Registrar's office certifies results of June 5 election

The Riverside County Registrar of Voters office certified the results of the June 5 Consolidated Primary Election on June 25. An amendment to the certified election results was released today to include 108 ballots that were not included in the certified results issued Monday. The amended election results did not change the outcome of any contest on the ballot.

The final official election results and statement of vote are available on the Registrar of Voters website at www.voteinfo.net and have been forwarded to the Board of Supervisors for review at the next available board meeting.

By law, a request for a recount must be filed with the Registrar of Voters office within five days after election results are certified. The deadline to request a recount is July 5. The cost of a recount is paid for by the requestor. For information regarding the recount process, please call the Registrar of Voters office at (951) 486-7330.
