**CANDIDATE STATEMENT FOR
DIRECTOR, FULL TERM,
WEST VALLEY WATER DISTRICT**

ANTHONY ARAIZA AGE: 73
OCCUPATION: Retired
EDUCATION AND QUALIFICATIONS:

My name is Anthony Araiza and for 52 years I was employed by West Valley Water District. I began in the maintenance department and I worked my way up to General Manager. As GM I led the District for 20 years until I retired in June of 2015. When our water supply was threatened by Perchlorate, I worked to find solutions. I chose to avoid costly court battles and instead obtained over \$20 million in assistance to build the most advanced treatment facility in California. And now it is restoring clean water to our region. There have been many people that have claimed they want to reduce costs at the District. I have actually done it. I will work for you to eliminate waste and maintain reasonable rates. I've cared about this District for over 50 years, and I want to see it thrive. I ask for your vote for Director of the West Valley Water District.

**CANDIDATE STATEMENT FOR
DIRECTOR, SHORT TERM,
WEST VALLEY WATER DISTRICT**

ROBERT J. BOURLAND

AGE: 61

OCCUPATION: Retired

EDUCATION AND QUALIFICATIONS:

Reliable, safe, and affordable water is my commitment to you!

I want to represent you on the Water Board. I was raised in Rialto and educated through the Rialto Unified School District. I earned my Bachelor's degree in Business from California State San Bernardino. I have been married 37 years to my beautiful wife and we chose to raise all 5 of our children here. We have also been blessed with 10 grandchildren that also call the Inland Empire home.

Previously, I worked at Southern California Edison for over 30 years. I started as an entry level Meter Reader and retired as an Executive. I've also spent a large part of my life serving the community through different committees and activities which has given me many diverse learning opportunities. Because of this vast experience, I was asked to fill the vacancy on the WVWD board by the San Bernardino County Supervisors.

I have enjoyed my time here and see where I can make a difference. I commit to serving you! I am invested in this cause, not only for myself but my children and grandchildren because I know that the choices we make today will impact generations to come!

Conditional Voter Registration

Effective January 1, 2017, Conditional Voter Registration is available to eligible voters in California pursuant to Election Codes 2170 through 2173.

Conditional Voter Registration (CVR) extends the existing 15-day registration deadline to eligible voters, allowing them to register and vote 14 days prior to an election through Election Day. An eligible voter would need to register directly in the office of the Riverside County Registrar of Voters, located at 2724 Gateway Drive, in Riverside, CA 92507 to conditionally register to vote and vote a provisional ballot.

Voters may register online at www.registertovote.ca.gov, however, **CVR ballots will only be issued at the office of the Registrar of Voters.**

In order to conditionally register, the voter must first complete an affidavit of registration (also known as a Voter Registration Card). Once the registration is submitted, the Registrar of Voters will issue a CVR provisional ballot to vote.

The affidavit will be processed and once the eligibility is determined and validated, the registration will become permanent and the CVR provisional ballot will be counted.

Conditional Voter Registrations are treated and processed in the same manner as other registrations; CVR provisional ballots are treated and processed the same as other provisional ballots.

If you have any questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683).

You may check the status of your voter registration at www.voteinfo.net/AmIRegistered.

CVR was enacted in 2012, to be operative on January 1st after the certification of a statewide voter registration database. VoteCal, California's statewide voter registration database, was certified on September 26, 2016; CVR became operative as of January 1, 2017.
