Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
50TH CONGRESSIONAL DISTRICT**

DUNCAN HUNTER, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

I am honored to serve you in the U.S. House of Representatives.

American families and workers are impacted everyday by the decisions that are made in Washington, DC. For the last seven years, I have stood on the side of limiting government influence, empowering workers, and allowing families to keep more of their hard-earned money.

With your support, I will continue to promote and defend the best interests of our community and the nation.

As a Marine Corps veteran, I served two tours in Iraq and a third in Afghanistan, and this experience continues to inform my perspective on national security. I firmly believe in the principle of peace through strength, and I recognize America's role as a world leader. I am also an uncompromising defender of our troops, their families and our veterans.

Economically, we also face strong competition on the world stage, but the innovation of the American entrepreneur, the spirit and work ethic of the American worker, and the power of the American economy continue to provide us every advantage. I remain committed to strengthening our workforce and restoring manufacturing jobs. I also oppose borrowing one more dollar from China to finance our debt or new government spending.

Other priorities of mine include: securing our borders and enforcing existing laws; achieving energy independence; eliminating job-threatening regulations and taxes; emphasizing education for a global economy; and upholding core values.

I ask for your support. Together, we will continue the fight for the ideals that make America so exceptional.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
50TH CONGRESSIONAL DISTRICT**

PATRICK MALLOY, Democratic **AGE: 49**
OCCUPATION: Local Businessman / Real Estate Specialist
EDUCATION AND QUALIFICATIONS:

Clearly, the do-nothing Congress has abandoned the middle class. Political and economic elites seem only interested in promoting their own moneyed interests. They no longer represent the independent-minded people of this great country. Career politicians have failed us.

Patrick Malloy is running for Congress because of this neglect and the arrogance of power in Washington. As a realtor, he knows how to negotiate and bring two opposing sides together toward one common goal. As a prudent fiscal conservative, he knows the value of hard work and careful stewardship of resources. He is not a career politician.

Malloy wholeheartedly supports: 1) providing veterans who served this country with a quality education and career placement on their return to civilian life; 2) creating better jobs with better paychecks; 3) repairing crumbling local infrastructure, especially transportation bottlenecks; 4) placing tax dollars where they belong, not spending money on projects the military does not want or on foreign projects that America's enemies destroy; 5) safeguarding Social Security and Medicare; it's not hard to do; and 6) providing a debt-free college education and/or career training for our children so they can live a middle class lifestyle.

We need a representative in Congress who listens to the people. Patrick Malloy will listen. He will give you a voice and honor the independent-minded citizens of this district.

Vote Patrick Malloy. Honesty, integrity and solutions ... for a change.

I SUPPORT:

Strong Public Safety policies keeping our communities safe

Job Creation for working families and businesses

Reliable Water for our economy, families and farms

Strong Education for success

I Mean Business and Jobs. A small businessowner for 22 years, I understand the impact of unfair government regulations, taxes and fees. That is why I have a "A" Rating by the Howard Jarvis Taxpayers Association.

Proven Record: As your State Assemblymember and a former city councilmember in Escondido, I support a balanced budget, recreation programs and water affordability . Water storage, desalinization and reclamation are critical for a sustainable, clean water supply.

As a parent, I'm concerned about our childrens' future. I stand to protect our traditional family values, individual liberties and our veterans for benefits, housing and healthcare. I have been a strong advocate in Sacramento for creating access to innovative health solutions that are affordable for our residents. Keeping our communities safe in this uncertain world is priority one and I support our public safety personnel and the requirement that they have the tools they need.

SHELLIE MILNE
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

As I listen to Third District voters, I hear a consistent and powerful message – citizens are tired of career politicians who come from within the political establishment, promising much but delivering nothing.

I'm a person of action -- family farmer, mother of six, and a small construction business owner. I know what it takes to live within a budget and make a payroll. I arrive at decisions and govern based upon conservative, common sense, bottom-line business principles.

I believe in limited government, fiscal responsibility, free markets, lower taxes, private property rights, and the Second Amendment. The most important role for government is to protect its citizens – All Lives Matter. As a member of the Board of Supervisors, my votes will always be consistent with these core values.

I have fought and won battles imposing term limits, enacting illegal immigration restrictions, reducing city council compensation, and requiring competitive bids for municipal services. I am also one of a select few in the entire State of California who has earned the official endorsement of the Howard Jarvis Taxpayers Association.

Please join me in my fight to limit the frivolous spending and fiscal abuses of Riverside County bureaucrats. Thank you for your vote.

Public Safety: “As your next Councilman, my number one priority is public safety! Temecula is a wonderful place to live. We all have reason to be proud! Our city has a balanced budget; no service cuts; a new CalState campus, a hospital generating 1,500 new jobs; a \$650 million tourism industry supporting over 7000 jobs!; \$106 million in new road improvements coming; new S-79 interchange starting soon!; 40 pristine parks; and a thriving downtown where over \$100 million in private capital has been recently invested.

Temecula is the 20th safest city nationwide! It's paving the way regionally in helping “special needs” families and the disabled; we have cut taxes for thousands of homeowners; preserving open space, and vigorously expanding bike lanes and trails. All these years, I've poured my heart and soul into the above, and more.

I pledge to keep Temecula a “Family First” community and will never forget that I serve YOU. I'm truly honored to have won your trust these past years.

IMPARTIAL ANALYSIS OF MEASURE “S”

If enacted by the voters, Measure S, the Temecula 911 Emergency Response, Public Safety and Vital City Services Measure, would approve Ordinance No. 2016-06, Temecula Transactions and Use Tax Ordinance (the “Sales Tax Ordinance”) that would increase the City’s existing sales tax rate by 1% or one cent for every dollar of taxable sales of goods in the City, and on the taxable storage, use or consumption in the City of goods purchased. The total sales tax rate currently paid in the City of Temecula, which also includes the sales tax rate collected for the State of California and other public agencies is 8%. If the Measure is approved by the voters, the total sales tax rate in the City will increase to 9% subject to any changes in state law.

The proposed tax is a general tax. The tax revenues from this tax will be deposited in the City’s general fund and may be used for any municipal purpose for the City of Temecula. It is estimated by the City’s Director of Finance that this proposed tax will raise approximately \$23 million per year in general fund revenue for the City until ended by the voters. The proposed ballot measure was placed on the ballot by the City Council of the City of Temecula.

The Sales Tax Ordinance provides that the tax will be collected by the State under State law in the same manner as the existing sales tax. The Ordinance further provides that each year the City’s independent auditors shall complete a Temecula Transactions and Use Tax Ordinance Compliance and Internal Control Audit Report that shall review whether the tax revenues collected pursuant to the Ordinance are collected, managed and expended in accordance with the requirements of the Sales Tax Ordinance adopted by the voters.

Article XIIIC of the California Constitution, commonly known as Proposition 218, requires that the proposed tax be approved by a majority of the voters voting on the ballot measure. A “yes” vote on Measure S adopts the 1% Sales Tax Ordinance. A “no” vote will result in the 1% Sales Tax Ordinance not being adopted

The above statement is an impartial analysis of Measure S as required by Elections Code Section 9280. If you desire a copy of the Sales Tax Ordinance, please call the City Clerk at (951) 694-6444 and a copy will be sent to you at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “S”

Vote YES on S – Maintain Temecula’s public safety and quality of life services!

We all live in Temecula because it offers a great quality of life. But did you know Sacramento politicians have taken \$31,000,000 from Temecula over the past five years? With over 80% of calls to our fire department for medical emergencies and the State releasing parolees into our region, we must maintain our police/fire services and stop the Sacramento money grab. Vote **YES on S** to keep our taxpayer dollars LOCAL!

YES on S keeps our neighborhoods safe and restores Temecula police staffing to recommended levels.

YES on S keeps our fire stations open and maintains emergency response services so firefighters and paramedics can continue to quickly respond and save lives.

YES on S maintains the quality of life services that make Temecula a desirable place to live, work, and do business:

- Maintains 911 emergency and police response times
- Prevents cuts to paramedic services, local police and fire protection – the City’s top priority
- Maintains school safety patrols
- Prevents cuts to services for the disabled and seniors

Here’s what Measure S WON’T do:

Measure S is NOT a tax on your home or property.

Measure S is NOT applied to food purchased as groceries or prescription medication.

Again -- by law, **YES on S** requires every dime be used for our local services—none can be taken by Sacramento politicians for their own agenda. **YES on S** gives you—the Temecula taxpayer -- LOCAL CONTROL.

YES on S includes tough fiscal accountability, with independent financial audits and public oversight—ensuring funds are spent responsibly.

Join a unanimous City Council, local businesses, firefighters and police officers in voting **YES on S**.

Jim Domenoe, Retired Temecula Police Chief

Diana Serrano, Temecula Citizen Corps Leader

Peg Moore, Temecula City Founder

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “S”

Vote NO on \$ – Measure S is a **political money grab**, pure and simple.

A unanimous City Council placed this tax measure on the ballot yet not one member signed the ballot argument in favor of this extra **\$23 million every year** in unallocated revenue.

“Local Control” means residents get tricked into voting for a slush fund of **\$23 million per year that politicians decide how to spend**.

Two of the retirees in favor of Measure S receive executive public pensions.

A tax increase has NEVER cured government of overspending – nor stopped corporate welfare.

Besides the **multimillion-dollar tax giveaway** to Medline Industries, **another \$1.5 million** in the City’s 2017-2021 Capital Improvement Budget is **already budgeted for reimbursement of developer fees**.

A tax dedicated for public safety would require a 2/3 vote.

The Fact is that **NOT ONE DIME is dedicated to public safety** with Measure S yet **future revenue is already earmarked to be returned to developers**.

Measure S is an **overreach**. Other fiscal remedies such as an independent audit of expenditures have not been explored.

IF Public Safety is the priority, Temecula could adopt a user-based paramedic fee program as is in place in Murrieta and Menifee.

Measure S has **consequences**, potentially driving new business, existing customers and employment opportunities to other communities.

Measure S is a **regressive tax unfairly hurting working families and fixed-income retirees**.

STOP the grandiose spending schemes!

MAKE local government accountable.

VOTE NO! ON Measure \$.

By: Paul Jacobs, Former Public/Traffic Safety Commissioner

Angel Garcia, Small Business Owner

ARGUMENT AGAINST MEASURE “S”

Temecula does not have a revenue shortfall; it has a spending problem. Voters are being asked to tax themselves and visitors an additional one-percent sales tax to finance a deficit of fiscal responsibility in city leadership.

Temecula has a wealth of revenue streams producing a tax base most cities envy. We have a regional mall, upscale auto dealerships, numerous restaurants and a thriving tourism industry.

City leadership has blundered the budget. Should voters reward Temecula's fiscal irresponsibility? No!

Rather than observing fiscal prudence to ensure essential public services, Temecula politicians embarked on amenity projects that are costly to maintain. There has been no adequate examination of structural spending habits. Instead, a consultant was hired to peddle a tax hike.

The spendthrift city council is shamelessly selling this tax hike in a smokescreen of fear, citing Public Safety needs – even as statistics show Temecula to be one of the safest cities in the country.

Rather than wisely budgeting funds to address future public safety needs, the city council instead built a cavernous \$70-million Taj Mahal civic center – an embarrassing and glaring example of “big government.”

Council luxury projects include an unbudgeted \$1.3-million special needs play structure with a water feature. Meanwhile, the rehabilitation of the neighboring YMCA building and pool the City inherited has been defunded. That facility would have served many needs, including special needs.

City leaders gave a multiyear, multimillion-dollar tax break to Medline, a corporation with \$7 billion in annual revenue. Voters are now expected to subsidize this corporate welfare.

If revenue is needed for public safety, the City can establish a paramedic fee rather than sticking residents and businesses with a perpetual 1% sales tax increase.

Demand accountability. **Vote No!** Deny this city council a \$23-million annual slush fund.

By: Paul Jacobs

REBUTTAL TO ARGUMENT AGAINST MEASURE “S”

Measure S was placed on the ballot so you – Temecula's residents – can decide if maintaining our high quality life, public safety, and vital services is a priority.

Temecula is one of the safest communities in the United States – **Measure S** will keep it this way.

Don't be misled. Consider the facts:

FACT: Temecula is fiscally responsible /accountable, including balanced budgets and cutting costs. **Measure S** was placed on the ballot after over a year of community engagement, including community meetings and feedback from literally thousands of residents about their priorities for maintaining vital services that make Temecula a desirable place to live, work and do business.

FACT: Increasingly, the State has shifted responsibility for programs to cities like Temecula, while at the same time raiding City funding to balance the state budget. Sacramento has taken \$31,000,000 from the City's budget and will continue to do so. **Measure S** provides local control for local needs. NO money from Measure S can be taken by the State.

FACT: The City has cut costs, including reducing staff / leaving positions vacant. Temecula is already nine police officers short. **Measure S will maintain 911 emergency and police response times and prevent cuts to paramedic services and local police and fire protection.**

Measure S maintains vital services, our quality of life, and ensures local control — without being at the mercy of the State. **Vote YES on S to keep Temecula safe and maintain the quality of life we deserve.**
