Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for U.S. President or local offices.

California law requires the following information to be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CORPORACIONES. GASTO POLÍTICO. PROTECCIONES CONSTITUCIONALES FEDERALES. PREGUNTA CONSULTIVA LEGISLATIVA. Pregunta si los funcionarios electos de California deberían usar su autoridad para proponer y ratificar una enmienda a la Constitución federal para anular la decisión de la Corte Suprema de Estados Unidos sobre *Citizens United v. Federal Election Commission*. *Citizens United* dictaminó que las leyes que limitan de cierta manera el gasto político de las corporaciones y los sindicatos son anticonstitucionales. Impacto fiscal: no hay ningún efecto fiscal directo sobre los gobiernos estatal o locales.

¿Usarán los funcionarios electos de California toda su autoridad constitucional, incluidos, entre otros, proponer y ratificar una o más enmiendas a la Constitución de Estados Unidos para anular el caso 558 U.S. 310 de *Citizens United* vs. Comisión Federal Electoral (Federal Election Commission) (2010) y otros precedentes judiciales aplicables para permitir la total regulación o limitación de contribuciones de campaña y gastos, para asegurar que todos los ciudadanos, independientemente del nivel de riqueza, puedan expresar sus opiniones los unos a los otros y dejar claro que las corporaciones no deberían de tener los mismos derechos constitucionales que los seres humanos?

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Pharmacist / California Senator

EDUCATION AND QUALIFICATIONS:

Washington is broken and Congress must share the blame. The \$20 trillion debt; the expanding threat of ISIS and Islamist terrorism; the failed healthcare system; the constant calls for high taxes - these problems are all products of politicians who have failed their oath of office, failed their country and us.

We can't expect change unless we're willing to vote for leaders committed to doing what's right, even when it means shaking up the status quo. I am running for Congress to do exactly that and give you the representation you deserve.

As your new representative in Congress, I will work to:

- Grow our economy to create good paying jobs; reduce regulations and protect American business and American workers.
- Repeal dangerous "deals" with countries like Iran that sponsor terrorism, murder members of the LGBT community and seek to destroy our friend Israel.
- Stop government from interfering too much in our lives and businesses.
- Increase and improve services for Veterans, military personnel and their families.
- Stop tax increases - you already pay too much - and balance the budget by cutting waste and bureaucracy.

I am a husband, father, grandfather pharmacist, small business owner and citizen-Senator. I am dedicated to keeping our nation safe, protecting your constitutional rights and improving our economy.

I'm proud to be endorsed by the Riverside Sheriffs Association, District Attorney Mike Hestrin, Riverside County Treasurer Don Kent, four County Supervisors and more than 70 elected public servants. I would be honored to receive your vote.
Thank you.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ M.D., Democratic

OCCUPATION: Congressman, Emergency Physician

EDUCATION AND QUALIFICATIONS:

I am not a career politician, and never will be. I'm an emergency physician who ran for office to serve people in our communities, just like I have for my entire adult life.

As a doctor, I'm trained to put people first:

I REPEATEDLY SUPPORTED STRENGTHENING OUR FIGHT AGAINST TERROR: I strongly oppose allowing Iran to develop nuclear weapons, and I supported tougher sanctions against Iran if they test new missiles or arm terrorists.

I STOOD UP AGAINST CUTS IN SOCIAL SECURITY AND MEDICARE: I promised that I would never vote to cut Social Security or Medicare benefits, and I've kept my promise.

I STOOD UP FOR VETERANS: I sponsored a "Veterans University" to help local vets learn about the benefits and resources they've earned. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

I OPPOSED PERKS FOR MEMBERS OF CONGRESS: I will vote against any pay raises for Congress, and I wrote legislation to prohibit Members of Congress from using taxpayer money to fly first class and lease luxury vehicles.

I FOUGHT TO MAKE SURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE. As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions, and to help people keep their existing policies under the new health care law.

We can't afford more partisan gridlock in Washington. That's why I'd be honored to have your support.
Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

MIKE MORRELL, Republican

OCCUPATION: Business Owner / Senator

EDUCATION AND QUALIFICATIONS:

After owning a business for 25 years, I ran for the State Legislature with the goal of restoring California to its greatness by limiting government power, ranking the citizens above the state, and improving our business and educational climate.

My wife Joanie and I have lived in this area all our lives. We were married here, we own a home here, in 1989 we opened a business here, and we raised our children David, Kristen and Matthew here. We believe it is our duty as parents to leave the Inland Empire a better place than we found it for future generations.

Since being elected, I've kept my word to the voters, working for the families of the Inland Empire, opposing proposals that would drive up the already high cost of living, keeping property taxes low, stopping several billion in tax increases, working on upgrading education standards, and passing legislation to improve the lives of veterans.

Government's job is to work for us, not against us: to provide more freedom and opportunity, not less. Citizens thrive when we keep more of the money we earn, so we can invest in our lives and the lives of our loved ones.

I am deeply committed to these principles and I have worked hard to serve you. I would be honored to receive your vote on November 8th. I will continue my efforts in making government efficient and effective.

Sincerely,

Mike Morrell

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican

AGE: 39

**OCCUPATION: Member of the State Assembly
EDUCATION AND QUALIFICATIONS:**

Two years ago, I was honored to receive your trust to provide our community a stronger voice in Sacramento. I'm proud that my reputation as an independent minded leader allows me to reach across party lines to get things done.

As Assembly Republican Leader, I negotiated directly with Governor Brown to pass a bipartisan compromise measure to reduce the cost of healthcare for Californians by \$100 million, reduce state debt by \$400 million and dedicate \$175 million toward fixing our broken roads and bridges.

Further, I've made fighting for middle class Californians a priority. From working to expand the child care tax credit so more families can afford child care to supporting career and technical training to elevate workers from minimum wage jobs into good paying, meaningful careers.

Together, we have accomplished a lot, but there is more to do.

To ease our water problems we must build more reservoirs to increase storage and ensure a safe, reliable water supply. We must reform California's teacher tenure system to ensure our students are taught by the very best.

I believe anything is possible in a society that opens up opportunity equally for all and provides the freedom to achieve our dreams.

While we've made progress, it's clear that we have more work to do to move beyond Sacramento's closed system and towards an open government that empowers each of us to succeed in this new dynamic economy.

The world is changing; let's change it for the better.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

GREG RODRIGUEZ, Democratic

**OCCUPATION: Community Health Manager
EDUCATION AND QUALIFICATIONS:**

I was raised in Southern California by a single mom who worked three jobs. I learned the values of personal responsibility and a strong work ethic early on. I worked my way through college studying economics and political science. Twenty years ago, I left work to become a full-time father after adopting my autistic nephew and another son who had been in five different foster homes before he was four. I am the only candidate in this race who has had children and knows the challenges parents face. I fought for solutions for children with developmental disabilities and improving education. I became District Director for Congressman Raul Ruiz and spent two years leading a team that delivered unparalleled constituent services to veterans, seniors, and other residents.

I am running for State Assembly to take my passion for solutions to Sacramento to get the results we need here in our district. With my passion for service I will work to create jobs, reduce crime, invest in renewable energy, strengthen our education system, create long-term solutions for water shortages and the Salton Sea, and most importantly to me, address our mental health and homeless issues in our district.

You can count on me to represent you and achieve results for everyone. Visit gregrodriguez.com. I would be honored to have your vote.
