NOTE TO CANDIDATES REGARDING INCOMPATIBLE OFFICES

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices.” The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of city councilperson and school district board member where the city and the school district have territory in common;
2. Fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. High school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. Water district director and a city council member;
5. Water district director and a school district trustee having territory in common; and
6. Deputy Sheriff and county supervisor.

If you have a question about whether two public offices; which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 322-3360 or visit their website, www.caag.state.ca.us. For further information about conflict of interest or incompatibility of offices, contact, the Fair Political Practices Commission’s website at www.fppc.ca.gov, or phone toll free 1-866-275-3772.

These are official filing forms. **DO NOT SUBMIT COPIES.** Each candidate must obtain his/her own original documents. Refer to the sample of the Declaration of Candidacy for School Districts and Special Districts on the following pages.

IMPORTANT: You must file for the office for which you were issued documents. If you change your mind and decide to run for a different office, you must request a set of documents for that office.

- Candidate must obtain new documents for the short term office.

NOTE: FULL TERM AND SHORT TERM ARE TWO SEPARATE OFFICES.

NAME ON BALLOT:

There is a place on the Declaration of Candidacy for you to write how you would like your name to appear on the ballot. Your name must be recognizable as the name under which you are registered to vote, though the two need not be identical. You may include a nickname in addition to your name. The law prohibits the use of a TITLE or DEGREE on the same line of the ballot as the candidate's name. (E.C. § 13106)

Example:

A candidate registered to vote as James William Smith may use variations such as:

James W. Smith, Jim Smith, or William "Bud" Smith

BALLOT DESIGNATION (E.C. § 13107):

You may use no more than three words designating your current principal profession, vocation or occupation **OR** the principal profession, vocation or occupation you had during the 12 months immediately preceding the filing of your nomination documents. (e.g. Retired Businessman/Author) **OR:**

The title of the office to which you were elected. (e.g. Sunnyvale Valley Water District Director) (**NOTE:** you are not limited to three words here) **OR:**

The word "Incumbent" if elected to the same office you seek or "Appointed Incumbent" if appointed to a vacancy in the same office. (**NOTE:** You cannot use the term "Incumbent" or "Appointed Incumbent" with any other designation.)

Example: Incumbent / Businessman (**Not Acceptable**)

A ballot designation is not required. If you choose, you may leave this line blank. If you leave it blank, you may not add a designation after the filing deadline. (E.C. § 13107.3)

DECLARATION OF CANDIDACY (Continued)

BALLOT DESIGNATION RESTRICTIONS (E.C. § 13107):

The election official shall not accept a designation that:

1. Would mislead the voter. You may be required to provide evidence or documentation to support the requested designation.
2. Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

Examples of ballot designations usually considered to suggest an evaluation are “Best,” “Exalted,” “Prominent,” “Advocate,” “Activist,” “Reformer,” “Pro-” and “Anti-” or anything conveying a philosophy or words connoting a status.

Unacceptable status claims would include “Taxpayer,” “Citizen,” “Patriot,” “Renter,” or “Presidential Appointee.” “Housewife” and “Househusband” are also unacceptable designations.

3. Abbreviates the word “retired” or places it following any word or words which it modifies.

Examples of **Impermissible** designations are “Ret. Teacher” or “Teacher Retired.”

4. Uses a word or prefix, such as “former” or “ex-“, which means a prior status. The only EXCEPTION is the use of the word “retired.”

Example of an **acceptable** designation – “Retired Businessman”

Because the Elections Code specifically forbids the use of a prior profession, vocation or occupation, unless the candidate is retired therefrom, candidates may be required to provide substantiating evidence or documentation in support of the requested designation.

5. Uses the name of any political party, whether or not it has qualified for the ballot.
6. Uses a word or words referring to a racial, religious, or ethnic group.
7. Refers to any activity that is prohibited by law.

All candidates submitting a ballot designation must file the ballot designation worksheet with their Declaration of Candidacy. If a candidate fails to file a ballot designation worksheet no designation shall appear under the candidate’s name on the ballot.

Do not leave any response spaces blank. If information requested is not applicable, please write N/A in the space provided. Otherwise the information **MUST** be provided.

If you have any questions regarding your designation, call the Registrar of Voters at: (800)773-VOTE (8683) or (951)486-7212 or (951)486-7318.

OATH OR AFFIRMATION OF CANDIDATE (E.C. §§ 200, 10538):

CANDIDATE'S STATEMENT

(Elections Code §§ 10540, 13307, 13308, 13309, 13311, 18351)

Each candidate may prepare a Candidate's Statement on an appropriate form provided by the Registrar of Voters. The Candidate's Statement is intended to acquaint voters with a candidate's qualifications for office. The voluntary Candidate's Statement is printed in the sample ballot pamphlet, at the candidate's expense, and will be mailed to all registered voters eligible to vote for that particular candidate.

Time period for filing: The filing period for candidates is July 15, 2013 through August 9, 2013, from 8:00 a.m. to 5:00 p.m. The filing period will be extended (for candidates other than the incumbent) to 5:00 p.m., August 14, 2013, if the incumbent does not file nomination papers. **The Candidate's Statement Form must be filed with the nomination papers.**

Where: Registrar of Voters
2724 Gateway Drive
Riverside, CA 92507-0918

Contents: The statement may contain the name, age, and occupation of the candidate and a brief description in no more than 200 words of the candidate's education and qualifications as expressed by the candidate. The spacing is to be uniform and conform to the guidelines provided.

Restrictions: The Candidate's Statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations. It must be a statement expressed in the candidate's own words. Any statement containing false information may be punishable by a fine. Candidate statements shall be limited to a recitation of the candidate's own personal background and qualifications and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities.

The Registrar of Voters shall not cause to be printed or circulated any statement that the elections official determines is not so limited or that includes any reference prohibited by Elections Code 13308.

Withdrawal: The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next business day after the close of the nomination period. Any request for withdrawal of a Candidate's Statement must be submitted in writing.

Confidentiality of Statements: Notwithstanding any other provision of law, statements filed pursuant to Section 13307 of the Elections Code shall remain confidential until expiration of the filing deadline. Statements will then be available for public inspection.

CANDIDATE'S STATEMENT (Continued)

You must decide whether you do or do not want a Candidate Statement before you file your Declaration of Candidacy. **The Candidate Statement form must be filed with your Declaration of Candidacy whether or not you choose to file a statement. There is a place on the form to state your decision. If you indicate you are not submitting a statement, you may not change your mind after it is filed.**

PAYMENT OF CANDIDATE'S STATEMENT (E.C. §§ 10509, 13307):

Before the nomination period begins, the governing board of your district will decide whether the district or the candidate will pay the cost of the Candidate's Statement. (Most districts require candidates to pay for their own Candidate's Statement).

If the candidate pays, then a candidate wishing to submit a candidate's statement must pay the full deposit to cover the estimated cost of printing, handling, and mailing his/her statement. The deposit must be paid by personal check, money order, or cashier's check payable to the **Registrar of Voters** at the time the Candidate's Statement form is filed. No cash will be accepted.

If the district pays, the candidate pays nothing toward the Candidate's Statement and no deposit is required.

NOTE: The deposit is only an **estimate**. It is based on the number of registered voters within the district/area.

If, after the statements are printed and mailed out, the actual cost to each candidate is found to be **greater** than the deposit, the candidate must pay the extra amount. (Every candidate who submits a statement must sign an agreement on the Candidate's Statement form to pay any additional costs.)

If the actual cost to each candidate turns out to be **less** than the deposit; that portion of the deposit in excess of the actual cost will be refunded. Refunds will be made within 30 days after the election.

POINTS TO NOTE WHEN PREPARING YOUR STATEMENT:

1. You may not change your statement after it is filed.
2. You may not include reference to your political party affiliation or partisan political activity.
3. Candidate shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character or activities.
4. Making a false statement of material fact with the intent to mislead the voters is punishable by a fine of up to \$1000.
5. You are not exempt from civil or criminal action if you make false, slanderous or libelous statements in your Candidate's Statement.

The Code of Fair Campaign Practices is a voluntary form. If you wish to subscribe to it, fill out the form included with your nomination documents and return it along with your other nomination material. (Or you may file this form at a later date. Sample of Completed -- Code of Fair Campaign Practices on following two pages.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES
As found in Chapter 5 of Division 20 of the
California Elections Code

Chapter 5. Fair Campaign Practices
Article 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. As used in this chapter, "Code" means the Code of Fair Campaign Practices.

Article 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows: (see reverse)

20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. In no event shall a candidate for public office be required to subscribe to or endorse the code.

Chapter 6. Libel and Slander

20500. The provisions of Part 2 (commencing with Section 43) of Division 1 of the Civil Code, relating to libel and slander, are fully applicable to any campaign advertising or communication.

20501. (a) A candidate or state measure proponent is liable for any slander or libel committed by a committee that is controlled by that candidate or state measure proponent as defined by Section 82016 of the Government Code if the candidate or state measure proponent willfully and knowingly directs or permits the libel or slander.

(b) A person who is a sponsor of a sponsored committee, as defined by Section 82048.7 of the Government Code, is liable for any slander or libel committed by the sponsored committee if the sponsor willfully and knowingly directs or permits the libel or slander.

SAMPLE

“CODE OF FAIR CAMPAIGN PRACTICES”

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) **I SHALL CONDUCT** my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit this criticism.
- (2) **I SHALL NOT USE OR PERMIT** the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) **I SHALL NOT USE OR PERMIT** any appeal to negative prejudice based on a candidate’s actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) **I SHALL NOT USE OR PERMIT** any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) **I SHALL NOT** coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) **I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE** support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) **I SHALL DEFEND AND UPHOLD** the right of every qualified American voter to full and equal participation in the electoral process.

SAMPLE

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

CAMPAIGN DISCLOSURE

(Government Code § 81000 et seq.)

State law requires candidates (and their committees, if any) to file one or more **Campaign Statements** disclosing their campaign receipts and expenditures in connection with an election. If a campaign committee has been organized supporting a candidate, the committee must file a Statement of Organization (Form 410).

New Law: As of January 1, 2013, Government Code section 84101.5 requires the Secretary of State to charge each qualified recipient committee that files a Statement of Organization (Form 410) \$50 per year, until the committee terminates pursuant to Government Code section 84214. For questions regarding this new law, please contact the Secretary of State's Political Reform Division at (916) 653-6224.

CANDIDATE INTENTION STATEMENT (FORM 501)

Candidates must file with the Registrar of Voters a Candidate's Intention Statement (Form 501), **before** they solicit or receive any contributions (including loans). Payment from the Candidate's personal funds for a Candidate's Filing Fee or a Candidate's Statement does not count as a "contribution" or "loan." However, all other expenses from the candidate's personal funds are considered contributions.

STATEMENT OF ORGANIZATION (FORM 410)

Candidates receiving contributions from others, or who spend more than \$1000 of personal funds to run for office, must open a campaign bank account at a financial institution in California and mail a Statement of Organization (Form 410) to the Secretary of State within 10 days of opening the account.

Exceptions: The Statement of Organization (Form 410) is not required if the candidate will not be receiving contributions from others and will spend less than \$1000 in a calendar year from personal funds to support his or her candidacy. Payment of a Candidate's Filing Fee or Candidate's Statement is not counted toward the \$1000 expenditure threshold.

Note: If the candidate finds later that he/she will be spending more than \$1000 from personal funds, a campaign bank account must be opened.

CAMPAIGN DISCLOSURE STATEMENTS

All candidates must file campaign disclosure statements. This includes candidates who spend no money, or only their own money, on their campaigns. It also includes candidates who unofficially "withdraw" from the race by abandoning active campaigning after the official deadline for withdrawal of candidacy is past.

If less than \$1000 will be raised and spent on your campaign, by you or by others on your behalf, and total campaign transactions for the entire calendar year are under \$1000, your filing obligations in connection with the election are simple; the only campaign statement you need to file is Form 470 (in duplicate). The Form 470 provided in your Campaign Disclosure Packet should be filed along with your nomination material; however, it will be accepted without penalty through September 26, 2013.

CAMPAIGN DISCLOSURE (Continued)

In deciding if Form 470 applies, you don't need to count the cost of a Candidate's Statement provided it was paid from your personal funds. For further clarification, you may refer to the Fair Political Practices Commission's (FPPC) Disclosure Manual at www.fppc.ca.gov or telephone the FPPC at (866) 275-3772.

If you file Form 470 but later find that you will reach the \$1000 mark, then you must file Form 470 Supplement and obtain the more detailed campaign statement forms and filing information. Be aware that you must also notify the other candidates if you're required to file Form 460 after you have filed the Short Form 470.

If campaign activity during 2013 will involve \$1000 or more, don't use Form 470. Instead, you must use a more detailed form and follow the filing schedule shown in DATES OF INTEREST TO CANDIDATES in this handbook (pg. 34). Contact the Registrar of Voters and the appropriate forms and information manual will be provided to you.

NOTE: A governing body of a district may by resolution limit campaign contributions in elections to district offices. You will need to contact your district for further information regarding limitations, if any. (Ed.C. § 35177; E.C. § 10544)

TERMINATING A COMMITTEE (Applies ONLY to 460 Long Form Filers – Over \$1000)

Committees may consist of one or more persons and do not automatically terminate; they may only terminate under the following circumstances:

- They have ceased to receive contributions and make expenditures; and
- They do not anticipate receiving contributions, repayments of outstanding loans made to others, or any other receipts in the future, and they do not anticipate making expenditures in the future; and
- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no campaign funds; and
- They have filed all required campaign statements disclosing all reportable transactions, including disposition of funds.

HOW TO TERMINATE A COMMITTEE

- File an original and one copy of the Form 410 Statement of Organization/Termination with the Secretary of State; and
- File a copy of the Form 410 Statement of Organization/Termination, along with an original and one copy of your Form 460 with the Registrar of Voters.

CAMPAIGN DISCLOSURE (Continued)

IMPORTANT INFORMATION: Even though you terminate your filing obligations as a candidate, if you are elected to office, you will have campaign disclosure filing obligations, as **an officeholder**, for as long as you remain in public office. As an officeholder, you will be required to report campaign activity in connection with your own candidacy or other candidates or measures.

Note: Candidates who file the **Form 470** (Short Form) do not need to fill out termination forms.

FILING RESPONSIBILITY

It is the responsibility of the candidate and/or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner.

As a courtesy, the Riverside County Registrar of Voters' office mails reminder notices to candidates who, based on nomination documents, appear to have a campaign disclosure-filing requirement. This notice is mailed approximately ten days prior to a campaign disclosure-filing deadline. If a candidate and/or committee with a campaign disclosure-filing obligation fail to file in a timely manner, they may be subject to a late filing fee. The non-receipt of a reminder notice may not be utilized as the reason for late or non-filing.

IMPORTANT POINTS FOR CANDIDATES TO NOTE

Money used from your personal funds must be put into your campaign bank account and then withdrawn to pay expenses. You may lend money to your campaign or show it as a contribution depending on your level of activity, and it may be reported just as you would report a contribution from another person. (The law prohibits personal use of campaign funds. G.C. § 87102.5)

Anonymous cash contributions of \$100 or more, and/or cash expenditures of \$100 or more, are prohibited.

Careful and complete records should be kept of all campaign transactions. Detailed reporting is not required until your campaign reaches the \$1000 mark; however, you should keep in mind that campaign records are subject to audit (by the Fair Political Practices Commission) on a random basis.

There is a special reporting requirement (covered in the FPPC Information Manual) in the event of "late contributions" in the amount of \$1000 or more received or made during the period of October 20 through Election Day.

If you unofficially "withdraw" as a candidate after the deadline for official withdrawal, you are still considered a "candidate" and obligated to file all required campaign statements.

CAMPAIGN DISCLOSURE (Continued)

If you have a campaign committee, be sure your treasurer understands his/her responsibilities and is prepared to devote sufficient time and effort to the job. Note that in addition to filing campaign statements a committee is required to file a Statement of Organization (Form 410). This must be filed with the Secretary of State no later than 10 days after the committee's receipts reach \$1000. A \$10 day late penalty applies if a Statement of Organization is not filed on time.

File your campaign statements in duplicate with the Registrar of Voters' office. The First Pre-Election and the Semi-Annual Statements may be sent by first class mail (certified mail is recommended); they will be considered filed on the date of the postmark. The Second Pre-Election Statement must be sent by guaranteed overnight delivery or hand-delivered.

All campaign statements are a matter of public record. They may be inspected by anyone, and copies may be purchased at 10 cents per page.

A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.
- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

VOTE-BY-MAIL VOTER BALLOT APPLICATIONS (E.C. § 3007)

Candidates who wish to do so must comply with the requirements set forth in the Elections Code. They must follow the uniform application format that is provided by the Secretary of State and available at the Registrar of Voters.

County: Following is the text of Regulating Temporary Signs (County of Riverside Ordinance No. 806)

The Board of Supervisors of the County of Riverside Ordains as Follows:

SECTION 1. PURPOSE AND INTENT.

It is the intent of this ordinance to regulate temporary signs which are not regulated by Article XIX of Riverside County Ordinance No. 348 and Riverside County Ordinance No. 679. The purpose of the ordinance is to preserve and enhance the aesthetic, traffic safety and environmental values of our communities and growing commercial and industrial areas, while at the same time, providing channels of communication to the public. It is the County's intent to regulate non-permanent signs based on their size, height, number, location and duration and to allow more non-commercial signs during election periods to encourage public debate. The County finds that it is in the interest of both aesthetics and traffic safety that signage be kept to a minimum. It is the intent of this sign ordinance to enhance traffic safety by ensuring that signage does not distract, obstruct or otherwise impede traffic circulation. The County finds that signs which exceed the dimensions, design and location restrictions specified in this ordinance are unreasonable and adversely affect public welfare and safety, including traffic safety.

All signs described herein shall conform to the applicable provisions of this ordinance. If any specific zoning classification within Ordinance 348 shall impose more stringent requirements than are set forth within this article, the more stringent provisions shall prevail.

POLLING INFORMATION

POLLING PLACES

The Polls are open from 7:00 a.m. until 8:00 p.m.

The following rules/regulations are presented to assist you in running a trouble free campaign and avoiding any problems.

WORKING AT THE POLLS/POLLING PLACE INFORMATION:

In addition to general recruitment of poll workers from among the county's registered voters, the Registrar of Voters uses three other specialized recruitment programs to identify Election Officers. They are the Student Pollworker program, the County Pollworker program, and the Adopt-A-Poll program.

California Elections Code does not allow any candidate for elective office to use their residence or business as a polling place. (E.C. § 12287)

California Elections Code authorizes County Central Committees to nominate individuals to work on precinct boards. The nominee must be a registered voter, member of the party making the nomination, and a resident of the precinct to which the nomination applies. These nominations must be made at least 90 days prior to the election for which the nomination is made. (E.C. § 12306)

WHY POLLING PLACES CHANGE:

There are many reasons for choosing or changing a particular polling place. Any or all of the following reasons may apply:

- ☆ Facilities become overcrowded or permission is no longer granted for a facility to be used as a polling place.
- ☆ As precincts grow, boundaries have to be revised. This could result in your having to be assigned to a different polling place.
- ☆ Previous polling place not accessible to the disabled and the elderly as dictated by law.
- ☆ The different grouping of districts in an election could make it necessary to change your polling place from election to election.
- ☆ Inadequate lighting, parking or other similar concerns may require a new location to be selected.
- ☆ Construction/remodeling may render a polling place unavailable for an election.
- ☆ Facility must be secure for storing voting equipment.

POLLING PLACES (Continued)

CAMPAIGNING / ELECTIONEERING:

No person shall do any of the following within 100 feet of a polling place. (100 feet begins at the doorway of the room in which voters are voting).

- ☆ Circulate any petitions.
- ☆ Solicit a vote; wear campaign insignia, or clothing with campaign slogans or political advertisements.
- ☆ Post any signs relating to candidates and/or measures.
- ☆ Perform any type of electioneering activities.

Pollworkers are instructed to check for electioneering throughout the day. If a poll worker advises you that you are too close or are in any way electioneering, please comply with the request to correct the problem. If the pollworker is unable to resolve the problem, the Registrar of Voters will send a troubleshooter to the polls and/or summon law enforcement for assistance. It should be noted that exit polling may be conducted 25 feet from the polling place entrance.

OBSERVING:

You are certainly welcome to observe activity at any polling place on election day – from the time the polls open until the polls are closed and the pollworkers depart to return the ballots and supplies to the collection center. However, in order not to disrupt the voting process, it is suggested that you and your campaign workers review the following material that is given in training to our pollworkers. It explains some of the do's and don'ts of observation.

Anyone may be a poll watcher, but most often poll watchers are people who are working with one of the political parties or for a campaign. A poll watcher is someone who is observing the procedures at the polls and/or monitoring who has, or who has not voted. To accomplish this, poll watchers may continually check the posted copy of the Street Index. **When not in use**, poll watchers are permitted to view the Roster of Voters, and all supplemental lists in the possession of the precinct board.

Although the law allows poll watching, there are rules and guidelines that must be followed.

POLLING PLACES (Continued)

OBSERVING (Cont'd):

RULES FOR POLL WATCHERS/OBSERVERS

- ☆ Poll watchers are **NOT** permitted to disturb voters or interfere with the election process in any way.
- ☆ Poll watchers may ask questions, but may **NOT** interfere with Election Officer duties or disturb voters.
- ☆ Poll watchers may **NOT** sit at the election table.
- ☆ Poll watchers are **NOT** permitted behind the voting equipment or in the “voting area”.
- ☆ Poll watchers may **NOT** remove the Street Index from the immediate area. It may be removed from the wall for use, but then it must be re-posted.
- ☆ If more than one person or group wishes to use the Street Index, it must be equally shared.
- ☆ The Roster of Voters may only be viewed at the election table, and for only as long as the election board does not need it.
- ☆ If a poll watcher wishes to view the Roster of Voters at the close of polls, he or she may do so only for as long as it is not required by Election Officers to facilitate closing procedures.

ELECTION DAY CONCERNS:

If you see any activity that you believe is improper, or contrary to the Registrar of Voters policies, please contact the Registrar of Voters office immediately so that we may investigate. The sooner we know of a problem, the sooner we can eliminate it. Telling us of a problem the day after the election is helpful, but does not allow us to resolve problems in a timely manner for the benefit of those participating in the present election.

FREQUENTLY ASKED QUESTIONS (Continued)

Q. May I file my nomination documents with the district office?

A. No. Your nomination documents must be filed with the Registrar of Voters office.

Q. When am I considered a candidate?

A. You are considered a candidate when your nomination documents have been filed and verified.

Q. What happens if I change my mind about running for office after I have filed my nomination documents?

A. You may withdraw anytime up to the close of the nomination period. Withdrawal must be submitted in writing to the Registrar of Voters' office. After the nomination period closes, you are not permitted to officially withdraw and your name will appear on the ballot. It is the candidate's responsibility to inform voters that he/she does not want to be elected to office.

Q. What determines the order in which my name will appear on the ballot?

A. A random alphabet drawing is conducted by the Secretary of State, which determines the order that candidates names will appear on the ballot.

Q. May someone else file nomination documents on my behalf?

A. Election law does not specifically prohibit another person from filing nomination papers for a candidate; however, candidates are urged to file in person for the following reasons:

1. The oath of affirmation must be administered by a deputy of the Registrar of Voters' office, an authorized public official, or a notary public. It is much easier for a candidate to file the nomination papers in person and have the oath administered at the time he or she files.
2. The signature of the candidate, as well as other data, is required on many documents involved in the nomination process. If through an oversight the nomination papers are incomplete; the problem can easily be rectified when a candidate files in person.

Q. What happens if I'm the only candidate?

A. If you are the only candidate for a special district office, you will be appointed by the Board of Supervisors. If you are the only candidate for a school district, you will automatically be seated at the district's organizational meeting.
