Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

DOUGLAS SHEPHERD, Republican AGE: 56
OCCUPATION: Small Businessman / Real Estate Broker
EDUCATION AND QUALIFICATIONS:

Doug Shepherd is a small businessman, not a politician.

We need someone in Washington to represent us who understands how to reach out and help people in more inclusive ways. Doug wants to get Washington out of your homes and businesses while working to make kind the changes you want. Doug will embrace legislation that will reduce the barriers to innovation and business startups. He will work to bring good paying jobs to communities and build our local and regional economies, by fighting to lower taxes on middle class and small business. National security is paramount, and keeping March ARB open is central to both national security and to strong local and regional economies.

Doug built a real estate brokerage business creating 100's of jobs. These companies have helped 1000's of families and others achieve "the American Dream" of home ownership. He started his first business at age 24. Through hard work in good and tough times Doug grew several businesses, including one to assist U.S. Veterans. With wisdom bred from real world business experience he mentors young adults, helping them start new businesses and launch careers.

Doug and his wife, Shelley, are lifelong partners. They have two adult daughters and two grandchildren. With three strong women in his life, Doug is a proponent of women's issues; because he believes that equality and fairness are core American principles.

Doug Shepherd pledges, "...to be part of the solution, not more of the problem."

UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic AGE: 55
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

Since being elected to Congress, I've been working hard for the communities of Riverside County and fighting for the commonsense reforms we need to fix Washington.

As your Representative, I have expanded access to healthcare for our veterans, fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

My office has secured more than \$2 million in benefits owed to veterans and held regular town hall meetings to understand local priorities. I introduced legislation to strengthen our schools, rein in the abuses of the for-profit college industry, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School, for comprehensive immigration reform, and against tax cuts for billionaires and corporations who want to ship American jobs overseas.

Prior to being elected to Congress, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, our military, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote so we can continue to grow our economy and fix Congress.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
31ST SENATORIAL DISTRICT**

RICHARD REED, Republican

AGE: 65

OCCUPATION: Attorney

EDUCATION AND QUALIFICATIONS:

If you have never heard of me, it's because I am not a career politician. I was a public school teacher for over ten years and have owned three businesses, all of them in Riverside. As an attorney, I have advocated for property rights and championed, before the court of appeal, the 1st Amendment right of voters to place a measure on the ballot without interference from the government. I do not believe in government-as-usual.

I believe in: smaller government and fewer regulations; local control and lower taxes; better roads and more water.

Smaller government: California government is a business-hostile bureaucracy that stifles entrepreneurship with red tape and misplaced subsidies.

Local control: Communities should be allowed greater self-determination in determining policies that impact local businesses and resources. Keep control and tax dollars local.

Better roads: Transportation is essential to economic prosperity. Well-maintained highways allow businesses to operate more efficiently and reduce costs to the consumer.

More water: Northern California gets sufficient annual rainfall to keep the state's reservoirs full. Over a century of repeated droughts should have taught the legislature not to rely on snow-melt in the Sierra Nevada Mountains to supply the state with water that is vital to agriculture and to residents.

We have the means to solve our water problems. In the 21st Century, more droughts and famines are caused by governments than by nature. Please vote for me in November and vote against government-as-usual.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

HECTOR DIAZ, Republican
OCCUPATION: Business Owner
EDUCATION AND QUALIFICATIONS:

Sacramento is broken and out of touch. Sacramento politicians don't feel the impact of their decisions — they only enjoy the benefits given to them by the special interests that influenced their votes. It's time to change Sacramento and take power back to the voters. I seek your vote to fight for Riverside County.

I'm not a politician — I've never held elected office. I'm simply a concerned citizen and small business owner looking to give back to our community and our state.

Born in Mexico, I came to California as a teenager with my family seeking a better life. My parents taught me the value of hard work, education, and service.

As a resident and business owner in our district, I've fought to help others and create jobs. Community leaders, business owners, and students tell me about the limited opportunities they face.

I'd be honored to receive your vote for State Assembly. I'll fight for what's best for our community, not special interest lobbyists:

1. Safer communities. Keep criminals off the streets.
2. Effective programs without bigger government.
3. Business friendly environment to create stable, higher paying jobs in Riverside County.

I pledge that I will:

1. Be available to listen to my constituents.
2. Be involved in our community, not just show up for photos.
3. Vote for what's best for our community, not what Sacramento special interests want.

Please join my supporters in Riverside, Moreno Valley, Perris, Mead Valley and High Grove in voting for Hector Diaz for State Assembly. Diaz4Assembly.com 951-448-4676

MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

JOSE MEDINA, Democratic
OCCUPATION: Teacher / State Assemblymember
EDUCATION AND QUALIFICATIONS:

AGE: 63

For over 30 years, I have served Riverside County families as a classroom teacher, Community College Boardmember, and State Assemblymember. I have dedicated my life to preparing our children to succeed, improving our schools, creating new opportunities for middle-class families, and delivering results for our community.

As a classroom teacher and Community College Boardmember, I helped improve academic standards in the classroom, put more students on the path to college or a career, and invested in job-training programs to give more students the opportunity to succeed. I am proud of what we accomplished at the local level.

Yet, bad decisions and misplaced priorities in Sacramento were holding back Riverside County families. I ran for State Assembly to change that and bring a new set of priorities to Sacramento.

As your State Assemblymember, I helped deliver the first on-time balanced state budget and surplus in over a decade; pay down our state debt and eliminate waste; secure over one billion dollars to improve classroom standards; pass the state water bond to fight the drought; deliver funding to open the Medical School at UC Riverside; and created new tax credits that promote economic investment, new jobs, and make it easier for small businesses to grow.

As your State Assemblymember, I have worked tirelessly to deliver real improvements in our quality of life. I would be honored to continue fighting for Riverside County.

Please join teachers, firefighters, small business owners, and the Democratic Party in supporting my campaign.

I am running for Mayor because I believe we can build a better community, but first, we must recognize our future CANNOT be built on temporary employment, warehouses, and political corruption. This election will decide what direction our City will move in. Will we maintain economic policies that trade corporate welfare for false promises? What we need in Moreno Valley is permanent living wage jobs that will lift our community out of poverty and towards prosperity.

MEASURE "Y" – SAN JACINTO UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND PROPOSITION

SAN JACINTO UNIFIED SCHOOL DISTRICT CLASSROOM SAFETY, RENOVATION, REPAIR AND CONSTRUCTION MEASURE

This Proposition may be known and referred to as the "San Jacinto Unified School District Classroom Safety, Renovation, Repair and Construction Measure" or as "Measure Y".

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the San Jacinto Unified School District (the "District") shall be authorized to issue and sell bonds of up to \$44,900,000 in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled "BOND PROJECT LIST" below (the "Bond Project List"), and qualify to receive State of California matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code (the "Education Code")).

Evaluation of Needs. The Board of Trustees of the District (the "Board") has prepared an updated facilities plan in order to evaluate and address all of the facilities needs of the District at each campus and facility, and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitations on Use of Bonds. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, including, to the extent permitted by law, the acquisition or lease of real property in connection with an existing or future financing of the specific school facilities projects listed in the Bond Project List, including the prepayment of existing or future interim lease, certificate of participation or lease revenue bond financings, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

Independent Citizens' Oversight Committee. The Board shall establish an independent citizens' oversight committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board. In accordance with Section 15282 of the Education Code, the citizens' oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens' organization, a member active in a bona fide taxpayers' organization, a member that is a parent or guardian of a child enrolled in the District, and a member that is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizen' oversight committee.

Annual Performance Audits. The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Annual Financial Audits. The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Special Bond Proceeds Account: Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board no later than January 1 of each year, commencing January 1, 2018, stating (a) the amount of bond proceeds received and expended in that year, and (b) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Joint-Use Projects. The District may enter into agreements with other public agencies or nonprofit organizations for joint use of school facilities financed with the proceeds of the bonds in accordance with Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that bond funds will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board shall determine.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and proceeds of the bonds shall be spent only for such purpose, pursuant to California Government Code Section 53410.

Bonds May be Issued in Excess of Statutory Bonding Limit. Issuance of all of the authorized bonds might require the outstanding debt of the District to exceed its statutory bonding limit of 2.50% of the total assessed valuation of taxable property in the District. In that event, the District

intends to seek a waiver of its bonding limit from the State Board of Education, which has the power to waive certain requirements of the Education Code applicable to the District. By approval of this proposition, the voters have authorized the District to seek such a waiver, and to issue authorized bonds in excess of the 2.50% limit as the State Board of Education may approve. No such waiver has yet been sought or granted.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

BOND PROJECT LIST

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of the bond proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition. Listed projects will be completed as needed at a particular school or facility site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. Any authorized repairs shall be capital expenditures. The Bond Project List does not authorize non-capital expenditures. Each project is assumed to include its share of costs of the election and bond issuance, construction-related costs, such as project and construction management, architectural, engineering, inspection and similar planning and testing costs, demolition and interim housing costs, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to and necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds expected from non-bond sources, including State of California grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds of the bonds under this proposition are as follows:

Approval of Measure Y does not guarantee that the proposed project or projects in the San Jacinto Unified School District that are the subject of bonds under Measure Y will be funded beyond the local revenues generated by Measure Y. The District's proposal for the project or projects assumes the receipt of matching State funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

MEASURE "Y"
TAX RATE STATEMENT

An election will be held in the San Jacinto Unified School District (the "District") on November 8, 2016, to authorize the sale of up to \$44,900,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.039 per \$100 (\$39.00 per \$100,000) of assessed valuation in fiscal year 2017-18.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.039 per \$100 (\$39.00 per \$100,000) of assessed valuation in fiscal year 2025-26.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.039 per \$100 (\$39.00 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year that the bonds remain outstanding.
4. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$98,780,000.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply, and the actual total debt service, may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE “Y”

The Board of Education (“Board”) of the San Jacinto Unified School District (“District”) by adopting Resolution No. 16-17-01 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of forty four million nine hundred thousand dollars (\$44,900,000).

This Measure was placed on the ballot by the Board of the above-identified District.

The Bonds would be used by the District on District wide projects to renovate, rehabilitate, repair and modernize buildings, electrical systems, security systems, technology infrastructure, and acquire renewable energy and energy saving systems. The Bonds may also be used to acquire, upgrade, renovate and/or replace buildings, classrooms and infrastructure at certain elementary, middle and high schools. The Bonds may be used to acquire and construct a new schools designed to house 1,000 to 1,500 students. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure Y is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest rate and the maximum term of the Bonds, or any series thereof, will not exceed maximum number of years from the date of the bond. The best estimate of the total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$98,780,000.

Approval of Measure Y does not guarantee that the proposed project or projects in the District, that are the subject of the Bonds under Measure Y, will be funded beyond the local revenues generated by Measure Y. The District’s proposal for the project(s) assumes the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “Y” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “Y” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “Y”

If you value the local quality of education – whether to prepare children for college and successful careers, keep kids out of trouble, or simply to protect your property values – there’s nothing more important on the November ballot than **VOTING YES on Measure Y.**

San Jacinto Unified schools work hard educating local children. And, after years of constant use as the “hub” of our community, they need attention. Some schools need major renovations. Others are overcrowded. All schools need upgrades for 21st century instruction.

Measure Y authorizes a prudent plan to upgrade SJUSD schools so college bound students can properly prepare, and career bound students seeking jobs immediately after graduation, can get the job training they need. NO other funding currently exists to upgrade these facilities.

Measure Y will:

- **Renovate** career-training facilities for science, technology, engineering, math and skilled trades
- **Repair** deteriorated roofs, plumbing, HVAC, lighting and electrical systems
- **Modernize** classrooms and educational technology for 21st century instruction
- **Upgrade** labs and equipment to meet rising college/university admission requirements
- **Construct** new classrooms and school facilities to accommodate enrollment growth
- **Improve** school safety and security, including access for disabled students

ALL MEASURE Y FUNDS STAY LOCAL for SJUSD schools. The State CAN’T take this funding away.

Taxpayer protections are REQUIRED. NO funds are allowed for administrators’ salaries. Independent Citizens’ Oversight and mandatory audits are required for fiscal accountability.

Maintaining local school facilities is a wise investment. Good schools protect property values. VOTING YES leverages your investment even further – passage of Measure Y qualifies our community for millions in State matching funds.

Stand with SJUSD teachers, parents, alumni, boosters, and civic and business leaders across the San Jacinto Valley who are VOTING YES on Measure Y – for our children, for our community.

Please VOTE YES on Y – at the bottom of your ballot.

IMPARTIAL ANALYSIS OF MEASURE “L”

Moreno Valley Safety/Vital Services/Fiscal Stability Measure

This Measure was placed on the ballot by the Moreno Valley City Council.

This Measure relates to an ordinance that proposes to amend Chapter 3.24 of the Moreno Valley Municipal Code titled “Transient Occupancy Tax.” This tax, which is commonly known as the “Hotel Tax,” is imposed on certain overnight guests of the City’s hotels which means any structure, or any portion of any structure, which is occupied or intended or designed for use or occupancy by guests. The Hotel Tax is not levied against the City’s residents or property owners; rather, it is levied against guests who occupy a hotel in the City of Moreno Valley for thirty calendar days or less.

The Hotel Tax is a general tax that produces a stream of revenue for the City’s General Fund. The proceeds of the Hotel Tax are not restricted for a particular use or for particular types of expenditures. As such, the Hotel Tax revenue may be used for any general municipal purpose including, but not limited to, retaining police officers and firefighters, providing youth and senior services, implementing drug and gang prevention programs, expanding library services, and maintaining and improving the City’s streets and parks.

This Measure, if approved by a simple majority of the voters, would increase the rate of the Hotel Tax from eight percent (8%) to thirteen percent (13%) commencing ten (10) days after the results of the election are certified by the City Council. The increase is expected to produce an additional \$650,000 annually in General Fund revenue for the City which may only be used locally. This additional revenue will also be subject to audits conducted by independent auditors and review and evaluation by a financial oversight committee appointed by the City Council. The five percent (5%) increase in the Hotel Tax will remain in place unless subsequently repealed by the voters.

A “YES” vote on this Measure will increase the existing Hotel Tax from eight percent (8%) to thirteen percent (13%), which may not be increased in the future without prior voter approval.

A “NO” vote on this Measure will keep the existing Hotel Tax at eight percent (8%).

This Impartial Analysis is hereby submitted to the City’s Elections Official in conformance with Section 9280 of the Elections Code of the State of California.

ARGUMENT IN FAVOR OF MEASURE “L”

Protect our vital public safety services, **Vote Yes on L!**

Violent crime is on the rise in our community and more and more gang members are coming into Moreno Valley from other Southern California communities to commit crimes.

YES on L will help maintain gang and drug prevention programs, increase the number of police officers on our streets and make Moreno Valley safer – **WITHOUT TAXING LOCAL RESIDENTS OR BUSINESSES.**

Measure L is paid by out-of-town visitors and tourists when they stay at a hotel and **NOT by Moreno Valley residents or property owners!** Out-of-town visitors will pay their fair share for public safety and other services.

In An Emergency Seconds Count! YES on L maintains fast 911 emergency response times for our City’s paramedics, firefighters, and emergency medical workers who are the first to respond and save lives.

The State Has Taken Millions Of Dollars From Moreno Valley! Over the past five years the state has taken millions of dollars from Moreno Valley to balance their State budget – impacting the City’s ability to provide the services, especially public safety, at the levels needed. **YES on L** provides a source of **LOCALLY-CONTROLLED** funds – **THAT CANNOT BE TAKEN BY THE STATE** – for our **LOCAL** city.

YES on L Holds The City Council Accountable! **YES on L** is subject to **INDEPENDENT ANNUAL AUDITS** and requires that funds be monitored by a **FINANCIAL OVERSIGHT COMMITTEE** to ensure they are spent properly.

Yes on L gives us **LOCAL CONTROL OVER LOCAL FUNDS.**

Join residents, business owners, police officer and 911 responders in voting **YES on MEASURE L** to protect keep our community safe and protect our city services!
