Nov. 5 vote count completed; results to be certified Tuesday

The Riverside County Registrar of Voters Office on Saturday finished tallying ballots from the Nov. 5 election and announced plans to certify the results on Tuesday (11/12).

Final, unofficial vote totals already have been posted on the Registrar of Voters website, <http://www.voteinfo.net/>.

County elections officials were prepared to certify the results today (Saturday) but postponed that step because of the Veterans Day holiday and its possible effects on candidates or voters who might seek a recount.

By law, a request for recount must be filed with the Registrar of Voters office within five days after election results are certified. If results were certified today, the deadline for requesting a recount would have been Thursday. With the intervening holiday affecting schedules for most people within the community, certifying the results on Tuesday gives anyone contemplating a recount request until Monday (Nov. 18) to file.

Information about the recount process will be posted online at www.voteinfo.net
