Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, United States congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate may only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's open primary system does not apply to candidates running for United States President, county central committee, or local offices.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

These are hard times. Too many people feel anxious about where things are headed. They're frustrated and angry that politicians seem more focused on their own selfish interests than in helping others.

I grew up in a trailer in Coachella, the son of farmworkers. My family – and most others in our community – struggled to afford food, housing, and healthcare.

I wanted to make life better for families like ours, so I became an Emergency Room physician to help people in need. Public service is my passion.

I ran for Congress so I could do even more to help people in need. I don't care about titles or power or partisan bickering. I care about getting things done, and putting people over politics. That means:

LOWERING THE COST OF LIVING: I helped pass the Inflation Reduction Act, cutting the cost of energy and medicine. I've fought to crack down on oil and gas companies that are gouging consumers, and to reduce the cost of housing and childcare.

AFFORDABLE HEALTHCARE FOR ALL: I wrote a law improving MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying health coverage to people with pre-existing health conditions, and to reduce prescription drug costs through Medicare.

PROTECTING WOMEN'S HEALTH: I've always fought to protect a woman's right to make her own reproductive and healthcare decisions, including the decision to access a safe, legal abortion, birth control, and In Vitro Fertilization (IVF) services.

People over politics. That's what I believe in.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

IAN WEEKS, Republican

AGE: 39

OCCUPATION: Certified Financial Planner

EDUCATION AND QUALIFICATIONS:

God. Family. Freedom. Those are my values.

Trust your gut. You know something is wrong. Every time you buy groceries. Every time you fill your gas tank.

Politicians claim to fight for working people, but life keeps getting harder. Every day we face a greater struggle to earn an honest living.

They promote radical, fringe issues like chaotic open borders, de-funding the police, completely unrestricted abortion, men in women's sports/locker rooms, and gender reassignment surgery for children.

All while failing to deliver basic needs like abundant, inexpensive gas, power, and water; safe streets, and affordable food.

They fight against parents, to impose radical ideological curriculums in classrooms while our schools fail at their main job; teaching children to read, write, and think critically/independently.

Our country is in desperate need of new leaders. Men and women of honesty, integrity, and wisdom.

I am a believer in and committed follower of Jesus Christ. Whether you share my faith or not, I commit to you, before Almighty God to be a man of those qualities.

I am a husband, and father of two young sons. I care deeply about the future of this great nation.

I am a Certified Financial Planner (nearly 20 years in practice). I have the professional skills and common sense to solve the problems we face as a nation.

Send me to Congress. I'm humbly seeking to be YOUR Representative. I will not fail you.

May our nation return to God, that God may again bless America.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
19TH SENATORIAL DISTRICT**

ROSILICIE OCHOA BOGH, Republican

OCCUPATION: State Senator / Small Businesswoman

EDUCATION AND QUALIFICATIONS:

I'm grateful to have lived the American Dream. The daughter of Mexican immigrants, I was taught that personal responsibility, hard work, and an education could unlock my future potential. That mentality, combined with the opportunities America provides, allowed my husband and I to have a family, grow a local business, and serve my community in the California State Senate.

Now, I am running for reelection to protect those values and opportunities for all Californians so they can achieve their American Dream.

Stopping Inflation & Strengthening our Economy: With the rising cost of groceries and gasoline, working families are struggling to make ends meet. That's why I've taken on Sacramento politicians and led efforts to stop inflation, lower taxes, and bolster our economy.

Supporting Law Enforcement: Crime is out-of-control and instead of empowering our police, there have been efforts to defund law enforcement. I will always support the police and ensure that criminals are prosecuted for the crimes they commit. That's why I'm trusted and endorsed by Sheriff Shannon Dicus and Sheriff Chad Bianco.

Improve Education: As a former educator and school boardmember, I've worked hand-in-hand with our local teachers to enhance our classrooms. Every child deserves a chance at an exceptional education, and improving our schools has been a top priority to make that a reality.

I'm endorsed by the local elected officials, education leaders, and public safety because they trust me to keep Sacramento accountable and always working for us. I would be honored to earn your support.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
36TH ASSEMBLY DISTRICT**

JEFF GONZALEZ, Republican

OCCUPATION: Retired Marine / Pastor / Business Owner

EDUCATION AND QUALIFICATIONS:

I served in the Marine Corps for 21 years, four times in combat zones. My experiences taught me there are no Republicans or Democrats in a foxhole.

We need to stop the political party fighting and get things done.

We are Americans and Californians first. That's how I will serve as your Assemblyman: people over party.

When I retired from the military, I watched too many of my fellow Marines die by suicide. I became a pastor and worked to help servicemembers recover from what they experienced in combat.

Later, I opened a small business. Many nights, my wife and I worried about how to pay the bills. You see, we have four children, and one is severely mentally and physically disabled. We take care of him every day, and wouldn't have it any other way.

Here is the truth: the politicians in Sacramento are making our lives harder. People struggle, yet they raise taxes on gas and make food, housing, and our daily needs more expensive. I'll vote to lower prices so it's easier to live a middle-class life.

Our schools are failing. Students are not learning the basics to get good jobs and are threatened with violence. I'll vote to ensure students get the best education and that our schools are safe.

The politicians in Sacramento are messing with you: your jobs and your family. I'll be on your side every time. When there is trouble, send in a Marine!

DIRECTOR,
VALLEY-WIDE RECREATION AND PARK DISTRICT, DIVISION 4**

CHRISTOPHER C CARNES

OCCUPATION: Retired Teacher

EDUCATION AND QUALIFICATIONS:

I'm committed to ensuring that Menifee residents have a more prominent voice in decisions affecting our community. With your support, I aim to bring a dedicated and informed perspective to the Valley-Wide Board of Directors, ensuring that our interests and concerns are effectively addressed.

It's clear our community faces a pressing issue with representation on this Board. The Menifee area, despite being a significant contributor to the Valley-Wide Recreation and Park District's annual funding, is underrepresented on their board. None of the current board members reside in Menifee, even though a large portion of Division 4's parks and facilities are within our city limits. As a result, many residents are paying a substantial portion of their property taxes to a district where our voices and needs are not adequately represented.

I've been extremely involved with Menifee activities since moving here with my wife and two boys in 1995. Currently, I'm the Treasurer of both Arts Council Menifee and the Menifee Valley Community Cupboard. Previously, I've been an umpire, Coach and Treasurer of the MV Little League, President of Callie Kirkpatrick PTA and Paloma Valley Band Boosters and President and Treasurer of the Menifee Lakes Homeowners Association.

This work continued and eventually I led and managed local, regional and state agencies dealing with the complex issues of water supply, water quality, wastewater management, flood protection and cost. I hope to continue to serve and I ask for your vote as a Director for Eastern Municipal Water District. I am committed to using my broad knowledge and skills to make sure we have a stable reliable water supply even in the midst of droughts. Drinking water quality is a critical issue and should never be ignored or avoided. We must always be aware of how our decisions impact the residents, the natural resources and economies of our communities. I am committed to treating everyone with respect and to making decisions using transparent and open processes. When I make decisions, I will always seek to understand issues first and to make decisions based on facts. The end result will always remain reliability, high quality and the lowest possible rates. Experience, knowledge and values count. Please vote for Joe Grindstaff, a proven leader in the water industry.	CANDIDATE STATEMENT FOR DIRECTOR, EASTERN MUNICIPAL WATER DISTRICT, DIVISION 3 CORINNE AWAD AGE: 47 OCCUPATION: Director / Planning Commissioner EDUCATION AND QUALIFICATIONS: As a daughter of a veteran, a mother of five, and an EMWD ratepayer like you, I understand the unique needs of working families in our community. I proudly serve on a local Planning Commission to ensure development is done right in our valley. I care deeply about providing safe, reliable, and affordable water. As a Director of the Eastern Municipal Water District, I will work to keep water rates down for families. Understanding the importance of water conservation, I will bring water education programs into our schools to foster future leaders in sustainability. Having worked full-time while earning my degree, I know the challenges of finding good-paying jobs in our valley. I aim to create workforce development opportunities within the water industry. With over 25 years as a public servant, I bring experience to this position, having worked at a neighboring water district and as a graduate of EMWD's Water Leaders Academy. MEASURE “N” - CITY OF HEMET

ORDINANCE NO. 2037

**AN ORDINANCE OF THE PEOPLE OF THE CITY OF HEMET, CALIFORNIA,
AMENDING SECTIONS 74-71 THROUGH 74-73 OF THE HEMET MUNICIPAL CODE
TO INCREASE THE TRANSIENT OCCUPANCY TAX**

WHEREAS, the City Council has placed a measure to increase the transient occupancy tax before the voters at the general election to be held on November 5, 2024; and

WHEREAS, the measure received the requisite votes for adoption.

NOW, THEREFORE, THE PEOPLE OF HEMET DO HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The definition of “hotel” in Section 74-71 of the Hemet Municipal Code is hereby amended to read as follows:

“Hotel means any structure or any portion of any structure which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist home or house, short term rental, bed and breakfast, motel, studio hotel, bachelor hotel, lodging house, rooming house, apartment house, dormitory, public or private club, mobile home or house trailer at a fixed location, recreational vehicle park, campground, or parking area, or any other property rented to a “transient” or other similar structure or portion thereof.”

SECTION 2. Section 74-72 of the Hemet Municipal Code is hereby amended to read as follows:

“Sec. 74-72. Tax Imposed.

For the privilege of occupancy in any hotel, each transient is subject to, and shall pay tax in the amount of twelve (12) percent of the rent charged by the operator. Such tax constitutes a debt owed by the transient to the city which is extinguished only by payment to the operator or to the city. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax due is not paid to the operator of the hotel, the tax administrator may require that such tax shall be paid directly to the tax administrator.

The tax administrator may make rules and regulations not inconsistent with the provisions of this article as may be necessary and desirable to aid in the enforcement and administration of this article. Any such rule or regulation that may affect the amount of tax owed to the city shall be subject to approval by the city council. The rules and regulations shall be filed in the office of the tax administrator and maintained by the city clerk in an orderly and accessible manner. Taxes are considered paid only upon receipt of the return, and penalty, interest, and completed exemption certificate when appropriate. The burden to secure and comply with the rules and regulations shall be upon the operator.”

SECTION 3. Section 74-73 of the Hemet Municipal Code is hereby amended to read as follows:

“Sec. 74-73. Exemptions.

(a) No tax shall be imposed under this article upon:

(1) Any of the exclusions or exemptions set forth in California Revenue and Tax Code section 7280, et seq., as may be amended from time to time.

(2) Any federal or state officer or employee when on official business.

(3) Any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.

(b) No exemption shall be granted except upon a claim therefor made at the time rent is collected and under penalty of perjury upon a form prescribed by the tax administrator. When a claim of exemption is defective, the operator: (1) shall be responsible for all taxes due with respect to the purported exempt transient; and (2) the tax administrator shall give notice to the operator of all taxes due as a result of the rejection of the exemption claim. The operator shall pay all sums due within ten working days of notification.”

SECTION 4. This Ordinance shall take effect upon its approval by a majority of those voting on the measure at the November 5, 2024 election.

IMPARTIAL ANALYSIS OF MEASURE "N"

On June 25, 2024, the City Council voted to place Measure "N" on the November 5, 2024 general municipal election ballot. By placing Measure "N" on the ballot, the City of Hemet complies with the California Constitution, which requires a majority of the voters to approve an ordinance that establishes a general tax.

The City of Hemet currently imposes a ten percent (10%) Transient Occupancy Tax ("TOT") on persons who rent space at hotels for a period of 30 days or less. If approved by a majority of Hemet voters, this Measure would authorize an increase in the TOT by two percent to a new rate of twelve percent (12%). It is estimated that the measure will increase annual revenues by \$200,000 per year.

The additional revenues will be available to address homelessness, make public areas safer and cleaner, including streets and sidewalks, and other essential government services such as 911 response, pothole repair, senior and youth programs, improving public arts and culture, and parks and recreational facilities. The TOT would continue as to be a "general tax," meaning that revenues raised from the tax would go into the City's general fund to pay for any lawful City program, improvement, or service.

If approved, the new tax rate would remain in effect until ended by Hemet voters voting at a subsequent election. All revenues raised by the tax would remain in the City and would not be shared with the State, County, or any other agency. The revenues and expenditures generated by the tax would be subject to the same independent audit requirements as other city revenues and expenditures.

A "yes" vote on Measure "N" will authorize the increase in the TOT rate to 12%

A "no" vote on Measure "N" will not authorize the increase in the TOT rate to 12%

The above statement is an impartial analysis of Measure "N". If you desire a copy of the Measure, please visit www.hemetca.gov or call the City Clerk's Office at (951)765-2307 and a copy will be provided at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "N"

Vote "YES" on Measure N to maintain quality community services without raising taxes on the City of Hemet's residents or businesses. The Transient Occupancy Tax (TOT) or Hotel Tax is paid only by visitors staying in hotels, short-term rentals, and other similar lodging in our community.

The Hotel Tax is paid by travelers staying in Hemet hotels and using and receiving City of Hemet services. As temporary visitors, they use City roads, enjoy our amenities, and are protected by our 911 police and fire services. The Hotel Tax is the primary method than these visitors contribute to the cost of the services they utilize.

Increasing the rate by 2% will only equal an additional \$2 per night for a hotel stay that costs \$100 per night, but will increase City revenues by a projected \$200,000 per year. The additional revenues can be used to address homelessness, public safety services, but also community services like senior and youth programs, improving public arts and culture, and parks and recreational facilities.

Please join a unanimous City Council in voting "YES" on Measure N to maintain quality City services.

By: /s/ JOE MALES
Mayor, City of Hemet

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "N"

The current General Fund Budget of the City of Hemet is approximately \$80,000,000 (Eighty Million Dollars). The increase in occupancy taxes with the passage of Measure N (according to the City's best case projections) would add \$200,000, a mere one-quarter of one percent to the existing budget. The City of Hemet states that this increase in occupancy tax is needed to "maintain quality community services without raising taxes on City of Hemet residents or businesses." This statement presumes we citizens are currently receiving "quality" community services and that \$200,000 will somehow maintain these services without the need to have further tax increases in the future. Unfortunately, neither presumption is true, and the City of Hemet knows it.

The City promoters completely miss the point. The message that this tax promotion is sending far outweighs the impact that it will have on the General Fund. There is a reason why no hotels have been built in Hemet for the past 16 years, but the City of Hemet is oblivious to their self-inflicted local market conditions currently impacting our community.

Instead of raising taxes, the City of Hemet should be working to clean up our community and make Hemet more business friendly. More taxes are not the answer, regardless of who pays them. Save the City of Hemet from itself. Vote NO on Measure N.

By: Tom Lodge

ARGUMENT AGAINST MEASURE “N”

With its self-serving promotion of this increase in the “hotel occupancy tax” the City of Hemet would like you to believe that the estimated \$200,000 increase to the City’s General Fund will be earmarked for improving the homeless problem, public safety staffing, fixing potholes, etc. What they don’t tell you, and what is absolutely fact, is that nothing in this measure requires the City of Hemet to spend any amounts on these categories of services. The City is free to spend this money on anything it wishes, including buying up more downtown Hemet real estate, more travel junkets to Las Vegas, and many other questionable uses of General Fund money that have been occurring in the past several years. The City of Hemet promoters should inform us of this fact. This lack of transparency speaks volumes.

As an example, most Hemet taxpayers don’t realize that we currently spend approximately \$1,500,000 annually with a Long Beach Company to address our homeless issues. Have you noticed any improvement? I haven’t. Also, many homeless are put up in local hotel rooms paid for with taxpayer money. Is this a proper way to be spending our resources? We should demand proof of improvement and success from the existing spending of General Fund dollars before we authorize more taxation.

The last hotel to be built in Hemet was the Hampton Inn in 2006 – more than 18 years ago. The unintended consequences of this increased tax is to make existing hotel rooms more expensive and new hotel rooms less likely to be built. This hotel occupancy tax increase has not been thought through.

“The problem is not that people are taxed too little – the problem is that government spends too much.”

Please join with me in voting no on Measure N.
