Election **REMINDER**

Elections in California

There are two different types of primary elections in California. The results of the primary election determine the candidates who will run in the general election in November. The types of primary elections are:

Presidential (Party-Nominated/Partisan Office)

- Office on the ballot: U.S. President
- Who can vote: Only voters who registered with the same political party as the candidate (the Democratic, American Independent, and Libertarian parties allow voters who registered with no party preference to vote in their primary).
- Result: The candidate who moves on to the general election is the candidate nominated by their national political party and may not be the candidate that was elected by popular vote in the California primary election.

California Open Primary (Voter-Nominated Offices)

- Offices on the ballot: U.S. Senate, U.S. House of Representatives, statewide offices, and state legislative offices
- Who can vote: Any voter may vote for any one candidate in each contest, regardless of party preference.
- Result: The top-two candidates, regardless of party preference, who receive the most votes in each primary contest move on to the general election. After a top-two primary, a general election must be held even if one candidate receives a majority of the vote (at least 50 percent +1) and even if there is only one candidate in the primary election.

California's open primary system does not apply to candidates running for U.S. President, County Central Committee, or local offices. Non-partisan offices (such as judges, county supervisors, city council members, and school board members) remain open to all eligible voters.

REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Voter:

March 3, 2020 is Election Day. This County Voter Information Guide provides ballot marking instructions, polling place location, candidate information, and other important election details that you should review before you vote. You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

You have several options for voting:

Vote-by-Mail – Voting by mail is convenient and easy. You will find an application to receive a Vote-by-Mail ballot on the back cover of this pamphlet. The deadline to request a Vote-by-Mail ballot is February 25. You have several options for returning your ballot:

- Mail your ballot in time to reach the Registrar of Voters Office by 8:00 p.m. on Election Day, or be postmarked on or before Election Day and received no later than three days after Election Day to be counted.
- Return your ballot in person to the Registrar of Voters Office during regular business hours and until close of polls on Election Day. For your convenience the Registrar's office has a secure locked drop box at its entry for ballot drop off 24 hours a day.
- Deposit your ballot in one of the secure drop-off boxes available at designated City Clerks' Offices from February 3 through March 2. Please visit our website to view a map of ballot drop-off locations.
- Take your ballot to any polling place, vote center, or ballot drop-off location within the state no later than the close of the polls on Election Day.
- You may confirm that the Registrar of Voters Office has received your returned Vote-by-Mail ballot on our website at www.voteinfo.net.
- **Vote First, Count First!** Vote-by-Mail ballots received before Election Day are counted first. Return your ballot as soon as possible to ensure that it is included in the first Election Night results!

Early Voting – Vote at the Registrar of Voters Office beginning February 3 - March 2 (excluding Holidays), Monday through Friday, 8:00 a.m. to 5:00 p.m.; Saturday, February 22 and February 29, 9:00 a.m. to 4:00 p.m.; and Election Day, March 3, 7:00 a.m. to 8:00 p.m. Please visit our website at www.voteinfo.net for additional early voting locations and information.

Vote on Election Day March 3 – See the back cover of this Voter Information Guide for your Polling Place location.

Please note that the registration deadline to vote or change your political party preference is February 17, 2020. Since this deadline falls on a State Holiday it is extended to the next business day.

Have you considered participating in the Electoral process? We need you to volunteer to work the polls on Election Day! We are eager to train you to assist voters with their fundamental right to vote. Please contact us for more information.

The Registrar of Voters team is here to serve you. Please contact us anytime, so we can help make your voting experience a positive one. Thank you for participating in this election – your vote counts!

Sincerely,

REBECCA SPENCER

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county Voter Information Guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO USE THIS SAMPLE BALLOT

1. **POLITICAL PARTY PREFERENCE:** If you are not sure about your political party preference, look at the front of this booklet or at the address label on the back cover. You may also check your political party preference on our website at www.voteinfo.net or by calling (951) 486-7200. If you chose a political party preference when registering to vote you will be issued an official ballot which will include that political party's U.S. Presidential and central committee candidates. Voter-Nominated and Nonpartisan contests will also be included.
2. **NO PARTY PREFERENCE AND NONPARTISAN:** If you did not indicate a political party preference or you registered with an unqualified political party, then you will be issued the **No Party Preference / Nonpartisan** ballot. Your ballot will include congressional, state legislative, and nonpartisan contests, **not U.S. Presidential Candidates**. However, for this election, three parties are allowing cross over voting for their Presidential Candidates. You may request one of the following ballots:

American Independent Party

Democratic Party

Libertarian Party

3. PARTISAN OFFICES IN THE SAMPLE BALLOT

Look at the sample ballot pages that follow. Find the sample ballot pages for the appropriate political party, in order to review your official ballot choices for partisan offices. If you are a no party preference voter and you choose to vote the nonpartisan ballot, you will not find any of the presidential candidates on your ballot.

4. VOTER-NOMINATED AND NONPARTISAN SAMPLE BALLOT PAGES

All voters are eligible to vote on the voter-nominated and nonpartisan portion of the ballot. Following the party sample ballot pages are the voter-nominated and nonpartisan offices, and state and local propositions and measures. The exact issues and offices on your ballot correspond to the location of your residence address, according to what jurisdictions have seats to fill and/or questions to ask.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your Official Ballot:

- Completely fill in the oval next to your choice, like the example provided. Check both front and back of ballot for voting contests.
- Use a black ink pen or marker. Do not use red ink.
- Completely filling in the oval is preferred.
- Vote for no more than the number of votes allowed in each contest (e.g., vote for one, vote for no more than two, etc.).
- Please keep the ballot folded the same way as you received it.

KEN CALVERT, Republican

AGE: 66

OCCUPATION: U.S. Representative

EDUCATION AND QUALIFICATIONS:

As a lifelong Inland Empire resident, it is my honor and privilege to represent you in the United States House of Representatives.

My focus is on the issues most important to our community. I am committed to improving our roads so commuters can spend more time with their families. Recently, I worked with local officials to secure a \$50 million federal grant to reduce congestion on our local freeways.

I am concerned by the explosion of homelessness resulting from Democrat policies that essentially legalized drug use and petty theft, making it tougher for communities to address the crisis.

I have delivered essential resources to fight our state's wildfires, create a life-saving earthquake early warning technology, and improve our air quality.

Spurred by lower federal taxes and reduced regulations, our economy has delivered record low unemployment and higher wages. I oppose efforts by Democrats to raise taxes on families to pay for a massive government expansion, including their scheme to force you into government run healthcare.

We must be a nation that enforces the rules of law. I support construction of the border wall and making E-Verify mandatory.

As the top Republican on the Defense Appropriations Subcommittee, I proudly support pay raises for our troops as well as the vital missions at our Navy base in Norco and March Air Reserve Base. We must ensure our military remains the strongest in the world.

I am eager to continue working for you and your family. I humbly ask for your vote.

WILLIAM "LIAM" O'MARA, Democratic
OCCUPATION: University Professor / Historian
EDUCATION AND QUALIFICATIONS:

AGE: 45

I'm Liam O'Mara, a former longshoreman and frycook, and currently a professor of history. I do not come from a privileged background, and understand the struggles we face in the Inland Empire.

Wages have been stagnant for decades, the price of housing and of healthcare have skyrocketed, and jobs are being automated away. I am running for Congress because, as a historian, I know how we got here, and what we can do about it.

Expanding roads and freeways can help with traffic, but not solve it -- for that we must develop our local economy. In Congress I will work to help small businesses, to attract new investments, and to get a public university in district to reduce commuter traffic and make more affordable the training we need for the jobs of tomorrow.

We deserve better jobs now, as well, not more warehousing work that will soon be lost to robots. Half the Inland Empire earn less than a living wage, and in Congress I will fight to expand opportunities so that our children have a better future.

We can lower the cost of living and keep more of what we earn, and ensure everyone has adequate healthcare, a good education, and a place to live. We do that by addressing corruption in Washington, and ending policies that have seen the bottom 50% lose a trillion in wealth.

It's time we had a Congressperson to represent all of us, not just a few. I humbly ask for your vote.

REGINA MARSTON, Democratic
OCCUPATION: President
EDUCATION AND QUALIFICATIONS:

AGE: 59

I earned a Bachelor of Science degree in communications from the University of Florida. Over the last 30 years, I have held senior level management roles in health insurance, homebuilding, development & infrastructure, utilities, and clean energy in California, and nationwide. I'm an entrepreneur who has developed solutions to many issues that impact District 42.

My experience taught me valuable negotiating, communication, stakeholder engagement, regulatory, and policymaking skills that I will use in Congress. I understand the importance of having a representative who will work for the "people" when interacting with local, state, and federal government. Many times, government is focused on developing a strong tax base for maintaining the "status quo" and not for the benefit of the community. As the endorsed AFL-CIO candidate, I will be a champion for the people, not the powerful.

CA 42 is the growth center for the next 20+ years. This will mean increased traffic, additional strain on our energy and water infrastructure, a negative impact on our air quality, increased demand on our school districts, and police/fire resources. My vision is to protect the constituents and work with our local, state, and federal governments to create solutions for sustainable growth that don't raise taxes beyond the ability of our residents to pay.

To ensure our region has the resources needed to meet the challenges ahead, we need a leader who has the experience to hit the ground running on day one. Put me to work for you in CA 42. Thank you.

MEASURE "A" - RIVERSIDE COMMUNITY COLLEGE DISTRICT

FULL TEXT BALLOT PROPOSITION

MORENO VALLEY COLLEGE, NORCO COLLEGE AND RIVERSIDE CITY COLLEGE AFFORDABLE, QUALITY HIGHER, EDUCATION, JOB CREATION, CAREER TRAINING AND CLASSROOM REPAIR MEASURE

ELECTION MARCH 3, 2020

"MORENO VALLEY/NORCO/RIVERSIDE CITY COLLEGES AFFORDABLE, QUALITY HIGHER EDUCATION, JOB CREATION, CLASSROOM REPAIR MEASURE. To improve classrooms/access for students/Veterans to quality, affordable college education by repairing, constructing/acquiring classrooms, facilities, sites/equipment for science, engineering, technology, healthcare, college/career-training/skilled trades; shall Riverside Community College District's measure authorizing \$715,000,000 in bonds at legal rates, levying 2¢/\$100 assessed valuation (\$42,000,000 annually) while bonds are outstanding, be approved, with citizen oversight/all money locally controlled?"

PROJECTS

The Board of Trustees of the Riverside Community College District, to be responsive to the needs of its community, evaluated Moreno Valley College's, Norco College's, and Riverside City College's urgent and critical facility needs, and their capacity to provide students a well-rounded and **affordable education** and **job training** facilities, and prepare them for success in local jobs and in transferring to four-year universities. Job training and college transfer facilities, **safety** issues, class size and offerings, and information and computer technology were each considered in developing the types of projects to be funded by this measure. In developing the types of projects described herein, job training facilities, facilities supporting **college transfer** and career training classrooms, and the expansion of opportunities for **local students** and **Veterans** to receive an **affordable, high-quality education**, were **prioritized**. If these facility needs are not addressed now, each of Moreno Valley, Norco and Riverside City Colleges would be unable to remain competitive in preparing students for jobs in high demand industries and **transfer to four-year colleges and universities**.

The **Board of Trustees** determines that Riverside Community College District **must**:

- (i) **Maintain classrooms and student service centers by repairing or replacing leaky roofs, old rusty plumbing, and faulty electrical systems;**
- (ii) **Improve student safety and campus security systems, including security cameras, emergency communications systems, smoke detectors, and fire alarms;**
- (iii) **Expand and improve the Veterans Centers at all three campuses, which provide job training, job placement, counseling and support services to military Veterans and their families;**
- (iv) **Upgrade classrooms and labs to help local students complete the first two years of college affordably, and then transfer to the Cal State or UC systems;**
- (v) **Upgrade classrooms and career training facilities for science, technology, engineering, math and computer science.**

The types of projects which are authorized to be undertaken at Moreno Valley College, Norco College and Riverside City College campuses include:

PROVIDE LOCAL STUDENTS AN AFFORDABLE EDUCATION:

**Improvements Needed To Allow Moreno Valley, Norco and Riverside City Colleges
Provide Affordable Job Training and Vocational
Programs Required To Prepare Students For In-Demand Careers**

Goals and Purposes:

Because the cost of attending California's public universities is so expensive, many more local students are starting their education at community colleges. As a result, more students and their families rely on their local community college to save tens of thousands of dollars. This measure will ensure local students have access to an affordable, high-quality education in Riverside County.

Passing this measure will add classrooms, labs and career-training facilities needed to allow both MORENO VALLEY COLLEGE and NORCO COLLEGE to be COMPREHENSIVE colleges, expanding the range of classes, degrees, and career-training courses offered to better serve the needs of local residents.

- Repair or replace aging plumbing systems to prevent flooding and water damage.
- **Improve access to college facilities for students with disabilities.**
- Improve deteriorating gas, electrical, sewer and plumbing lines and systems.
- **Repair or replace leaky roofs.**
- Upgrade classrooms and labs for science, technology, engineering, biotech, and math-related fields.

- Construct new classroom and job training facilities.
- Replace aging internet and electrical wiring.
- **Improve student safety and campus security systems**, including security lighting, cameras, emergency communications systems, smoke detectors, and fire alarms.

PROVIDE JOB TRAINING AND COLLEGE TRANSFER:

Classroom and Program Improvements To Help Local Students and Veterans Transfer to Four-Year Universities; Be Trained For Careers in Healthcare, Engineering, Technology, Law Enforcement and Firefighting

Goals and Purposes:

Moreno Valley College, Norco College, and Riverside City College each provide essential job training and workforce preparation for students of all ages, military veterans and local residents. The measure would upgrade classrooms, facilities and technology and expand access to training programs that help students learn new skills and find better paying jobs.

Nearly 40% of all local high school graduates rely on our local community colleges for higher education and to prepare for careers. We need to repair and upgrade our local colleges so they can continue to serve our community well for the decades to come.

- Upgrade classrooms and career training facilities for healthcare and nursing.
- **Upgrade classrooms and labs to help local students complete the first two years of college affordably, and transfer to the Cal State or UC systems.**
- Expand and improve the Veteran's Centers at all three campuses, which provide job training, job placement, counseling, and support to military veterans and their families.
- **Construct new or upgrade outdated classrooms, labs, career training facilities, and equipment to keep pace with current industry standards and technology.**
- **Improve classrooms and career training facilities in public safety, fire protection, emergency medical treatment, law enforcement, and physical sciences.**
- Repair deteriorating classrooms and facilities.
- Build new or improve existing facilities for science, technology, engineering, math and computer science instruction and job training.

In addition to the listed types of projects stated above, the types of authorized projects of the measure also include the acquisition of a variety of instructional, maintenance and operational equipment, including interim funding incurred to advance fund projects and the refinancing of outstanding lease obligations, payment of the costs of preparation of all facility planning, fiscal reporting, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, project management information systems, permit fees, and temporary housing of dislocated college activities caused by construction projects. In addition to the projects listed above, repair, renovation and construction projects may include, but not be limited to, some or all of the following: renovate student and staff restrooms; replace aging electrical and plumbing systems; repair and replace heating, ventilation and air conditioning systems; install building management and energy management systems; upgrade of facilities for energy efficiencies, including, as an example, the installation of solar panels or arrays, electric charging stations, chiller replacements, and decarbonization programs; repair and replace worn-out and leaky roofs, windows, walls doors and drinking fountains; replace or remove outdated buildings and classrooms and construct new classrooms and support buildings; upgrade wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrade facilities to meet current environmental sustainability, State compliance standards and earthquake safety; repair and replace fire alarms, emergency communications and security systems; upgrade, resurface, replacing or relocate hard courts, fields, turf and irrigation systems; replace turf on athletic fields; upgrade classrooms; build new or renovate existing facilities such as science buildings, advanced technology buildings, wellness/allied health facilities, early childhood education center, business and technical support facilities, cosmetology building, emergency operations center, career and technical education buildings, child development center, student and welcome centers, bookstore, parking structures and lots; build new or upgrade sports fields, gymnasiums, athletics complex/stadium, pools, volleyball and tennis courts, and other athletic facilities; upgrade, resurface and recondition existing parking lots, roads and sidewalks; construct or upgrade on-site and off-site roads and roadways and related off-site improvements; improve vehicular access and circulation; improve drop-off zones; repair, upgrade and install interior and exterior lighting systems; replace water lines and valves and sewer lines; construct, upgrade, acquire or expand, multi-use classrooms and labs, swing space, student/learning resources centers, student libraries, planetarium, outdoor classrooms/performance space, fine/ theater and visual arts, music and performing arts facilities, greenhouse, kinesiology buildings, police facilities, field lights, bleachers, press box, track replacement, collaborative office suites and administrative offices, purchasing, warehouse and maintenance facilities, and public safety facilities; improve water conservation and energy efficiency; acquire land; replace existing window systems with energy-efficient systems to reduce costs; improve insulation, weatherproofing and roofs to reduce costs; improve access for the disabled; install and repair fire safety equipment, including alarms, smoke detectors, sprinklers, emergency lighting, and fire safety doors; replace broken concrete walks, deteriorated asphalt; replace/upgrade existing signage to reflect better wayfinding, bells and clocks; replace, modernize and upgrade existing elevator systems; demolition of unsafe or outdated facilities; install or upgrade new security systems, such as security (surveillance) cameras, burglar alarms, handrails, outdoor lighting, fencing, landscaping, gates, gateways and classroom key cards/door locks; replace sewer lines and improve drainage systems to prevent flooding; abate, remove, remediate existing above and below ground hazardous

materials; replace, upgrade, construct, map and improve underground utilities infrastructure and above ground utilities structures; upgrade roadway and pedestrian paths and pathways and bridges for improved safety and access for emergency vehicles, site parking, utilities and grounds. Current priority projects at the three colleges include, at Moreno Valley College, the construction of a library and learning resource center and a biological and physical sciences facility; at Norco College, the construction of STEM buildings, and the reconstruction of the Applied Technology Education Center/Information Technology; and at Riverside City College the construction of a Visual Arts Complex, and an Advanced Technology Building. The upgrading of technology infrastructure includes, but is not limited to, upgrading classroom technology, expanding wireless internet access throughout each college campus, acquire portable interface devices, servers, switches, routers, modules, sound projection systems, information systems, printers, digital white boards, upgrade voice-over-IP, communication systems, audio/visual and telecommunications systems, call manager and network security/firewall, Internet connectivity, wireless systems, technology infrastructure, and other miscellaneous IT and instructional equipment, DATA storage, fiber/copper infrastructure, phones, identity access cards and the construction and installation of a data center in the cloud for District's enterprise systems, such as resource planning, websites, domain name systems, cloud applications and information security, as well as the necessary software and licenses associated therewith.

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses, a customary contingency, and costs associated with the Total Cost of Ownership of facilities and equipment. The allocation of bond proceeds may be affected by the final costs of each project. Some projects may be undertaken as joint use or public/private partnership projects in cooperation with other local public, non-profit agencies or other entities. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project or decisions will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final budgets of projects or on the then current priorities of the District, certain of the projects described above may be delayed or may not be undertaken. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration, including the acquisition and installation of temporary facilities (swing space) may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the types of projects and purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code Section 53410.

FISCAL ACCOUNTABILITY

This bond measure has strict accountability requirements including:

1. All money will benefit Moreno Valley College, Norco College and Riverside City College and CANNOT BE TAKEN BY THE STATE.
2. NO MONEY can be used for ADMINISTRATOR SALARIES or pensions.
3. Require TAXPAYER OVERSIGHT and yearly audits to ensure all funds are used locally, effectively and as promised.
4. NO ADMINISTRATOR SALARIES. Proceeds from the sale of the bonds authorized by this proposition shall be used only for the acquisition, construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and not for any other purpose, including teacher, faculty and college administrator salaries, pensions and other operating expenses.
5. **FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.**

MEASURE "A" - RIVERSIDE COMMUNITY COLLEGE DISTRICT

Tax Rate Statement

An election will be held in the Riverside Community College District (the "District") on March 3, 2020 to authorize the sale of \$715,000,000 in general obligation bonds. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of tax levies made on the taxable property in the District. These estimates are based on projections derived from information obtained from official sources and other demonstrable factors. The actual tax rates and the years in which they will apply may vary depending on the timing of bond sales, the amount of bonds sold at each sale, and actual increases in assessed valuations. The following information is submitted in compliance with Sections 9400-9404 of the California Elections Code.

- i. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is \$0.02 per \$100 (\$20.00 per \$100,000) of assessed valuation.
- ii. The best estimate of the final fiscal year in which the tax required to fund this bond issue is anticipated to be collected is fiscal year 2053-54.
- iii. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$0.02 per \$100 (\$20.00 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year the bonds remain outstanding.
- iv. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$1.43 billion.

Based upon the forgoing and projections of the District's assessed valuation, the timing of the bond sales and the amount of bonds sold at any given time will be determined by the needs of the District and other factors. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the assessment and the equalization process.

Voters should note that the estimated tax rates are based on the ASSESSED VALUE of taxable property in the District as shown on the County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

IMPARTIAL ANALYSIS OF MEASURE “A”

The Board of Trustees (“Board”) of the Riverside Community College District (“District”) by adopting Resolution No. 30-19/20 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of seven hundred fifteen million dollars (\$715,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to renovate, upgrade, repair and construct buildings, classrooms, school labs, Veterans Centers and career training facilities. The Bonds may be used for school facilities projects such as repairing aging and outdated infrastructure, upgrading safety and security measures, modernizing technology and providing career training facilities in fields such as science, engineering, public safety, medical treatment and fire protection at campuses in Moreno Valley College, Norco College and Riverside City College. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure A is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, modernization, and renovation of school facilities, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is approximately \$0.02 per \$100 per assessment (or \$20.00 per \$100,000) of assessed value. The final year in which the tax is anticipated to be collected is 2053-2054.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is one billion four hundred and thirty million dollars (\$1.43 billion).

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “A” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “A” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

By: Ronak N. Patel, Deputy County Counsel

ARGUMENT IN FAVOR OF MEASURE “A”

Vote YES on Measure A to ensure local students have access to affordable, high-quality education and career training at Moreno Valley College, Norco College and Riverside City College.

As the cost of attending the Cal State and UC systems becomes more expensive, Measure A ensures that lower and middle-income students who can’t afford the high price of a university still have an opportunity to succeed in college and careers.

With nearly 40% of local high school graduates relying on Moreno Valley College, Norco College and Riverside City College for higher education and career training, it’s critical we vote YES on A to repair and upgrade our colleges.

Measure A helps our local community colleges remain vital community and economic resources that create local jobs and improve our regional economy.

Measure A improves Student and Veterans’ Centers to ensure that the thousands of military veterans returning from service receive the job training, job placement, counseling and support services they need.

Vote YES on A:

- Maintain classrooms and student service centers by replacing leaky roofs, rusty plumbing and outdated electrical systems
- Improve Veterans’ Centers to support military veterans and their families
- Upgrade classrooms and labs to help local students complete the first two years of college affordably, and transfer to the Cal State or UC systems
- Improve student safety and campus security systems including security lighting, cameras, emergency communications systems, smoke detectors and fire alarms
- Upgrade career training facilities for science, technology, engineering, math and computer science

Local Control and Fiscal Accountability

- Every penny of Measure A stays local to support our community colleges, students and veterans – no funds can be taken by the State
- A project list, Citizens’ Oversight Committee and independent audits are required
- No funds can be used for administrators’ salaries

Community leaders, local businesses and students agree: Vote YES on A for Moreno Valley College, Norco College and Riverside City College.

MEASURE "E" - JURUPA UNIFIED SCHOOL DISTRICT

FULL TEXT BALLOT PROPOSITION OF THE JURUPA UNIFIED SCHOOL DISTRICT BOND MEASURE ELECTION FOR MARCH 3, 2020

"To repair deteriorating roofs/plumbing/electrical systems; update classrooms/labs/facilities/technology to support college readiness/career preparation in math, science, engineering, technology, arts/skilled trades; upgrade older schools to meet the same academic/safety standards as newer schools, and improve student safety; shall the Jurupa Unified School District measure authorizing \$192,000,000 in bonds at legal rates be adopted, levying 4¢ per \$100 assessed value (\$10,800,000 annually) while bonds are outstanding, with citizen oversight, independent audits, local control?"

PROJECT LIST

The Board of Education of the Jurupa Unified School District certifies that it has evaluated the District's urgent and critical school needs, including school and student safety issues, enrollment trends, class size reduction, overcrowding, energy efficiency and computer technology, seismic safety requirements, and aging, outdated or deteriorating school buildings in developing the scope of projects to be funded. The Board of Education will prioritize the key health and safety and sustainability needs so that the most critical school site needs are addressed. The District conducted an evaluation at all school sites and received public input in developing the scope of school projects to be funded. In approving this Project List, the Board of Education determines that the District should:

- (i) Upgrade safety and security systems
- (ii) Provide career technical classrooms, facilities and labs for job training to prepare students for the workforce.
- (iii) Upgrade classrooms and labs to support the core academics of math, science, reading and writing.
- (iv) Renovate and repair buildings, classrooms, fields and playground areas.
- (v) Acquire sites, as necessary, and construct new classrooms and school facilities to accommodate enrollment growth.
- (vi) Adhere to specific **FISCAL ACCOUNTABILITY** safeguards such as these:
 - (a) Sacramento will be prohibited from taking any of the funds raised.
 - (b) All expenditures will be subject to annual independent financial and performance audits.
 - (c) No funds will be used for administrators' salaries and pensions.
 - (d) All funds will be subject to local control and provide improvements at all of our schools.
 - (e) An independent citizens' oversight committee will be appointed to ensure that all funds are spent only as authorized.

The Project List includes the following types of projects:

Neighborhood School Renovation, Repair and Upgrade Projects

Goal and Purpose: Schools will benefit from the renovation, repair, upgrade, furnishing and equipment of deteriorating, outdated school buildings, science labs, classrooms, computer learning centers and school libraries and athletic and fine arts facilities, in order to ensure compliance with handicap accessibility requirements and that students and teachers have the resources they need to excel and students are prepared for college and careers when they graduate, by undertaking the following:

- Upgrade, furnish and equip classrooms, STEAM labs, English labs, science labs and multipurpose rooms and facilities.
- Provide improved, upgraded computer labs.
- Replace and add electrical service capacity to relieve currently overloaded electrical systems.
- Repair, upgrade and replace roofs, as needed.
- Comply with Federal and State-mandated Americans with Disabilities Act (ADA) handicap accessibility requirements.

School Health, Safety and Security, and Earthquake Safety Projects

- Install new security systems, such as security (surveillance) cameras, outdoor lighting, fencing, gates and classroom door locks.
- Remove or abate asbestos, lead paint, mold and other hazardous materials.
- Upgrade emergency communication systems.
- Upgrade fire alarm systems to automatic systems, repair and replace fire safety equipment, add sprinklers and fire safety doors.
- Upgrades to schools in order to meet handicap accessibility requirements.

- Replace/upgrade existing signage, bells and clocks.
- Upgrade and replace playground equipment and athletic fields to meet current safety standards.

Energy Efficiency Projects — Returning Savings to the Classrooms.

- Replace older heating, ventilation and air conditioning systems with energy-efficient systems for cost savings and energy efficiency.
- Replace existing window systems with energy-efficient systems.
- Replace older ceilings and lighting systems with building code-compliant, energy-efficient systems.

District-Wide Wiring and Instructional Technology For Effective Learning Environment Projects

- Update computer labs.
- Provide and maintain upgraded technology, data and communication equipment.
- Upgrade and expand wireless systems, telecommunications and internet access.
- Upgrade and replace computers, hardware and software systems.
- Upgrade and replace classroom furniture, equipment and instructional aids.
- Upgrade media and audio/visual equipment.
- Expand bandwidth to allow students greater access to the Internet.

Listed building, repair and rehabilitation projects and upgrades may be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the Projects stated above, proceeds from the sale of bonds will also be used for payment of facility-related construction costs, the acquisition of land, the payment of the costs of preparation of all facility planning, facility assessment reviews, facility master plan updates, environmental studies (including environmental investigation, remediation and monitoring) and construction documentation, the acquisition or prepayment of outstanding ground leases, acquiring and leasing of real property for school facilities, including the purchase of leased facilities and the refinancing of outstanding lease obligations, including, but not limited to, the refinancing of existing lease obligations of the District, acquiring and leasing of property for temporary housing of dislocated District activities caused by bond-financed Projects and the leasing or acquisition of staff parking or a transportation lot for school buses. The upgrading of technology infrastructure includes, but is not limited to, computers, LCD projectors, portable interface devices, servers, switches, routers, modules, sound projection, card access systems, laser printers, digital white boards, document projectors, upgraded voice-over IP, call manager and network security/firewall, and other miscellaneous equipment and software.

In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; repair and replacement of heating, air conditioning and ventilation systems; upgrade of facilities for energy efficiency and to reduce fire risks; repair and replacement of worn-out and leaky roofs, windows, walls, doors and drinking fountains; demolition of unsafe school facilities; installation of wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; repairing and replacing fire alarms, emergency communications and security systems; resurfacing or replacing of hard courts, turf and irrigation systems and campus landscaping; building new and/or renovating existing gymnasiums, pools and high school stadiums; upgrading or replacing inadequate libraries, multi-purpose rooms, kitchens and administrative spaces; upgrading locker rooms; installing lunch shelters, artificial turf, and bleachers; improving sanitation and recycling; expanding parking; building a new stadium; installing interior and exterior painting and floor covering; replacing portable classrooms; installing covered walkways or shelters; adding administrative support spaces; upgrading school site kitchens; repairing rubberized play apparatus surfaces; demolition; and construction of various forms of storage and support spaces; upgrading classrooms; repairing, upgrading and installing interior and exterior lighting systems; replacing water and sewer lines and other plumbing systems; and replacing outdated security fences and security systems.

The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each Project. Approval of Measure E does not guarantee that the proposed Project or Projects within the District that are the subject of bonds under Measure E will be funded beyond the local revenues generated by Measure E. The District's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the Projects, the District may not be able to complete some of the Projects listed above.

The final cost of each project will be determined as plans are finalized, construction bids are awarded and projects are completed. Based on the final costs of each project, certain projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing or installing irrigation, storm drain, and utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the costs of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the specific purposes identified herein.

As required by the California Constitution, the proceeds from the sale of the bonds will be used only for the provision of school facilities by construction, reconstruction, rehabilitation, refinancing or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease or real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

The District will conduct an annual, independent performance audit to ensure that the funds have been expended only on projects included in the Project List set forth above.

The District will conduct an annual, independent financial audit of the proceeds from the sale of the bonds until all of those proceeds have been expended on projects included in the Project List set forth above.

Pursuant to Section 15772 of the Education Code, the Board will appoint a citizens' oversight committee and conduct annual independent audits to assure that bond proceeds are spent only on projects included in the Project List set forth above and for no other purposes.

NO ADMINISTRATOR SALARIES. PROCEEDS FROM THE SALE OF THE BONDS AUTHORIZED BY THIS PROPOSITION SHALL BE USED ONLY FOR THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, REHABILITATION, OR REPLACEMENT OF SCHOOL FACILITIES, INCLUDING THE FURNISHING AND EQUIPPING OF FACILITIES, AND NOT FOR ANY OTHER PURPOSE, INCLUDING PENSIONS, TEACHER AND SCHOOL ADMINISTRATOR SALARIES AND OTHER OPERATING EXPENSES.

FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE (EDUCATION CODE SECTION 15278 ET SEQ.) TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATIVES OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

MEASURE "E" - JURUPA UNIFIED SCHOOL DISTRICT

**TAX RATE STATEMENT
REGARDING PROPOSED
\$192,000,000
JURUPA UNIFIED SCHOOL DISTRICT
GENERAL OBLIGATION BONDS
ELECTION OF MARCH 3, 2020**

An election will be held in Jurupa Unified School District (the "District") on March 3, 2020, for the purpose of submitting to the electors of the District the question of incurring a bonded indebtedness of the District in the principal amount of \$192,000,000. If such bonds are authorized and sold, the principal thereof and interest thereon will be payable from the proceeds of taxes levied on the taxable property in the District. The following information regarding tax rates is given in compliance with Section 9401 of the California Elections Code. This information is based upon the best estimates and projections presently available from official sources, upon experience within the District and other demonstrable factors.

Based upon the foregoing and projections of the assessed valuations of taxable property in the District, and assuming the entire debt service on the bonds will be paid through property taxation:

1. The best estimate from official sources of the average annual tax rate that would be required to be levied to fund the bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of the filing of this statement, or on a projection based on experience within the District or other demonstrable factors, is 41.99 cents per \$100 (\$41.99 per \$100,000) of assessed valuation of all property to be taxed. The final year in which the tax is anticipated to be collected is 2050-51.

2. The best estimate from official sources of the highest tax rate that would be required to be levied to fund the bond issue and an estimate of the year in which that rate will apply, based on estimated assessed valuations available at the time of the filing of this statement, is 41.99 cents per \$100 (\$41.99 per \$100,000) of assessed valuation of all property to be taxed and the year 2047-48.

3. The best estimate from official sources of the total debt service, including the principal and interest that would be required to be repaid if all the bonds are issued and sold, is \$315 million.

Attention of voters is directed to the fact that the foregoing information is based upon projections and estimates. The actual timing of sales of the bonds and the amount to be sold at any time will be governed by the needs of the District and other factors. The actual interest rates at which the bonds will be sold, which will not exceed the maximum permitted by law, will depend upon the bond market at the time of sale. The actual assessed valuations in future years will depend upon the value of property within the District as determined in the assessment and the equalization process. Assessed valuation is not the same as market price of real property. Therefore, the actual tax rates and the years in which those tax rates will be applicable may vary from those presently estimated and stated above.

Jurupa Unified School District

IMPARTIAL ANALYSIS OF MEASURE “E”

The Board of Education (“Board”) of the Jurupa Unified School District (“District”) by adopting Resolution No. 2020/17 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of one hundred ninety-two million dollars (\$192,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to renovate, upgrade, repair and construct buildings, classrooms, school labs, libraries and learning centers. The Bonds may be used for school facilities projects such as modernizing classrooms, labs and career-training facilities and providing upgraded technology, security and safety measures. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure E is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, modernization, and renovation of school facilities, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is approximately \$0.04 per \$100 per assessment (or \$41.99 per \$100,000) of assessed value. The final year in which the tax is anticipated to be collected is 2050-2051.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$315,000,000.

Approval of Measure E does not guarantee that the proposed projects in the District, that are the subject of the Bonds under Measure E, will be funded beyond the local revenues generated by Measure E. The District’s proposal for the project or projects the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “E” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “E” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “E”

Vote YES on Measure E to improve the quality of education in Jurupa schools by ensuring all students have equal access to the classrooms, labs and facilities they need to succeed.

Every penny of Measure E stays right here in Jurupa to repair and upgrade our local schools and cannot be taken by the State.

Voting YES on Measure E improves campus security by updating security fencing and cameras, emergency communication systems, centralized lockdown systems, smoke detectors, fire alarms and sprinklers. Only a few schools have modern safety and security features, meaning the majority of our schools still need critical upgrades to keep our students safe.

Measure E is a fiscally accountable plan that ensures students in older schools have the same opportunities as those in newer schools – so all students receive the quality education and career training they need to be prepared for college and good jobs.

Our community needs Measure E to improve our music, arts and athletic facilities, as studies show kids participating in these activities are less likely to get involved in drugs, gangs and crime.

Vote YES on E:

- Remove hazardous materials like asbestos and lead paint from older schools
- Repair deteriorating roofs, plumbing, sewer lines, electrical systems and wood beams with extensive termite damage
- Provide the classrooms and technology needed to support high-quality instruction in science, technology, engineering and math
- Improve student safety and campus security systems
- Modernize labs and career training classrooms to prepare students for in-demand careers in fields like health, engineering, technology and skilled trades.

Every Penny of Measure E Stays Local

- No Measure E funds can be taken by the State
- A Citizens’ Oversight Committee and independent audits are required
- By law, no money can be used for administrators’ salaries or benefits

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “E”

In 2014, we passed a \$144 million school bond. At that time the voters were told the money would be spent on safety and security, career and technical training facilities, science labs, and removal of lead paint and asbestos. Now we are being asked for \$192 million for THE EXACT SAME THINGS!

Our school district didn’t give us what they promised last time, so why do you think they will this time? How many times does JUSD expect us to pass a bond for things they never do?

Just like with the last bond, when we got new staff offices instead of security systems, it is clear the school district will build new facilities with this bond money. Mailers and talks to local groups emphasize art, music, and sports facilities and replacing existing libraries and multipurpose rooms.

JUSD says they used the last bond money to replace AC units and repair sports tracks. That is normal maintenance JUSD should be budgeting for. If JUSD has no money to maintain what they have, where will the money come from to maintain new facilities?

Our children deserve 100% of all bond money to go to their education and their safety, not fancy new facilities that only a small percentage of students will use.

We have to let our school board know we won’t give them another blank check.

The only way to tell them that is by VOTING NO on MEASURE E.

By: Zachary Everhart
Mary G Anderson

ARGUMENT AGAINST MEASURE “E”

Vote NO on more school bond debt. Vote NO on a blank check for our school district.

If your house has an assessed value of \$300,000, you are already paying almost \$300 for school bonds. This bond adds another \$126.

In 2014, voters approved a \$144 million school bond for, among other things, the safety and security of our students and career and vocational training facilities. Yet voters got:

-One school with security cameras and window safety tinting at two schools. Didn't we expect more?

-A welding lab at Nueva Vista High, a welding simulator at Jurupa Valley High, and a video studio at Rubidoux High. Patriot High got nothing. Didn't we expect more?

What was the money used for? Five schools got or will get brand new staff office buildings. New staff offices – we certainly didn't expect that!

JUSD has not published a list of projects they plan on spending \$192 million of our tax dollars for. Why the secrecy? Voters deserve to know if they are voting for improvements for children's education and safety or new staff offices.

There is no data that the last bond improved the education of students. Bond money can't be used for teacher training, establishing professional learning communities, staff collaboration, teaming with researchers, or other proven ways to improve education.

JUSD says if voters “care about kids” we will vote for another bond. Yet JUSD did not care enough to spread the 2014 bond money equitably among the children of JUSD. Most students still go to schools without the promised safety measures or career training facilities.

If we care about children, we will not give them additional bond debt they will be paying off until today's kindergartners have kindergartners of their own.

REBUTTAL TO ARGUMENT AGAINST MEASURE “E”

Don't be misled.

As local leaders who believe that strong schools are essential for our community, we make it a priority to know the facts. We're voting YES on E.

- Measure E is accountable. Independent citizens' oversight and mandatory audits ensure all funds stay local to make the critical safety upgrades and facilities repairs our schools need.
- Jurupa Unified School District has a proven track record of excellent fiscal management of past bond measures. Past measures were never promised or intended to address every need in the District. You can see every penny was spent responsibly in the oversight reports: <https://jurupausd.org/our-district/planning/Pages/COC.aspx>
- Not only did our past measure touch every school in the District, but every student benefitted from the technology updates.
- Providing Jurupa students with equal access to updated classrooms and labs is Measure E's top priority. It is essential to ensuring students in older schools have the same learning opportunities as those in newer schools.
- The State doesn't fund facilities improvements. In fact, passing Measure E is the only way to help us qualify for state matching funds.
- Measure E is an investment in our students' futures and our community. Measure E costs the typical homeowner less than \$10 per month to provide the safe and modern schools students need to be prepared for college and careers.

We are parents, business owners and education leaders, and we are taxpayers too. We are accountable; to our kids, to our community and to ensuring quality education for all Jurupa students.

IMPARTIAL ANALYSIS OF MEASURE “H”

The California Constitution and California Public Resource Code § 5789.1 authorize a Recreation and Park District, upon approval of two-thirds of the voting electorate, to levy a qualified special tax for specified purposes.

By this measure, the Board of Directors of the Jurupa Area Recreation and Park District (“Park District”) proposes to levy a special tax beginning in fiscal year 2020 and continuing in perpetuity until it is repealed by the registered voters residing within the Park District. This tax shall be at a rate of \$30 per year per parcel on all taxable parcels in the Park District except state, federal or local government property shall be exempt from any levy of the special taxes.

The stated purposes of the special tax are to provide stable local funding to improve parks and recreation for children, adults and senior citizens, to increase funding for park maintenance, energy efficiency and water conservation, to upgrade, renovate and expand parks and facilities, to ensure safe playground equipment and sports fields, to upgrade security in parks and to offer additional youth, adult and family programs and activities.

If this measure is approved, approximately \$860,000 in revenue will be generated and utilized for the activities described above. The Park District will conduct annual independent financial audits to ensure that the special taxes are utilized for their stated purposes and no other purposes. In no event shall this special tax be levied on any taxable parcel within the Park District in excess of the \$30 specified herein.

For this Measure to be approved two-thirds of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “H” is a vote to allow a new special tax to be levied on real property within the boundaries of the Park District in the amount of \$30 per year per parcel for the specified purposes listed above.

A “NO” vote on Measure “H” is a vote against allowing a special tax to be levied by the Park District.

By: Ronak N. Patel, Deputy County Counsel

The above statement is an impartial analysis of Measure H. If you desire a copy the ordinance or measure, please call the district elections official’s office at (951) 486-7200 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “H”

The residents of the Jurupa Area Recreation and Park District deserve better maintained parks and more recreation activities for everyone. With a contribution from property owners of just \$30 a year so much more can happen!

As our area grows, so does the use of our parks. Additional use means additional maintenance. This small, \$30 a year investment, will ensure our parks are well maintained now and in the future.

Sadly, population growth has increased vandalism and theft in our parks. With this additional investment from residents, JARPD can install more security cameras and catch more criminals, helping our parks and our community.

Over the last 4 years, JARPD has made great progress in improving parks and programs including:

- More than doubled participation in recreation programs;

- Received grants from the State, Kaiser Foundation, and Riverside University Health Systems, to make improvements to our parks and to give scholarships for recreation programs to needy children;

- Improved transparency with a new website and regular public financial reports;

- Improved water/energy efficiency with computerized irrigation systems in most parks and plans to change all buildings to energy efficient LED lighting as funds become available;

- Began swim lesson program, giving children the chance to become water safe, reaching over 800 swimmers last summer. Additional funds would allow more scholarships, insuring children regardless of income are safe from drowning.

With just \$30 dollars a year from each property owner, JARPD can improve the maintenance at our parks, spend more to improve water and energy efficiency, plan more family friendly activities like concerts and movies in the park and add activities for seniors.

A great park and recreation district improves the health and well-being of our community and supports better property values for all.

Help our park district become even better with a vote of YES on Measure H.

Conditional Voter Registration

Did you forget to register or update your voter registration? No Problem! A new law allows you to register to vote and vote until 8:00 p.m. on Election Day at your county elections office or at any vote center or polling place in your county. This process is called Conditional Voter Registration (CVR) and is commonly referred to as Same Day Voter Registration. Here's how it works:

1. Visit the Registrar of Voters office located at 2720 Gateway Drive, Riverside, CA 92507.
2. Complete a voter registration card or register online at RegisterToVote.ca.gov.
3. Vote your ballot at your county elections office, vote center, or polling place.
4. Once the county elections official processes your registration and determines you are eligible, you will be registered to vote and your ballot will be counted.

To learn more about Conditional Voter Registration, visit vote.ca.gov.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683).

You may check the status of your voter registration at www.voteinfo.net/AmIRegistered.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/>. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

VOTER BILL OF RIGHTS

YOU HAVE THE FOLLOWING RIGHTS:

The right to vote if you are a registered voter.

You are eligible to vote if you are:

- a U.S. citizen living in California
- at least 18 years old
- registered where you currently live
- not currently in state or federal prison or on parole for the conviction of a felony
- not currently found mentally incompetent to vote by a court

The right to vote if you are a registered voter even if your name is not on the list.

You will vote using a provisional ballot. Your vote will be counted if elections officials determine that you are eligible to vote.

The right to vote if you are still in line when the polls close.

The right to cast a secret ballot without anyone bothering you or telling you how to vote.

The right to get a new ballot if you have made a mistake, if you have not already cast your ballot. You can:

Ask an elections official at a polling place for a new ballot,

Exchange your vote-by-mail ballot for a new one at an elections office or at your polling place, or

Vote using a provisional ballot.

The right to get help casting your ballot

from anyone you choose, except from your employer or union representative.

The right to drop off your completed

vote-by-mail ballot at any polling place in California.

The right to get election materials in a language other than English

if enough people in your voting precinct speak that language.

The right to ask questions to elections officials about election procedures and watch the election process.

If the person you ask cannot answer your questions, they must send you to the right person for an answer. If you are disruptive, they can stop answering you.

The right to report any illegal or fraudulent election activity to an elections official or the Secretary of State's office.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

February 18: last day to register to vote and request your ballot

February 25: last day to update or change how you want to receive your ballot

March 3: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than March 6. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.

Earn money and make a difference— Serve as a Poll Worker on Election Day!

Gain hands-on experience and take part in the single most important day in our democracy—Election Day!

Who can be a poll worker?

To serve as a poll worker you must be:

- ✓ A U.S. citizen or legal permanent resident; or
- ✓ An eligible high school student

What does a poll worker do?

- ✓ Sets up and closes a polling place
- ✓ Helps voters understand their rights
- ✓ Protects ballots and voting equipment

Why be a poll worker?

- ✓ Get involved and assist voters
- ✓ Contribute to your community and meet your neighbors
- ✓ Earn extra money

High School Poll Workers

To serve as a high school poll worker, a student must:

- ✓ Be a U.S. citizen or legal permanent resident
- ✓ Be at least 16 years old on Election Day
- ✓ Attend a public or private high school
- ✓ Have at least a 2.5 grade point average
- ✓ Get permission from your parents and school
- ✓ Attend a training session

For more information about serving as a poll worker contact the Riverside County Registrar of Voters at (951) 486-7200.

Check Your Voter Status Online

Visit the Secretary of State's My Voter Status page at VoterStatus.sos.ca.gov, where you can check your voter status, find your polling place, and much more.

Use **My Voter Status** to:

- See if you are registered to vote
- Check your political party preference
- Find your polling place
- Find upcoming elections in your area
- Receive your Voter Information Guide (VIG) by email before each statewide election (see below for more information on opting-out of the VIG)
- Check the status of your vote-by-mail ballot or provisional ballot

To check your voter status you will need some personal information like first name, last name, California driver license or identification card number, social security number (last 4 numbers), and date of birth.

You can use the My Voter Status tool to opt out of receiving the state VIG. However, if another registered voter in your household requests to get it by mail, a state VIG will still be mailed to your address. If you have opted out and do not receive the state VIG in the mail, information on statewide candidates and ballot measures will still be available at the VIG website (<http://voterguide.sos.ca.gov/>) before each statewide election.

Go to VoterStatus.sos.ca.gov to get started.

Pre-register at sixteen. Vote at eighteen.

Online Pre-registration is now available for eligible 16 and 17 year olds at RegisterToVote.ca.gov or via the paper voter registration form. California youth who Pre-register to vote will have their registration become active once they turn 18 years old.

Pre-register in 4 easy steps:

1. Visit www.RegisterToVote.ca.gov
2. Click the "Pre-register to Vote" button
3. Become automatically registered on your 18th birthday
4. Cast your ballot on Election Day!

What is Pre-registration?

If you are 16 or 17 years old and meet all other voter eligibility requirements, you can Pre-register to vote at RegisterToVote.ca.gov.

Simply complete the online Pre-registration application and on your 18th birthday, you will automatically be registered to vote.

Provisional voting

If your name is not on the voter list at your polling place, you have the right to vote a provisional ballot.

What is a provisional ballot?

A provisional ballot is a regular ballot that is placed in a special envelope prior to being put in the ballot box.

Who casts a provisional ballot?

Provisional ballots are ballots cast by voters who believe they are registered to vote even though their names are not on the official voter registration list at the polling place.

Vote by mail voters may need to cast provisional ballots if the voter wants to vote in person at a polling place, but did not receive their ballot or does not have their ballot with them.

Will my provisional ballot be counted?

Your provisional ballot will be counted after elections officials have confirmed that you are registered to vote in that county and you did not already vote in that election.

You may vote a provisional ballot at any polling place in the county in which you are registered to vote, however, only the elections contests you are eligible to vote for will be counted.

How can you check the status of your provisional ballot?

You can check the status of your provisional ballot at voterstatus.sos.ca.gov

Alternatively, every voter who casts a provisional ballot has the right to find out from their county elections official if the ballot was counted and, if not, the reason why it was not counted.
