Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United vs. Comisión Federal Electoral* (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

TIM SHERIDAN, Democratic **AGE: 50**
OCCUPATION: Negotiator / Litigator / Instructor
EDUCATION AND QUALIFICATIONS:

To change Washington, we need to send someone new to Washington.
I'm that new person!

When I'm elected:

I will focus on protecting Social Security. If you're a Social Security recipient, you did not receive a cost-of-living increase this year because Congress has continued to mandate the use of an outdated Consumer Price Index (CPI). I will work to change the index to one that will result in a consistent and fairer cost-of-living increase each year.

Second, I will fight to increase pay for our military personnel and to ensure that the Department of Veterans Affairs is fully funded. We have a responsibility to our veterans and I will make veterans issues and their individual needs a priority.

Third, I will introduce legislation to reduce student loan interest rates and promote more reasonable repayment terms — both for current and future borrowers. When students leave college, they should not be saddled with unreasonable payments because of excessively high interest rates on student loans.

Fourth, jobs! I will actively engage with individuals, small businesses and corporations and will initiate measures to bring good-paying jobs to our community, including jobs related to clean energy, those necessary to complete infrastructure repairs and to resolve traffic issues.

Finally, I pledge that when I'm not in Washington, I will be at home in the District to meet and listen to my fellow citizens. I will attend community events and maintain regularly scheduled office hours.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

It's an honor to represent Riverside County in Congress and I stand ready to serve as your voice for a more effective, accountable government in Washington.

Economic opportunity and wage growth continue to be stagnant, that's why I'm leading the effort in Congress to reduce job-killing bureaucrat regulations that create more red-tape than jobs. We need tax reform that lets you keep more of the money you earn.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hard working families.

We must keep Americans safe from all threats. I want to give our military and our law enforcement agencies the assets and ability to eliminate radical Islamic terror threats before they kill innocent Americans. I stand with our police officers and military, who do an extraordinary job everyday.

I voted to stop Obama's Syrian and Iraqi refugee program.

Obama's unconstitutional executive orders and support for pro-amnesty policies only makes our broken immigration system even worse.

I wrote the bill that created E-Verify and I'm leading the effort in Congress to make its use mandatory nationwide.

I proudly authored the bill that helps restore local control of Ontario Airport and got that legislation signed into law.

My priorities include: protecting Americans from radical Islamic extremists, improving our economy; addressing our immigration crisis; and tackling California's water challenges.

I humbly ask for your vote and thank you for the opportunity to represent you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

MIKE MORRELL, Republican

OCCUPATION: Business Owner / Senator

EDUCATION AND QUALIFICATIONS:

After owning a business for 25 years, I ran for the State Legislature with the goal of restoring California to its greatness by limiting government power, ranking the citizens above the state, and improving our business and educational climate.

My wife Joanie and I have lived in this area all our lives. We were married here, we own a home here, in 1989 we opened a business here, and we raised our children David, Kristen and Matthew here. We believe it is our duty as parents to leave the Inland Empire a better place than we found it for future generations.

Since being elected, I've kept my word to the voters, working for the families of the Inland Empire, opposing proposals that would drive up the already high cost of living, keeping property taxes low, stopping several billion in tax increases, working on upgrading education standards, and passing legislation to improve the lives of veterans.

Government's job is to work for us, not against us: to provide more freedom and opportunity, not less. Citizens thrive when we keep more of the money we earn, so we can invest in our lives and the lives of our loved ones.

I am deeply committed to these principles and I have worked hard to serve you. I would be honored to receive your vote on November 8th. I will continue my efforts in making government efficient and effective.

Sincerely,

Mike Morrell

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

JORGE LOPEZ, Democratic **AGE: 45**
OCCUPATION: Supply Chain / Businessman
EDUCATION AND QUALIFICATIONS:

U.S. Marine Corps Veteran, Business Owner, Supply Chain Specialist, Son, Husband, Father and Foster Parent. Each one of those labels implies an obligation that qualifies me to represent you in the State Assembly: service, leadership, budget driven, caring, sympathetic, compassionate and kind.

My desire to serve the people of our district is rooted in my up-bringing. Eldest of five, I was partial care giver to my younger siblings. My church gave me a sense of community and selfless service. The Marines — honor and duty.

I am bilingual (English/Spanish), hold two Bachelor's degrees and I'm an active, Progressive, Community Organizer working to bring about the changes necessary to represent your interests: your security and that of your loved ones.

Your support will bring high-tech, clean-energy, and living-wage jobs to our communities and avoid long commuting times. Time better spent nurturing and guiding your family.

I will work with ALL members of the Assembly and local officials to be your voice and hire more peace officers, fire fighters, provide quality education, build drought/flood preventing infrastructure, and safe, well-lit roads and streets. Safe streets forge strong communities.

I will forever be at the front line to represent injured warriors, veterans, children, the elderly, and women. I am an Environmentalist who supports small business, health care for all, opposes outsourcing our jobs, against animal cruelty and for a leaner, not meaner, responsible budget.

Please vote for an inclusive leader who will improve your quality of life.

Thank you!

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

MELISSA A. MELENDEZ, Republican **AGE: 48**
OCCUPATION: California State Assemblywoman
EDUCATION AND QUALIFICATIONS:

I am honored that you, the citizens of the 67th Assembly District, have trusted me to represent you in the California State Assembly.

When I served our country in the Navy, I made a commitment to defend the Constitution. As your State Assemblywoman, I have taken that commitment to Sacramento where I defend the Constitution every single day.

I have worked diligently to strengthen and protect our 2nd Amendment rights while opposing tax increases and job-killing regulations.

As I committed to you when I first asked for your vote, I authored legislation to establish tax relief for small businesses, expanded protections for our military personnel, and increased election transparency by making election data available online.

This year, I introduced legislation to redirect billions of dollars from the High Speed Rail to fix our crumbling roads and bridges. I believe road maintenance and infrastructure improvements are a basic responsibility of government. I oppose leveraging the state's finances to fund pet projects of politicians like High Speed Rail.

As Vice Chair of the Public Safety Committee, I have fought against the onslaught of soft-on-crime policies that have only resulted in rising crime rates. I will continue the fight to make public safety a top priority and ensure law enforcement has the resources necessary to keep our neighborhoods safe.

I would be honored to earn your vote and continue representing your voice in the Legislature. Together we will make our golden state a safe and prosperous place once again.

IMPARTIAL ANALYSIS OF MEASURE “DD”

City of Menifee Menifee Public Safety/Traffic Congestion Relief/Vital City Services Measure

The City Council of the City of Menifee has placed before the voters the question whether to approve an ordinance enacting a transactions and use tax within the City of Menifee. The tax rate would be one percent (1.00%) of the retail sales price, or one cent for an item that costs one dollar. The tax would remain in effect until ended by the voters. A full copy of the ordinance text is printed in these ballot materials.

Currently, the tax on retail sales in Menifee is 8.00% of the purchase price. The City receives one percent (1.00%). The remainder goes to the State (6.50%) and the Riverside County Transportation Commission (0.50%).

Technically, the existing “sales tax” is a combination of “sales and use tax” and “transactions and use tax.” Both are levied on the sale or use of tangible personal property sold at retail, with certain limited exceptions. Retailers collect the tax at the time of sale and remit the funds to the State Board of Equalization, which administers the tax.

This measure would authorize a one percent (1.00%) transactions and use tax, which would increase the total sales tax rate to nine percent (9.00%). Of that total amount, two percent (2.00%) would be deposited in the City’s general fund and be available to support the full range of municipal services. Because this measure does not legally restrict the use of tax revenue to any specific purposes, it is classified as a “general tax,” not a “special tax.” The tax proceeds may be used for any valid municipal government purpose, including reducing traffic congestion; improving and repairing local interchanges, overpasses, streets, roads, bridges, and potholes; maintaining local police, fire protection, paramedic services, and 9-1-1 emergency medical response times; preventing cuts to senior, disabled, and youth programs; and providing other general services.

This measure requires the City’s independent auditors to, no later than December 31 of each year, prepare an audit report which shall review whether the tax revenues are collected, managed, and expended in accordance with the ordinance adopted by this measure.

A “Yes” vote is a vote in favor of the tax. A “No” vote is a vote against the tax. This measure will be approved if it receives a simple majority of “Yes” votes.

ARGUMENT IN FAVOR OF MEASURE “DD”

Vote YES on DD — Protect Menifee’s public safety and vital community services from Sacramento money grabs!

Sacramento politicians have taken \$21,000,000 from Menifee over the past five years. Stop the money grab -- **YES on DD** keeps OUR taxpayer dollars LOCAL, to address our needs!

We live in Menifee because it offers a great quality of life. **YES on DD** maintains services we expect and deserve — requiring every dime be used for our benefit. NONE of Measure DD funding can be taken by Sacramento politicians.

YES on DD keeps funds local

YES on DD maintains 911 emergency response

YES on DD maintains local streets/roads and repairs local interchanges/overpasses

YES on DD improves traffic flow

YES on DD maintains local police, fire and paramedic services

Here’s what Measure DD won’t do:

Measure DD is NOT a tax on your home or property.

Measure DD is NOT applied to food purchased as groceries or prescription medications.

With crime from surrounding communities increasing, we must maintain police protection and the number of officers on our streets. **YES on DD** will keep Menifee safe by restoring the number of police officers we need to be full force.

YES on DD also addresses our street infrastructure and traffic flow. If you’re tired of spending hours stuck in traffic, vote **YES on DD** to expand interchanges and build overpasses to reduce traffic congestion, and make our streets/roads safer for drivers and pedestrians alike.

YES on DD keeps Menifee a desirable place to live, work, and visit by ensuring our public safety, roads, parks and other vital services are maintained.

YES on DD includes tough fiscal accountability, with independent financial audits and public review—ensuring funds are spent responsibly.

Join a unanimous City Council and Menifee residents in voting **YES on DD**.

IMPARTIAL ANALYSIS OF MEASURE “EE”

**City of Menifee
Measure Establishing Mayoral Term Limitations**

The City Council of the City of Menifee (“City Council”) has placed before the voters the question whether to subject the office of the Mayor to the same term limitations as are otherwise applicable to members of the City Council. The proposed term limitation would only apply if the Mayor of the City of Menifee serves four (4) year terms.

Currently, the Mayor of the City of Menifee serves two (2) year terms, while members of the City Council serve four (4) year terms. However, another measure on the 2016 ballot, Measure FF, asks the voters to determine whether to extend the term of the Mayor of the City of Menifee from two (2) years to four (4) years. If Measure FF is passed by the voters, and if this Measure EE is passed by the voters, then any person who has served two (2) successive four (4) year terms or eight (8) consecutive years as Mayor of the City of Menifee shall be ineligible to serve again in that office until an intervening period of two (2) years has elapsed.

If adopted, terms served prior to 2016 shall not count against the term limitation.

A “Yes” vote is a vote in favor of the term limitation on the office of Mayor of the City of Menifee. A “No” vote is a vote against the term limitation on the office of Mayor of the City of Menifee. This measure will be approved if it receives a simple majority of “Yes” votes.

**City of Menifee
Measure Extending Mayoral Term of Office From
Two Years to Four Years**

The City Council of the City of Menifee has placed before the voters the question whether to extend the duration of the term of the office of Mayor of the City of Menifee from two (2) years to four (4) years.

Currently, the Mayor of the City of Menifee serves two (2) year terms. This ballot measure would enact an ordinance that would, commencing with the November 2016 general election, change the duration of the mayoral term to four (4) years, such that the prevailing candidate in the 2016 mayoral election would serve from 2016 to 2020.

A "Yes" vote is a vote to extend the term of office of the Mayor of the City of Menifee from two (2) years to four (4) years. A "No" vote is a vote to keep the term of office of the Mayor of the City of Menifee at two (2) years. This measure will be approved if it receives a simple majority of "Yes" votes.
