Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

DOUGLAS SHEPHERD, Republican AGE: 56
OCCUPATION: Small Businessman / Real Estate Broker
EDUCATION AND QUALIFICATIONS:

Doug Shepherd is a small businessman, not a politician.

We need someone in Washington to represent us who understands how to reach out and help people in more inclusive ways. Doug wants to get Washington out of your homes and businesses while working to make kind the changes you want. Doug will embrace legislation that will reduce the barriers to innovation and business startups. He will work to bring good paying jobs to communities and build our local and regional economies, by fighting to lower taxes on middle class and small business. National security is paramount, and keeping March ARB open is central to both national security and to strong local and regional economies.

Doug built a real estate brokerage business creating 100's of jobs. These companies have helped 1000's of families and others achieve "the American Dream" of home ownership. He started his first business at age 24. Through hard work in good and tough times Doug grew several businesses, including one to assist U.S. Veterans. With wisdom bred from real world business experience he mentors young adults, helping them start new businesses and launch careers.

Doug and his wife, Shelley, are lifelong partners. They have two adult daughters and two grandchildren. With three strong women in his life, Doug is a proponent of women's issues; because he believes that equality and fairness are core American principles.

Doug Shepherd pledges, "...to be part of the solution, not more of the problem."

MARK TAKANO, Democratic AGE: 55
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

Since being elected to Congress, I've been working hard for the communities of Riverside County and fighting for the commonsense reforms we need to fix Washington.

As your Representative, I have expanded access to healthcare for our veterans, fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

My office has secured more than \$2 million in benefits owed to veterans and held regular town hall meetings to understand local priorities. I introduced legislation to strengthen our schools, rein in the abuses of the for-profit college industry, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School, for comprehensive immigration reform, and against tax cuts for billionaires and corporations who want to ship American jobs overseas.

Prior to being elected to Congress, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, our military, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote so we can continue to grow our economy and fix Congress.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
31ST SENATORIAL DISTRICT**

RICHARD REED, Republican

AGE: 65

OCCUPATION: Attorney

EDUCATION AND QUALIFICATIONS:

If you have never heard of me, it's because I am not a career politician. I was a public school teacher for over ten years and have owned three businesses, all of them in Riverside. As an attorney, I have advocated for property rights and championed, before the court of appeal, the 1st Amendment right of voters to place a measure on the ballot without interference from the government. I do not believe in government-as-usual.

I believe in: smaller government and fewer regulations; local control and lower taxes; better roads and more water.

Smaller government: California government is a business-hostile bureaucracy that stifles entrepreneurship with red tape and misplaced subsidies.

Local control: Communities should be allowed greater self-determination in determining policies that impact local businesses and resources. Keep control and tax dollars local.

Better roads: Transportation is essential to economic prosperity. Well-maintained highways allow businesses to operate more efficiently and reduce costs to the consumer.

More water: Northern California gets sufficient annual rainfall to keep the state's reservoirs full. Over a century of repeated droughts should have taught the legislature not to rely on snow-melt in the Sierra Nevada Mountains to supply the state with water that is vital to agriculture and to residents.

We have the means to solve our water problems. In the 21st Century, more droughts and famines are caused by governments than by nature. Please vote for me in November and vote against government-as-usual.

MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

HECTOR DIAZ, Republican
OCCUPATION: Business Owner
EDUCATION AND QUALIFICATIONS:

Sacramento is broken and out of touch. Sacramento politicians don't feel the impact of their decisions — they only enjoy the benefits given to them by the special interests that influenced their votes. It's time to change Sacramento and take power back to the voters. I seek your vote to fight for Riverside County.

I'm not a politician — I've never held elected office. I'm simply a concerned citizen and small business owner looking to give back to our community and our state.

Born in Mexico, I came to California as a teenager with my family seeking a better life. My parents taught me the value of hard work, education, and service.

As a resident and business owner in our district, I've fought to help others and create jobs. Community leaders, business owners, and students tell me about the limited opportunities they face.

I'd be honored to receive your vote for State Assembly. I'll fight for what's best for our community, not special interest lobbyists:

1. Safer communities. Keep criminals off the streets.
2. Effective programs without bigger government.
3. Business friendly environment to create stable, higher paying jobs in Riverside County.

I pledge that I will:

1. Be available to listen to my constituents.
2. Be involved in our community, not just show up for photos.
3. Vote for what's best for our community, not what Sacramento special interests want.

Please join my supporters in Riverside, Moreno Valley, Perris, Mead Valley and High Grove in voting for Hector Diaz for State Assembly. Diaz4Assembly.com 951-448-4676

JOSE MEDINA, Democratic
OCCUPATION: Teacher / State Assemblymember
EDUCATION AND QUALIFICATIONS:

AGE: 63

For over 30 years, I have served Riverside County families as a classroom teacher, Community College Boardmember, and State Assemblymember. I have dedicated my life to preparing our children to succeed, improving our schools, creating new opportunities for middle-class families, and delivering results for our community.

As a classroom teacher and Community College Boardmember, I helped improve academic standards in the classroom, put more students on the path to college or a career, and invested in job-training programs to give more students the opportunity to succeed. I am proud of what we accomplished at the local level.

Yet, bad decisions and misplaced priorities in Sacramento were holding back Riverside County families. I ran for State Assembly to change that and bring a new set of priorities to Sacramento.

As your State Assemblymember, I helped deliver the first on-time balanced state budget and surplus in over a decade; pay down our state debt and eliminate waste; secure over one billion dollars to improve classroom standards; pass the state water bond to fight the drought; deliver funding to open the Medical School at UC Riverside; and created new tax credits that promote economic investment, new jobs, and make it easier for small businesses to grow.

As your State Assemblymember, I have worked tirelessly to deliver real improvements in our quality of life. I would be honored to continue fighting for Riverside County.

Please join teachers, firefighters, small business owners, and the Democratic Party in supporting my campaign.

EDUCATION AND QUALIFICATIONS:**

I am running for Mayor because I believe we can build a better community, but first, we must recognize our future CANNOT be built on temporary employment, warehouses, and political corruption. This election will decide what direction our City will move in. Will we maintain economic policies that trade corporate welfare for false promises? Will we maintain policies that push our families into poverty? What we need in Moreno Valley is not warehouses, temporary employment, and one corporation buying our elections. What we need in Moreno Valley is permanent living wage jobs that will lift our community out of poverty and towards prosperity.

I am an Abraham Rice Scholar for the Master of Public Policy program at UCR School of Public Policy. I hold a BA in Public Policy with a concentration in economics from UCR, and an Associate Degree in Business from SBVC. IMPARTIAL ANALYSIS OF MEASURE “L”

Moreno Valley Safety/Vital Services/Fiscal Stability Measure

This Measure was placed on the ballot by the Moreno Valley City Council.

This Measure relates to an ordinance that proposes to amend Chapter 3.24 of the Moreno Valley Municipal Code titled “Transient Occupancy Tax.” This tax, which is commonly known as the “Hotel Tax,” is imposed on certain overnight guests of the City’s hotels which means any structure, or any portion of any structure, which is occupied or intended or designed for use or occupancy by guests. The Hotel Tax is not levied against the City’s residents or property owners; rather, it is levied against guests who occupy a hotel in the City of Moreno Valley for thirty calendar days or less.

The Hotel Tax is a general tax that produces a stream of revenue for the City’s General Fund. The proceeds of the Hotel Tax are not restricted for a particular use or for particular types of expenditures. As such, the Hotel Tax revenue may be used for any general municipal purpose including, but not limited to, retaining police officers and firefighters, providing youth and senior services, implementing drug and gang prevention programs, expanding library services, and maintaining and improving the City’s streets and parks.

This Measure, if approved by a simple majority of the voters, would increase the rate of the Hotel Tax from eight percent (8%) to thirteen percent (13%) commencing ten (10) days after the results of the election are certified by the City Council. The increase is expected to produce an additional \$650,000 annually in General Fund revenue for the City which may only be used locally. This additional revenue will also be subject to audits conducted by independent auditors and review and evaluation by a financial oversight committee appointed by the City Council. The five percent (5%) increase in the Hotel Tax will remain in place unless subsequently repealed by the voters.

A “YES” vote on this Measure will increase the existing Hotel Tax from eight percent (8%) to thirteen percent (13%), which may not be increased in the future without prior voter approval.

A “NO” vote on this Measure will keep the existing Hotel Tax at eight percent (8%).

This Impartial Analysis is hereby submitted to the City’s Elections Official in conformance with Section 9280 of the Elections Code of the State of California.

By: Steven B. Quintanilla
Interim City Attorney
City of Moreno Valley

ARGUMENT IN FAVOR OF MEASURE “L”

Protect our vital public safety services, **Vote Yes on L!**

Violent crime is on the rise in our community and more and more gang members are coming into Moreno Valley from other Southern California communities to commit crimes.

YES on L will help maintain gang and drug prevention programs, increase the number of police officers on our streets and make Moreno Valley safer – **WITHOUT TAXING LOCAL RESIDENTS OR BUSINESSES.**

Measure L is paid by out-of-town visitors and tourists when they stay at a hotel and **NOT by Moreno Valley residents or property owners!** Out-of-town visitors will pay their fair share for public safety and other services.

In An Emergency Seconds Count! YES on L maintains fast 911 emergency response times for our City’s paramedics, firefighters, and emergency medical workers who are the first to respond and save lives.

The State Has Taken Millions Of Dollars From Moreno Valley! Over the past five years the state has taken millions of dollars from Moreno Valley to balance their State budget – impacting the City’s ability to provide the services, especially public safety, at the levels needed. **YES on L** provides a source of **LOCALLY-CONTROLLED** funds – **THAT CANNOT BE TAKEN BY THE STATE** – for our **LOCAL** city.

YES on L Holds The City Council Accountable! **YES on L** is subject to **INDEPENDENT ANNUAL AUDITS** and requires that funds be monitored by a **FINANCIAL OVERSIGHT COMMITTEE** to ensure they are spent properly.

Yes on L gives us **LOCAL CONTROL OVER LOCAL FUNDS.**

Join residents, business owners, police officer and 911 responders in voting **YES on MEASURE L** to protect keep our community safe and protect our city services!
