Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

NINA LINH, No Party Preference

OCCUPATION: Businesswoman / Nonprofit Founder

EDUCATION AND QUALIFICATIONS:

I'm Nina Linh. I'm running for Congress as an Independent — not because it's easier, but because it's right.

It means building a campaign without party machinery. I believe our district deserves a representative who answers to people, not party leadership or special interests.

I'm a mother, a business leader, and a nonprofit founder. I've created jobs, managed budgets, and worked with families to build stable lives. I co-founded a federal education subcommittee where I worked with leaders from both parties to improve student outcomes. That experience showed me when we focus on solutions instead of labels, progress is possible.

Today, too many families are feeling squeezed. Housing costs are overwhelming. Groceries, childcare, and healthcare keep rising. Seniors worry about retirement security. Small businesses face uncertainty. Meanwhile, Washington is consumed by partisan fights that don't lower costs or improve daily life.

This campaign is built on three pillars: economic stability, affordable healthcare including mental health care, and strong public education. When these systems are sound, families can breathe, plan, and believe in their future again. We can protect Social Security and Medicare, support small businesses, secure our border while honoring human dignity, and defend personal freedoms, while restoring accountability and fiscal discipline.

I'll work with anyone — Democrat or Republican — who is serious about solutions. I reject extremism and commit to focusing on restoring stability, fairness, and trust.

If you feel politically homeless, I see you. Now is the time for fresh independent leadership.

Together, we can build a New Way Forward.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

LISA D. RAMIREZ, Democratic

AGE: 53

OCCUPATION: Immigration Attorney

EDUCATION AND QUALIFICATIONS:

I am a proud American, born and raised in Southern California, running for Congress to Reclaim the Promise of America. My Vietnam veteran father and my immigrant mother taught me love of God, country, and neighbor, and to live a life in service to others.

As an attorney for 25 years, I have helped seniors, small businesses, our military, and survivors of human trafficking and violent crimes. I have worked to fight fraud and ensure that our communities are safe.

I have taken bold action when the stakes are high. When Narciso Barranco, the father of 3 U.S. Marines, was brutally apprehended, I successfully fought to get him home. I am committed to holding ICE and this administration accountable in accordance with our Constitution. We can have secure borders AND humane enforcement.

As a mother and small business owner in Congress, I will work to make the cost of living, housing, healthcare and education affordable. I will work to bring economic opportunities to CA-40, including good-paying jobs and support for small businesses. I will always fight to protect Social Security and Medicare.

Together we can reclaim the promise of America. We can keep our community safe and ensure we have a government that serves everyone, not just the ultra-rich and special interests. My campaign is powered by our community. I will not take a penny from special interests or corporate PACs. We need to get corruption out of politics and put the American people first.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

FRANCIS XAVIER HOFFMAN, Democratic

OCCUPATION: Businessman / Attorney

EDUCATION AND QUALIFICATIONS:

Thomas Jefferson was right. The writings of the man have so governed my educational development for 30+ years, I don't see my attorney career as important.

I'm running just to influence the debate. If elected I'll be surprised, even shocked. It isn't my goal. My concern is the survival of our republic. 2026 is the year everything will come to a head. By Christmas, we'll know if our beloved nation has survived. It's why I'm running rather than enjoying my semi-retired life. In fact, if I'm somehow elected, I will serve but I'll immediately announce I won't be running again in 2028. By then, I believe, the danger to our nation will have passed and I'll return to my cherished quiet life.

Additional things I stand for:

A strong belief in the constitution's separation of powers.

Commitment to racial justice, women's equality and union membership.

Gay/trans issues not a priority for me.

Opposing civil asset forfeiture.

The 4th Amendment isn't an inconvenience. It's a requirement.

Unitarian beliefs.

Claims of voter fraud should be based on proof, not hurt feelings.

Support of Israel is in our national interest.

Insurance based healthcare is flawed.

I didn't expect at this stage of life to be running for anything, but my sleep has been fitful. I believe, for my country, I must try something. Thomas Jefferson was right.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican

OCCUPATION: U.S. Representative

EDUCATION AND QUALIFICATIONS:

It is an honor to represent our region in the U.S. House of Representatives. I have a proven record of fighting for you and delivering results for the entire region. As the only candidate in this race endorsed by the Republican Party of Riverside County, I am proud to be the clear choice for conservative voters.

As your Representative, I have secured more than a billion dollars in federal funding for the expansion of 91 Freeway, 15 Freeway, and other major transportation projects. I have delivered resources for upgraded capabilities at March Air Reserve Base and the Naval Surface Warfare Center in Norco to ensure the Inland Empire plays a vital national security role.

I am working with President Trump to secure our border, cut taxes, eliminate fraud, end woke policies, and put America First. That strong conservative record has earned me the support and endorsement of President Trump in my past elections, and we will keep working together to Make America Great!

Your family's safety is one of my highest priorities. I have consistently supported our law enforcement officers and tough on crime policies. I have earned the endorsement of Riverside County Sheriff Chad Bianco and Riverside County District Attorney Mike Hestrin.

I strongly believe we should improve the integrity of our elections by making Voter ID mandatory. I voted for the SAVE Act and am supporting the California Voter ID initiative.

As the only Republican candidate born and raised in Riverside County, I humbly ask for your vote.

CLAUDE KEISSIEH, Democratic

EDUCATION AND QUALIFICATIONS:

U.S. Army veteran who fought in Afghanistan and in Iraq wars, an Electrical Engineer, a Business owner, a College professor, and a Community builder.

Claude Keissieh has demonstrated that the American dream is still possible. His life reflects dedication to service, opportunity, and community. After marrying and having kids, he earned both his bachelor's and master's degrees in electrical engineering from C.S.U.F., building a diverse engineering career across multiple sectors. His professional path is shaped by determination and a deep sense of responsibility.

In 2005, driven by patriotism and a belief in serving during times of national conflict, Claude joined the U.S. Army as a civilian Advisor. He deployed to Iraq for four tours, earning multiple medals, and later served in Afghanistan, where he received additional commendations including NATO recognition.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

YOUNG KIM, Republican

OCCUPATION: United States Representative, 40th District

EDUCATION AND QUALIFICATIONS:

I ran for Congress because our country was being driven off a cliff by career politicians who sold Americans out for their benefit. Under Joe Biden, common sense was replaced by woke ideology. So I stood up and fought back.

In Congress, I didn't go along to get along and appease the swamp to move up its ranks. I voted 100% with President Trump on America First policies and took on the radical woke mob to deliver results.

Fixing Bidenflation, Lowering Taxes

Biden went on a reckless spending spree, and Californians paid the price. Gas costs more. Groceries cost more. I supported President Trump's Working Families Tax Cut, the largest tax cut in American history, to help families make ends meet, grow, and prosper.

Backing the Blue, Restoring Law and Order

While Newsom and the radical woke mob attack law enforcement and protect criminals, I always back our police. I supported the Laken Riley Act to deport illegal immigrants who commit crimes and end policies that release them into our communities.

Securing the Border, Protecting Election Integrity

Border security is national security. I fought with President Trump to close the border, stop fentanyl, champion voter ID, and ensure only citizens vote.

For too long, Congress has been the problem. Career politicians protect themselves instead of putting Americans first. I support term limits, will fight to drain the swamp, and work with President Trump to end the madness.

America's comeback starts now. Let's Make America Great Again.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

ESTHER KIM-VARET, Democratic

OCCUPATION: Businesswoman / Educator / Mom

EDUCATION AND QUALIFICATIONS:

My family escaped fascist oppression in North Korea. I know firsthand that things can get worse — and that freedom is worth fighting for.

The 40th District is where I live — with my family, dog, and two rescue bunnies. My daughter attends our local public elementary school. Inflation has put a lot of pressure on the business I built from scratch over the past 15 years, but I still have to make payroll each week. Like you, I want less division and more prosperity in our country's future.

I've never run for office before. But as a millennial working mom and a proven builder, I've spent my career applying creative solutions to "impossible" challenges. Today, I believe our government desperately needs less corruption and more common sense. Our neighbors are crushed by the cost of housing and groceries. Our streets are attacked by military-style immigration raids. Our kids deserve clean air and water, fully funded schools, and a path to achieve the American Dream in the era of AI. And let's not forget about quality healthcare and reproductive rights.

I'm running because we desperately need a new generation of leaders who answer to their neighbors—not to political parties, Donald Trump, or corporate lobbies. My grassroots campaign is funded by over 50,000 small-dollar donations from individuals across the country and every city in the 40th. I receive a donation every 8 minutes, and not one dollar comes from corporate PACs.

Trust a working mom to fix this mess.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
32ND SENATORIAL DISTRICT**

TIFFANIE TATE, Democratic
OCCUPATION: Medical Doctor / Educator
EDUCATION AND QUALIFICATIONS:

Hi, my name is Dr. Tiffanie Tate and I'm running to be your State Senator.

We need new leadership in Sacramento. California is becoming less and less affordable. Many homeowners do not have access to homeowner insurance anymore, and for those who do have insurance, prices are skyrocketing. Our local schools and hospitals are underfunded.

I'm a local here, so I understand these issues.

I served for 7 years in the Navy as a General Medical Officer. I was awarded the Global War on Terrorism Service Medal and received a letter of appreciation for my service during Operation Enduring Freedom.

After my service, I worked as an OB/GYN at local hospitals. I might have even delivered you or your child! As a strong advocate for public service I am involved in multiple community organizations.

Now, I'm an author and host of the NBC Radio show "Doctors in the House."

Through my work as a doctor, on my radio show, in my kids' lives, and as a candidate for State Senate, I have talked to thousands of voters, and I want to bring all of our voices to Sacramento.

My priorities include:

High-wage jobs and economic growth

Access to affordable housing and healthcare

Improving the quality of life for all

I'm proud to be endorsed by statewide elected officials, leaders from both parties, as well as those who are independent.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
32ND SENATORIAL DISTRICT**

KELLY SEYARTO, Republican
OCCUPATION: State Senator
EDUCATION AND QUALIFICATIONS:

AGE: 66

California's state government is broken. There are no checks and balances in our Legislature, and it is clear that one-party rule has been a disaster for our citizens.

California is unaffordable for too many families. Our taxes are the highest in the nation, the gas tax has skyrocketed, and our small business climate is ranked one of the worst in the country. And now Democrats are proposing a new tax on every mile you drive.

After spending billions of taxpayer dollars, the results do not match the promises. From housing and public safety to our aging infrastructure, this state is failing to deliver. Despite record spending on education, too many students are still unprepared to succeed in college or the workforce.

Fraud and abuse of your tax dollars at the hands of the Sacramento Democrats and the Governor is unacceptable, and I will continue to fight to stop it. Enough is enough.

I am proud to have passed legislation supporting military families, college students, seniors, crime victims, and homeowners. My proposal to exempt military retirement and survivor benefits from state income tax was adopted in the state budget. I have also passed laws improving public safety, transparency, and protections against property fraud.

I offer years of life experience, having served 35 years as a firefighter and 13 years as a local elected official. My wife is a small business owner, and we raised our family in this region.

I humbly ask for your vote.

OCCUPATION: Riverside County Supervisor

EDUCATION AND QUALIFICATIONS:

It is an honor to serve on the Riverside County Board of Supervisors. As your County Supervisor, I am focused on strengthening public safety, ensuring fiscal responsibility, improving traffic flow, and enhancing quality of life across Riverside County.

Over the past three years, we have delivered results:

- Increased funding for the Public Safety Departments, including the Riverside County Sheriff's Office and Riverside County District Attorney's Office, by 20%
- Expanded Riverside County Fire Department staffing, improved stations, added engines, paramedics, and invested millions in wildfire prevention and emergency response
- Grew the County's General Fund reserves by almost \$300 million to safeguard essential services and protect taxpayers
- Partnered with Riverside County Transportation Commission to advance freeway expansions, improve major corridors, and synchronize traffic signals to ease congestion
- Strengthened regional homelessness strategies while supporting economic development and local job creation

My husband, Bobby, and I raised our five children here while operating our family business. Having called Riverside County home for more than three decades, I remain committed to transparent leadership, fiscal responsibility, safe neighborhoods, and enhancing our quality of life.

I respectfully ask for your vote.

RIVERSIDE COUNTY
ASSESSOR-COUNTY CLERK-RECORDER**

JARED MCBRIDE

OCCUPATION: Business Owner

EDUCATION AND QUALIFICATIONS:

STOP PROPERTY TAX GOUGING!

The Assessor's office is failing us. For decades, entrenched bureaucracy and broken policies have produced inflated, outrageous property-tax assessments that punish families simply for owning a home.

While seniors on fixed-incomes and working families fight to stay afloat, bureaucrat salaries keep growing, assessments keep soaring and tax bills explode.

ENOUGH! OUR HOMES ARE NOT AN ATM!

I'm a husband, father, successful business owner, and lifelong Riverside County resident – not a career politician. I hold a Master's degree in management and have extensive experience overseeing tens of millions in budgets while serving on public and private boards. I bring proven expertise in audits, balancing budgets, and cutting waste.

As a fierce taxpayer watchdog, I know how out-of-control assessments drive higher tax bills, and I refuse to let our homes be a blank check for government bloat.

As your Assessor-Clerk-Recorder, I WILL:

- Cut waste and bureaucratic fat
- Stop inflated assessments drowning families in higher tax bills
- Force accountability and transparency
- Fight government overreach against your home

This election is about Riverside County families taking back control. It's time for an Assessor who works for the people – not the tax machine.

I'd be honored for your vote.

Under my leadership, we have introduced cutting-edge technology that accelerates processing, minimizes errors, and enhances transparency. I'm committed to protecting seniors, veterans, charitable organizations and hardworking families, and I insist on transparency, rigorous audits, and a taxation process that treats everyone fairly. As your Assessor-County Clerk-Recorder, I will continue to modernize services, safeguard public records, and keep our office accountable, efficient, and customer-focused. I respectfully ask for your vote in the June 2026 Primary.
