Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Preguntan si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

Doug Shepherd is a small businessman, not a politician.

We need someone in Washington to represent us who understands how to reach out and help people in more inclusive ways. Doug wants to get Washington out of your homes and businesses while working to make kind the changes you want. Doug will embrace legislation that will reduce the barriers to innovation and business startups. He will work to bring good paying jobs to communities and build our local and regional economies, by fighting to lower taxes on middle class and small business. National security is paramount, and keeping March ARB open is central to both national security and to strong local and regional economies.

He started his first business at age 24. Through hard work in good and tough times Doug grew several businesses, including one to assist U.S. Veterans. With wisdom bred from real world business experience he mentors young adults, helping them start new businesses and launch careers.

UNITED STATES REPRESENTATIVE,

MARK TAKANO, Democratic AGE: 55
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

Since being elected to Congress, I've been working hard for the communities of Riverside County and fighting for the commonsense reforms we need to fix Washington.

As your Representative, I have expanded access to healthcare for our veterans, fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

My office has secured more than \$2 million in benefits owed to veterans and held regular town hall meetings to understand local priorities. I introduced legislation to strengthen our schools, rein in the abuses of the for-profit college industry, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School, for comprehensive immigration reform, and against tax cuts for billionaires and corporations who want to ship American jobs overseas.

Prior to being elected to Congress, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, our military, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote so we can continue to grow our economy and fix Congress.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
31ST SENATORIAL DISTRICT**

RICHARD REED, Republican

AGE: 65

OCCUPATION: Attorney

EDUCATION AND QUALIFICATIONS:

If you have never heard of me, it's because I am not a career politician. I was a public school teacher for over ten years and have owned three businesses, all of them in Riverside. As an attorney, I have advocated for property rights and championed, before the court of appeal, the 1st Amendment right of voters to place a measure on the ballot without interference from the government. I do not believe in government-as-usual.

I believe in: smaller government and fewer regulations; local control and lower taxes; better roads and more water.

Smaller government: California government is a business-hostile bureaucracy that stifles entrepreneurship with red tape and misplaced subsidies.

Local control: Communities should be allowed greater self-determination in determining policies that impact local businesses and resources. Keep control and tax dollars local.

Better roads: Transportation is essential to economic prosperity. Well-maintained highways allow businesses to operate more efficiently and reduce costs to the consumer.

More water: Northern California gets sufficient annual rainfall to keep the state's reservoirs full. Over a century of repeated droughts should have taught the legislature not to rely on snow-melt in the Sierra Nevada Mountains to supply the state with water that is vital to agriculture and to residents.

We have the means to solve our water problems. In the 21st Century, more droughts and famines are caused by governments than by nature. Please vote for me in November and vote against government-as-usual.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

HECTOR DIAZ, Republican
OCCUPATION: Business Owner
EDUCATION AND QUALIFICATIONS:

Sacramento is broken and out of touch. Sacramento politicians don't feel the impact of their decisions — they only enjoy the benefits given to them by the special interests that influenced their votes. It's time to change Sacramento and take power back to the voters. I seek your vote to fight for Riverside County.

I'm not a politician — I've never held elected office. I'm simply a concerned citizen and small business owner looking to give back to our community and our state.

Born in Mexico, I came to California as a teenager with my family seeking a better life. My parents taught me the value of hard work, education, and service.

As a resident and business owner in our district, I've fought to help others and create jobs. Community leaders, business owners, and students tell me about the limited opportunities they face.

I'd be honored to receive your vote for State Assembly. I'll fight for what's best for our community, not special interest lobbyists:

1. Safer communities. Keep criminals off the streets.
2. Effective programs without bigger government.
3. Business friendly environment to create stable, higher paying jobs in Riverside County.

I pledge that I will:

1. Be available to listen to my constituents.
2. Be involved in our community, not just show up for photos.
3. Vote for what's best for our community, not what Sacramento special interests want.

Please join my supporters in Riverside, Moreno Valley, Perris, Mead Valley and High Grove in voting for Hector Diaz for State Assembly. Diaz4Assembly.com 951-448-4676

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

JOSE MEDINA, Democratic
OCCUPATION: Teacher / State Assemblymember
EDUCATION AND QUALIFICATIONS:

AGE: 63

For over 30 years, I have served Riverside County families as a classroom teacher, Community College Boardmember, and State Assemblymember. I have dedicated my life to preparing our children to succeed, improving our schools, creating new opportunities for middle-class families, and delivering results for our community.

As a classroom teacher and Community College Boardmember, I helped improve academic standards in the classroom, put more students on the path to college or a career, and invested in job-training programs to give more students the opportunity to succeed. I am proud of what we accomplished at the local level.

Yet, bad decisions and misplaced priorities in Sacramento were holding back Riverside County families. I ran for State Assembly to change that and bring a new set of priorities to Sacramento.

As your State Assemblymember, I helped deliver the first on-time balanced state budget and surplus in over a decade; pay down our state debt and eliminate waste; secure over one billion dollars to improve classroom standards; pass the state water bond to fight the drought; deliver funding to open the Medical School at UC Riverside; and created new tax credits that promote economic investment, new jobs, and make it easier for small businesses to grow.

As your State Assemblymember, I have worked tirelessly to deliver real improvements in our quality of life. I would be honored to continue fighting for Riverside County.

Please join teachers, firefighters, small business owners, and the Democratic Party in supporting my campaign.

IMPARTIAL ANALYSIS OF MEASURE “J”

The City of Perris currently bans medical marijuana dispensaries. Measure J was placed on the ballot by the City Council. If passed by the voters, Measure J will impose taxes on medical marijuana in the City of Perris. Measure J will not allow medical marijuana or nonmedical marijuana in the City of Perris. Measure J will only impose taxes if medical marijuana is allowed. The same taxes will also be imposed on nonmedical marijuana, if nonmedical marijuana is authorized or legalized by state or federal law.

Measure J would impose a maximum tax rate of ten percent (10%) of monthly business proceeds of medical marijuana dispensaries. This tax is not a sales tax. The estimated revenue from the tax will depend on several factors, but based on a review of taxes imposed by other cities the annual amount of the tax is estimated to be \$875,000 to \$1,200,000. The revenue could be higher or lower than the estimate. The actual tax rate will be set by the City Council, but cannot be higher than the maximum 10% unless approved by voters at a future general election.

Measure J does not authorize cultivation of marijuana. However, Measure J would impose a tax on cultivation if cultivation is authorized in the future by local, state, or federal law. Measure J would impose a maximum tax of twenty-five dollars per square foot for space used for marijuana cultivation, adjusted annually based on the Consumer Price Index.

The revenues generated from the taxes will be deposited into the City's general fund and used for expenditures as determined by the City Council. Historically, one of the largest expenditures from the general fund is contracting for law enforcement and fire protection services. Other typical expenditures include youth and senior programs, street and sidewalk repair, staffing parks, graffiti removal, construction and maintenance of public parks and facilities, City recreational and park programs, and City special events.

Regulations would be established to administer the tax, including collection, enforcement, penalties and refunds. All of the regulations established by Measure J may be amended or repealed by future City Council action, except that the maximum tax rates may only be increased with voter approval at a future general election.

A “**Yes**” vote means you support taxing marijuana in the City of Perris. A “**No**” vote means you oppose taxing marijuana in the City of Perris. This measure will take effect only if a majority of those voting on this ballot measure cast a “**Yes**” vote at the November 8, 2016 general municipal election.

The above statement is an impartial analysis of Measure J. If you desire a copy of the ordinance or measure, please call the Perris City Clerk's Office at (951) 943-6100 and a copy will be mailed to you at no cost.

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE “J”

IMPARTIAL ANALYSIS OF MEASURE “K”

The City of Perris currently bans medical marijuana dispensaries. Measure K was placed on the ballot by the City Council. If passed by the voters, Measure K will allow medical marijuana dispensaries in the City subject to comprehensive regulations and a valid permit issued by the City. However, Measure K will not become effective unless Measure J is also passed by the voters to tax medical marijuana.

Under Measure K, operation of a medical marijuana dispensary will be allowed in industrial and commercial zones with a valid City permit. Dispensaries will not be allowed in residential zones. Dispensaries will not be allowed within 600 feet of residential zones, churches, parks, schools, youth-oriented facilities or community centers.

Permit applications will be reviewed by the Development Services Department under a screening process that includes: criminal background checks on all employees; agreeing to reasonable unannounced inspections to ensure compliance with the law; a security plan for video cameras with 30 days of continuous digital recording accessible to law enforcement; a centrally-monitored fire and burglar alarm system; exterior security lighting; air treatment system; insurance; and indemnification of the City for liability that may arise from dispensary operations. Permits must be renewed annually or they automatically expire. Permits may be suspended or revoked for violation of any regulation or permit condition.

Dispensaries will be required to keep detailed records open to inspection by the City. Only medical marijuana and medical marijuana products will be allowed for sale. No cultivation will be allowed at dispensaries. No use of marijuana will be allowed at dispensaries. No minors will be allowed at dispensaries.

Further regulations for the administration and implementation of Measure K may be adopted by the City, such as regulations governing employee training, hours of operation, or security guards. All of the regulations established by Measure K may be amended or repealed by future City Council action, including whether or not to continue permitting medical marijuana dispensaries in the City of Perris.

If state or federal law decriminalizes, authorizes or legalizes nonmedical marijuana, and the City of Perris permits nonmedical marijuana dispensaries, then the regulations established by Measure K will govern nonmedical marijuana dispensaries to the fullest extent possible.

A “**Yes**” vote means you support comprehensive regulations and permits for medical marijuana dispensaries in the City of Perris. A “**No**” vote means you oppose comprehensive regulations and permits for medical marijuana dispensaries in the City of Perris. This measure will take effect only if a majority of those voting on this ballot measure cast a “**Yes**” vote at the November 8, 2016 general municipal election, and Measure J also passes.

The above statement is an impartial analysis of Measure K. If you desire a copy of the ordinance or measure, please call the Perris City Clerk’s Office at (951) 943-6100 and a copy will be mailed to you at no cost.
