Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United vs. Comisión Federal Electoral* (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

TIM SHERIDAN, Democratic

AGE: 50

OCCUPATION: Negotiator / Litigator / Instructor
EDUCATION AND QUALIFICATIONS:

To change Washington, we need to send someone new to Washington. I'm that new person!

When I'm elected:

I will focus on protecting Social Security. If you're a Social Security recipient, you did not receive a cost-of-living increase this year because Congress has continued to mandate the use of an outdated Consumer Price Index (CPI). I will work to change the index to one that will result in a consistent and fairer cost-of-living increase each year.

Second, I will fight to increase pay for our military personnel and to ensure that the Department of Veterans Affairs is fully funded. We have a responsibility to our veterans and I will make veterans issues and their individual needs a priority.

Third, I will introduce legislation to reduce student loan interest rates and promote more reasonable repayment terms — both for current and future borrowers. When students leave college, they should not be saddled with unreasonable payments because of excessively high interest rates on student loans.

Fourth, jobs! I will actively engage with individuals, small businesses and corporations and will initiate measures to bring good-paying jobs to our community, including jobs related to clean energy, those necessary to complete infrastructure repairs and to resolve traffic issues.

Finally, I pledge that when I'm not in Washington, I will be at home in the District to meet and listen to my fellow citizens. I will attend community events and maintain regularly scheduled office hours.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican

OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

It's an honor to represent Riverside County in Congress and I stand ready to serve as your voice for a more effective, accountable government in Washington.

Economic opportunity and wage growth continue to be stagnant, that's why I'm leading the effort in Congress to reduce job-killing bureaucrat regulations that create more red-tape than jobs. We need tax reform that lets you keep more of the money you earn.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hard working families.

We must keep Americans safe from all threats. I want to give our military and our law enforcement agencies the assets and ability to eliminate radical Islamic terror threats before they kill innocent Americans. I stand with our police officers and military, who do an extraordinary job everyday.

I voted to stop Obama's Syrian and Iraqi refugee program.

Obama's unconstitutional executive orders and support for pro-amnesty policies only makes our broken immigration system even worse.

I wrote the bill that created E-Verify and I'm leading the effort in Congress to make its use mandatory nationwide.

I proudly authored the bill that helps restore local control of Ontario Airport and got that legislation signed into law.

My priorities include: protecting Americans from radical Islamic extremists, improving our economy; addressing our immigration crisis; and tackling California's water challenges.

I humbly ask for your vote and thank you for the opportunity to represent you.

67TH ASSEMBLY DISTRICT**

JORGE LOPEZ, Democratic **AGE: 45**
OCCUPATION: Supply Chain / Businessman
EDUCATION AND QUALIFICATIONS:

U.S. Marine Corps Veteran, Business Owner, Supply Chain Specialist, Son, Husband, Father and Foster Parent. Each one of those labels implies an obligation that qualifies me to represent you in the State Assembly: service, leadership, budget driven, caring, sympathetic, compassionate and kind.

My desire to serve the people of our district is rooted in my up-bringing. Eldest of five, I was partial care giver to my younger siblings. My church gave me a sense of community and selfless service. The Marines — honor and duty.

I am bilingual (English/Spanish), hold two Bachelor's degrees and I'm an active, Progressive, Community Organizer working to bring about the changes necessary to represent your interests: your security and that of your loved ones.

Your support will bring high-tech, clean-energy, and living-wage jobs to our communities and avoid long commuting times. Time better spent nurturing and guiding your family.

I will work with ALL members of the Assembly and local officials to be your voice and hire more peace officers, fire fighters, provide quality education, build drought/flood preventing infrastructure, and safe, well-lit roads and streets. Safe streets forge strong communities.

I will forever be at the front line to represent injured warriors, veterans, children, the elderly, and women. I am an Environmentalist who supports small business, health care for all, opposes outsourcing our jobs, against animal cruelty and for a leaner, not meaner, responsible budget.

Please vote for an inclusive leader who will improve your quality of life.

67TH ASSEMBLY DISTRICT**

MELISSA A. MELENDEZ, Republican **AGE: 48**
OCCUPATION: California State Assemblywoman
EDUCATION AND QUALIFICATIONS:

I am honored that you, the citizens of the 67th Assembly District, have trusted me to represent you in the California State Assembly.

When I served our country in the Navy, I made a commitment to defend the Constitution. As your State Assemblywoman, I have taken that commitment to Sacramento where I defend the Constitution every single day.

I have worked diligently to strengthen and protect our 2nd Amendment rights while opposing tax increases and job-killing regulations.

As I committed to you when I first asked for your vote, I authored legislation to establish tax relief for small businesses, expanded protections for our military personnel, and increased election transparency by making election data available online.

This year, I introduced legislation to redirect billions of dollars from the High Speed Rail to fix our crumbling roads and bridges. I believe road maintenance and infrastructure improvements are a basic responsibility of government. I oppose leveraging the state's finances to fund pet projects of politicians like High Speed Rail.

As Vice Chair of the Public Safety Committee, I have fought against the onslaught of soft-on-crime policies that have only resulted in rising crime rates. I will continue the fight to make public safety a top priority and ensure law enforcement has the resources necessary to keep our neighborhoods safe.

I would be honored to earn your vote and continue representing your voice in the Legislature. Together we will make our golden state a safe and prosperous place once again.

LINDA GONZALES

OCCUPATION: Registered Nurse
EDUCATION AND QUALIFICATIONS:

I'm an organic gardener, an animal lover, and raise chickens. My neighbors enjoy an ample supply of eggs! I moved to Wildomar for its family-friendly atmosphere and rural lifestyle. I'm running for Wildomar City Council to maintain these special qualities, while increasing Police protection for our Citizens.

As a Registered Nurse with a Master's Degree, my first job after moving to 'The Farm' in 2009 was at Inland Valley Hospital. After completely refurbishing my home, it was awarded "House of the Month" by The Farm POA. I raised two sons as a single parent while putting myself through college. These experiences taught me fiscal responsibility and the value of community.

My accomplishments include:

- Pioneering a Community Hospital's First Lactation Clinic
- Successfully Advocating Supplemental Insurance for Homebound Patients
- Transforming an Obstetrical Hospital Unit by Doubling Staff while Adhering to Budget

Riverside County observes a ratio of 1.2 Police Officers per 1,000 residents. Ideally, Wildomar needs approximately 30 Officers, but currently has only 2. I vow to introduce a Budget Amendment immediately doubling Wildomar's Police presence to 4 Full-Time Officers.

I'm honored by the opportunity to serve your interests, and greatly appreciate your vote for Wildomar City Council.

TAX RATE STATEMENT

LAKE ELSINORE UNIFIED SCHOOL DISTRICT – General Obligation Bond Election of November 8, 2016

MEASURE/PROPOSITION “V”

As shown on the enclosed official ballot, an election is being held in the Lake Elsinore Unified School District (“District”) on November 8, 2016, for the purpose of submitting to the registered voters within the District the question of whether the District shall issue and sell bonds in an amount not to exceed \$105,000,000 for the purpose of providing funds for the specified school facilities and school projects as set forth in the resolution of the District calling such bond election. This measure will authorize a tax sufficient for payment of interest on, and redemption of, the bonds. The bonds shall bear interest at a rate, or rates, to be established at such time as the bonds are sold at fixed or variable interest rates not to exceed the maximum applicable statutory rate for such bonds. If such bonds are authorized and sold, the principal thereof and the interest thereon are a general obligation of the District, payable from the proceeds of **ad valorem** taxes on taxable real property located within the District.

The following information is submitted in compliance with California Elections Code Sections 9401 through 9404 based on estimates of assessed valuations available at the time of filing of this statement:

- (a) The best estimate from official sources of the tax rate that would be required to be levied to fund the bond issue during the first fiscal year after the sale of the bonds, based on estimated assessed valuations available at the time of filing of this statement or a projection based on experience within the same jurisdiction or other demonstrable factors, is \$0.019 per \$100 (\$19.00 per \$100,000) of assessed valuation. It is estimated that this tax rate would apply in the 2017-2018 tax year.
- (b) It is currently anticipated that the bonds will be sold in multiple series. The best estimate from official sources of the tax rate which would be required to be levied to fund such bond issue during the first fiscal year after the final sale of the bonds based on estimated assessed valuations available at the time of filing of this statement or a projection based on experience within the same jurisdiction or other demonstrable factors is \$0.025 per \$100 (\$25.00 per \$100,000) of assessed valuation. It is estimated that this tax rate would apply in the 2045-2046 tax year.
- (c) The best estimate from official sources of the highest tax rate which would be required to be levied to fund the bond issues during the term of the bond issue, based on estimated assessed valuations available at the time of filing of this statement or a projection based on experience within the same jurisdiction or other demonstrable factors, is \$0.029 per \$100 (\$29.00 per \$100,000) of assessed valuation. It is estimated that the highest tax rate would apply in the 2025-2026 tax year based on assessed valuations available at the time of this filing or a projection based on experience within the same jurisdiction or other demonstrable factors.
- (d) The best estimate of the total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$170,968,160.

The best estimate from official sources of the average annual tax rate that would be required to be levied to over the lifetime of the bonds for their repayment, based on estimated assessed valuations available at the time of filing of this statement, projections based on historical assessed valuations within the District and other demonstrable factors, is \$19.00 per \$100,000 of assessed valuation.

Voters should note that the estimated tax rates are based on the **assessed value** of taxable property within the District as shown on the official rolls of Riverside County, not on the property's market value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective rate than described above. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the Riverside County Assessor in the annual assessment and the equalization process. Property owners should consult their own property tax bills and/or tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that these estimates are based on assumptions and projections derived from information obtained from official sources. The actual tax rates and the years in which they will apply may vary depending on the timing of any bond sales, the amount of bonds sold, market interest rates at the time of each sale of bonds and actual assessed valuations over the term of repayment of the bonds. The timing of the bond sales and the amount of bonds sold at any given time will be governed by the needs of the District, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of the bond sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the Riverside County Assessor in the annual assessment and the equalization process.

Lake Elsinore Unified School District

IMPARTIAL ANALYSIS OF MEASURE “V”

The Board of Education (“Board”) of the Lake Elsinore Unified School District (“District”) by adopting Resolution No. 2016-17-028 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of one hundred and five million dollars (\$105,000,000).

This Measure was placed on the ballot by the Board of the above-identified District.

The Bonds would be used by the District to acquire land for a new elementary school, construct two new elementary schools, provide additional classrooms and support facilities at existing elementary schools. The Bonds would also be used for the District-Wide 21st Century Instructional Technology Program, which include upgrading, installing, and furnishing equipment to support instructional/technological infrastructure. The Bonds would be used to improve student safety, upgrade playground equipment and sports fields and improve heating, air conditioning and ventilation systems. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure V is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum interest rate of twelve percent (12%) per annum and the maximum term of the Bonds, or any series thereof, will not exceed 40 years. The best estimate of the total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$170,968,160.00.

Approval of Measure V does not guarantee that the proposed project or projects in the District, that are the subject of the Bonds under Measure V, will be funded beyond the local revenues generated by Measure V. The District’s proposal for the project or projects assumes the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “V” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “V” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “V”

Vote Yes on Measure V to update and repair neighborhood schools in Lake Elsinore, Canyon Lake and Wildomar. Measure V will help prepare our students to compete successfully in high school, college and 21st-century careers.

We are fortunate to enjoy a special quality of life here in the Elsinore Valley. Our community schools are routinely recognized for outstanding academic achievement including multiple Blue Ribbon and California Distinguished Schools.

Unfortunately, aging classrooms, labs, libraries and instructional technology – especially in older schools- simply aren’t up to current academic and safety standards.

Measure V provides essential repairs and upgrades so all students have equal access to clean, safe and up-to-date classrooms, science labs, instructional technology and career training to prepare them for college and the workforce.

Whether or not we have children in school, we all know our great schools improve the quality of life in our community and protect the value of our homes.

Vote YES on V to:

- Upgrade career and technology education programs that prepare students for college and high-demand jobs
- Upgrade classrooms, equipment and the educational technology to support high-quality instruction in math, science, music and the arts
- Improve student safety and security systems
- Improve heating, ventilation, insulation, doors and windows to increase energy efficiency and save money
- Add new classrooms and facilities to relieve overcrowding

An independent community oversight committee and annual public audits ensure strict oversight and accountability. No funds can be used for administrator salaries or benefits.

Best of all, every dollar will be spent on Elsinore Valley schools - no funds can be taken by the State. And Measure V will allow our schools to qualify for future state matching funds.

Join us and vote YES on V to support quality education in Elsinore Valley schools.
