REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Riverside County Voter,

Please note – this year voting is different! This Voter Information Guide contains information for the November 3, 2020 Consolidated General Election. In an effort to reduce the spread of COVID-19 and in accordance with State Law, the Riverside County Registrar of Voters will be deploying a new election model for the upcoming November 3, 2020 Election. This will offer our voters more ways and more days to vote safely. Each eligible registered voter for the November 3, 2020 Election will receive a ballot by mail beginning Monday, October 5, 2020 in accordance with the Governor's Executive Order.

Voters can verify their voter registration at voterstatus.sos.ca.gov or register to vote at registertovote.ca.gov.

- Your Vote-By-Mail ballot may be returned at any of our 80 secure Ballot Drop-Off locations that will be available beginning October 5, 2020 or via USPS (no postage required).
- We are now operating nearly 130 Voter Assistance Centers throughout Riverside County. You can vote in-person at any location from October 31 – November 3, 2020.
- You may track your ballot by registering at WheresMyBallot.sos.ca.gov.
- A list of all Ballot Drop-Off locations and Voter Assistance Centers is posted at www.voteinfo.net.

The Riverside County Registrar of Voters recommends that voters only use the in-person Voter Assistance Centers if absolutely necessary, as the generalized use of in-person voting presents risks to public health and safety in light of the COVID-19 pandemic. Social distancing will be required when visiting a Voter Assistance Center and face coverings are strongly encouraged.

Please feel free to contact the Riverside County Registrar of Voters at (951) 486-7200 with any questions or concerns regarding the upcoming November 3, 2020 General Election.

Sincerely,

REBECCA SPENCER
Registrar of Voters

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committees, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

Dr. Raul Ruiz is a physician and public servant, and that has never been more important than in recent months.

Amidst the pain and suffering caused by COVID-19, Dr. Ruiz's commitment to public service has helped deliver badly needed health care and economic support to our communities.

RESPONDING TO COVID-19: Dr. Ruiz passed legislation to ensure that medical care is offered to all COVID-19 patients at no cost. He has served as a spokesperson educating people on how to prevent the spread of COVID-19. As a physician, he joined other volunteers to administer COVID-19 tests to local residents.

PROVIDING ESSENTIAL RESOURCES: In order to respond to the pandemic, Dr. Ruiz fought for the CARES Act, which delivered more than \$432 million to Riverside County to fund health care, schools, small businesses, food banks and other service organizations.

FIGHTING FOR AFFORDABLE HEALTH CARE: Dr. Ruiz is fighting for expanded access to health care at a time when Americans need it most. And, he voted to prevent insurance companies from denying coverage to people with pre-existing conditions.

DELIVERING FOR VETERANS: Dr. Ruiz has helped 1,800 local veterans collect \$6.6 million in benefits they were owed. He also sponsors an annual "Veterans University" to help vets get health care and jobs.

STANDING UP FOR RETIREES: Dr. Ruiz promised that he would never vote to cut Social Security or Medicare, and he's kept that promise.

Dr. Raul Ruiz is a true public servant. In these difficult times, we need him now more than ever.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

ROSILICIE OCHOA BOGH, Republican **AGE: 48**
OCCUPATION: Businesswoman / School Boardmember
EDUCATION AND QUALIFICATIONS:

As California heads into 2021 with over \$500 billion in debt, the legislature will take up issues of vital importance to our families, small businesses, schools, and overall quality of life. In this difficult time, especially with the impacts of COVID-19, it is critical that we send a strong, principled leader to Sacramento.

Californians are burdened with some of the highest taxes and excessive regulations in America because of the unchecked overreach of our state government. I will work to protect Prop 13 so that the cap on property taxes is maintained and there is not an additional burden on our families' finances. In addition to addressing our unaffordable housing costs, my priorities will be working to resolve health and homelessness issues and support our schools and local businesses. Focusing on these issues is essential to improving our quality of life and achieving the American Dream here in the Inland Empire.

My family's story is the story of the American Dream. I am proud of my grandparents who immigrated to America to achieve a better life for future generations. As a mother, small business owner, and schoolboard member, I know that keeping the American Dream alive requires vigilance. We will only succeed if small businesses have every opportunity to thrive, if parents are empowered to make more choices in their children's education, and if Californians can save more of their hard-earned money to support their families as they determine best.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, No Party Preference
OCCUPATION: Member of the State Assembly
EDUCATION AND QUALIFICATIONS:

AGE: 43

For years, I've described my optimistic vision for California and how it guides me.

Unfortunately, the COVID-19 pandemic has tested my optimism like never before.

As I listen to business owners on the verge of losing everything, parents facing the double duty of working from home while bearing the responsibility for their children's schooling, and seniors separated from their families, I'm left more frustrated than ever with government.

Those frustrations are compounded by the political gamesmanship that dominates both political parties and their failures have left our community to fend for itself.

Despite these obstacles, I'm confident that we will emerge stronger than ever.

For the past 6 years, we have worked together to define who we are as Americans, what unites us as neighbors, and what drives us to make our community stronger.

To that end, I stand before you to again ask for your continued trust and allow me to serve as your voice in Sacramento.

By listening to all points of view, we've brought the best Republican and Democratic policies together and delivered results that improved the lives of many of our neighbors.

For example, Republicans were proud that I authored a law that cut taxes and eliminated needless regulations and Democrats cheered when we delivered \$10 million toward fighting homelessness in our community.

We've made sense of these complicated times by working together and remaining true to our optimistic vision. With your trust and vote, I'd be honored to continue serving as your state Assemblyman.

Since I have been on the Board, HUSD has moved forward in becoming a premier District. We still have a long way to go. I would appreciate your vote so I can work with the Board to continue the District's progress.

I believe one of the most important elements of student learning is the quality of teaching. It is important for teachers to work together to improve their teaching skills and for the Board and staff to provide support for their efforts.

Students have different interests and talents, so I will work to provide variety within the curriculum, including vocational education, music, art, athletics, and other courses that appeal to student's interests and talents.

We are in the 21st Century and our student's education needs to reflect this Century. Technology has changed our lives. Our youth need to be able to use technology to solve problems and analyze the validity of statements made in the press and social media. I will push HUSD to prepare our young people for a future that embraces technology.

I ask for your vote so I can continue to help make HUSD a premier school district.

I'm a fourth generation member of a San Jacinto Valley pioneer family. Since 1889, my family and I have been involved in every aspect of our community, schools, hospital, water, and city government, including serving on numerous Foundations and Committees. I hope to continue the leadership, common-sense, and fiscal responsibility I've shown these past five years as your representative.

My time served on the HUSD School Board has been both productive and gratifying. I am running as the crowd of collective voices I have worked with in San Jacinto yelling, "We are Here." Over the years I have invested in the youth, families and small businesses of San Jacinto. Volunteering with Habitat for Humanity, Chamber of Commerce and NAMI Walk has provided me a deeper understanding of the challenges families, businesses and disabled face locally. The pastor of a San Jacinto church my efforts now include working with the San Jacinto Police and other churches to help our community during these difficult times. Additionally, as a manager for many franchises in San Jacinto I have the foundation in understanding how to bring jobs to our community and unemployed. IMPARTIAL ANALYSIS OF MEASURE “V”

1% TRANSACTIONS AND USE (SALES) TAX

On July 21, 2020, the City Council voted to place Measure “V” on the November 3, 2020 general municipal election ballot. By placing Measure “V” on the ballot, the City complies with Article XIII C of the California Constitution (Proposition 218), which requires a majority of the voters to approve an ordinance which establishes a general tax.

If approved by a majority of San Jacinto voters, this Measure would authorize a one percent (1%) retail transactions and use (sales) tax within the City of San Jacinto. A 1% rate means an extra penny (\$.01) on each \$1.00 purchased. It is estimated that Measure “V” will provide an additional \$3,200,000 in annual local funding for general City services such as public safety, road maintenance and repair, water quality, and homelessness programs. This tax would be a “general tax,” meaning that revenues raised from the tax would go into the City’s general fund to pay for any City program, improvement, or service.

California Revenue and Taxation Code section 7285.9 authorizes the City to levy a general transactions and use/sales tax at a rate of one percent (1%) so long as the tax is approved by a majority of the voters voting in an election on that issue. If approved, the tax would remain in effect until repealed by San Jacinto voters voting at a subsequent election.

The tax would be paid in addition to current sales taxes and would be collected at the same time and in the same manner as existing sales taxes. All revenues raised by the tax would remain in the City and would not be shared with the State, County or any other agency.

A “yes” vote on Measure “V” will authorize the 1% transactions and use (sales) tax.

A “no” vote on Measure “V” will not authorize the 1% transactions and use (sales) tax.

If Measure “V” is not approved, the General Fund will not receive the sales tax revenues identified in the Measure. The City Council will then have to decide, as part of the budgeting process, whether other revenues are available to pay for City programs and services, or whether City programs and services will have to be reduced.

The above statement is an impartial analysis of Measure “V”. If you desire a copy of the Measure, please call the City’s elections official at (951) 487-7330 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “V”

Vote YES on V – Maintains and improves San Jacinto’s public safety, 911 emergency response, and vital community services!

San Jacinto is a City working hard to better itself. **YES on V** maintains services we expect and deserve – requiring every dime be used for our benefit. **NONE** of Measure V funding can be taken, or used outside the City.

YES on V Protects local drinking water

YES on V Improves/Maintains 911 emergency, medical, public safety response rates

YES on V Increases public safety with a new fire engine/crew

YES on V Increases local police deputies on patrol

YES on V Maintains City’s long-term financial stability

YES on V Supports local businesses and jobs

YES on V Addresses homelessness

YES on V Prepares for and recovery from public health emergencies

YES on V Repairs streets, roads, and potholes

YES on V Provides for other general services

YES on V Requires all funds to be spent in San Jacinto

Here’s what Measure V won’t do:

Measure V is NOT a tax on your home or property

Measure V is NOT applied to food purchased as groceries or prescription medications

With crime increasing, we must maintain police protection and increase the officers on our streets. **YES on V** will keep San Jacinto safe by restoring the number of police officers on patrol.

Vote **YES on V** to make our streets/roads safer for drivers and pedestrians.

YES on V keeps San Jacinto a desirable place to live, work, and visit by ensuring our public safety, roads, parks and other vital services are maintained.

YES on V includes tough fiscal accountability, with independent financial audits and public review—ensuring funds are spent responsibly.

Join a unanimous City Council and San Jacinto residents in voting **YES on V**.

A new law allows you to register to vote and vote until 8:00 p.m. on Election Day at your county elections office or at any voter assistance center in your county. This process is called Conditional Voter Registration (CVR) and is commonly referred to as Same Day Voter Registration. Here's how it works:

1. Visit the Registrar of Voters office or any Voter Assistance Center.
2. Complete a voter registration card or register online at RegisterToVote.ca.gov.
3. Vote your ballot.
4. Once the county elections official processes your registration and determines you are eligible, you will be registered to vote and your ballot will be counted.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

VOTE IN PERSON

The Riverside County Registrar of Voters recommends that voters only use the in-person Voter Assistance Centers if absolutely necessary, as the generalized use of in-person voting presents risks to public health and safety in light of the COVID-19 pandemic.
