus on protecting Social Security. If you're a Social Security recipient, you did not receive a cost-of-living increase this year because Congress has continued to mandate the use of an outdated Consumer Price Index (CPI). I will work to change the index to one that will result in a consistent and fairer cost-of-living increase each year.

Second, I will fight to increase pay for our military personnel and to ensure that the Department of Veterans Affairs is fully funded. We have a responsibility to our veterans and I will make veterans issues and their individual needs a priority.

Third, I will introduce legislation to reduce student loan interest rates and promote more reasonable repayment terms — both for current and future borrowers. When students leave college, they should not be saddled with unreasonable payments because of excessively high interest rates on student loans.

Fourth, jobs! I will actively engage with individuals, small businesses and corporations and will initiate measures to bring good-paying jobs to our community, including jobs related to clean energy, those necessary to complete infrastructure repairs and to resolve traffic issues.

Finally, I pledge that when I'm not in Washington, I will be at home in the District to meet and listen to my fellow citizens. I will attend community events and maintain regularly scheduled office hours.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

It's an honor to represent Riverside County in Congress and I stand ready to serve as your voice for a more effective, accountable government in Washington.

Economic opportunity and wage growth continue to be stagnant, that's why I'm leading the effort in Congress to reduce job-killing bureaucrat regulations that create more red-tape than jobs. We need tax reform that lets you keep more of the money you earn.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hard working families.

We must keep Americans safe from all threats. I want to give our military and our law enforcement agencies the assets and ability to eliminate radical Islamic terror threats before they kill innocent Americans. I stand with our police officers and military, who do an extraordinary job everyday.

I voted to stop Obama's Syrian and Iraqi refugee program.

Obama's unconstitutional executive orders and support for pro-amnesty policies only makes our broken immigration system even worse.

I wrote the bill that created E-Verify and I'm leading the effort in Congress to make its use mandatory nationwide.

I proudly authored the bill that helps restore local control of Ontario Airport and got that legislation signed into law.

My priorities include: protecting Americans from radical Islamic extremists, improving our economy; addressing our immigration crisis; and tackling California's water challenges.

I humbly ask for your vote and thank you for the opportunity to represent you.

MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

JORGE LOPEZ, Democratic **AGE: 45**
OCCUPATION: Supply Chain / Businessman
EDUCATION AND QUALIFICATIONS:

U.S. Marine Corps Veteran, Business Owner, Supply Chain Specialist, Son, Husband, Father and Foster Parent. Each one of those labels implies an obligation that qualifies me to represent you in the State Assembly: service, leadership, budget driven, caring, sympathetic, compassionate and kind.

My desire to serve the people of our district is rooted in my up-bringing. Eldest of five, I was partial care giver to my younger siblings. My church gave me a sense of community and selfless service. The Marines — honor and duty.

I am bilingual (English/Spanish), hold two Bachelor's degrees and I'm an active, Progressive, Community Organizer working to bring about the changes necessary to represent your interests: your security and that of your loved ones.

Your support will bring high-tech, clean-energy, and living-wage jobs to our communities and avoid long commuting times. Time better spent nurturing and guiding your family.

I will work with ALL members of the Assembly and local officials to be your voice and hire more peace officers, fire fighters, provide quality education, build drought/flood preventing infrastructure, and safe, well-lit roads and streets. Safe streets forge strong communities.

I will forever be at the front line to represent injured warriors, veterans, children, the elderly, and women. I am an Environmentalist who supports small business, health care for all, opposes outsourcing our jobs, against animal cruelty and for a leaner, not meaner, responsible budget.

Please vote for an inclusive leader who will improve your quality of life.

67TH ASSEMBLY DISTRICT**

MELISSA A. MELENDEZ, Republican **AGE: 48**
OCCUPATION: California State Assemblywoman
EDUCATION AND QUALIFICATIONS:

I am honored that you, the citizens of the 67th Assembly District, have trusted me to represent you in the California State Assembly.

When I served our country in the Navy, I made a commitment to defend the Constitution. As your State Assemblywoman, I have taken that commitment to Sacramento where I defend the Constitution every single day.

I have worked diligently to strengthen and protect our 2nd Amendment rights while opposing tax increases and job-killing regulations.

As I committed to you when I first asked for your vote, I authored legislation to establish tax relief for small businesses, expanded protections for our military personnel, and increased election transparency by making election data available online.

This year, I introduced legislation to redirect billions of dollars from the High Speed Rail to fix our crumbling roads and bridges. I believe road maintenance and infrastructure improvements are a basic responsibility of government. I oppose leveraging the state's finances to fund pet projects of politicians like High Speed Rail.

As Vice Chair of the Public Safety Committee, I have fought against the onslaught of soft-on-crime policies that have only resulted in rising crime rates. I will continue the fight to make public safety a top priority and ensure law enforcement has the resources necessary to keep our neighborhoods safe.

I would be honored to earn your vote and continue representing your voice in the Legislature. Together we will make our golden state a safe and prosperous place once again.

PATRICK C. SEARL **AGE: 60**
OCCUPATION: Appointed Incumbent
EDUCATION AND QUALIFICATIONS:

I'm a fourth generation member of a San Jacinto Valley pioneer family. Since 1889, my family and I have been involved in every aspect of our community, schools, hospital, water, and city government, including serving on numerous Foundations and Committees. I'm an independent candidate with a practical understanding in business, education, and community service. I strongly hope to continue the leadership, common-sense, and fiscal responsibility I've shown since my appointment to the Hemet Unified School District Board of Directors last year.

Since taking my position, I've been through two budget cycles, two years of the LCAP adoption, and the end of a precarious labor negotiation. Also, the improved morale of the employees and a new contract with the first female Superintendent in the history of the District, has set us on a path that is very exciting. I'm very proud of my record when it comes to the many positive changes that have happened at Hemet Unified School District since I took office.

If reelected, I will continue my common-sense approach to the business of the Board, without the pressures of any special interest group. I look forward, with great appreciation, to receiving your vote.

We are building the new Hemet Elementary. Opening in 2017, it will serve and help revitalize the downtown neighborhood. Our Local Control Accountability Plan is responsive to the community and addresses increased achievement in Math and Reading with a goal to ensure that all students will be college or career ready upon graduation.

I believe in a balanced approach to education.. Students need academics, career technical education, athletics and opportunities for artistic expression. OCCUPATION: Retired Math Teacher
EDUCATION AND QUALIFICATIONS:

I believe one of the most important elements of student learning is the quality of teaching. As a Board member, I will work to support the teacher in the classroom. Having taught math for 35 years, I understand the challenges teachers face every day. Working together with teachers, administrators and classified employees we can provide the best education for our youth.

Students have different interests and talents, so I'll work to provide variety within the curriculum, including vocational education, music and art. Furthermore, I will insist every course includes reading, writing and mathematics.

We are in the 21st Century and our education needs to reflect this Century. Our youth need to know how to THINK. Technology has changed our lives, and we are bombarded with information from many sources. Our students need to be able to evaluate the accuracy of this information. I'll push HUSD to step up to the plate and prepare our young people for a future that embraces technology so they are ready for their future.

I want HUSD to be the highest performing school district in Riverside County.

SHELLIE MILNE
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

As I listen to Third District voters, I hear a consistent and powerful message – citizens are tired of career politicians who come from within the political establishment, promising much but delivering nothing.

I'm a person of action -- family farmer, mother of six, and a small construction business owner. I know what it takes to live within a budget and make a payroll. I arrive at decisions and govern based upon conservative, common sense, bottom-line business principles.

I believe in limited government, fiscal responsibility, free markets, lower taxes, private property rights, and the Second Amendment. The most important role for government is to protect its citizens – All Lives Matter. As a member of the Board of Supervisors, my votes will always be consistent with these core values.

I have fought and won battles imposing term limits, enacting illegal immigration restrictions, reducing city council compensation, and requiring competitive bids for municipal services. I am also one of a select few in the entire State of California who has earned the official endorsement of the Howard Jarvis Taxpayers Association.

Please join me in my fight to limit the frivolous spending and fiscal abuses of Riverside County bureaucrats. Thank you for your vote.

My name is Bryan Hash, and I would gratefully appreciate your support on November 8 to represent our community as Hemet's third district City Council member.

I have lived in our beautiful valley since 2009, moving from a little town in rural Texas. My small family is proud to call Hemet our home.

Hemet has an awful lot of challenges today. Unemployment, crime, and homelessness are higher now than at any time in our city's history. It is my belief that local problems are best solved when our churches, businesses, neighbors, families, and public servants work together to meet those challenges. I am a strong supporter of those who risk their lives for our safety, especially our local police and firefighters.

I believe in holding our government accountable to those we serve, so I encourage everyone to participate in our City Council meetings. More than that, I believe that City Council members need to actively listen to the concerns of the citizens that call Hemet home.

If you agree with these goals, let us join together this election day so that city government works for all of us.

I drove out of town to see what a \$56,000.00 riding lawn mower looked like. I listen to our Cheif of Police tell us we would be hiring more police officers to help protect our City. In 2016 I see more Crime, Homeless, E.B.T stores all show what a poor City we are, It appears to me our homeless has trippled since 2014. Council denies Mental Health, Sober living facilities which we need. Hemet is not Kid friendly. Before Valley Wide P.A.L was Free. In 2014 was asked what I'd bring to Council. I replied Growth, Growth to Council. I'm low income, I live in senior park rent keeps going up, Growth for Myself. I'm learning how things work in our broken City. Growth to the Community. EDUCATION AND QUALIFICATIONS:

I am a lifelong resident of the San Jacinto Valley and a new father. My wife and I have chosen to live in the City of Hemet and raise our family here because we sincerely believe in the potential of this community. I am no stranger to hard work and solving problems, and obviously, Hemet needs a new direction with City Councilmembers who have more to offer than just increasing taxes.

I am running for City Council because I believe our current elected officials are more interested in maintaining their friendships with their employees than looking out for the well-being of average citizens. How else can one explain the exorbitant salaries and benefits currently being paid? The status quo has to stop, and new leadership must be elected that will prioritize our budget without imposing hardships on people with fixed or limited incomes.

As an independent security professional, I understand the current crime issue confronting our city, and will offer creative and effective solutions. I believe that there are many other alternatives in solving our budget issues than have been offered so far. We must bring business and common sense back to the City of Hemet. A vote for Cameron Broderick will make that happen.

IMPARTIAL ANALYSIS OF MEASURE “U”

The City of Hemet placed Measure U on the ballot seeking voter approval of a 1% transactions and use tax (hereinafter, the “tax”) to be used for general municipal services and all lawful public purposes of the City of Hemet.

If Measure U is approved, a one cent per dollar tax will be levied on the sale of all tangible personal property sold at retail within the City of Hemet, as well as upon the storage, use or other consumption of tangible personal property purchased from any retailer within the City of Hemet. The tax would be collected in the same manner and at the same time as sales taxes. Proceeds of the tax will be deposited in the City’s general fund and will be subject to the same independent annual audit as other general fund revenue.

Measure U requires the creation of a “Citizens’ Oversight Committee” to furnish independent advisory review of the expenditure of the tax revenues. The Committee will meet at least twice per year and its meetings will be subject to the Ralph M. Brown Act. The Committee will consist of seven members, all of whom are residents of the City or its sphere of influence, or own a business having its primary offices located in the City. Committee members will be appointed by the City Council for a two-year term. The Committee will annually review and report on the City’s proposed and actual expenditure of the tax proceeds, which will be submitted to the City Council for review at a noticed public meeting. The Committee will also review the required independent annual audit prior to its final review by the City Council.

California Revenue and Taxation Code section 7285.9 authorizes the City of Hemet to levy the proposed tax if the ordinance proposing the tax is approved by a two-thirds vote of the City Council and a majority of the voters. The Council approved the tax ordinance for submittal to the voters by a 4-1 vote on July 26, 2016. If approved by a majority of the voters, the ordinance would take effect on March 1, 2017 and would continue for a period of ten (10) years thereafter. The tax will be automatically repealed effective March 1, 2027 if not extended by a vote of the people.

ARGUMENT IN FAVOR OF MEASURE "U"

There's a public safety crisis in Hemet.

- #1 in murders in Riverside County.
- Violent crime is up 50%,
- Trespassing and Disturbing the Peace calls up 1,025%.
- Assaults on police officers up 1,100%.
- Gang members, drug dealers, parolees and sex offenders are pouring into Hemet.
- Hemet has 25% fewer police officers today than in 2010.

Last year, Hemet Fire Department responded to 16,171 calls for medical, rescue and fire emergencies, the most per capita in California.

- Since 2008, Fire Department staffing cut 40%.
- Fire Station 5 in eastern Hemet is without a fire engine, and not all fire stations have paramedics on duty.

With a decline in property and sales tax revenue caused by the Great Recession, the City lacks the resources to confront our public safety crisis.

California State Audit found no malfeasance and validated that the lack of revenue has drastically impacted public safety.

More boots on the ground will force criminals to go elsewhere and keep Hemet safe!

Measure U provides opportunities to:

- Add 39 new police officers patrolling neighborhoods
- Ensure faster 911 emergency response
- Restore police anti-gang and anti-drug units
- Expand tracking of parolees and sex offenders
- Provide paramedics at every fire station
- Restore Fire Engine Company at Station 5

Measure U adds 1¢ to the sales tax on every dollar spent, generating \$10 million annually providing opportunities for public safety, much of it paid by shoppers from outside our city.

Temecula, Menifee and Riverside are all fighting crime with new sales taxes. If we don't, Hemet will get even worse as all their criminals will scurry to our corner!

- Do U feel safe?
- Do U want to be safe?
- Then U should vote YES on U!

STOP CRIME

KEEP HEMET SAFE---VOTE YES ON MEASURE U

Howard Rosenthal, Co-Chair, Keep Hemet Safe

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "U"

Mark Twain said it best – "There are lies, damned lies, and statistics." Percentage increases are inherently deceptive and the pro-tax folks are using every trick in the book to scare voters into passing this tax. THIS IS NOT A PUBLIC SAFETY TAX. Even the Howard Jarvis Taxpayers Association has weighed in by calling Hemet's public safety linkage an "offensive proposal" and further stating that "Tax elections should not be manipulated by promising the voters a specific purpose while evading the 2/3 vote needed to pass a special tax."

The pro-tax promoters are asking voters to sign a blank check. The increased revenue will be the highest in Hemet history and can be used for anything that a mere three members of the Hemet City Council deem worthy. Given their pitifully poor track record, providing more taxes will only promote and encourage further wasteful spending.

The current City Council majority has clearly shown they favor the unions over the taxpayers. And why shouldn't they – the unions are responsible for putting them into office. When U think of Measure U, think Unions and how they currently control our City Council. Their astronomically high salaries and benefits tell the story behind this tax. DON'T BE FOOLED.

Voters need to demand proper management and strict accountability – not pay more taxes. We currently have no accountability in the City of Hemet. You can change that with this election. When the pro-tax forces say they know best how to spend your taxes, just say -- NO "U" DON'T.

Charles C. Moore, Hemet City Council Candidate, 1st District
Cameron Broderick, Hemet City Council Candidate, 3rd District
Paul Valenzuela, Hemet Council Candidate, 4th District

ARGUMENT AGAINST MEASURE “U”

NO “U” DON’T.

After spending more than \$300,000 in a failed June tax measure; the union-controlled special interests and their County friends (who won’t pay the tax) are back at it again with a 12.5% sales tax increase that goes directly into the General Fund and can be spent in any manner the City Council deems appropriate for the next ten years. THIS IS NOT A PUBLIC SAFETY TAX. Don’t be fooled.

The legacy of failure for the past 10 years is instructive for one to confidently cast a vote opposing this tax. Ridiculous real estate purchases, City Manager payoffs, City Union giveaways, and more overpaid consultants than one can count – all have contributed to our the current financial mess. The chickens have finally come home to roost and we taxpayers are being pressured to write the bailout check. Just say NO.

Know that when our non-resident Police Chief spends his time promoting new taxes, he is the highest paid Hemet employee making over \$315,000 per year in salary and benefits. He is protecting his pension first and foremost. Our Fire Chief is a double-dipping public retiree who is paid more than \$400,000 with his Orange County pension and Hemet salary. More than 32 of our Hemet safety employees make more than \$200,000 per year. Thanks to prior city councils that have put union demands above the interest of the taxpayers, Hemet now has an unfunded pension liability exceeding \$132,000,000. ENOUGH.

A sales tax increase is most unfair to retirees on fixed incomes. Ask yourself why an increase in sales taxes as opposed to property taxes is being proposed. The answer lies in those who support it from the County area to the east.

Hemet voters need to reject this tax and elect City Council members who will represent the taxpayers and not the local unions.

REBUTTAL TO ARGUMENT AGAINST MEASURE “U”

Do you feel Safe?

Opponents of Measure U are willing to compromise your safety in order to pursue their narrow political agenda. They offer no solutions to stop crime in our city, just political attacks on public employees.

Criminals have overrun Hemet. The city does not have the resources to adequately fight crime. Measure U gives us the resources to control our own destiny, adding more boots on the ground patrolling our neighborhoods, restoring Hemet’s quality of life and allowing us to feel safe in our homes.

Opponents of Measure U claim a sales tax is unfair to low-income residents. The truth is that the sales tax exempts necessities like food and prescription drugs, and much of the revenue it generates will come from people who shop here but live outside our city.

Opponents’ alternative — a property tax increase — would hurt seniors on fixed incomes far more than a small increase in the sales tax.

You know we have a crime problem in Hemet, it impacts you, your family, your property values and your quality of life - and if we do nothing it will just get worse. **OPPONENTS OF MEASURE U OFFER NO SOLUTIONS,** just political attacks.

Measure U is supported by people who care about their hometown and want to make it safe again — every major church organization, the Chamber of Commerce, local Republicans and Democrats, physicians, retail store owners, and individuals from every income level.
