Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Pharmacist / California Senator

EDUCATION AND QUALIFICATIONS:

Washington is broken and Congress must share the blame. The \$20 trillion debt; the expanding threat of ISIS and Islamist terrorism; the failed healthcare system; the constant calls for high taxes - these problems are all products of politicians who have failed their oath of office, failed their country and us.

We can't expect change unless we're willing to vote for leaders committed to doing what's right, even when it means shaking up the status quo. I am running for Congress to do exactly that and give you the representation you deserve.

As your new representative in Congress, I will work to:

- Grow our economy to create good paying jobs; reduce regulations and protect American business and American workers.
- Repeal dangerous "deals" with countries like Iran that sponsor terrorism, murder members of the LBGT community and seek to destroy our friend Israel.
- Stop government from interfering too much in our lives and businesses.
- Increase and improve services for Veterans, military personnel and their families.
- Stop tax increases - you already pay too much - and balance the budget by cutting waste and bureaucracy.

I am a husband, father, grandfather pharmacist, small business owner and citizen-Senator. I am dedicated to keeping our nation safe, protecting your constitutional rights and improving our economy.

I'm proud to be endorsed by the Riverside Sheriffs Association, District Attorney Mike Hestrin, Riverside County Treasurer Don Kent, four County Supervisors and more than 70 elected public servants. I would be honored to receive your vote.
Thank you.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ M.D., Democratic

OCCUPATION: Congressman, Emergency Physician

EDUCATION AND QUALIFICATIONS:

I am not a career politician, and never will be. I'm an emergency physician who ran for office to serve people in our communities, just like I have for my entire adult life.

As a doctor, I'm trained to put people first:

I REPEATEDLY SUPPORTED STRENGTHENING OUR FIGHT AGAINST TERROR: I strongly oppose allowing Iran to develop nuclear weapons, and I supported tougher sanctions against Iran if they test new missiles or arm terrorists.

I STOOD UP AGAINST CUTS IN SOCIAL SECURITY AND MEDICARE: I promised that I would never vote to cut Social Security or Medicare benefits, and I've kept my promise.

I STOOD UP FOR VETERANS: I sponsored a "Veterans University" to help local vets learn about the benefits and resources they've earned. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

I OPPOSED PERKS FOR MEMBERS OF CONGRESS: I will vote against any pay raises for Congress, and I wrote legislation to prohibit Members of Congress from using taxpayer money to fly first class and lease luxury vehicles.

I FOUGHT TO MAKE SURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE. As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions, and to help people keep their existing policies under the new health care law.

We can't afford more partisan gridlock in Washington. That's why I'd be honored to have your support.
Thank you.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican

AGE: 39

**OCCUPATION: Member of the State Assembly
EDUCATION AND QUALIFICATIONS:**

Two years ago, I was honored to receive your trust to provide our community a stronger voice in Sacramento. I'm proud that my reputation as an independent minded leader allows me to reach across party lines to get things done.

As Assembly Republican Leader, I negotiated directly with Governor Brown to pass a bipartisan compromise measure to reduce the cost of healthcare for Californians by \$100 million, reduce state debt by \$400 million and dedicate \$175 million toward fixing our broken roads and bridges.

Further, I've made fighting for middle class Californians a priority. From working to expand the child care tax credit so more families can afford child care to supporting career and technical training to elevate workers from minimum wage jobs into good paying, meaningful careers.

Together, we have accomplished a lot, but there is more to do.

To ease our water problems we must build more reservoirs to increase storage and ensure a safe, reliable water supply. We must reform California's teacher tenure system to ensure our students are taught by the very best.

I believe anything is possible in a society that opens up opportunity equally for all and provides the freedom to achieve our dreams.

While we've made progress, it's clear that we have more work to do to move beyond Sacramento's closed system and towards an open government that empowers each of us to succeed in this new dynamic economy.

The world is changing; let's change it for the better.

GREG RODRIGUEZ, Democratic

**OCCUPATION: Community Health Manager
EDUCATION AND QUALIFICATIONS:**

I was raised in Southern California by a single mom who worked three jobs. I learned the values of personal responsibility and a strong work ethic early on. I worked my way through college studying economics and political science. Twenty years ago, I left work to become a full-time father after adopting my autistic nephew and another son who had been in five different foster homes before he was four. I am the only candidate in this race who has had children and knows the challenges parents face. I fought for solutions for children with developmental disabilities and improving education. I became District Director for Congressman Raul Ruiz and spent two years leading a team that delivered unparalleled constituent services to veterans, seniors, and other residents.

I am running for State Assembly to take my passion for solutions to Sacramento to get the results we need here in our district. With my passion for service I will work to create jobs, reduce crime, invest in renewable energy, strengthen our education system, create long-term solutions for water shortages and the Salton Sea, and most importantly to me, address our mental health and homeless issues in our district.

You can count on me to represent you and achieve results for everyone. Visit gregrodriguez.com. I would be honored to have your vote.

KATHLEEN KELLY

OCCUPATION: Businesswoman / Retired Pastor
EDUCATION AND QUALIFICATIONS:

My Dad Dick Kelly taught four lessons in 28 years on Council: Keep the SERVICE in public service. LISTEN TO THE PEOPLE. Be trustworthy. Get AHEAD of future trends; if only planning for them, you are moving too slowly.

You can trust me to honor his lessons. When I was still working full-time, I put service first:

- Serving on the Joslyn Senior Center Board, becoming President
- Volunteering in Palm Desert's "Envisioning" process for our future
- Becoming a Planning Commissioner
- Working countless hours to give our historic Shadow Mountain Golf Course a new chance at life

We can keep Palm Desert great by remembering Dad's lessons. We can have it all: safety, great education & transportation, protected hillsides, super parks, other amenities!

Life has taught me more than my Yale BA and UC Berkeley law degree: Things work best when people work together. Let's keep our country's divided, partisan politics out of this local race. I've brought people together as a lawyer, neutral mediator, ordained minister, and now as part of a South Palm Desert business. Please give me your vote so I can do the same for all Palm Desert. **CANDIDATE STATEMENT FOR
DIRECTOR,
COACHELLA VALLEY WATER DISTRICT, DIVISION 2**

JIM SCHMID

AGE: 37

OCCUPATION: Director of Operations

EDUCATION AND QUALIFICATIONS:

Things aren't what they used to be in the Coachella Valley.

Inexpensive and accessible water isn't so inexpensive or accessible anymore. Sacramento slaps us with 36% conservation mandates and chips away at local control. Access to groundwater is becoming quite complicated. Colorado River flows and State Water Project supplies are at record lows, and the aquifer beneath us, our primary source of drinking water, is still in a state of overdraft.

The future will not allow us to rest on old priorities and historic arrangements. We need to focus on the needs of residents, homeowner's associations, small businesses, tourism, and golf courses – all the things that make up Division 2. The Coachella Valley Water District must be operated as ONE entity, organized to serve ALL of the Valley's needs and stakeholders equitably – "one water" as it were. And we need to begin approaching our work in recognition of, and in cooperation with other districts and agencies.

My name is Jim Schmid. I am Your candidate, committed to serving with honesty and integrity for the residents, homeowners associations, and businesses who call Division 2 home, where I live, work, and raise my family.

Vote Jim Schmid – for the Future of Water in the Coachella Valley.

YOUR WATER: With 327,000 people using Coachella Valley Water

YOUR MONEY: With a budget of over 448 MILLION

YOUR VOTE: YOUR VOTE IS CRUCIAL to the FUTURE of quality water at reasonable rates.

ELECTED to CVWD Board on November of 2012

8 YEARS experience on the Hesperia City Council (which controlled it's own water department). I have solid ADMINISTRATIVE EXPERIENCE leading a water district.

The State is requiring us to remove Chromium-6 from our Drinking Water at a cost of over 250 MILLION DOLLARS. An ANNUAL cost of \$10-15 MILLION DOLLARS per year for treatment..

LIVING IN A DESERT, NOTHING IS MORE IMPORTANT THAN WATER. THE QUALITY, AVAILABILITY AND PRICE OF THAT WATER IS WHAT I WILL FIGHT FOR.

Our current system is aging and maintenance alone is not enough. We must plan for the modernization of our water delivery and storage systems in order to meet our growing demands in a fiscally and ecologically responsible manner. I can only do this with your support, in a district that stretches from Cathedral City to Salton Sea.

ANTHONY BIANCO

AGE: 44

OCCUPATION: Farmer

EDUCATION AND QUALIFICATIONS:

Our water here in the Coachella Valley is our life blood. It needs to be protected and conserved at all costs. It is not just what we use to drink and water our lawns, it is the backbone of our local economy. It provides us all with the opportunity to live, work and play in the Coachella Valley.

Born in Indio, the Coachella Valley has been my home for my entire life. I graduated from Palm Desert High School and attended Cal Poly San Luis Obispo majoring in Agriculture Business.

I am happily married with two children, a successful businessman, and a Community volunteer.

My experience as a local farmer of conventional and organic fruits and vegetables has taught me how to manage finances, balance budgets, and manage staff. Most importantly I understand the value of our precious resource and its impact on our community.

MEASURE “CC” – DESERT COMMUNITY COLLEGE DISTRICT
FULL TEXT OF BOND PROPOSITION
DESERT COMMUNITY COLLEGE DISTRICT
COLLEGE EXPANSION, REPAIR AND MODERNIZATION MEASURE

This Proposition may be known and referred to as the “Desert Community College District College Expansion, Repair and Modernization Measure” or as “Measure CC”.

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the Desert Community College District (the “District”) shall be authorized to issue and sell bonds of up to \$577,860,000 in aggregate principal amount to provide financing for the specific facilities projects listed under the heading entitled “BOND PROJECT LIST” below (the “Bond Project List”), subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code (the “Education Code”).

Evaluation of Needs. The Board of Trustees of the District (the “Board”) has conducted a thorough assessment of all facilities in order to evaluate and address the facilities needs of the District at each campus and facility, and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitations on Use of Bonds. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of college facilities, including the furnishing and equipping of college facilities, or the acquisition or lease of real property for college facilities, and not for any other purpose, including teacher and administrator salaries and other college operating expenses.

Independent Citizens’ Oversight Committee. The Board shall establish an independent citizens’ oversight committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are expended only for the community college facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board. In accordance with Section 15282 of the Education Code, the citizens’ oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens’ organization, a member active in a bona fide taxpayers’ organization, a member that is a student who is both currently enrolled in the District and active in a community college group, such as student government, and a member that is active in the support and organization of a community college or the community colleges of the District, such as a member of an advisory council or foundation. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizens’ oversight committee.

Annual Performance Audits. The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the community college facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens’ oversight committee in accordance with Section 15286 of the Education Code.

Annual Financial Audits. The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the community college facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens’ oversight committee in accordance with Section 15286 of the Education Code.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board no later than January 1 of each year, commencing January 1, 2018, stating (a) the amount of bond proceeds received and expended in that year, and (b) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and proceeds of the bonds shall be spent only for such purpose, pursuant to California Government Code Section 53410.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

BOND PROJECT LIST

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of the bond proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition. Listed projects will be completed as needed at a particular District facility or site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. Any authorized repairs shall be capital expenditures. The project list does not authorize non-capital expenditures. Each project is assumed to include its share of costs of the election and bond issuance, construction-related costs, such as project and construction management, architectural, engineering, inspection and similar planning and testing costs, demolition and interim housing costs, legal, accounting and similar fees, costs related to the independent annual financial and

performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to and necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds from non-bond sources, including State of California grant funds for eligible projects and redevelopment pass-through funds, have not yet been secured and/or received. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds of the bonds under this proposition are as follows:

MEASURE "CC" – DESERT COMMUNITY COLLEGE DISTRICT

TAX RATE STATEMENT

An election will be held in the Desert Community College District (the "District") on November 8, 2016, to authorize the sale of up to \$577,860,000 in bonds of the District to finance community college facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is 1.95 cents per \$100 (\$19.50 per \$100,000) of assessed valuation in fiscal year 2017-18.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is 1.95 cents per \$100 (\$19.50 per \$100,000) of assessed valuation in fiscal year 2025-26.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 1.95 cents per \$100 (\$19.50 per \$100,000) of assessed valuation and is expected to remain approximately the same in each year during the term of repayment of the bonds.
4. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$1,075,000,000.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply, and the actual total debt service, may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE “CC”

The Board of Education (“Board”) of the Desert Community College District (“District”) by adopting Resolution No. 072016-2 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 et seq. of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of five hundred seventy seven million and eight hundred sixty thousand dollars (\$577,860,000.00).

This Measure was placed on the ballot by the Board of the above-identified District.

The Bonds would be used by the District to expand, repair and upgrade and expand classrooms, buildings, labs, career training facilities, among other facilities, at the following campuses: Palm Desert, East Valley, Indio, West Valley and Community Centered sites throughout the Coachella Valley. The Bonds may also be used to upgrade, expand, acquire and/or install technology equipment, fixtures and infrastructure, upgrade and/or acquire and install security measure, remove hazardous material, construct and install access improvements for disabled persons, and acquisition or lease of real property for the listed college facilities projects.

The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure CC is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and modernization of school facilities, or the construction of school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximums statutory rate and the maximum term of the Bonds, or any series thereof, will not exceed applicable statutory maximum. The best estimate of the total debt service, including the principal and interest that would be required if all of the bonds are issued and sold is one billion and seventy-five million dollars (\$1,075,000,000).

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “CC” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “CC” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “CC”

Vote Yes on Measure CC to relieve overcrowding, increase job and career training facilities and modernize College of the Desert.

College of the Desert has been the leading source of higher education for nearly 60 years, providing career training for students and serving as an affordable springboard for those who want to continue their education at a four-year university.

Measure CC will keep College of the Desert working for our community, allowing the college to:

- Build more classrooms and science labs to relieve overcrowding.
- Update existing classrooms, labs, and technology to prepare students for four-year universities and high-paying jobs.
- Modernize and expand educational buildings and classrooms to train local nurses, firefighters, police officers, mechanics, technicians and dozens of other vital workers.
- Strengthen programs for returning veterans and prepare them for good-paying jobs.
- Boost and add science, engineering, and technology classrooms and labs.

Like any 60-year old institution, College of the Desert is in need of basic repairs and modernization, including replacing outdated electrical and plumbing systems, repairing leaky roofs and upgrading classrooms and facilities to meet current earthquake, fire and safety codes.

Measure CC will help College of the Desert build, expand and upgrade the facilities needed to provide the top-notch technical training needed in emerging, high-demand fields to train our workforce and keep the local economy strong.

By law, no Measure CC money can be spent on administrator salaries. Independent audits and an oversight committee ensure strict accountability. Every penny from Measure CC benefits College of the Desert - funds cannot be taken by the state.

Join Coachella Valley nurses, police officers, firefighters, students, alumni, faculty, community and business leaders, financial planners, taxpayers, and seniors in voting YES on Measure CC.

Keep affordable, quality college education and job training at College of the Desert working for our community.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “CC”

The supporters of Measure CC justify the proposed \$577,860,000 Bond issue as necessary to “relieve overcrowding, increase job and career training facilities and modernize College of the Desert.” They also cite issues inherent with “...any 60-year old institution...in need of basic repairs and modernization.”

With passage of the \$372,000,000 Bond issue in 2004, the “60-year old” Palm Desert campus has been greatly updated and expanded with the construction of several new buildings, many of which house administrative offices and numerous new classrooms. Several older facilities and classrooms have been renovated to meet updated building requirements, functional and aesthetic upgrades were incorporated on campus, an early Bond project renovated aging in-ground systems, and the college expanded with new classrooms in Indio and the east valley. As such, many of the justifications cited for replacing outdated systems, fixing leaky roofs, and relieving overcrowding appear to be overstated.

This \$577,860,000 Bond issue request balloons to over \$1 billion after interest over the up-to 40 years debt obligation period is added, with another lien placed on your property to guarantee that debt. This is excessive when considering how much has already been accomplished using the 2004 Bond issue funds, for which we are still paying and will be for many years to come.

Vote NO on Measure CC to eliminate higher property taxes, another lien on your property, and the inevitable cost increases to all renters as these tax increases are passed along.

By: Carole J. Van Zandt

ARGUMENT AGAINST MEASURE “CC”

The College of the Desert Board of Trustees is asking voters to approve a \$577,860,000 Bond measure to fund myriad construction, upgrade, repair, and renovation projects for the main campus and satellite sites within the Coachella Valley. Considering the \$372 million Bond measure approved by the voters in 2004 for the same purposes, seeking another Bond measure of this magnitude seems excessive: a total face value of \$949,860,000. In that regard, the Howard Jarvis Taxpayer Association in its *Heads Up, Taxpayers* report on their website, www.hjta.org, states that “Voters have a right to know that a Bond will place a lien against homes for as long as 40 years to guarantee repayment that, once interest is calculated, will cost at least double its face value.”

If approved this measure will result in yet another property tax increase—we are still paying for the 2004 Bond measure—and placement of yet another lien on our property. Because these types of Bond measure obligations are repaid solely through increasing our property taxes, approval of the Bond measure will likely cause rental rates to also increase. Now is the time to ask if Riverside and Imperial Counties can afford to repay another \$1 billion dollar debt obligation through our ever increasing property taxes. Vote NO on measure CC.

REBUTTAL TO ARGUMENT AGAINST MEASURE “CC”

For sixty years, College of the Desert has strategically planned, grown and adapted to serve the Coachella Valley.

College of the Desert has always met the challenges of providing higher education opportunities to Coachella Valley residents. As a result, our community has benefitted with better jobs, a better-trained workforce and a stronger local economy.

Measure CC will allow College of the Desert to continue to meet our current needs for higher education. It will also allow College of the Desert to accommodate our community’s educational needs in the future.

Measure CC is smart planning that will enable College of the Desert to:

- Reduce overcrowding.

- Build needed new classrooms and labs.

- Expand higher education into the fields that are in most demand and offer well-paying jobs.

- Emphasize career paths to nursing and medical jobs, law enforcement, firefighting, science and engineering fields.

- Strengthen programs for preparing returning veterans for well-paying careers.

This focus is good for our community, good for our families and good for our local economy.

Along with these benefits, Measure CC has safeguards. For example, no Measure CC money may be spent on administrator salaries. And, no Measure CC money may be taken by Sacramento to fund state programs. An independent Oversight Committee will insure our local benefits are delivered as promised.

Keep affordable, state of the art, quality college education and important job training at our College of the Desert working for the future of the Coachella Valley.

YES on CC.

IMPARTIAL ANALYSIS OF MEASURE "T"

The City of Palm Desert currently imposes a 9% general tax on rent charged by the operator of any hotel, short-term rental, or similar lodging in the City of Palm Desert for guests staying fewer than thirty days. This tax is called the Transient Occupancy Tax ("TOT") and is collected by hotel and short-term rental operators at the time rent is paid by the guests. The TOT is set forth in Chapter 3.28 of Title 3 of the Palm Desert Municipal Code. All funds collected from the TOT are deposited into the City's General Fund.

Measure T, which has been placed on the ballot by the City Council of the City of Palm Desert, proposes the adoption of an Ordinance of the City of Palm Desert which would increase the TOT from 9% to 11%. The additional 2% in revenue represents about \$2 million dollars a year to the General Fund.

The proposed TOT is a general tax and may be used for any general governmental purpose of the City, such as police, fire, emergency response, street maintenance, parks and recreational programs. In order for the City to adopt the Ordinance amending its Municipal Code and authorizing the increase in the rate of the TOT described above, Measure T must be approved by a majority vote of the votes cast on the measure.

A "yes" vote on Measure T would adopt the Ordinance increasing the TOT from 9% to 11%.

A "no" vote on Measure T would mean that the Ordinance described above is not adopted and the TOT would remain at 9%.

The above statement is an impartial analysis of Measure T. If you desire a copy of Measure T, please call the elections official's office at (760) 346-0611 and a copy will be mailed at no cost to you.

City Attorney, City of Palm Desert

ARGUMENT IN FAVOR OF MEASURE “T”

Vote **YES on T!** Maintain public safety, fiscal stability and our quality of life, WITHOUT taxing home or property owners!

Measure T is a **HOTEL TAX PAID ONLY BY HOTEL VISITORS** when they spend the night locally. Palm Desert residents, home and property owners are NOT taxed.

We live in Palm Desert for its high quality of life. **YES on T** will maintain vital services that make Palm Desert a desirable place to live, work, and do business!

Did you know that since the State’s elimination of redevelopment in 2012, our city has lost approximately \$40,000,000 every year in critical funds to create jobs, make local improvements and stimulate local economic growth? The State’s Sacramento-focused agenda continues to cost Palm Desert millions!

The Chamber of Commerce and Palm Desert hoteliers support YES on T because it provides funding to protect and maintain our essential services and quality of life – **WITHOUT RAISING YOUR TAXES:**

- YES on T protects and maintains 911 emergency medical, police and fire protection/response services
- YES on T maintains roads and street maintenance
- YES on T improves water conservation
- YES on T maintains local control over funds that can only be used in Palm Desert.

Palm Desert’s hotel tax is the lowest in the Valley. YES on T simply ensures the hundreds of thousands of tourists that come to our area – straining public safety services, impacting local natural habitats and affecting our quality of life – pay their fair share for the services they use when they spend the night at local hotels.

Measure T includes fiscal accountability, with all funds subject to publicly available, annual, independent audits of city funds and expenditures.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “T”

The answer remains **NO!**

None of the proponent’s arguments to the “No on T” answers any of the four reasons to vote **NO**.

1. Palm Desert already has very large monetary reserves.
2. The proposed new tax money can be spent for any legal purpose the city council chooses.
3. **The present city council is already giving existing T.O.T. funds away to developers.**
4. Our hotel guests already pay their fair share, a total of 12% added to their bill.

No unneeded taxes for any reason on anyone has been the foundation of fiscal responsibility for 43 years in Palm Desert. Raising T.O.T. to amass funds is NOT fiscal responsibility.

Measure T ***guarantees nothing*** for police or paramedic response, fire protection, water conservation, street maintenance or any other claim of the proponents. These issues are only impacted by city council decisions and there are plenty of reserves to be wisely spent or saved.

No need equals a “**NO**” vote on T.

ARGUMENT AGAINST MEASURE “T”

They're back again! In 2014, the Palm Desert voters said, by a wide margin, “NO” to a 2% TOT Tax increase which could have been spent for any purpose. Now the City Council is asking for the same tax increase which again can be used for any purpose or given away.

Why you should vote “NO” again:

1. No Need – the City has over \$50 million dollars in reserves.
2. TOT dollars go into the City's General Fund and can be spent for any purpose but it cannot be dedicated to anything specific including public safety.
3. The City Council is already giving TOT back to developers! \$1.8 million is pledged to the owners of the new hotel now being built on Larkspur. This begins a “bad” practice for future hotels; to demand TOT rebates which, again, comes out of the City's General Fund. This shows a lack of fiscal responsibility – to give away your income – and ask hotel guests to pay more; many who may be potential residents.
4. A low TOT rate benefits our City as convention organizers and tourists often book in a city with lowest costs. Palm Desert has always been that city at 9% but all valley hotels ALSO charge a 3% tourist tax making ours 12%; so an added 2% would bring it up to 14%!

Having served as Mayor of Palm Desert for 6 terms and as a councilmember for 32 years, I know that we always looked at tax increases on anyone as a last resort and for emergencies. This proposed tax increase is neither so NO NEED – JUST GREED. I urge a “NO” vote on Measure T.

REBUTTAL TO ARGUMENT AGAINST MEASURE “T”

Measure T was placed on the ballot so you – the taxpayer – can decide if continuing to maintain our high quality of life without taxing home or property owners is a priority. If you do, vote YES on T.

Don't be misled by the rhetoric. Consider the facts:

FACT: Measure T will maintain our City's long-term fiscal stability without taxing home or property owners. Palm Desert prides itself on fiscal responsibility, including balanced budgets and prudent planning that keep our neighborhoods safe and quality of life better than other Valley cities.

FACT: Measure T keeps Palm Desert's hotel/motel tax among the lowest in our region and ensures that the tourists who stay in hotels pay their fair share for the vital services they strain, including 9-1-1 emergency medical, police, and fire protection/response services.

FACT: Amid the loss of \$40,000,000 in annual revenues used by Palm Desert for critical local improvements and economic development, Measure T will provide a dedicated LOCAL source of funding for OUR needs that won't be vulnerable to state money grabs – including funding for local police and fire protection, road maintenance and street repair, senior programs, and other vital services that make Palm Desert a great place to live, work and do business.

Measure T is accountable, fiscally responsible and requires local control for local needs that benefit our community. That's why the Chamber of Commerce, hotels, public safety professionals, and community leaders urge you to vote YES on T.
