Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
39TH CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic
OCCUPATION: U.S. Congressman
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

It has been a great honor to serve the people of Riverside, Moreno Valley, Jurupa Valley and Perris in the United States Congress.

I have been fighting for the American people in Congress — working to lower the cost of prescription drugs, deliver groundbreaking overtime pay for workers, and stave off Republican attempts to slash Social Security, Medicare, and veterans benefits. I've taken action to address air quality issues in our regions. I continued working in the service of our veterans, enacting historic legislation to support those suffering from medical challenges connected to their service.

Since taking office, I have worked tirelessly to support our students, protect small businesses from Trump's tariffs, defend our immigrant communities, and fight for affordability in the Inland Empire. My office has returned millions in federal funds that were owed to members of our community and has successfully secured community project funding to support childcare, fight homelessness, and build vital infrastructure throughout the Inland Empire.

As a lifelong resident of Riverside County, and former public school teacher, I'm proud to have the support of local labor and leaders from throughout the region.

If re-elected, I will continue to stand up for the values of our democracy, fight for a more equitable economy, and oppose the radical Trump agenda that insists on taking away guaranteed constitutional rights, undermines our economy, and reduces opportunities for all Americans.

I respectfully ask for your vote,

Mark Takano

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

EDWARD DELGADO, Republican

OCCUPATION: City Council Member

EDUCATION AND QUALIFICATIONS:

I'm a conservative Republican. But more importantly, I'm just a regular guy, married for 30 years with 3 children and two grandchildren. I have lived in the same house for over 30 years, so very consistent.

I'm a veteran, having served ten years in the Coast Guard. Then I joined the Riverside County Sheriff's Office, serving our community for 25 years, rising to Assistant Sheriff.

In 2021, I was elected to the Moreno Valley City Council, where I focused on the basics: increasing police to keep people safe, paving streets, ensuring the city is clean, and balancing the budget every year.

Politicians promise the world when they are up for election. As your Assemblyman, I'll focus my time on three things:

Making California Safe Again. Criminals need to know that there are real consequences for breaking the law in our state. I support fully funding Proposition 36, which enacted tough new drug and theft laws, while getting offenders the help they may need. I support the death penalty for cop killers and child molesters.

Making California Affordable Again. I support eliminating the Gas Tax, which will make everything from food to driving to clothing less expensive. I support the Biggest Middle Class Tax Cut in California history.

Making California Government Work for Us Again. Our state has been totally run by liberal Democrats for 16 years, and they have failed to improve the cost of living, homelessness, housing, K-12 education, or crime. It's time for some balance in Sacramento.

You and your family deserve to thrive in a safe community that has a high-quality home that you can afford, takes care of the homeless, has good-paying jobs, and provides high-quality education. MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

RON EDWARDS, Republican
OCCUPATION: Parent / Entrepreneur / Minister
EDUCATION AND QUALIFICATIONS:

CS Lewis said, "Children are not a distraction from more important work; Children are the most important work." Our children are our greatest resource! My goal is simple and makes common sense. Create a safe and secure society, build strong families, improve our schools, while giving parents, teachers, and students more choices.

I am a veteran with forty-seven (47) years of leadership, pastoral, union, and business experience, I have the skills to solve problems. I am the Servant-Leader we need making decisions in our state government. I have represented over five hundred (500) employees in Los Angeles, San Bernardino, and Riverside counties.

Bad legislation from Sacramento has destroyed the fourth largest economy in the world.

Just look at San Francisco, Oakland, and Los Angeles.

We must protect our children's mental and physical health!

I am The PARENT's CHOICE to protect their children!

I will champion the Constitutional right of parents to direct their children's upbringing.

I will work to create a strong economy and business-friendly environment which attracts local jobs that allow families to thrive.

I will fully support law enforcement, ensuring our neighborhoods, businesses and children are safe.

I will prioritize veterans, ensuring they receive the care and resources they so deserve.

We owe our freedom to our veterans!

I will address homelessness and vagrancy. It is not moral, caring, compassionate, or empathetic to allow any human being to live on the street.

I am committed to the health, safety, and welfare of every resident in Assembly District 60!

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY
ASSESSOR-COUNTY CLERK-RECORDER**

JARED MCBRIDE

OCCUPATION: Business Owner

EDUCATION AND QUALIFICATIONS:

STOP PROPERTY TAX GOUGING!

The Assessor's office is failing us. For decades, entrenched bureaucracy and broken policies have produced inflated, outrageous property-tax assessments that punish families simply for owning a home.

While seniors on fixed-incomes and working families fight to stay afloat, bureaucrat salaries keep growing, assessments keep soaring and tax bills explode.

ENOUGH! OUR HOMES ARE NOT AN ATM!

I'm a husband, father, successful business owner, and lifelong Riverside County resident – not a career politician. I hold a Master's degree in management and have extensive experience overseeing tens of millions in budgets while serving on public and private boards. I bring proven expertise in audits, balancing budgets, and cutting waste.

As a fierce taxpayer watchdog, I know how out-of-control assessments drive higher tax bills, and I refuse to let our homes be a blank check for government bloat.

As your Assessor-Clerk-Recorder, I WILL:

- Cut waste and bureaucratic fat
- Stop inflated assessments drowning families in higher tax bills
- Force accountability and transparency
- Fight government overreach against your home

This election is about Riverside County families taking back control. It's time for an Assessor who works for the people – not the tax machine.

I'd be honored for your vote.

I'm committed to protecting seniors, veterans, charitable organizations and hardworking families, and I insist on transparency, rigorous audits, and a taxation process that treats everyone fairly. I am running for Riverside City Council to deliver effective leadership, transparent government, and real results for Riverside families.

As a Western Municipal Water District Board Member, I have fought for residents. I was the only board member to vote NO on proposed rate increases, standing up for our neighbors facing rising costs.

As your advocate on the Riverside City Council, I pledge to listen to your concerns and prioritize your quality of life. I will focus on:

- Public safety and the homeless crisis
- Affordable utility rates
- Infrastructure and neighborhood investment
- Economic opportunity and supporting local businesses
- Transparent, accountable, and fiscally responsible government

I am honored to be endorsed by Riverside Mayor Patricia Lock Dawson, a majority of the Riverside City Council, Riverside City Firefighters Association, Riverside Police Officers Association, small business owners, building and construction trades, veterans, teachers, and other respected community leaders and local organizations.

MIKE VAHL

AGE: 68

OCCUPATION: Local Business Owner

EDUCATION AND QUALIFICATIONS:

I have lived and run my business in Riverside's Mission Grove/Canyon Crest neighborhood for 31 years. My wife Lisa and I raised our children here. This community is my home.

Public safety is my top priority. I will ensure our officers, firefighters and paramedics have every resource they need. I am proud to be endorsed by Riverside County Chad Bianco and District Attorney Mike Hestrin who share my conviction that safety must come first.

Water equity for all Ward 2 residents. "Up the Alessandro hill" neighbors pay significantly more for water than RPU customers – despite living within the Riverside city limits. That's unfair. I have a detailed plan to fix this.

Homelessness demands real results. As chair of the RCCD Measure C Bond Oversight Committee, I know how to link dollars to outcomes. I will demand full transparency and new strategies that work.

A business-friendly City Hall. As a financial and IT consultant, I will streamline approvals, cut bureaucratic delays and make Riverside the gold standard for responsive local government.

Riverside is a city of culture and creativity. I will champion arts and innovation as engines of civic pride and economic growth.

Service, not politics. Your vote. My commitment.

IMPARTIAL ANALYSIS OF MEASURE "Z"

Measure Z was placed on the ballot by the Riverside City Council. If approved, it would amend the City of Riverside's existing Transaction and Use (Sales) Tax by revising Chapter 3.08 of the Riverside Municipal Code.

In 2016, City of Riverside voters approved the existing Transaction and Use (Sales) Tax, also named "Measure Z", which expires on March 30, 2036. Voter approval of this Measure Z will eliminate this expiration, and it would remain in effect until ended by the voters.

This Measure Z would also increase the existing 1% Transaction and Use (Sales) Tax rate. If approved by voters, Measure Z would increase the rate by .25%, to a total of 1.25%. The City of Riverside estimates Measure Z, if approved, would generate approximately an additional \$21 Million annually in sales tax revenue. The estimated total annual Transaction and Use (Sales) Tax revenue would then be approximately \$106 Million.

"Transaction and use taxes" like Measure Z are commonly known as "sales taxes." With some exceptions, these taxes are levied on the sale or use of tangible personal property sold at retail. Retailers collect the tax at the time of sale and remit the funds to the California Department of Tax and Fee Administration, which transmits the revenue back to the City of Riverside.

Currently, the total retail sales tax in Riverside City is 8.75% of the purchase price, which is calculated as 8 $\frac{3}{4}$ cents per dollar spent. The revenue from this tax is allocated to the State, Riverside County, and the City of Riverside. Of the 8.75%, 7.25% is the Statewide base rate, the County of Riverside receives .50%, and the City of Riverside receives 1%. If Measure Z passes, the total retail sales tax in the City of Riverside will be 9%, or 9 cents for every dollar spent.

Measure Z is a "general" tax, meaning the City of Riverside may use the revenues for any governmental purpose (the ballot measure provided the following examples: fire safety and emergency response needs, police response, street and pothole repairs, and other general city services). Revenue from the tax increase proposed in Measure Z would go only to the City of Riverside, to be placed in the general fund. A majority vote (50% + 1) is needed for Measure Z to pass.

If Measure Z is not approved, the existing City sales tax would remain unchanged at the existing rate of 1% and expire March 1, 2036.

A "yes" vote is a vote in favor of authorizing the extension and rate increase for the Transaction and Use (Sales) Tax.

A "no" vote is a vote against authorizing the extension and rate increase for the Transaction and Use (Sales) Tax.

The above statement is an impartial analysis of Measure Z. If you desire a copy of the measure, including the ordinance, please visit Riverside's website at www.riversideca.gov or contact the City Clerk at 951-826-5557 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "Z"

**PREVENT WILDFIRES. PROTECT FAST 911 RESPONSE.
KEEP RIVERSIDE FINANCIALLY STABLE.**

We all know that in an emergency, every second counts. **YES on Z prevents cuts to the lifesaving services you rely on:** 911 emergency response, fire, paramedic and public safety services.

Did you know 70% of 911 calls to the Riverside Fire Department require emergency medical attention, for emergencies like heart attacks and strokes?

Brain damage can start in just 4 minutes without oxygen. EVERY SECOND COUNTS.

YES on Z ensures Riverside can maintain fast 911 emergency response times to save lives.

Wildfires strike fast. Uncontained fire can destroy entire communities in minutes. **YES on Z funds reducing fire risk, preparing for and preventing the impacts of wildfires, floods, and other natural disasters,** by:

- Increasing brush clearing of flammable vegetation/fuels
- Upgrading fire trucks
- Purchasing life-saving equipment firefighters use

Riverside has 10 gangs with nearly 300 members within city limits. To continue fighting gang violence by helping at-risk youth and keeping gang members and drug dealers out of Riverside, we **must** vote **YES on Z.**

YES on Z ensures clean and safe parks/public spaces for our children to play.

YES on Z continues investing and retaining our growing small business community.

All of which keeps Riverside a great place to live, work, and raise our families.

Here's what Measure Z WON'T do:

Measure Z is **NOT** a tax on your home/property.
Measure Z is **NOT** applied to food purchased as groceries, utilities or prescription medication.

By law, **YES on Z** requires every dime be used for local services—none can be taken by Sacramento. **YES on Z** gives you—the City of Riverside taxpayer-- LOCAL CONTROL.

YES on Z includes tough fiscal accountability, independent financial audits and oversight—ensuring funds are spent responsibly.

Vote YES on Z.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "Z"

Riverside voters have seen this playbook before. Every few years, the same warning arrives: vote YES or lose 911, fire, and paramedics. The sky is always falling despite City revenues outpacing inflation.

Nothing is expiring. Measure Z runs until 2036 - a full decade away. Calling this a "renewal" ten years early is manufactured urgency designed to prevent scrutiny of what's actually being asked: make the tax permanent and raise it immediately by ¼ cent.

If you read the actual ordinance behind the measure, there's no mention of required audits and spending disclosure. Promises made in the non-binding argument are not worth the paper it's written on.

The same City Council claiming to fund wildfire prevention voted in 2024 to run the Riverside Transmission Reliability Project's high-voltage lines above ground through a fire-prone Santa Ana River corridor, over the objections of neighboring communities and fire safety experts. They could have buried those lines. Talk is cheap. Actions reveal priorities.

Notice who signed. The Riverside City Firefighters Association received automatic raises tied directly to 2016 Measure Z revenue. They are not neutral public servants. They are beneficiaries urging you to make the money permanent and increase it.

In November 2024, Riverside voters approved an Inspector General to find fraud, waste, and abuse in City government. That position remains unfilled. Rather than letting that watchdog identify savings first, the City asks for more money. That is the easy way out ... and you are paying for it.

Vote NO.

ARGUMENT AGAINST MEASURE "Z"

Riverside voters have heard these promises before. Many times.

2010, hotel taxes from Measure V were to pay for 911, fire, police, youth programs

2013, Measure A (water tax): police, fire, after-school, senior services.

2016, Measure Z (sales tax): police, fire, paramedics, homelessness, street repairs.

2021, Measure C (electricity tax): police, fire, paramedics, street repairs, homelessness.

2026, this measure (another sales tax): police, fire, homelessness, potholes.

Five measures. Sixteen years. Almost the exact same list every time. So where is the money going?

Not to what they promise. Each measure was structured as a general tax, meaning the City had no legal obligation to spend a single dollar as advertised. Measure Z funds paid pension obligation bonds and automatic employee raises never mentioned to voters. The ballot language was bait. The general tax structure was the switch.

Who is making the argument for this measure? Many of the same people backed by the same organizations. They will fund the mailers urging you to vote 'yes' yet again. They stand to benefit while making Riverside a little less affordable for the rest of us.

When voters approved Measure Z in 2016, it was projected to generate \$48 million annually. It now hauls in \$85 million because Riverside has grown and prospered. If police, fire, and vital services were truly the priority, they would already be fully funded.

Nothing is even expiring. Measure Z doesn't sunset until 2036 - a full decade from now. This "renewal" is a .25% rate increase on a tax that isn't ending, sold with promises the City has broken repeatedly.

If the City genuinely wants to fund police, fire, and vital services, bring voters a special tax legally restricted to those purposes. Five measures, sixteen years, same promises, same bait-and-switch.

Vote NO.

REBUTTAL TO ARGUMENT AGAINST MEASURE "Z"

IN AN EMERGENCY, SECONDS COUNT – NOT POLITICS

Measure Z isn't about past measures or political debates—your vote on Measure Z dictates what happens in the future if you call 911. Keep every Riverside resident safe! Vote YES on Z.

YES on Z ensures fast 911 response for any Riverside resident needing help. *"Talk is cheap, but solutions save lives. You'll never know how important 911 is until you're someone like me."* - Donald Reierson, 84 year old Riverside heart attack survivor

YES on Z keeps Riverside firefighters equipped and prepared for any emergency. *"I don't know what we would have done if the firefighters hadn't arrived in time when the Santa Ana Riverbed was ablaze. We could have lost everything."* - Mike Gardner, 53-year Riverside homeowner.

YES on Z gives our firefighters the resources to fight extreme wildfires. *"Wildfires are only getting worse every year and can destroy entire neighborhoods within minutes."* - Cindy Mendoza Collins, Riverside community leader.

ALL MEASURE Z FUNDS ARE REQUIRED BY LAW TO STAY LOCAL to address OUR needs. By law, Measure Z also requires independent audits and public disclosure of all spending.

Doing nothing is not an option! The choice is simple.

When you dial 911, do you want someone to respond quickly? If the answer is "yes," vote YES on Z.

Listen to Riverside survivors who needed help in their worst moments. **And join Riverside small businesses, firefighters, first responders, parents, seniors, and your neighbors in voting YES on Z.**
