Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, United States congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate may only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's open primary system does not apply to candidates running for United States President, county central committee, or local offices.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

These are hard times. Too many people feel anxious about where things are headed. They're frustrated and angry that politicians seem more focused on their own selfish interests than in helping others.

I grew up in a trailer in Coachella, the son of farmworkers. My family – and most others in our community – struggled to afford food, housing, and healthcare.

I wanted to make life better for families like ours, so I became an Emergency Room physician to help people in need. Public service is my passion.

I ran for Congress so I could do even more to help people in need. I don't care about titles or power or partisan bickering. I care about getting things done, and putting people over politics. That means:

LOWERING THE COST OF LIVING: I helped pass the Inflation Reduction Act, cutting the cost of energy and medicine. I've fought to crack down on oil and gas companies that are gouging consumers, and to reduce the cost of housing and childcare.

AFFORDABLE HEALTHCARE FOR ALL: I wrote a law improving MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying health coverage to people with pre-existing health conditions, and to reduce prescription drug costs through Medicare.

PROTECTING WOMEN'S HEALTH: I've always fought to protect a woman's right to make her own reproductive and healthcare decisions, including the decision to access a safe, legal abortion, birth control, and In Vitro Fertilization (IVF) services.

People over politics. That's what I believe in.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,

IAN WEEKS, Republican

AGE: 39

OCCUPATION: Certified Financial Planner

EDUCATION AND QUALIFICATIONS:

God. Family. Freedom. Those are my values.

Trust your gut. You know something is wrong. Every time you buy groceries. Every time you fill your gas tank.

Politicians claim to fight for working people, but life keeps getting harder. Every day we face a greater struggle to earn an honest living.

They promote radical, fringe issues like chaotic open borders, de-funding the police, completely unrestricted abortion, men in women's sports/locker rooms, and gender reassignment surgery for children.

All while failing to deliver basic needs like abundant, inexpensive gas, power, and water; safe streets, and affordable food.

They fight against parents, to impose radical ideological curriculums in classrooms while our schools fail at their main job; teaching children to read, write, and think critically/independently.

Our country is in desperate need of new leaders. Men and women of honesty, integrity, and wisdom.

I am a believer in and committed follower of Jesus Christ. Whether you share my faith or not, I commit to you, before Almighty God to be a man of those qualities.

I am a husband, and father of two young sons. I care deeply about the future of this great nation.

I am a Certified Financial Planner (nearly 20 years in practice). I have the professional skills and common sense to solve the problems we face as a nation.

Send me to Congress. I'm humbly seeking to be YOUR Representative. I will not fail you.

May our nation return to God, that God may again bless America.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
36TH ASSEMBLY DISTRICT**

JEFF GONZALEZ, Republican

OCCUPATION: Retired Marine / Pastor / Business Owner

EDUCATION AND QUALIFICATIONS:

I served in the Marine Corps for 21 years, four times in combat zones. My experiences taught me there are no Republicans or Democrats in a foxhole.

We need to stop the political party fighting and get things done.

We are Americans and Californians first. That's how I will serve as your Assemblyman: people over party.

When I retired from the military, I watched too many of my fellow Marines die by suicide. I became a pastor and worked to help servicemembers recover from what they experienced in combat.

Later, I opened a small business. Many nights, my wife and I worried about how to pay the bills. You see, we have four children, and one is severely mentally and physically disabled. We take care of him every day, and wouldn't have it any other way.

Here is the truth: the politicians in Sacramento are making our lives harder. People struggle, yet they raise taxes on gas and make food, housing, and our daily needs more expensive. I'll vote to lower prices so it's easier to live a middle-class life.

Our schools are failing. Students are not learning the basics to get good jobs and are threatened with violence. I'll vote to ensure students get the best education and that our schools are safe.

The politicians in Sacramento are messing with you: your jobs and your family. I'll be on your side every time. When there is trouble, send in a Marine!

OCCUPATION: Community Member

EDUCATION AND QUALIFICATIONS:

I grew up playing league soccer in Coachella and in Indio AYSO, and like a lot of kids, I wanted my career to involve my favorite sport.

Once it became very clear I would never be a professional player, my mentality led me to being a soccer referee for intramural sports at UC Berkeley during my freshman year.

I continued to work in intramural sports as a student, and this experience led to me pursuing recreation in a professional capacity.

After graduating, I spent two years working in the UC Berkeley Department of Recreational Sports. In 2018, within two months of moving back to Indio, I was hired by Desert Recreation District, and I soon began to attend DRD Board meetings because I wanted to learn about the job and what it takes to be a Director. I stopped working at DRD a year later, but I have continued to attend multiple Board meetings a year since.

I am asking for your vote because I have learned about Board operations and understand the responsibilities that come with the position. I will commit the time necessary to study and make sound decisions for the benefit of the community.

IMPARTIAL ANALYSIS OF MEASURE “Y”

The City of Coachella (“City”) currently imposes a transient occupancy tax (“TOT”), also generally known as a “hotel” tax, at the rate of nine percent (9%) of rent paid in order to occupy a room or space in a hotel or similar lodging, including short-term/vacation rentals (referred to herein as a “hotel”). This TOT is imposed upon occupancy of a room or hotel space within the City, for dwelling, lodging, or sleeping purposes for a period of thirty (30) consecutive days or less. The TOT currently provides approximately \$780,000 annually to the General Fund to pay for general City services and programs.

Measure “Y” was placed on the ballot by a unanimous vote of the Coachella City Council and, if approved by a majority of Coachella voters, would amend the Municipal Code to increase the maximum TOT rate from nine percent (9%) to thirteen percent (13%) of the rent paid by guests in order to occupy a room or space in a hotel. The tax rate set by Measure “Y” can be adjusted up or down by the City Council, provided it does not exceed the 13% voter-approved maximum rate. It is anticipated that this rate increase will generate an additional \$350,000 in new revenues.

Measure “Y” would also update the Municipal Code to clarify that the tax applies to the full rent paid by the hotel guest for occupancy, whether payment is made directly to a hotel operator or to a third-party “rental agent” for booking purposes (i.e., online travel companies and online short-term/vacation rental companies). Measure “Y” includes other technical updates to address block reservations, claiming a TOT tax exemption, and how to calculate days of taxable hotel occupancy.

Measure “Y” would be a “general tax”. All revenue from this tax would be deposited into the City’s General Fund and could be used for general City operations and services, such as maintaining City parks, streets and public safety. Pursuant to State Law, a “general tax” requires approval by a majority of the City’s voters voting at an election.

A “yes” vote on Measure “Y” will approve the TOT tax rate increase.

A “no” vote on Measure “Y” will not approve the TOT tax rate increase.

The above statement is an impartial analysis of Measure “Y”. If you desire a copy of the ordinance or measure, please call the City Clerk’s office at (760) 398-3502 and a copy will be mailed at no cost to you.

/s/ Carlos Campos,
City Attorney

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE “Y”

IMPARTIAL ANALYSIS OF MEASURE "AA"

State law authorizes a health care district to transfer, at fair market value, any part of its assets to one or more corporations to operate and maintain those assets for the benefit of the communities served, for up to thirty (30) years. Before a health care district can complete such a transfer, its elected board must, by resolution, submit to the voters of the district a measure proposing the transfer. If a majority of the voters voting on the measure vote in favor, the transfer is approved.

The Desert Healthcare District ("District") has called for a measure authorizing the District to enter into a lease purchase agreement ("Agreement") with Desert Regional Medical Center, Inc ("Medical Center") to be placed on the ballot of the election to be held within the boundaries of the District. This Agreement will allow for the transfer of 50% or more of assets of the District to the Medical Center at fair market value, for fair and reasonable consideration, as determined by an independent consultant with expertise in methods of appraisal and valuation, and in accordance with applicable governmental and industry standards. The assets to be leased and then transferred generally include certain parcels of land, El Mirador Surgery Center, and Desert Care Network physician clinics. Assets excluded from the transfer generally include Las Palmas Medical Plaza and The Wellness Park. Lists of specific assets included and excluded from the lease purchase agreement are set forth in the full text of Measure "AA" in this voter information pamphlet.

If Measure "AA" is approved, the District will be authorized to enter into the Agreement with Medical Center and will lease specific included assets from District to Medical Center for a period of up to thirty (30) years, commencing in 2027. The lease purchase agreement calls for an initial payment by Medical Center to District, nineteen (19) annual rental payments (including an annual rent escalator), and a final payment in 2057. Upon conclusion of the term, the included assets will be legally transferred from the District to Medical Center. Total anticipated rent and purchase payments is six hundred forty-six million, two hundred thirty-one thousand, seven hundred fifty dollars (\$646,231,750).

A "YES" VOTE MEANS the District will be authorized to enter into the lease purchase agreement.

A "NO" VOTE MEANS the District will not be authorized to enter into the lease purchase agreement.

ARGUMENT IN FAVOR OF MEASURE "AA"

YES on Measure AA is in the best interest of our community.

Coachella Valley residents depend on the professional management at Desert Regional Medical Center to provide high-quality life-saving healthcare. Measure AA protects the future of the hospital for another 30 years and beyond.

YES on AA saves taxpayers from millions in new taxes.

- Without AA our local government would likely be forced to take over hospital operations, expensive hospital seismic upgrades and other maintenance
- This could cost taxpayers over \$400 million – costs we cannot afford.
- As a result, healthcare services at Desert Regional could face serious disruptions, or even closure.

YES on AA brings an unprecedented investment to our community to improve health care in the Coachella Valley

- Lease payments of nearly \$650 million for the District to support community organizations and healthcare providers
- Over \$220 million for seismic upgrades to the hospital
- Tens of millions to expand emergency services at JFK Memorial Hospital

YES on AA approved by an independent analysis and appraisal obtained by the Board.

YES on AA protects Coachella Valley patients and continues lifesaving services at Desert Regional

- Ensures current capacity at Desert Regional is maintained
- Allows the current operator to continue providing critical services such as Level 1 Trauma and Comprehensive Stroke centers.
- Continues programs to recruit and train hundreds of doctors and nurses to address Coachella Valley's shortage of medical professionals.

YES on Measure AA approves a nearly \$1 BILLION investment in the future of our community's healthcare - at NO COST TO TAXPAYERS.

Doctors, Nurses, Patients, and Community Organizations agree - YES on Measure AA will PROTECT taxpayers from paying millions, KEEP Desert Regional open, and SAVE LIVES in our community.

We urge YES on Measure AA - Protect Desert Care.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "AA"

Vote No on Measure AA to keep Desert Regional Medical Center a public hospital.

Measure AA is Tenet Healthcare's proposed shakedown disguised as an "investment" in Desert Regional and the Coachella Valley.

AA would let Tenet transfer (or sell) the hospital to another operator after 10 years for a potentially huge profit. Desert Healthcare District would have little or no say in a sale. AA does not guarantee that the hospital will be here in 30 years — AA threatens Desert's future today.

Desert is not in danger of closing.

- Tenet is unlikely to abandon Desert, its most profitable hospital in California in 2023, with more than \$500 million in profits from 2018-2023. AA locks down revenue for Tenet.

AA will NOT save taxpayers money. AA allows the sale of Coachella Valley's most important publicly owned healthcare asset to Tenet, a for-profit corporation whose goal is profits. AA ends local input on Desert's future.

Vote NO on AA. Coachella Valley residents do not need Tenet to manage Desert.

- The current lease expires in 2027, leaving time to find a new operator.
- More competent, professional leadership could operate Desert without costing taxpayers.
- Tenet's management of Desert has resulted in vermin infestations, plumbing disasters, and chronic understaffing, all jeopardizing patient care.

AA is NOT about saving taxpayers money or providing quality healthcare. It's about maximizing profits for Tenet.

If Tenet cared about Coachella Valley, its proposal would not include a noncompete clause restricting how Desert Healthcare District can invest funds in other healthcare resources.

Vote No on Measure AA.

By: California Nurses Association

ARGUMENT AGAINST MEASURE "AA"

Registered nurses, healthcare workers, patients, and residents of the Coachella Valley are voting NO on Measure AA. Here is why:

Measure AA is a ballot initiative that will destroy the public's control and oversight over Desert Regional Medical Center by selling it to Tenet Healthcare, a for-profit corporation headquartered in Dallas.

Vote NO to keep Desert a public hospital owned by the Coachella Valley community. It is a public asset governed by Desert Healthcare District and currently leased to Tenet Healthcare until 2027.

Desert Healthcare District does not need to sell the hospital to make money. The district can continue leasing the hospital without increasing taxes to residents.

Tenet has made huge profits from Desert: In 2023, the hospital earned Tenet more than \$60 million in income. From 2018 to 2023, Desert earned Tenet \$528 million in profits but Tenet is not reinvesting the funds to make required upgrades or fix chronic infrastructure problems.

Vote NO on Measure AA because a full Tenet takeover would be a disaster for our patients.

Staff nurses say chronic short staffing at Desert jeopardizes patient care and that Tenet has utterly failed to maintain the building, reporting inoperable elevators, sewage leaking into patient rooms, rodents in the intensive care unit, and cockroaches in the emergency room's break room.

On February 27, 2024, the Riverside County Department of Environmental Health shut down one of Desert's kitchens due to "signs of active vermin infestation."

Measure AA would let Tenet continue to put shareholder profits over patient care. Nurses say Tenet prioritizes profits above patient safety and quality nursing care.

Measure AA would let Tenet transfer the lease or sell the hospital after 10 years — with NO restrictions or input from the public.

Measure AA would restrict and prevent the Desert Healthcare District board from spending taxpayer funds within the healthcare district and community.

Vote NO on Measure AA to keep Desert a public hospital.

By: California Nurses Association

REBUTTAL TO ARGUMENT AGAINST MEASURE "AA"

The argument against Measure AA is filled with FALSE and MISLEADING claims - in fact, Nurses at Desert Regional Medical Center and throughout the Valley urge YES on Measure AA

That's because nurses know, IF MEASURE AA FAILS, Desert Regional's lease expires, and the hospital could face serious disruptions to care, and closure. Without Measure AA:

- Access to lifesaving care at Desert Regional would be disrupted for up to 7 years
- Taxpayers would be responsible for over \$400 million in hospital operating costs
- OTHER AREA HOSPITALS COULD BECOME OVERCROWDED WITH PATIENTS - SKYROCKETING WAIT TIMES FOR EMERGENCY SERVICES

The Desert Healthcare District put Measure AA on the ballot because they cannot afford to operate the hospital without raising taxes and recognize the importance of keeping Desert Regional PROFESSIONALLY OPERATED - YES on AA means Desert Regional can continue to:

- Contribute millions** of dollars to expand access to healthcare in the Valley
- Provide the **most hospital care to MediCal patients** in the Valley
- Save lives in our community** with state-of-the-art specialty centers and services

YES on MEASURE AA PROTECTS LIFESAVING CARE in the Coachella Valley:

- Keeps Desert Regional open with **oversight from an elected board.**
- Provides nearly \$650 Million** to expand healthcare services throughout the Valley.
- Guarantees state-mandated upgrades at Desert Regional are completed at **NO COST TO TAXPAYERS**

But one Sacramento-based special interest group is opposing Measure AA to advance their own agenda - and is putting our community's healthcare at risk.

As nurses in the Coachella Valley, we urge YES on AA, to protect patients, healthcare professionals, and taxpayers. Join nurses throughout the Valley in voting YES on Measure AA.
