REGISTRAR OF VOTERS

MATTHEW CEBALLOS
ASSISTANT REGISTRAR OF VOTERS

Dear County of Riverside Voter,

Election Day is just around the corner on November 5, 2024! Your County Voter Information Guide is here, providing essential details for voting, including instructions on marking your ballot, candidate information, a sample ballot, and other important election details to review before you vote. Tip: You can mark your sample ballot and bring it with you to any Vote Center for easy reference.

Starting October 7, 2024, ballots will be mailed to all active registered voters. You can check your registration at voterstatus.sos.ca.gov or register at registertovote.ca.gov.

Vote at any vote center. We have more days and more ways to cast your ballot!

- **Returning Your Ballot:** You may drop off your ballot at any secure ballot Drop-Off Location starting October 7, 2024, or mail your ballot via USPS (no postage needed).
- **Receiving Your Ballot:** Your ballot must be received by the Registrar of Voters by Election Day or postmarked on Election Day and received within seven days (November 12, 2024).
- **Tracking Your Ballot:** Register at WheresMyBallot.sos.ca.gov.

Early Voting: Vote in person at the Registrar of Voters office starting October 7, 2024, (excluding holidays) 8:00 a.m. to 5:00 p.m. Hours change on October 26 - 27, and November 2 - 3 to 9:00 a.m. to 5:00 p.m. For a list of locations and hours, visit voteinfo.net.

Election Day: All Vote Centers, including the Registrar of Voters office, will be open from 7:00 a.m. to 8:00 p.m.

The voter registration deadline is October 21, 2024. For more information or questions, call us at (951) 486-7200.

Thank you for participating in the democratic process!

Sincerely,

Art Tinoco

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, United States congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate may only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's open primary system does not apply to candidates running for United States President, county central committee, or local offices.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

The first contest is the regular election for the full 6-year term ending January 3, 2031.

The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2025.

You may vote for both contests.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

These are hard times. Too many people feel anxious about where things are headed. They're frustrated and angry that politicians seem more focused on their own selfish interests than in helping others.

I grew up in a trailer in Coachella, the son of farmworkers. My family – and most others in our community – struggled to afford food, housing, and healthcare.

I wanted to make life better for families like ours, so I became an Emergency Room physician to help people in need. Public service is my passion.

I ran for Congress so I could do even more to help people in need. I don't care about titles or power or partisan bickering. I care about getting things done, and putting people over politics. That means:

LOWERING THE COST OF LIVING: I helped pass the Inflation Reduction Act, cutting the cost of energy and medicine. I've fought to crack down on oil and gas companies that are gouging consumers, and to reduce the cost of housing and childcare.

AFFORDABLE HEALTHCARE FOR ALL: I wrote a law improving MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying health coverage to people with pre-existing health conditions, and to reduce prescription drug costs through Medicare.

PROTECTING WOMEN'S HEALTH: I've always fought to protect a woman's right to make her own reproductive and healthcare decisions, including the decision to access a safe, legal abortion, birth control, and In Vitro Fertilization (IVF) services.

People over politics. That's what I believe in.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

IAN WEEKS, Republican

AGE: 39

OCCUPATION: Certified Financial Planner

EDUCATION AND QUALIFICATIONS:

God. Family. Freedom. Those are my values.

Trust your gut. You know something is wrong. Every time you buy groceries. Every time you fill your gas tank.

Politicians claim to fight for working people, but life keeps getting harder. Every day we face a greater struggle to earn an honest living.

They promote radical, fringe issues like chaotic open borders, de-funding the police, completely unrestricted abortion, men in women's sports/locker rooms, and gender reassignment surgery for children.

All while failing to deliver basic needs like abundant, inexpensive gas, power, and water; safe streets, and affordable food.

They fight against parents, to impose radical ideological curriculums in classrooms while our schools fail at their main job; teaching children to read, write, and think critically/independently.

Our country is in desperate need of new leaders. Men and women of honesty, integrity, and wisdom.

I am a believer in and committed follower of Jesus Christ. Whether you share my faith or not, I commit to you, before Almighty God to be a man of those qualities.

I am a husband, and father of two young sons. I care deeply about the future of this great nation.

I am a Certified Financial Planner (nearly 20 years in practice). I have the professional skills and common sense to solve the problems we face as a nation.

Send me to Congress. I'm humbly seeking to be YOUR Representative. I will not fail you.

May our nation return to God, that God may again bless America.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
19TH SENATORIAL DISTRICT**

ROSILICIE OCHOA BOGH, Republican

OCCUPATION: State Senator / Small Businesswoman

EDUCATION AND QUALIFICATIONS:

I'm grateful to have lived the American Dream. The daughter of Mexican immigrants, I was taught that personal responsibility, hard work, and an education could unlock my future potential. That mentality, combined with the opportunities America provides, allowed my husband and I to have a family, grow a local business, and serve my community in the California State Senate.

Now, I am running for reelection to protect those values and opportunities for all Californians so they can achieve their American Dream.

Stopping Inflation & Strengthening our Economy: With the rising cost of groceries and gasoline, working families are struggling to make ends meet. That's why I've taken on Sacramento politicians and led efforts to stop inflation, lower taxes, and bolster our economy.

Supporting Law Enforcement: Crime is out-of-control and instead of empowering our police, there have been efforts to defund law enforcement. I will always support the police and ensure that criminals are prosecuted for the crimes they commit. That's why I'm trusted and endorsed by Sheriff Shannon Dicus and Sheriff Chad Bianco.

Improve Education: As a former educator and school boardmember, I've worked hand-in-hand with our local teachers to enhance our classrooms. Every child deserves a chance at an exceptional education, and improving our schools has been a top priority to make that a reality.

I'm endorsed by the local elected officials, education leaders, and public safety because they trust me to keep Sacramento accountable and always working for us. I would be honored to earn your support.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

COREY A. JACKSON, Democratic

OCCUPATION: State Assembly Member / Social Worker

EDUCATION AND QUALIFICATIONS:

I work for you! As your Assembly Member, I am fighting to make sure that you do more than just survive. You and your family deserve to thrive in a safe community that has a high-quality home that you can afford, takes care of our homeless, have good-paying jobs, and high-quality education. You elected me to represent you in the State Assembly in Sacramento and it would be an honor to continue to do so. This is our time to make sure that we get our fair share of resources and opportunities from our State. I am running and asking you for your vote to be your voice so we can build a better future where:

- We all have the ability to buy a house and build wealth
- We all have a job that pays all of our bills
- We all have affordable childcare
- We hold our government accountable
- We all have affordable healthcare

Biography: I was elected to represent you in the State Assembly in 2022. I passed the law to stop the banning of books and stop foster care children from living in business offices and detention centers. I am a trained social worker and have a Master's degree and Doctoral degree in Social Work. I currently serve as Chair of the Budget Subcommittee on Human Services and Chair of the Select Committee on California's Mental Health crisis.

Join this campaign to make sure we all have what we need to thrive.

**CANDIDATE STATEMENT FOR
JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 4**

ELIZABETH TUCKER

AGE: 54

OCCUPATION: County of Riverside Superior Court
Commissioner

EDUCATION AND QUALIFICATIONS:

I am the right choice to serve as Superior Court Judge because I have both prosecutorial and judicial experience spanning three decades.

Career Criminal Prosecutor: As a successful Riverside County Deputy District Attorney for 23 years, I kept our community safe by prosecuting perpetrators of serious and violent felonies including child abuse, sexual assault and domestic violence. Committed to ensuring justice, safety and protection of our community.

Judicial Experience: I already preside over criminal, civil, juvenile, probate and traffic courts in my capacity as a Riverside County Superior Court Commissioner, with essentially the same responsibilities as a Superior Court Judge. I have the identical training, education and experience as a Superior Court Judge. I am fully qualified and ready for the job without need of training at taxpayer expense.

Judges' Choice: Endorsed by over 70 judges and commissioners, including Riverside County's Presiding Judge. In 2018, I was personally selected and vetted by Riverside County Judges to work as a Judicial Officer. Also endorsed by prosecutors, defense attorneys, police officers, teachers and community leaders.

Community Volunteer: I am a decades-long resident of Riverside County and raised two children here. I believe in service above self and have dedicated myself to improving Riverside County by volunteering with Rotary International, Girl Scouts and Mock Trial.

Vote Elizabeth Tucker for Judge: CAREER PROSECUTOR, JUDICIAL EXPERIENCE AND JUDGES' CHOICE.

OFFICE NUMBER 4**

GERALD PFOHL

AGE: 42

OCCUPATION: Riverside County Deputy District Attorney

EDUCATION AND QUALIFICATIONS:

As a Riverside County Deputy District Attorney, I have dedicated myself to upholding justice while safeguarding our community.

My tenure at the Riverside County District Attorney's Office spans 17 years, prosecuting every kind of criminal offense, including child molestation and murder. In 2023, I secured a groundbreaking guilty verdict in California's first fentanyl-induced murder trial. Last year, I was honored to be named the Southwest Riverside County Bar Association Attorney of the Year.

I am a product of Riverside County, serving the community I grew up in. I've been a guiding force in Riverside County Mock Trial, nurturing high school students toward legal careers.

I am honored to have the support of:

Sheriff Chad Bianco

District Attorney Mike Hestrin

Riverside County Deputy District Attorney's Association

Riverside Sheriffs Association

Multiple Police Officer Associations

Retiring Judge John Davis, who has endorsed me to seek his seat, and well over a dozen other sitting Riverside County judges.

As Judge my pledge is clear: to conduct a fair, respectful, and diligent judiciary service for every individual stepping into the courtroom.

I would be honored to earn your vote for Riverside County Superior Court Judge.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF HEMET, DISTRICT 1**

CAROLE L. KENDRICK

OCCUPATION: Interim Community Development

EDUCATION AND QUALIFICATIONS:

The First District deserves representation that is decisive, trustworthy, and respectful. We need a representative who is engaged, responsive, and focused on genuine progress rather than popularity. My campaign will concentrate on three key promises:

1. Stabilizing Staffing Levels: I will work tirelessly to ensure that all departments, including police, fire, and code enforcement, are adequately staffed. This will help keep our city safe and clean while reducing our reliance on expensive consultants.
2. Promoting Smart Development: I will strive to create a business-friendly environment that ensures projects generate desirable employment opportunities and sustainable revenue to support essential city services.
3. Enhancing Quality of Life Ordinances: I will push for and enforce tough ordinances related to truancy, trespassing, graffiti, and loitering. We need to take all necessary steps to discourage vagrants, vandals, and criminals from operating in our city.

It has been my honor to serve as your Council Member since June 2023, and I stand proudly behind my voting record. I promise to continue fighting for the First District and improving the City of Hemet.

NORM KYRISS

AGE: 56

OCCUPATION: Real Estate Agent

EDUCATION AND QUALIFICATIONS:

I've lived in Hemet since 1981, moving from the Coachella Valley. My father was a mechanic for local farms and my mother was a stay-at-home mom of eight. My wife teaches at Hemet Unified School District, we have three children and four grandchildren. I graduated from Hemet High in 1986 and began a career in real estate in 1991. In 2021, I received my mortgage license to better serve my clients.

My volunteer service has included President of the local Association of Realtors, Director for the Southwest Riverside County Association of Realtors, Director for Habitat for Humanity and family selection Chairman, Measure U Citizen Oversight Committee and ROCS member, President of the Ramona Bowl during the 100th season, and Vice-President of Grandfather's for Golf. I am a member of the Elks Lodge, Eagles, Masonic Lodge, Rotary, and member of the local Chamber of Commerce's.

I believe we must focus on quality of life, taking care of our streets, parks, recreation areas, and promoting affordable housing. We must prioritize economic development by aggressively attracting jobs, promoting a business-friendly environment, staying tough on crime, and supporting our first responders.

I ask you to vote for Norm Kyriss, 951-202-9754.

**CANDIDATE STATEMENT FOR
DIRECTOR,
EASTERN MUNICIPAL WATER DISTRICT, DIVISION 3**

JOE GRINDSTAFF

OCCUPATION: Retired Water Manager

EDUCATION AND QUALIFICATIONS:

It has been an honor to serve my community as a water professional since I started in college as a lab technician. This work continued and eventually I led and managed local, regional and state agencies dealing with the complex issues of water supply, water quality, wastewater management, flood protection and cost. I hope to continue to serve and I ask for your vote as a Director for Eastern Municipal Water District.

I am committed to using my broad knowledge and skills to make sure we have a stable reliable water supply even in the midst of droughts. Drinking water quality is a critical issue and should never be ignored or avoided. We must always be aware of how our decisions impact the residents, the natural resources and economies of our communities. I am committed to treating everyone with respect and to making decisions using transparent and open processes. When I make decisions, I will always seek to understand issues first and to make decisions based on facts. The end result will always remain reliability, high quality and the lowest possible rates. Experience, knowledge and values count. Please vote for Joe Grindstaff, a proven leader in the water industry.

CORINNE AWAD

AGE: 47

OCCUPATION: Director / Planning Commissioner

EDUCATION AND QUALIFICATIONS:

As a daughter of a veteran, a mother of five, and an EMWD ratepayer like you, I understand the unique needs of working families in our community.

I proudly serve on a local Planning Commission to ensure development is done right in our valley. I care deeply about providing safe, reliable, and affordable water. As a Director of the Eastern Municipal Water District, I will work to keep water rates down for families.

Understanding the importance of water conservation, I will bring water education programs into our schools to foster future leaders in sustainability.

Having worked full-time while earning my degree, I know the challenges of finding good-paying jobs in our valley. I aim to create workforce development opportunities within the water industry.

With over 25 years as a public servant, I bring experience to this position, having worked at a neighboring water district and as a graduate of EMWD's Water Leaders Academy.

In EMWD's 75-year history, there has never been a woman elected to serve on the Board. It's time for a change. I proudly ask for your vote. Learn more about my plans for the Eastern Municipal Water District at awadforemwd.com.

MEASURE “C” - SAN JACINTO UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND MEASURE

KEY FINDINGS

San Jacinto Unified School District (the “District”) aims to provide safe and supportive learning environments to over 10,000 students across our 13 school sites. Our high-quality staff and academic programs help ensure that local students are prepared for success in high school, college and the workforce. Our graduation rate is among the highest in Riverside County and significantly exceeds the State average.

However, many local school facilities are aging and in need of repair. We have more than 50 portable classrooms that are at least 20 years old, some with deteriorating foundations in need of constant repair, and plumbing and electrical systems are outdated.

Additionally, our area is growing and local schools have experienced student enrollment growth. Most of our schools are over their original constructed capacity and some have 50% more students than they were designed to handle.

The District completed an extensive facilities master planning process that included gathering community input to identify needed repairs, updates and address overcrowding at our school sites. Facility improvements of this magnitude are beyond the scope of the District’s projected operating budget.

BOND AUTHORIZATION

By approval of this measure by at least 55% of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to \$78,000,000 in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List included below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

The Bonds may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by school districts. The Bonds may be issued in series by the District, from time to time, and each series of Bonds shall mature within the legal limitations set forth in the applicable law under which the Bonds are issued.

Evaluation of Needs. The Board of Trustees of the District has identified detailed facilities needs of the District, and has determined which projects to finance from a local bond. The Board of Trustees hereby certifies that it has evaluated safety, class size, enrollment growth, and information technology needs in developing the Bond Project List described below.

Independent Citizens’ Oversight Committee. Following approval of this measure, the Board of Trustees will establish an independent citizens’ oversight committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board of Trustees.

Performance Audits. The Board of Trustees will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The Board of Trustees will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the Riverside County Treasurer, as required by the Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed each year with the Board of Trustees of the District, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

Bonding Capacity. Issuance of each series of bonds authorized by this measure is required to conform with all applicable legal requirements. This includes issuance within applicable bonding capacity limitations, which may include a waiver of bonding capacity granted by the State Board of Education, if sought and granted.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), specifically the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated tax rates, the duration of issued bonds and related tax levies and collections are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the construction, modernization, reconstruction, rehabilitation, replacement, equipping, furnishing or other improvements of school facilities of the San Jacinto Unified School District. Funds may also be utilized for the acquisition or lease of real property for school facilities, but not for any other purpose, including teacher and administrator salaries or other school operating expenses, in compliance with California Constitution Article XIII A, Section 1(b)(3).

School Facility Project List. The items presented on the following list provide the types of projects authorized to be financed with voter-approved bond proceeds. Examples included on this list are not intended to limit the broader types of projects described and authorized by this measure. The following types of projects are authorized at all existing sites of the District and all sites that may be acquired by the District in the future:

- Construct, renovate, update, modernize, and upgrade classrooms, labs, restrooms and other District facilities and equipment.
- Replace temporary portables with permanent classrooms.
- Acquire property and construct new schools or facilities.
- Repair, upgrade or replace roofing.
- Repair/replace deteriorating plumbing systems, including drainage, irrigation and sewer systems.
- Replace outdated heating, ventilation and air-conditioning systems.
- Make health, safety and security improvements.
- Improve student access to computers, modern technology and the visual and performing arts.
- Improve drop-off and pick-up areas, parking structures and lots.
- Construct/upgrade learning spaces, including multi-purpose and food service facilities.
- Make energy-efficient upgrades.
- Construct and upgrade playgrounds and playfields for school and community use, including lighting, seating and shade structures.

Incidental Expenses. Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above. Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, painting, bond project construction management, administration and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; the preparation or restoration of construction, renovation or remodeling; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; and costs of the election; bond issuance costs; and project administration during the duration of such projects, as permitted by law.

Furnishing and Equipping. Each project is assumed to include its share of furniture, fixtures, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the list; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. The upgrading of technology infrastructure includes, but is not limited to, computers, projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, printers, digital white boards and monitors, document cameras, telephone system, network security/firewall, wireless technology systems and other miscellaneous equipment and software.

Alterations to Scope; New Construction. The scope and nature of any of the specific projects described above may be altered by the District as required by conditions that may arise during the course of design and construction. In the event that a modernization or renovation project is more economical for or otherwise determined by the Board to be in the best interests of the District to be undertaken as new construction, this bond measure authorizes said new construction including land acquisition, relocation and construction at a new or alternative site, and/or demolition and reconstruction and/or repurposing on the original site, including an expanded site, and all costs relating thereto. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. For any project involving rehabilitation or renovation of a building or the major portion of a building, the District shall be authorized to proceed with new construction instead, if the Board of Trustees determines that replacement and new construction is more economically practical than rehabilitation and renovation, considering the building's age, condition, expected remaining life, and other relevant factors.

Interim Financing Included; Joint Use Projects Authorized. Authorized projects include paying and/or prepaying interim or previously obtained financing for the types of projects included on the Bond Project List, such as bond anticipation notes, and includes prepayment of lease payments to acquire title to facilities and/or equipment previously financed. Projects may also be undertaken on a joint use basis with other public entities.

Bond Project List Not in Order of Priority; Board Determines Prioritization. Approval of this bond measure does not guarantee that the proposed projects will be funded beyond the local revenues generated by the measure. The District's capital needs currently exceed the amount of bonds the voters are being asked to authorize. The order in which particular projects are listed is not intended to suggest priority for funding or completion, and itemization of projects in the list above does not guarantee that all such projects will be undertaken. Project priorities will be determined by the Board of Trustees. The ability of the District to undertake and complete the listed projects is subject to numerous variables including the adequacy and availability of sufficient funding sources. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

Interpretation. The terms of this bond measure and the words used in the Bond Project List shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the school facilities projects the District proposes to finance with the proceeds of the sale of bonds authorized by this proposition within the authority provided by law, including Article XIII A, Section 1(b)(3) of the California Constitution, Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. Words used in the Bond Project List such as repair, improve, upgrade, expand, modernize, renovate, and reconfigure are used to describe school facilities projects in plain English but are not intended to expand the nature of such projects beyond what is authorized by law. As such, in accordance with legal requirements, the Bond Project List does not authorize, and shall not be interpreted to authorize, expending proceeds of the sale of bonds authorized by this proposition for current maintenance, operation or repairs.

Severability. The District Board hereby declares, and the voters by approving this Bond Measure concur, that every section and part of this bond proposition has independent value, and the District Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond measure are severable.

MEASURE "C"- SAN JACINTO UNIFIED SCHOOL DISTRICT

TAX RATE STATEMENT

An election will be held in the San Jacinto Unified School District (the "District") on November 5, 2024, to authorize the sale of up to \$78,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is \$59 per \$100,000 (5.9¢ per \$100) of assessed valuation. It is currently expected that the tax will be collected until fiscal year 2054-55.
2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$59 per \$100,000 (5.9¢ per \$100) of assessed valuation. This rate is projected to apply starting in fiscal year 2025-26 and continuing until 2054-55.
3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$151,188,237.

These estimates are based on projections derived from information obtained from official sources, and are based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions. The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

/s/ David Pyle, Ed. D.
Superintendent
San Jacinto Unified School District

IMPARTIAL ANALYSIS OF MEASURE “C”

State law authorizes school districts to sell bonds to finance improvements of student safety/security; build new classrooms/schools to relieve overcrowding; fix roofs and plumbing/electrical/ventilation systems; and repair/upgrade classrooms, science labs, and school facilities that support instruction in science, technology, engineering, arts, and math. Monies generated by the sale of such bonds may only be spent for these specified purposes. Bond proceeds cannot be expended to finance teacher and administrator salaries or other school operating expenses.

The San Jacinto Unified School District (“District”) has called for an election on the question of whether bonds should be issued and sold by the District. Such bonds can only be issued and sold if at least 55% of the persons who actually vote approve Measure “C.” The bonds would be repaid through an increase in property taxes based upon the assessed value of taxable property in the District in each year of repayment. The Tax Rate Statement, which appears following the full text of Measure “C” in this voter information pamphlet, reflects the District’s current best estimate of the property tax rate increases that will be required to service the bonds at various points during the life of the bonds. At the time of issuance, the projected annual tax to be levied to meet debt service requirements for the proposed bonds is 5.9¢ per \$100 (or \$59 per \$100,000) of assessed value.

If Measure “C” is approved, bonds may be issued in series and must be repaid within a maximum statutory term of twenty-five (25) years. The maximum interest rate chargeable on the bonds is regulated by state law. The actual interest rates at which the bonds are sold will depend on the bond market at the time of each sale.

The District proposes to issue and sell bonds in an aggregate principal amount of seventy-eight million dollars (\$78,000,000). Money raised by the sale of the bonds must be used exclusively to finance the list of projects described in the full text of Measure “C,” which is included in this voter information pamphlet (“Bond Project List”). When developing the Bond Project List, the District was required by state law to evaluate safety, class size reduction, and information technology needs. Inclusion of a particular project on the Bond Project List, however, is not a guarantee that the project will actually be funded or completed.

If Measure C is approved and the bonds are sold, the District will appoint a citizens oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including furnishing and equipping of school facilities, and the acquisition or leasing of school facilities and for no other purposes.

Approval of Measure “C” will have no effect on existing law but will allow for the issuance and sale of bonds in accordance with the terms of existing law and Measure “C”.

A “YES” VOTE MEANS the District will be authorized to issue and sell the Bonds.

A “NO” VOTE MEANS the District will not be authorized to issue and sell the Bonds.

ARGUMENT IN FAVOR OF MEASURE “C”

Vote Yes on C to provide safe, supportive learning environments for our students!

San Jacinto schools are the heart of our community and provide a quality education for local children. However, new families are moving to our area and local schools struggle to keep up.

Aging portable classrooms have deteriorating foundations in need of constant repair. Many of our elementary schools are over-capacity, for example, Park Hill Elementary School was originally built for 525 students and now has almost 900.

We need Measure C to replace old portable classrooms, fix roofs, and update electrical systems to meet current safety, disability, and health standards. Every student deserves a quality education in a safe, modern learning environment.

Vote YES on C:

- **Safety and Security:** Improve safety and campus security systems at all schools for the benefit of students and staff.
- **Reduce Overcrowding:** Construct new schools to serve all students in our growing community.
- **Modern Classrooms for Better Learning:** Replace old portable classrooms with modern permanent learning environments supporting all students.
- **Enhance Science and Technology Education:** Upgrade older classrooms and science labs to keep pace with educational standards and support student achievement in science, technology, engineering, arts and math.

Fiscal Accountability Keeps Measure C Local:

- **Every penny of Measure C will stay in San Jacinto schools.** No funds can be taken by the State, ensuring tax dollars directly benefit local schools.
- **Oversight and Transparency:** Citizens’ oversight, public spending disclosures, a detailed project list and annual audits ensure funds are used as promised. No funds can be used for administrator salaries or benefits.

Join parents, educators, and community leaders who are voting YES on C to support quality education for San Jacinto students! Together, we can build a brighter future for our children and our community.

MEASURE “N” - CITY OF HEMET

ORDINANCE NO. 2037

**AN ORDINANCE OF THE PEOPLE OF THE CITY OF HEMET, CALIFORNIA,
AMENDING SECTIONS 74-71 THROUGH 74-73 OF THE HEMET MUNICIPAL CODE
TO INCREASE THE TRANSIENT OCCUPANCY TAX**

WHEREAS, the City Council has placed a measure to increase the transient occupancy tax before the voters at the general election to be held on November 5, 2024; and

WHEREAS, the measure received the requisite votes for adoption.

NOW, THEREFORE, THE PEOPLE OF HEMET DO HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The definition of “hotel” in Section 74-71 of the Hemet Municipal Code is hereby amended to read as follows:

“Hotel means any structure or any portion of any structure which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist home or house, short term rental, bed and breakfast, motel, studio hotel, bachelor hotel, lodging house, rooming house, apartment house, dormitory, public or private club, mobile home or house trailer at a fixed location, recreational vehicle park, campground, or parking area, or any other property rented to a “transient” or other similar structure or portion thereof.”

SECTION 2. Section 74-72 of the Hemet Municipal Code is hereby amended to read as follows:

“Sec. 74-72. Tax Imposed.

For the privilege of occupancy in any hotel, each transient is subject to, and shall pay tax in the amount of twelve (12) percent of the rent charged by the operator. Such tax constitutes a debt owed by the transient to the city which is extinguished only by payment to the operator or to the city. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax due is not paid to the operator of the hotel, the tax administrator may require that such tax shall be paid directly to the tax administrator.

The tax administrator may make rules and regulations not inconsistent with the provisions of this article as may be necessary and desirable to aid in the enforcement and administration of this article. Any such rule or regulation that may affect the amount of tax owed to the city shall be subject to approval by the city council. The rules and regulations shall be filed in the office of the tax administrator and maintained by the city clerk in an orderly and accessible manner. Taxes are considered paid only upon receipt of the return, and penalty, interest, and completed exemption certificate when appropriate. The burden to secure and comply with the rules and regulations shall be upon the operator.”

SECTION 3. Section 74-73 of the Hemet Municipal Code is hereby amended to read as follows:

“Sec. 74-73. Exemptions.

(a) No tax shall be imposed under this article upon:

(1) Any of the exclusions or exemptions set forth in California Revenue and Tax Code section 7280, et seq., as may be amended from time to time.

(2) Any federal or state officer or employee when on official business.

(3) Any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.

(b) No exemption shall be granted except upon a claim therefor made at the time rent is collected and under penalty of perjury upon a form prescribed by the tax administrator. When a claim of exemption is defective, the operator: (1) shall be responsible for all taxes due with respect to the purported exempt transient; and (2) the tax administrator shall give notice to the operator of all taxes due as a result of the rejection of the exemption claim. The operator shall pay all sums due within ten working days of notification.”

SECTION 4. This Ordinance shall take effect upon its approval by a majority of those voting on the measure at the November 5, 2024 election.

APPROVED AND ADOPTED by the voters of the City of Hemet on November 5, 2024.

IMPARTIAL ANALYSIS OF MEASURE "N"

On June 25, 2024, the City Council voted to place Measure "N" on the November 5, 2024 general municipal election ballot. By placing Measure "N" on the ballot, the City of Hemet complies with the California Constitution, which requires a majority of the voters to approve an ordinance that establishes a general tax.

The City of Hemet currently imposes a ten percent (10%) Transient Occupancy Tax ("TOT") on persons who rent space at hotels for a period of 30 days or less. If approved by a majority of Hemet voters, this Measure would authorize an increase in the TOT by two percent to a new rate of twelve percent (12%). It is estimated that the measure will increase annual revenues by \$200,000 per year.

The additional revenues will be available to address homelessness, make public areas safer and cleaner, including streets and sidewalks, and other essential government services such as 911 response, pothole repair, senior and youth programs, improving public arts and culture, and parks and recreational facilities. The TOT would continue as to be a "general tax," meaning that revenues raised from the tax would go into the City's general fund to pay for any lawful City program, improvement, or service.

If approved, the new tax rate would remain in effect until ended by Hemet voters voting at a subsequent election. All revenues raised by the tax would remain in the City and would not be shared with the State, County, or any other agency. The revenues and expenditures generated by the tax would be subject to the same independent audit requirements as other city revenues and expenditures.

A "yes" vote on Measure "N" will authorize the increase in the TOT rate to 12%

A "no" vote on Measure "N" will not authorize the increase in the TOT rate to 12%

The above statement is an impartial analysis of Measure "N". If you desire a copy of the Measure, please visit www.hemetca.gov or call the City Clerk's Office at (951)765-2307 and a copy will be provided at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "N"

Vote "YES" on Measure N to maintain quality community services without raising taxes on the City of Hemet's residents or businesses. The Transient Occupancy Tax (TOT) or Hotel Tax is paid only by visitors staying in hotels, short-term rentals, and other similar lodging in our community.

The Hotel Tax is paid by travelers staying in Hemet hotels and using and receiving City of Hemet services. As temporary visitors, they use City roads, enjoy our amenities, and are protected by our 911 police and fire services. The Hotel Tax is the primary method than these visitors contribute to the cost of the services they utilize.

Increasing the rate by 2% will only equal an additional \$2 per night for a hotel stay that costs \$100 per night, but will increase City revenues by a projected \$200,000 per year. The additional revenues can be used to address homelessness, public safety services, but also community services like senior and youth programs, improving public arts and culture, and parks and recreational facilities.

Please join a unanimous City Council in voting "YES" on Measure N to maintain quality City services.

By: /s/ JOE MALES
Mayor, City of Hemet

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "N"

The current General Fund Budget of the City of Hemet is approximately \$80,000,000 (Eighty Million Dollars). The increase in occupancy taxes with the passage of Measure N (according to the City's best case projections) would add \$200,000, a mere one-quarter of one percent to the existing budget. The City of Hemet states that this increase in occupancy tax is needed to "maintain quality community services without raising taxes on City of Hemet residents or businesses." This statement presumes we citizens are currently receiving "quality" community services and that \$200,000 will somehow maintain these services without the need to have further tax increases in the future. Unfortunately, neither presumption is true, and the City of Hemet knows it.

The City promoters completely miss the point. The message that this tax promotion is sending far outweighs the impact that it will have on the General Fund. There is a reason why no hotels have been built in Hemet for the past 16 years, but the City of Hemet is oblivious to their self-inflicted local market conditions currently impacting our community.

Instead of raising taxes, the City of Hemet should be working to clean up our community and make Hemet more business friendly. More taxes are not the answer, regardless of who pays them. Save the City of Hemet from itself. Vote NO on Measure N.

ARGUMENT AGAINST MEASURE “N”

With its self-serving promotion of this increase in the “hotel occupancy tax” the City of Hemet would like you to believe that the estimated \$200,000 increase to the City’s General Fund will be earmarked for improving the homeless problem, public safety staffing, fixing potholes, etc. What they don’t tell you, and what is absolutely fact, is that nothing in this measure requires the City of Hemet to spend any amounts on these categories of services. The City is free to spend this money on anything it wishes, including buying up more downtown Hemet real estate, more travel junkets to Las Vegas, and many other questionable uses of General Fund money that have been occurring in the past several years. The City of Hemet promoters should inform us of this fact. This lack of transparency speaks volumes.

As an example, most Hemet taxpayers don’t realize that we currently spend approximately \$1,500,000 annually with a Long Beach Company to address our homeless issues. Have you noticed any improvement? I haven’t. Also, many homeless are put up in local hotel rooms paid for with taxpayer money. Is this a proper way to be spending our resources? We should demand proof of improvement and success from the existing spending of General Fund dollars before we authorize more taxation.

The last hotel to be built in Hemet was the Hampton Inn in 2006 – more than 18 years ago. The unintended consequences of this increased tax is to make existing hotel rooms more expensive and new hotel rooms less likely to be built. This hotel occupancy tax increase has not been thought through.

“The problem is not that people are taxed too little – the problem is that government spends too much.”

Please join with me in voting no on Measure N.
