Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Pharmacist / California Senator

EDUCATION AND QUALIFICATIONS:

Washington is broken and Congress must share the blame. The \$20 trillion debt; the expanding threat of ISIS and Islamist terrorism; the failed healthcare system; the constant calls for high taxes - these problems are all products of politicians who have failed their oath of office, failed their country and us.

We can't expect change unless we're willing to vote for leaders committed to doing what's right, even when it means shaking up the status quo. I am running for Congress to do exactly that and give you the representation you deserve.

As your new representative in Congress, I will work to:

- Grow our economy to create good paying jobs; reduce regulations and protect American business and American workers.
- Repeal dangerous "deals" with countries like Iran that sponsor terrorism, murder members of the LBGT community and seek to destroy our friend Israel.
- Stop government from interfering too much in our lives and businesses.
- Increase and improve services for Veterans, military personnel and their families.
- Stop tax increases - you already pay too much - and balance the budget by cutting waste and bureaucracy.

I am a husband, father, grandfather pharmacist, small business owner and citizen-Senator. I am dedicated to keeping our nation safe, protecting your constitutional rights and improving our economy.

I'm proud to be endorsed by the Riverside Sheriffs Association, District Attorney Mike Hestrin, Riverside County Treasurer Don Kent, four County Supervisors and more than 70 elected public servants. I would be honored to receive your vote.
Thank you.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ M.D., Democratic

OCCUPATION: Congressman, Emergency Physician

EDUCATION AND QUALIFICATIONS:

I am not a career politician, and never will be. I'm an emergency physician who ran for office to serve people in our communities, just like I have for my entire adult life.

As a doctor, I'm trained to put people first:

I REPEATEDLY SUPPORTED STRENGTHENING OUR FIGHT AGAINST TERROR: I strongly oppose allowing Iran to develop nuclear weapons, and I supported tougher sanctions against Iran if they test new missiles or arm terrorists.

I STOOD UP AGAINST CUTS IN SOCIAL SECURITY AND MEDICARE: I promised that I would never vote to cut Social Security or Medicare benefits, and I've kept my promise.

I STOOD UP FOR VETERANS: I sponsored a "Veterans University" to help local vets learn about the benefits and resources they've earned. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

I OPPOSED PERKS FOR MEMBERS OF CONGRESS: I will vote against any pay raises for Congress, and I wrote legislation to prohibit Members of Congress from using taxpayer money to fly first class and lease luxury vehicles.

I FOUGHT TO MAKE SURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE. As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions, and to help people keep their existing policies under the new health care law.

We can't afford more partisan gridlock in Washington. That's why I'd be honored to have your support.
Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

MIKE MORRELL, Republican

OCCUPATION: Business Owner / Senator

EDUCATION AND QUALIFICATIONS:

After owning a business for 25 years, I ran for the State Legislature with the goal of restoring California to its greatness by limiting government power, ranking the citizens above the state, and improving our business and educational climate.

My wife Joanie and I have lived in this area all our lives. We were married here, we own a home here, in 1989 we opened a business here, and we raised our children David, Kristen and Matthew here. We believe it is our duty as parents to leave the Inland Empire a better place than we found it for future generations.

Since being elected, I've kept my word to the voters, working for the families of the Inland Empire, opposing proposals that would drive up the already high cost of living, keeping property taxes low, stopping several billion in tax increases, working on upgrading education standards, and passing legislation to improve the lives of veterans.

Government's job is to work for us, not against us: to provide more freedom and opportunity, not less. Citizens thrive when we keep more of the money we earn, so we can invest in our lives and the lives of our loved ones.

I am deeply committed to these principles and I have worked hard to serve you. I would be honored to receive your vote on November 8th. I will continue my efforts in making government efficient and effective.

Sincerely,

Mike Morrell

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican

AGE: 39

**OCCUPATION: Member of the State Assembly
EDUCATION AND QUALIFICATIONS:**

Two years ago, I was honored to receive your trust to provide our community a stronger voice in Sacramento. I'm proud that my reputation as an independent minded leader allows me to reach across party lines to get things done.

As Assembly Republican Leader, I negotiated directly with Governor Brown to pass a bipartisan compromise measure to reduce the cost of healthcare for Californians by \$100 million, reduce state debt by \$400 million and dedicate \$175 million toward fixing our broken roads and bridges.

Further, I've made fighting for middle class Californians a priority. From working to expand the child care tax credit so more families can afford child care to supporting career and technical training to elevate workers from minimum wage jobs into good paying, meaningful careers.

Together, we have accomplished a lot, but there is more to do.

To ease our water problems we must build more reservoirs to increase storage and ensure a safe, reliable water supply. We must reform California's teacher tenure system to ensure our students are taught by the very best.

I believe anything is possible in a society that opens up opportunity equally for all and provides the freedom to achieve our dreams.

While we've made progress, it's clear that we have more work to do to move beyond Sacramento's closed system and towards an open government that empowers each of us to succeed in this new dynamic economy.

The world is changing; let's change it for the better.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

GREG RODRIGUEZ, Democratic

**OCCUPATION: Community Health Manager
EDUCATION AND QUALIFICATIONS:**

I was raised in Southern California by a single mom who worked three jobs. I learned the values of personal responsibility and a strong work ethic early on. I worked my way through college studying economics and political science. Twenty years ago, I left work to become a full-time father after adopting my autistic nephew and another son who had been in five different foster homes before he was four. I am the only candidate in this race who has had children and knows the challenges parents face. I fought for solutions for children with developmental disabilities and improving education. I became District Director for Congressman Raul Ruiz and spent two years leading a team that delivered unparalleled constituent services to veterans, seniors, and other residents.

I am running for State Assembly to take my passion for solutions to Sacramento to get the results we need here in our district. With my passion for service I will work to create jobs, reduce crime, invest in renewable energy, strengthen our education system, create long-term solutions for water shortages and the Salton Sea, and most importantly to me, address our mental health and homeless issues in our district.

You can count on me to represent you and achieve results for everyone. Visit gregrodriguez.com. I would be honored to have your vote.

PATRICK C. SEARL **AGE: 60**
OCCUPATION: Appointed Incumbent
EDUCATION AND QUALIFICATIONS:

I'm a fourth generation member of a San Jacinto Valley pioneer family. Since 1889, my family and I have been involved in every aspect of our community, schools, hospital, water, and city government, including serving on numerous Foundations and Committees. I'm an independent candidate with a practical understanding in business, education, and community service. I strongly hope to continue the leadership, common-sense, and fiscal responsibility I've shown since my appointment to the Hemet Unified School District Board of Directors last year.

Since taking my position, I've been through two budget cycles, two years of the LCAP adoption, and the end of a precarious labor negotiation. Also, the improved morale of the employees and a new contract with the first female Superintendent in the history of the District, has set us on a path that is very exciting. I'm very proud of my record when it comes to the many positive changes that have happened at Hemet Unified School District since I took office.

If reelected, I will continue my common-sense approach to the business of the Board, without the pressures of any special interest group. I look forward, with great appreciation, to receiving your vote.

GENE HIKE
OCCUPATION: Retired Math Teacher
EDUCATION AND QUALIFICATIONS:

I believe one of the most important elements of student learning is the quality of teaching. As a Board member, I will work to support the teacher in the classroom. Having taught math for 35 years, I understand the challenges teachers face every day. Working together with teachers, administrators and classified employees we can provide the best education for our youth.

Students have different interests and talents, so I'll work to provide variety within the curriculum, including vocational education, music and art. Furthermore, I will insist every course includes reading, writing and mathematics.

We are in the 21st Century and our education needs to reflect this Century. Our youth need to know how to THINK. Technology has changed our lives, and we are bombarded with information from many sources. Our students need to be able to evaluate the accuracy of this information. I'll push HUSD to step up to the plate and prepare our young people for a future that embraces technology so they are ready for their future.

I want HUSD to be the highest performing school district in Riverside County.

SHELLIE MILNE
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

As I listen to Third District voters, I hear a consistent and powerful message – citizens are tired of career politicians who come from within the political establishment, promising much but delivering nothing.

I'm a person of action -- family farmer, mother of six, and a small construction business owner. I know what it takes to live within a budget and make a payroll. I arrive at decisions and govern based upon conservative, common sense, bottom-line business principles.

I believe in limited government, fiscal responsibility, free markets, lower taxes, private property rights, and the Second Amendment. The most important role for government is to protect its citizens – All Lives Matter. As a member of the Board of Supervisors, my votes will always be consistent with these core values.

I have fought and won battles imposing term limits, enacting illegal immigration restrictions, reducing city council compensation, and requiring competitive bids for municipal services. I am also one of a select few in the entire State of California who has earned the official endorsement of the Howard Jarvis Taxpayers Association.

Please join me in my fight to limit the frivolous spending and fiscal abuses of Riverside County bureaucrats. Thank you for your vote.

It has been my honor to serve you on Council and as MAYOR. I am a Navy VETERAN, family man, and small business owner born and raised here. Accomplishments include PRESERVING San Jacinto's agriculture, history, and public safety. Fighting to bring back our tradition of lighting the 'S' on North Mountain by forging partnerships with SOBOBA and SAN JACINTO SCHOOL DISTRICT. Our Council was the first in nearly a decade to make the tough decisions for BALANCING the City budget. I felt closing parks and Fire Station 78 was UNACCEPTABLE. Dedicated to finding solutions without raising taxes the parks were RE-OPENED with successful grant applications lowering utility and maintenance costs and Station 78 was RE-OPENED with a renegotiated fire contract and implementing new revenues. Because of this San Jacinto is ranked one of the FINANCIALLY STRONGEST Cities in California. The NEXT four years will bring tremendous GROWTH and change. Highways, restaurants, stores, and higher population are in the planning phase. I am running for re-election to manage this growth SMARTLY by preserving our heritage and traditions, INCREASE public safety, and improving our quality of life for families and seniors. Included is reducing homelessness, empowering the LATINO voice, and increasing youth activities. VOTE MAYOR ANDREW KOTYUK!

In 2010 , San Jacinto Voters made made major changes to the City Council they had \$18 million in the general fund. In a five year period theyblew that \$18 million reserve. It is time for another change in the City Council! I and others say that because it has been shown they can not only handle there own financial affairs but more impotantly the taxpayer's dollars. They have also proven they are incompetant in making decisions properly and legally. They also have attempted to shut the public out by reducing the council meetings from two down to one and reducing the starting time from 7 PM to 6:30 PM there by making it difficult for the public to attend. When the public attempts to speak, they try to shut them up completely,limit their comments, or ridicule them with inappropriate remarks. I have also heard sex and nationality remarks. They also used children as pawns. I am not one for empty promises especially with LIMITED FUNDS. Here is what I can promise you: Integrity, accountability,and responsibility. All parks will be inspected for rats and snakes.

**IMPARTIAL ANALYSIS OF MEASURE “AA”
(Marijuana Business Tax)**

Measure AA would establish a local gross receipts tax of up to 15% and up to a \$50.00 per square foot cultivation/manufacturing tax on all San Jacinto businesses that transact in marijuana and marijuana-containing products (oils, creams, candies and “edibles”). The tax would cover marijuana cultivation and marijuana-product manufacturing, processing, testing, distribution and retail sale.

Earlier this year, the San Jacinto City Council adopted a comprehensive ban on all marijuana uses, including marijuana dispensaries, direct-to-customer delivery services, marijuana cultivation, manufacturing, distribution, testing and transportation. In the event voters approve this ballot measure, the tax in question will only go into effect if regulations in San Jacinto change to allow marijuana uses.

While the City Council has the authority to adopt marijuana *regulations*, marijuana *taxes* must be approved by the voters under State law (California Proposition 218). It is specifically noted that Measure AA is a *tax* measure only. It does not amend the City’s marijuana *regulations* - it does not repeal the City’s current ban on marijuana uses.

However, a Statewide initiative measure is also on this ballot that would legalize possession and use of recreational marijuana (Proposition 64). While Proposition 64 would allow San Jacinto to continue banning most marijuana uses, it will require San Jacinto to reasonably allow indoor cultivation of medical and recreational marijuana.

Therefore, while the City currently bans marijuana uses, this tax is drafted broadly to cover both medical and recreational marijuana, as well as both wholesale and retail marijuana businesses, should State or local law change and allow these activities in San Jacinto in the future.

Measure AA was placed on the ballot by the City Council and, if approved, would establish the following tax rates on marijuana uses:

- a maximum 15% gross receipts tax on all marijuana businesses (wholesale or retail, medical or recreational marijuana); and
- an additional tax up to a maximum of \$50.00 per square foot of space utilized for cultivation/manufacturing of marijuana or marijuana-containing products. This includes “grow rooms”, testing facilities and processing/distribution facilities.

This is a “general tax” and, therefore, must be approved by a majority of the voters. It is estimated that Measure AA would generate \$1,250,000 annually to the City’s general fund in the event the regulatory scheme is altered to allow some marijuana uses. The general fund pays for general City services such as police, fire, emergency response, street maintenance, parks and recreational programs. The tax rates set by Measure AA could be increased or decreased by the City Council provided the maximum rates listed above are not exceeded.

A “yes” vote on Measure AA will approve the marijuana business taxes identified above.

A “no” vote on Measure AA will not approve the marijuana business taxes identified above.

The above statement is an impartial analysis of Measure AA. If you desire a copy of the Measure, please call the elections official’s office at (951) 486-7200 and a copy will be mailed at no cost to you.

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE “AA”

IMPARTIAL ANALYSIS OF MEASURE “BB”

The City of San Jacinto currently imposes a transient occupancy tax (“TOT”), also generally known as a “hotel room” tax, at the rate of eight percent (8%) of the rent paid by guests to occupy a room or other space in a hotel or other similar accommodation (referred to throughout this analysis as a “hotel”). This TOT is imposed upon paying guests of hotels within the City for occupying a room or other hotel space, for dwelling, lodging, or sleeping purposes, for a period of thirty (30) consecutive days or less.

The passage of Measure BB would increase the TOT rate from eight percent (8%) to twelve percent (12%). In the previous fiscal year, the City received approximately \$40,000 in revenue from TOT. If the increase is approved and the hotel occupancy and room rates within the City remain the same, it is estimated the City will receive an additional \$20,000 in annual revenue.

Measure BB is a general tax and may be used for any general governmental purpose of the City, such as fire, paramedic and police services; street operations and maintenance; and library, parks and recreation services. In order for the City to adopt the amendments to its Municipal Code described above, Measure BB must be approved by a majority of the votes cast by the voters voting on the ballot proposition.

A “yes” vote on Measure BB will approve the TOT rate increase identified above.

A “no” vote on Measure BB will not approve the TOT rate increase identified above.

The above statement is an impartial analysis of Measure BB. If you desire a copy of the Measure, please call the elections official’s office at (951) 486-7200 and a copy will be mailed at no cost to you.
