Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

WILL ROLLINS, Democratic

AGE: 37

OCCUPATION: Counterterrorism Prosecutor

EDUCATION AND QUALIFICATIONS:

I'm Will Rollins, and I'm running for Congress because America needs a new generation of leaders who will fight corruption, keep government out of our bedrooms, and protect our communities from extremism.

I served as a federal prosecutor, where I worked to keep residents in the Inland Empire and Coachella Valley safe. I took on MS-13 and the Sinaloa cartel. I prosecuted gang shootings, child predators, and kidnapping cases. I fought against opioid abuse and corruption by taking on fentanyl and heroin dealers, whose drugs killed a young victim, and prosecuted a doctor taking bribes to prescribe pain killers. Specializing in counterterrorism, I defended our country from adversaries like Russia, China, Iran, and ISIS, and I helped prosecute insurrectionists who breached the U.S. Capitol on January 6th.

In Congress, I will continue fighting against extremism and corruption and work to:

- Pass a new law guaranteeing a woman's right to abortion. Women and their doctors should make these personal health decisions, not politicians.
- Ban Members of Congress and their spouses from trading stocks, restrict the revolving door of lobbyists working in the Capitol, and end dark money and corporate campaign contributions.
- Stop price-gouging by massive oil corporations and Big Pharma and lower costs for working families and seniors.
- Keep our communities, schools, and police officers safe with violent criminal history and mental health background checks on gun sales.

I ask for your vote. Let's end the toxic divisions promoted by extremism and start solving problems.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican

AGE: 69

OCCUPATION: U.S. Representative

EDUCATION AND QUALIFICATIONS:

It is an honor to deliver results for Riverside County including federal funding for transportation, water and clean air projects. I voted for one of the largest middle-class tax cuts and doubled the child tax credit. My office has helped thousands of constituents to ensure veterans and seniors receive the benefits they deserve.

Inflation is crushing families every time they buy food or fill up on gas. I voted against trillions of dollars in inflationary spending pushed by President Biden. I am the only candidate who opposes tax increases and more inflationary spending.

We must increase American energy production to lower gas prices. Democrat proposals to decrease or tax energy production will only continue to raise prices for consumers.

I support local law enforcement officers who put their lives at risk to keep us safe. I oppose Democrat proposals to defund the police which has resulted in higher crime. I support increased funding for border security to gain control of our border and end drug and human trafficking. I created E-Verify, a program for employers to check the legal status of their employees.

I support school choice and parents' rights. I have worked to lower healthcare costs and fund research to cure terminal diseases.

I voted for a pay raise for troops and new benefits for veterans exposed to toxic burn pits. The United States must be a leader and confront challenges posed by China and Russia through strength and international alliances.

I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
47TH ASSEMBLY DISTRICT**

GREG WALLIS, Republican

OCCUPATION: Assembly District Director

EDUCATION AND QUALIFICATIONS:

California should be the land of opportunity. We've got some of the smartest, hardest working people anywhere. Weather and natural beauty that's the envy of the world. Innovation. Technology. Agriculture. So why are people leaving?

They are leaving because Sacramento politicians are failing at the basics. Increased crime and homelessness. Higher taxes, restrictive home prices. Failing K-12 schools. Traffic gridlock. Losing freedoms.

The California I think we want? A good idea or hard work can get you ahead... where there is opportunity to be successful and prosper... where we lend a helping hand to people who need it... where it's safe to walk the streets at night... where every student has a good school. I don't think that's asking too much, do you?

Why am I running? My wife Desiree and I have seen too many of our friends pack up and move because of the high cost of living, lack of opportunity, and growing lawlessness. It doesn't have to be this way. We are young, and we could leave too, but instead we want to stay and work to fix things.

I can't solve all the problems, but I can offer a new sense of bipartisanship and fresh ideas. Make it safe again. Friendly to jobs and small business. Affordable. Safe from fire with plenty of water storage. Good schools. Where it's easy to join the middle class. A place where we look forward at a better future, not back wondering what happened.

**CANDIDATE STATEMENT FOR
JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 4**

AMY BARAJAS

OCCUPATION: Senior Deputy District Attorney

EDUCATION AND QUALIFICATIONS:

I am running for Riverside County Superior Court Judge Seat #4 to ensure we protect our community and provide justice for victims and their families and to give all litigants fair administration of justice whether in criminal, civil, family, juvenile, or probate court.

For 17 years, I have served as a Senior Deputy District Attorney, successfully prosecuting some of society's worst criminals, including perpetrators of homicide, child abuse, sexual assault, gang violence, domestic violence, and political corruption. My unparalleled track record and years of courtroom experience taught me the necessary lessons and values to be your next judge.

Demonstrating my impartial approach to advancing justice, I have earned the support of the current Presiding Judge of Riverside County Superior Court and the current Presiding Justice for the Fourth District Court of Appeal, Division 2, each respectively supervising all judges or justices within Riverside County, (including the position I am running for), over 36 additional judges countywide, District Attorney Mike Hestrin, Public Defender Steve Harmon, public safety, and many more.

Riverside deserves a trusted, experienced and informed judge who lives in and understands our community, a place where I grew up and choose to raise my family. I am committed to holding violent criminals accountable, protecting victims, and rehabilitating nonviolent offenders. I would be honored to earn your vote to continue delivering justice in this great county we call home.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
DESERT COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 1**

LARISSA CHAVEZ CHAIDEZ
OCCUPATION: Business Manager
EDUCATION AND QUALIFICATIONS:

As a College of the Desert graduate who served as President Student Ambassador, Vice President of the Student Body, and Student Trustee for COD's Board of Trustees, I know the issues facing the college and will implement policies to get our students a great college education. Having worked in the Office of the President, I collaborated with college leadership to eliminate barriers by offering free tuition for all high school graduates and free student public transportation. I increased student engagement to change policies regarding the academic student calendar and class offerings that contributed to COD being the fastest growing community college in California.

My extensive COD government experience has prepared me to serve as your next representative on the Board of Trustees. There are still many milestones to reach in East Valley including infrastructure connections for the Mecca/Thermal Campus to legally expand, full buildout of the Indio Campus, and filling classrooms at Coachella Library. Recent actions by the current Board have caused enrollments to plummet. Expansion plans not reviewed by the public have wasted tax dollars and time. Together, we can make COD, once again, a transparent and award-winning college that benefits your family! I ask for your vote. www.LarissaforCOD.com.

RUBEN PEREZ
OCCUPATION: Governing Board Member, Desert Community College District
EDUCATION AND QUALIFICATIONS:

In 2018, the community encouraged me to run and with your overwhelming support, I became the youngest and first locally born trustee to serve on the College of the Desert (COD) Board of Trustees.

I outlined four goals, including, improving COD's presence in the Eastern Coachella Valley; being more equitable in COD's distribution of resources; improving campus culture; and improving graduation rates, thus, ultimately changing the status quo and the way COD operates.

Very proud to share, I have fulfilled every single promise by:

- Offering transfer ready courses at our Mecca Campus and fostering a new relationship with CVUSD — creating a dual enrollment program.
- Begun offering ESL and Transfer level courses and academic and transfer services in the city of Coachella.
- Revamping campus culture by demanding accountability and providing resources and safe spaces for students and staff.
- Increasing transfer/certificate rates and breaking graduation records every year in my 4 years since elected.

I am currently serving as the youngest trustee and board chair in the nation and the only trustee and candidate who attended and has friends attending COD. With your continued vote of confidence, I ensure, students will continue to be at the forefront of the decision making process.

BEN J. BENOIT

OCCUPATION: Auditor / Mayor / Businessman

EDUCATION AND QUALIFICATIONS:

It's time we audit the Auditor-Controller's office. On May 26, 2022, Riverside County's Grand Jury identified several ongoing failures by the Auditor-Controller's office, putting Riverside County in "unnecessary financial risk." I'm the auditor for a non-profit organization, and I serve on auditing committees for several government agencies – I'm well equipped to serve as Riverside County's Auditor-Controller. I will restore trust, accountability, and ethical leadership when it's most needed.

As a local auditor, mayor, and businessman, I've delivered results. I've fought fraud, waste, and abuse and I always act with the highest integrity. I'm a taxpayer watchdog - I've balanced budgets, improved government efficiency, and increased transparency and accountability in local government.

As your Auditor-Controller, I will:

- Stop wasteful spending
- Be a taxpayer advocate
- Return money due to the people

We need change in the Auditor-Controller's office, that's why I've earned endorsements from local leaders and organizations across Riverside County including:

LINDA EVANS

EDUCATION AND QUALIFICATIONS:

THANK YOU for the privilege of serving as your Mayor for the past eight years. As a city, we are proud of our accomplishments and the progress made – especially overcoming the impacts caused by the pandemic and supporting our residents and local businesses through the worst of it. We have added new businesses, increased affordable housing units and acquired land for more units, funded programs for the homeless and food insecure, added new events for our community to enjoy, beautified North La Quinta landscaping, increased funding for road repairs and maintenance, and enhanced our flood control systems. This was all accomplished while effectively managing expenses and securing financial reserves.

Your continued engagement to provide feedback, input, and participation is important to me. Together, we create our quality of life. We will continue to ensure our city is safe as we value our law enforcement and fire services. Ongoing/future projects include Vision Highway 111, Montage and Pendry Hotels at Talus, enhancement of the Village/Old Town area, reliability of utilities, and more affordable housing.

We have taken this journey together, and I appreciate the support and teamwork we share. Respectfully, I ask for your vote for Mayor. Thank you. #LoveLQ

ROBERT F. SYLK

Promise

La Quinta celebrated its 40th Anniversary but we are not moving forward and stuck from a lack of vision and lack of leadership. My observations over the past eight years is literally every decision made by the Council is a reactive position. Rarely do we find them leading or out in front of any issue. They won't make a decision without consensus. La Quinta has lost its vitality and energy and should be one of the leading cities in the Coachella Valley. Let's raise our visibility and restore the "can do" attitude La Quinta once enjoyed.

I have not lost my faith in our great City. Like you, I believe in La Quinta.

This is more than a campaign slogan -- it is a deep seated belief that comes from being surrounded by the best we have to offer. Strong families - strong communities - strong faith - and strong work ethics born of a sense of personal responsibility.

I have met with people who have lost their jobs, their savings, homes, businesses, and way of life. But they have not lost their hope!

They truly believe that by restoring La Quinta's promise things will get better. I promise to do just that for you.

Thank you for considering me for La Quinta City Council.

I am not a career politician, but a citizen politician, a concerned full-time resident since 2011 with issues as to some of the projects being proposed that can be detrimental to our quality of life.

After graduating law school with a juris doctor degree, I went into public service as an investigator with the County of Los Angeles Department of Consumer Affairs. I ran many of the departments there, including Consumer Protection, Mediation, Identity Theft and Real Estate Fraud.

I am against non-hosted full-time STRVs in residential neighborhoods. I am against the Wave Pool project because of the detrimental effect on its neighbors and the amount of precious water that will be used. I am against high density housing at 50th and Washington. I believe our roads need critical attention. I am for fully reviewing every project as to how it affects residents first and not cater to special interests. I want accountability for the SilverRock debacle.

RICHARD NELSON GRAY

AGE: 77

OCCUPATION: Retired
EDUCATION AND QUALIFICATIONS:

Now it's up to you. Your vote and all our votes will decide La Quinta's future. Do you want the same plodding and stagnant city?

Are roundabouts the best use of discretionary capital projects? Is SilverRock the example of poor decision-making and supervision? Are our residential neighborhoods better for having Short-Term Vacation Rentals spread around like mini motels? Was there a waste of staff time and costs by stretching out the permit process for the huge water waste at Coral Mountain? Did the new lane changes practice road-diet or road-kill at Adams?

I am a retired State Dept Foreign Service Officer - diplomat. Oversea federal service for 15 years. I have a BA from the University of San Diego, 2 years in banking, 2 years as a middle school teacher, and 25 years with my family's construction firm. My greatest experience is life-time citizenship and willingness to serve as a La Quinta council member.

If you're satisfied with La Quinta's sluggish progress, vote for the status quo.

If you want democracy with citizen oversight and leadership, vote for me and for other new candidates.

IMPARTIAL ANALYSIS OF MEASURE “A”

City of La Quinta

Ballot Measure proposing to phase-out and permanently ban “non-hosted short-term vacation rentals,” as defined, in non-exempt areas of the City of La Quinta by December 31, 2024.

Measure “A” (Measure) was placed on the ballot by initiative petition and submitted to the electorate of the City of La Quinta (City).

Existing Law: In 2012, the La Quinta City Council (Council) enacted short-term vacation rental (STVR) regulations. Since then, Council has amended the regulations multiple times over the years.

Current City law defines “short-term vacation rental unit” to mean a privately owned residential dwelling, such as a single-family detached or multi-family attached unit, rented for occupancy for 30 consecutive calendar days or less. City law requires every owner of a dwelling used as a STVR to obtain a STVR permit, which is valid for one year and must be renewed annually. STVR permits are not transferrable upon sale of the dwelling. Owners holding STVR permits must remit to the City “transient occupancy taxes” (TOT) in the amount of 10% of the amount charged or chargeable to the person(s) occupying the STVR. As a “general tax,” TOT revenue may be used to fund any and all City services, programs and projects.

Current City law bans the issuance of new permits for STVRs in non-exempt areas of the City, as defined, but allows renewals of permits annually if an owner of a dwelling had a valid STVR permit on or before August 4, 2020.

Proposed Changes: If the Measure is adopted, City law would be amended so that, by December 31, 2024, STVR permits would be prohibited, except in exempt areas of the City as specified in the Measure. If the Measure is adopted, new and renewal permits would be allowed only for residential dwellings where the owner ***lives on-site or in the dwelling throughout the rental occupant’s stay***, except in exempt areas as specified in the Measure.

Effect: STVRs are a significant share of the City’s economy. According to independent economic consultants, in 2021, STVR visitor spending generated \$170 million in business sales, \$21.1 million in personal income, 779 jobs, and \$9.7 million in local tax revenues (primarily TOT and sales tax).

If the Measure is adopted, the inventory of available STVRs in the City would be reduced from approximately 1,200 to 400 units. The reduction in non-exempt areas would be significantly greater than the number of new registrations in exempt areas.

If the Measure is adopted, lower visitor spending in the City would result. According to independent economic consultants, there would be, annually, \$100 million less in business sales, 445 fewer jobs, \$13 million less in personal income, and between \$6.1 and \$8 million less in local tax revenues (primarily loss of TOT and sales tax).

A “Yes” vote is in favor of adopting the Measure’s STVR phase-out and ban by December 31, 2024. A “No” vote is against the Measure’s STVR phase-out and ban by December 31, 2024. If a simple majority of voters, voting on this Measure, vote “Yes,” then this Measure will be approved and the implementing ordinance adopted.

Dated: August 22, 2022

ARGUMENT IN FAVOR OF MEASURE “A”

Measure A is about protecting our neighborhoods, our quality of life, our safety, and our homes. Who wants to live next to a Short-Term Vacation Rental (STVR)?

Cities across California, including 4 valley cities, have adopted ordinances like Measure A, successfully restoring residential neighborhoods without impacting their local economies. Most of La Quinta residential HOA communities already have a 30-day minimum rental regulation in place.

STVRs are disruptive to the character and fabric of La Quinta residential neighborhoods and are inconsistent with the land use intended for residential communities. STVRs expose our children and grandchildren to a revolving door of strangers creating problems which cannot be addressed with code enforcement. Drugs and alcohol-fueled parties destroy the peace, quiet and safety of our neighborhoods.

STVRs remove homes from an already limited housing inventory and the long-term rental market, preventing families from calling La Quinta home and denying their children the opportunity to attend our schools and increase our school funding.

Measure A is a common-sense solution to restrict STVRs to areas that are already designated for commercial tourism. This keeps Residential Neighborhoods for Residents, and Tourist Commercial areas for STVRs.

Measure A recognizes La Quinta as a tourist destination and supports tourism by stimulating the development of as many STVRs in designated Tourist Commercial areas as demand will support. Measure A will accelerate the SilverRock (Talus) development by removing competing rentals in residential neighborhoods.

Measure A defends La Quinta's heritage of having one of the highest percentage of family households in the valley. Don't let politicians, corporations, and out-of-town investors destroy your neighborhood, your quality of life, and your sense of safety by permitting short-term rentals in residential neighborhoods. **La Quinta needs residential neighborhoods – VOTE YES on A.**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “A”

There are no facts or data presented in arguments for Measure A.

Before voting, we must know and understand the facts, especially when the community will lose at least 445 full-time jobs, \$100 million in business sales, and \$8 million in local tax revenue if Measure A passes, impacting working families and small businesses the most.

The city needs to keep the financial resources and ability to control, enforce, and shut down UNFIT and UNPERMITTED operators. Hefty fines, enforcement, and attrition are getting the JOB DONE.

Measure A will NOT accelerate any development, including TALUS or new projects, as all projects require a willing developer, a suitable market, and an approval process before construction begins. Even with final approval, build-out can be 15 years or longer from first application to completion, depending on labor, materials, and costs for construction.

Measure A will NOT increase housing inventory. Only 139 out of 792 permitted STVRs homes are below \$600,000 and unlikely to be sold. The other 653 are valued between \$601,000 and \$4 million – well above what a \$75,000/year median income working-class families in La Quinta can afford. The path to affordability is through new affordable construction, which the city is actively pursuing.

No evidence exists that cities, where STVRs were banned have solved any issues or that STVR activities have ceased.

Passing Measure A will only ensure the PROLIFERATION OF UNPERMITTED OPERATORS.

We remain steadfast in recommending a NO VOTE on Measure A.

ARGUMENT AGAINST MEASURE “A”

A ban on new STVR permits in non-exempt residential areas has been in place since August 2020. The Municipal Code was amended (May 20, 2021) to formalize the permanent ban. This sensible approach has yielded an orderly reduction in STVRs. From January 2021 to June 2022, permits in non-exempt areas have declined from 1,037 to 792 or 23.63%, with a minimal economic impact on our community. In 2022, complaints decreased by 78% in Q-1 and 63% in Q-2 compared to the same 2021 periods.

While Measure A proponents are well-meaning individuals, this initiative is based on the unrealistic assumption that STVR issues can be addressed via an ON-OFF switch. Measure A will cause new problems. Placing an artificial deadline on a complex issue only provides the illusion of resolution. The reality of Measure A's unintended consequences will undoubtedly impact La Quinta's quality of life and economy. Consequences will include canceled or delayed public works projects, and lack of maintenance for our aging infrastructures, roads, parks, and amenities as Police-Fire is projected to consume most of Measure G revenue in the next few years.

STVR issues will not cease to exist by banning currently permitted operators. Why? The bulk of the problems (66% of all complaints during the festival season alone!) was generated by unpermitted operators. If Measure A passes, these folks will continue to operate, and more unpermitted operators will follow. The city will have insufficient financial resources to enforce the ban.

Although STVRs in non-exempt areas are already greatly reduced, STVRs generate \$6 million in annual TOT revenue for the city to provide essential services to all citizens; they also provide the resources to search, investigate, and eliminate unfit and unpermitted STVR operators.

VOTE NO and keep the PROVEN and EFFECTIVE method in place!

REBUTTAL TO ARGUMENT AGAINST MEASURE “A”

Measure A is about our neighborhoods, neighbors, quality of life and safety. The need for special Short-Term Vacation Rental (STVR) enforcement supports our argument that nightly rentals and residential communities are incompatible. Many of the problems created by STVRs aren't addressed by city codes. Residents feel threatened, single women forced to move, welfare calls blocked by excessive cars and parents adding a home addition to protect their children. **Why does the city continue to support residential STVRs?**

Measure A is not about money. The Finance Advisory Committee's 10-year budget process projects increasing cash reserves. The available General Fund Reserves are \$101M (June 30, 2021). Our Police and Fire services can easily be maintained without any tax increase. Don't be misled.

A YES vote promotes the conversion of residential STVRs into family homes, adding millions to the local economy and school budget.

Visitors come to La Quinta to enjoy the beauty and outdoor activities, not to stay in residential STVRs. After the two-year phase out hotels and STVRs in exempt areas can easily accommodate visitor demand.

Measure A will permanently protect residential zoning city wide. The fear that a future city council will allow unlimited STVRs in residential neighborhoods will be gone.

Measure A assures those owning or buying a home in La Quinta that a neighbor will be next door, who can help when needed and volunteer for civic activities, not a stranger. **YES on A!!!**

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver's license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently serving in a state or federal prison for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinevcs>) to renew your driver's license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver's license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 24: last day to register to vote and request your ballot

November 1: last day to update or change how you want to receive your ballot

November 8: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 15. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
