Election **REMINDER**

Elections in California

There are two different types of primary elections in California. The results of the primary election determine the candidates who will run in the general election in November. The types of primary elections are:

Presidential (Party-Nominated/Partisan Office)

- Office on the ballot: U.S. President
- Who can vote: Only voters who registered with the same political party as the candidate (the Democratic, American Independent, and Libertarian parties allow voters who registered with no party preference to vote in their primary).
- Result: The candidate who moves on to the general election is the candidate nominated by their national political party and may not be the candidate that was elected by popular vote in the California primary election.

California Open Primary (Voter-Nominated Offices)

- Offices on the ballot: U.S. Senate, U.S. House of Representatives, statewide offices, and state legislative offices
- Who can vote: Any voter may vote for any one candidate in each contest, regardless of party preference.
- Result: The top-two candidates, regardless of party preference, who receive the most votes in each primary contest move on to the general election. After a top-two primary, a general election must be held even if one candidate receives a majority of the vote (at least 50 percent +1) and even if there is only one candidate in the primary election.

California's open primary system does not apply to candidates running for U.S. President, County Central Committee, or local offices. Non-partisan offices (such as judges, county supervisors, city council members, and school board members) remain open to all eligible voters.

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county Voter Information Guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO USE THIS SAMPLE BALLOT

1. **POLITICAL PARTY PREFERENCE:** If you are not sure about your political party preference, look at the front of this booklet or at the address label on the back cover. You may also check your political party preference on our website at www.voteinfo.net or by calling (951) 486-7200. If you chose a political party preference when registering to vote you will be issued an official ballot which will include that political party's U.S. Presidential and central committee candidates. Voter-Nominated and Nonpartisan contests will also be included.
2. **NO PARTY PREFERENCE AND NONPARTISAN:** If you did not indicate a political party preference or you registered with an unqualified political party, then you will be issued the **No Party Preference / Nonpartisan** ballot. Your ballot will include congressional, state legislative, and nonpartisan contests, **not U.S. Presidential Candidates**. However, for this election, three parties are allowing cross over voting for their Presidential Candidates. You may request one of the following ballots:

American Independent Party

Democratic Party

Libertarian Party

3. PARTISAN OFFICES IN THE SAMPLE BALLOT

Look at the sample ballot pages that follow. Find the sample ballot pages for the appropriate political party, in order to review your official ballot choices for partisan offices. If you are a no party preference voter and you choose to vote the nonpartisan ballot, you will not find any of the presidential candidates on your ballot.

4. VOTER-NOMINATED AND NONPARTISAN SAMPLE BALLOT PAGES

All voters are eligible to vote on the voter-nominated and nonpartisan portion of the ballot. Following the party sample ballot pages are the voter-nominated and nonpartisan offices, and state and local propositions and measures. The exact issues and offices on your ballot correspond to the location of your residence address, according to what jurisdictions have seats to fill and/or questions to ask.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your Official Ballot:

- Completely fill in the oval next to your choice, like the example provided. Check both front and back of ballot for voting contests.
- Use a black ink pen or marker. Do not use red ink.
- Completely filling in the oval is preferred.
- Vote for no more than the number of votes allowed in each contest (e.g., vote for one, vote for no more than two, etc.).
- Please keep the ballot folded the same way as you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

DR. RAUL RUIZ, Democratic

OCCUPATION: Emergency Doctor / Congressman

EDUCATION AND QUALIFICATIONS:

Every day, our nation seems more divided by partisanship. Now more than ever, we need elected officials who put public service ahead of politics.

I'm not a career politician; I'm an emergency doctor who ran for Congress to serve people. When patients came into my hospital, it didn't matter what political party they belonged to, whether they were wealthy, or who they knew. All that mattered was that we served people who needed us.

I brought that same commitment to Congress, serving people even while Washington is gridlocked:

DELIVERING FOR VETERANS: I've helped 1,800 local veterans collect \$6.6 million in benefits they were owed. And, I sponsor an annual "Veterans University" to help vets get health care and connect them with local employers.

STANDING UP FOR RETIREES: I kept my promise to protect Social Security and Medicare, and have always voted against efforts to cut these programs. And, I've helped 1,300 local retirees collect \$5 million in Social Security benefits they'd earned.

HELPING WORKING FAMILIES: I wrote legislation to create local jobs in renewable energy, and I brought the only Small Business Administration office in the county to our district.

FIGHTING FOR AFFORDABLE HEALTH CARE. I wrote and passed a law improving MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I am working to make prescription drugs more affordable.

We can and must put people ahead of partisanship. I'd be honored to have your support.

**CANDIDATE STATEMENT FOR
STATE SENATOR,

MELISSA MELENDEZ, Republican **AGE: 51**
OCCUPATION: Small-Business Owner
EDUCATION AND QUALIFICATIONS:

Sacramento has been dominated by a single political voice for years, forcing people to move out of the state or suffer from the enormously high cost of living, lack of affordable housing and increasing crime. Statistics now show that crime is up. Law enforcement personnel are more at risk, and so are we.

Since being elected, I have authored legislation to make it easier to build affordable homes.

I have pushed efforts to reallocate high-speed rail funding to fix our crumbling roads.

I have helped pass campaign finance laws so voters know where campaign money is coming from.

I have authored bills to stop legislators from becoming lobbyists and cashing in on their time in elected office.

I also authored one of the most sweeping workplace harassment reform laws in the last decade.

As your State Senator I will continue my fight to repeal AB5 and allow independent contractors to remain independent, keeping the freedom to choose when and where they work.

California was once the home of innovation and opportunity. If elected to represent you in the State Senate I will continue my efforts to support law enforcement, PROTECT PROP 13 and California taxpayers and will work hard to return California to a place where everyone willing to work hard can afford to live.

ELIZABETH ROMERO, Democratic
OCCUPATION: Riverside County Board of Education
EDUCATION AND QUALIFICATIONS:

My campaign for State Senate is a campaign for our future. As someone who grew up in the Riverside County, I've seen our communities change, with a growing economic divide between the rich and the poor and the middle class shrinking in between. I KNOW WE CAN DO BETTER.

As an Assistance Chancellor at UC Riverside and serving on the Riverside County Board of Education, I understand the barriers our students face. I'll be a fierce advocate for AFFORDABLE COLLEGE and JOB TRAINING to prepare our students for high-wage 21st century jobs. Working at Planned Parenthood, I directed efforts that enrolled over 17,000 new people in the Affordable Care Act. I will fight for EXPANDED ACCESS TO HEALTHCARE, including preventative and urgent care, mental healthcare and services for seniors.

California's housing prices are out of reach for too many people. I will address the affordability crisis by working to streamline regulations and provide incentives to quickly BUILD THE KIND OF DIVERSE HOUSING WE NEED. We can strengthen our middle class by bringing EMERGING JOB SECTORS TO RIVERSIDE COUNTY, including clean energy, healthcare and advanced manufacturing high-wage jobs that provide healthcare benefits and retirement security. I'll work to advance the restoration of the Salton Sea and ensure that our communities receive their fair share of state funding.

I want my young son, and all our children, to have the same kind of opportunities we had growing up. IT'S ABOUT OUR FUTURE. I'd be honored to have your support for State Senate.

RANDY VOEPEL, Republican
OCCUPATION: Assembly Member
EDUCATION AND QUALIFICATIONS:

As your Assemblymember, I am working hard on behalf of this district to lower taxes, support job growth, protect public safety, support veterans, and reduce the size and scope of state government. Here are my accomplishments: Regarding lower taxes I voted against every proposed tax increase in the legislature, and I strongly opposed the 53-cent gas tax that represents yet another money-grab from Sacramento. As a result of my voting record, I received an "A" rating from the Howard Jarvis Taxpayers Association; Job creation: I have consistently voted against legislation that would expand unnecessary red tape and costs for businesses, and I received a 100% voting record from the National Federation of Independent Businesses for my record of supporting pro-jobs legislation; Opposed cap-and-trade: I voted against the expansion of California's cap-and-trade program, which could increase gas prices by up to 73 cents; Protecting public safety: I voted against SB 54, which made California a "sanctuary state." I have supported legislation to protect crime victims and prevent human trafficking; Supporting veterans: with two combat tours in Vietnam, I understand the challenges veterans face. I introduced legislation that expands job opportunities for veterans in the private sector, I have supported efforts to reduce the impacts of PTSD, and I was named "Legislator of the Year" by the Vietnam Veterans of America. If you agree that your next Assemblymember should have a proven record of fighting for conservative policies, then vote Randy Voepel for State Assembly. www.RandyVoepel.org

MEASURE "G" - COACHELLA VALLEY UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND PROPOSITION

COACHELLA VALLEY UNIFIED SCHOOL DISTRICT CLASSROOM SAFETY, RENOVATION AND CONSTRUCTION MEASURE

This proposition may be known and referred to as the "Coachella Valley Unified School District Classroom Safety, Renovation and Construction Measure" or as "Measure G".

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the voters of the Coachella Valley Unified School District (the "District") voting on the proposition, the District shall be authorized to issue and sell bonds of up to \$230,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled "BOND PROJECT LIST" below (the "Bond Project List"), and qualify to receive State of California matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific school facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code (the "Education Code")).

Evaluation of Needs. The Board of Trustees of the District (the "Board") is preparing a long range facilities master plan in order to evaluate and address the facilities needs of the District, and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitations on Use of Bonds. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. More specifically, the Bond Project List provides for the specific projects the District proposes to finance with proceeds from the sale of bonds authorized by this proposition and such proceeds shall be applied only to those specific purposes.

Independent Citizens' Oversight Committee. In accordance with and pursuant to Education Code Section 15278 and following, the Board shall establish an independent citizens' oversight committee, to ensure proceeds from the sale of bonds authorized by this proposition are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date that the Board enters the election results on its minutes pursuant to Section 15274 of the Education Code. In accordance with Section 15282 of the Education Code, the citizens' oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens' organization, a member active in a bona fide taxpayers' organization, a member that is a parent or guardian of a child enrolled in the District, and a member that is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizens' oversight committee.

Annual Performance Audits. In compliance with the requirements of Article XIII A, Section 1(b)(3)(C) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000, the Board shall conduct an annual, independent performance audit to ensure that the proceeds from the sale of bonds authorized by this proposition have been expended only on the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Annual Financial Audits. In compliance with the requirements of Article XIII A, Section 1(b)(3)(D) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000, the Board shall conduct an annual, independent financial audit of the proceeds from the sale of bonds authorized by this proposition until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Special Bond Proceeds Account; Annual Report to Board. In compliance with the requirements of California Government Code Section 53410 and following, upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds authorized by this proposition shall be deposited. In compliance with the requirements of California Government Code Section 53411, as long as any proceeds of the bonds remain unexpended, the chief fiscal officer of the District shall cause a report to be filed with the Board no later than January 1 of each year, commencing on the first January 1 after the sale of the first series of bonds, stating (a) the amount of funds collected and expended in that year, and (b) the status of any project required or authorized to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the chief fiscal officer of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Joint-Use Projects. The District may enter into agreements with other public agencies or nonprofit organizations for joint use of the school facilities financed with the proceeds from the sale of bonds authorized by this proposition in accordance with Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that, subject to the limitations on the uses provided for herein, the proceeds from the sale of bonds authorized by this proposition will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board shall determine.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and the proceeds from the sale of bonds authorized by this proposition shall be spent only for such purpose, pursuant to California Government Code Section 53410.

Bonds may be Issued in Excess of Statutory Bonding Limit. Issuance of all of the authorized bonds might require the outstanding debt of the District to exceed its statutory bonding limit of 2.50% of the total assessed valuation of taxable property in the District. In that event, the District intends to seek a waiver of its bonding limit from the State Board of Education, which has the power to waive certain requirements of the Education Code applicable to the District. By approval of this proposition, the voters have authorized the District to seek such a waiver, and to issue authorized bonds in excess of the 2.50% limit as the State Board of Education may approve. No such waiver has yet been sought or granted.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

ESTIMATED BALLOT INFORMATION

The District is required by law to include in the statement of the measure to be voted on estimates of the amount of money to be raised annually to repay the bonds and the rate and duration of the tax to be levied for the bonds. As of the time this proposition was placed on the ballot, the District estimated an average tax rate of approximately 5.6 cents per \$100 of assessed valuation (annual repayment amount averaging \$12,760,000) while the bonds are outstanding (estimated to be approximately 35 years). Attention of all voters is directed to the fact that such information is based upon the District's projections and estimates only, which are not binding upon the District. The amount of money to be raised annually and the rate and duration of the tax to be levied for the bonds may vary from those presently estimated due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

BOND PROJECT LIST

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of this bond proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition. Listed projects will be completed as needed at a particular school or school facility site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. In so far as permitted by law, each project is assumed to include its share of costs of the election and bond issuance, construction-related costs, such as project and construction management, architectural, engineering, inspection and similar planning and testing costs, demolition and interim housing costs, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to or necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds expected from non-bond sources, including State of California grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds from the sale of bonds authorized by this proposition are as follows:

GENERAL PROVISIONS

Interpretation. The terms of this bond proposition and the words used in the Bond Project List shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the school facilities projects the District proposes to finance with the proceeds of the sale of bonds authorized by this proposition within the authority provided by law, including Article XIII A, Section 1(b)(3) of the California Constitution, Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. Without limiting the generality of the foregoing, such words as repair, improve, upgrade, expand, modernize, renovate, and reconfigure are used in the Bond Project List to describe school facilities projects in plain English and are not intended to expand the nature of such projects beyond, or have an effect on, and shall be interpreted to only permit, what is authorized under Article XIII A, Section 1(b)(3) of the California Constitution, Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. In this regard, the Bond Project List does not authorize, and shall not be interpreted to authorize, expending proceeds of the sale of bonds authorized by this proposition for current maintenance, operation or repairs. The school facilities projects on the Bond Project List only authorize capital expenditures.

Headings. The headings or titles of the sections of the bond proposition, including any headings or titles included in the Bond Project List, are solely for convenience of reference and shall not affect the meaning, construction or effect of the bond proposition.

Severability. The Board hereby declares, and the voters by approving this bond proposition concur, that every section and part of this bond proposition has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this bond proposition by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond proposition are severable.

MEASURE "G" - COACHELLA VALLEY UNIFIED SCHOOL DISTRICT

TAX INFORMATION STATEMENT

An election will be held in the Coachella Valley Unified School District (the "District") on March 3, 2020, to authorize the sale of up to \$230,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9405 of the California Elections Code.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing of this statement, is 5.596 cents per \$100 (\$55.96 per \$100,000) of assessed valuation. The final fiscal year in which the tax to be levied to fund this bond issue is anticipated to be collected is fiscal year 2054-55.
2. The best estimate of the highest tax rate that would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 6.00 cents per \$100 (\$60.00 per \$100,000) of assessed valuation in fiscal year 2020-21 and such tax rate is expected to continue through fiscal year 2048-49.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is approximately \$446,640,000.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The average annual tax rate, the highest tax rate, the final fiscal year in which the tax is anticipated to be collected and the year or years in which they will apply, and the actual total debt service, may vary from those presently estimated for a variety of reasons, including, without limitation, due to variations in the timing of bond sales, the amount or amortization of bonds sold, market conditions at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount or amortization of bonds sold at any given time will be determined by the District based on need for construction funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. Market conditions, including, without limitation, interest rates, are affected by economic and other factors beyond the control of the District and will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process. The growth or decline in assessed valuation is the result of a number of economic and other factors outside the control of the District.

Dated: November 7, 2019.

Maria G. Gandera, Superintendent
Coachella Valley Unified School District

IMPARTIAL ANALYSIS OF MEASURE “G”

The Board of Trustees (“Board”) of the Coachella Valley Unified School (“District”) by adopting Resolution No. 2020-15 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of two hundred and thirty million dollars (\$230,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to rebuild Coachella Valley High School, construct North Shore Elementary School. Construct, modernize and renovate classrooms, labs, equipment and facilities, technology and infrastructure. The Bonds may be used for school facilities projects such as modernizing classrooms, buildings, furnishings, computer equipment, technology upgrades, plumbing and electrical facilities, solar projects and security infrastructure. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure G is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, modernization, rehabilitation, or replacement of school facilities, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is 5.596 cents per \$100 per assessment (or \$55.96 per \$100,000) of assessed value. The final fiscal year in which the tax to be levied to fund this bond issue is anticipated to be collected is fiscal year 2054-2055.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$446,640,000.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “G” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “G” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

By: Ronak N. Patel, Deputy County Counsel

ARGUMENT IN FAVOR OF MEASURE “G”

Our high schools are some of the most important assets in our community and should be our number one priority. Quality schools improve student achievement, improve property values, prepare children for a productive future, and create greater neighborhood safety. Our teachers and staff do a great job educating local children, but classrooms and buildings in the Coachella Valley Unified School District need to be upgraded to provide students with the school facilities they need to succeed.

While our facilities have been well maintained, outdated classrooms must be upgraded. A local school improvement measure would allow the District to improve the quality of the school facilities and education provided to local children. By investing in our schools, we can meet today’s safety, technological, and educational standards as well as better our community.

If passed, Measure G will provide funding to make critical facility improvements to Coachella Valley schools, including:

- Repairing or replacing leaky roofs
- Making health, safety and handicapped accessibility improvements
- Repairing or replacing outdated heating, ventilation and air-conditioning systems
- Updating inadequate electrical systems; and
- Rebuilding and constructing classrooms, restrooms and school facilities

Measure G makes financial sense and protects taxpayers.

- By law, spending must be reviewed and annually audited by an independent citizens’ oversight committee.
- All bond funds must be spent locally and **cannot be taken by the State.**
- Funds are required to be spent only on our local schools, not for administrator or teacher salaries.

Measure G rebuilds and constructs classroom restrooms and other school facilities, improves the education of local children, and maintains the quality of our communities. That’s something we can all support. Please VOTE YES ON MEASURE G!

The County of Riverside is making voting easier in 2020! Some polling places (but not all) will have translated sample ballots that voters can use as a reference tool when voting. Please visit www.voteinfo.net to find a list of polling places in Riverside County and the translated sample ballots that will be available at each. If you wish to see one of these translated sample ballots before Election Day, you may request one. You can request one by calling (800) 773-VOTE (8683) or by visiting www.voteinfo.net. Please be aware that only voters who live in particular areas can receive these translated sample ballots. Requests must be received no later than 7 days before an election.

Additionally, remember that if you need assistance you may bring up to two people to assist you in voting, as long as they are not representatives from your employer or your union (if you have one). Bring a family member or friend!

Conditional Voter Registration

Did you forget to register or update your voter registration? No Problem! A new law allows you to register to vote and vote until 8:00 p.m. on Election Day at your county elections office or at any vote center or polling place in your county. This process is called Conditional Voter Registration (CVR) and is commonly referred to as Same Day Voter Registration. Here's how it works:

1. Visit the Registrar of Voters office located at 2720 Gateway Drive, Riverside, CA 92507.
2. Complete a voter registration card or register online at *RegisterToVote.ca.gov*.
3. Vote your ballot at your county elections office, vote center, or polling place.
4. Once the county elections official processes your registration and determines you are eligible, you will be registered to vote and your ballot will be counted.

To learn more about Conditional Voter Registration, visit vote.ca.gov.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683).

You may check the status of your voter registration at www.voteinfo.net/AmIRegistered.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/>. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at [RegisterToVote.ca.gov](https://www.registerToVote.ca.gov) to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

February 18: last day to register to vote and request your ballot

February 25: last day to update or change how you want to receive your ballot

March 3: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than March 6. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
