Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

The last few years have been deeply challenging. And while we all hope the worst of the pandemic is over, the impact will be felt for years.

Now more than ever, we need elected officials who put public service over politics.

I'm the son of farmworkers, who grew up in Coachella.

I'm an emergency physician who ran for Congress to serve people; I'm not a career politician. When I care for patients, it doesn't matter what political party they belong to or whether they are wealthy. All that matters is serving them.

I brought that same commitment to Congress, and continue to do so:

FIGHTING FOR COVID RECOVERY: I helped pass laws that distributed vaccines to everyone who wanted them, delivered \$250 million that allowed local schools to reopen safely, and created a child tax credit that helped 90,000 local families pay for rent, food, and healthcare.

FIGHTING FOR RETIREES AND VETERANS: I promised I would protect Social Security, Medicare, and Veterans' benefits and I've kept my promise. And, I've helped local retirees and veterans collect \$13 million in Social Security and other benefits they'd earned.

FIGHTING FOR AFFORDABLE HEALTHCARE: I wrote a law to improve MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I am working to make prescription drugs more affordable.

We have a lot of work to do; I will not stop until the job is done.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
18TH SENATORIAL DISTRICT**

STEVE PADILLA, Democratic

OCCUPATION: City Councilmember / Former Police Officer

EDUCATION AND QUALIFICATIONS:

"Steve Padilla respects our community, fights for our families and will move our Valley forward." – Assemblymember Eduardo Garcia

Steve Padilla is a City Councilmember, father and former Police Officer who knows the struggles working families face. Steve will fight for what matters to us: good jobs with decent wages, public schools we're proud of, homes we can afford, healthcare we can all rely on.

Steve Padilla has spent his life taking on tough fights and getting things done for working people. As a Police Detective, Steve protected neighborhoods from crime. As Mayor, he broke the gridlock to build Chula Vista's Bayfront and create 7,000 union jobs. On the State Coastal Commission, Steve fought oil companies to protect clean air and put renewable energy first.

In the State Senate, Steve Padilla will stand up to the special interests and fight to bring the cost of living down. He'll put the focus on housing for working families, not just the wealthy. Expand paid family sick leave so workers can actually afford to take time off. Work for lower prescription drug costs and healthcare that's universal. And Steve will continue the fight to restore the Salton Sea and protect the water our families count on.

We Endorse Steve Padilla: California Nurses Association. Planned Parenthood Action Fund. California Teachers Association. California Labor Federation. California Latino Caucus.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
36TH ASSEMBLY DISTRICT**

IAN M. WEEKS, Republican

AGE: 37

OCCUPATION: Certified Financial Planner

EDUCATION AND QUALIFICATIONS:

I'm running for State Assembly to stand up for what is objectively true and right, not for personal gain or popularity. As a believer in and follower of Jesus Christ, I will champion and advocate for the traditional values that made this country great in the first place. As a husband and father, I will fight for laws that make our community safer. As a father of school-aged children, I will fight to give parents the ultimate authority over their children's education and well-being. I will fight government overreach that makes it harder for families to make ends meet. As a Certified Financial Planner, I will fight for responsible management of the financial resources entrusted to the state by its citizens.

I will boldly:

- Support Law Enforcement.
- Fight policies that increase the cost of living.
- Meet with and listen, rather than dictate to farmers and other business owners regarding what they need from government to be successful.

I will fight tirelessly to increase EVERY Californian's independence from, and not dependence upon the government.

If you have any questions, please reach out to me. I hope to hear from you.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
DESERT COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 1**

LARISSA CHAVEZ CHAIDEZ
OCCUPATION: Business Manager
EDUCATION AND QUALIFICATIONS:

As a College of the Desert graduate who served as President Student Ambassador, Vice President of the Student Body, and Student Trustee for COD's Board of Trustees, I know the issues facing the college and will implement policies to get our students a great college education. Having worked in the Office of the President, I collaborated with college leadership to eliminate barriers by offering free tuition for all high school graduates and free student public transportation. I increased student engagement to change policies regarding the academic student calendar and class offerings that contributed to COD being the fastest growing community college in California.

My extensive COD government experience has prepared me to serve as your next representative on the Board of Trustees. There are still many milestones to reach in East Valley including infrastructure connections for the Mecca/Thermal Campus to legally expand, full buildout of the Indio Campus, and filling classrooms at Coachella Library. Recent actions by the current Board have caused enrollments to plummet. Expansion plans not reviewed by the public have wasted tax dollars and time. Together, we can make COD, once again, a transparent and award-winning college that benefits your family! I ask for your vote. www.LarissaforCOD.com.

RUBEN PEREZ
OCCUPATION: Governing Board Member, Desert Community College District
EDUCATION AND QUALIFICATIONS:

In 2018, the community encouraged me to run and with your overwhelming support, I became the youngest and first locally born trustee to serve on the College of the Desert (COD) Board of Trustees.

I outlined four goals, including, improving COD's presence in the Eastern Coachella Valley; being more equitable in COD's distribution of resources; improving campus culture; and improving graduation rates, thus, ultimately changing the status quo and the way COD operates.

Very proud to share, I have fulfilled every single promise by:

- Offering transfer ready courses at our Mecca Campus and fostering a new relationship with CVUSD — creating a dual enrollment program.
- Begun offering ESL and Transfer level courses and academic and transfer services in the city of Coachella.
- Revamping campus culture by demanding accountability and providing resources and safe spaces for students and staff.
- Increasing transfer/certificate rates and breaking graduation records every year in my 4 years since elected.

I am currently serving as the youngest trustee and board chair in the nation and the only trustee and candidate who attended and has friends attending COD. With your continued vote of confidence, I ensure, students will continue to be at the forefront of the decision making process.

If any Assessor’s Parcel Numbers are no longer valid from the previous Fiscal Year, the CFD Administrator shall determine the new Assessor’s Parcel Number or Numbers that are in effect for the current Fiscal Year. To the extent an Assessor’s Parcel(s) of Taxable Property are subdivided, consolidated or otherwise reconfigured, the Special Tax rates shall be assigned to the new Assessor’s Parcel(s) pursuant to Section C.

Each Fiscal Year, all Assessor’s Parcels within CFD No. 2022-1 shall be classified as follows:

1. Each Assessor’s Parcel shall be determined to be Taxable Property or Tax Exempt Property.
2. Each Assessor’s Parcel of Taxable Property shall be further classified as Developed Property, Taxable Contingent Property, or Undeveloped Property. Taxable Property shall be subject to Special Taxes in accordance with the rate and method of apportionment determined pursuant to Sections C and D below.
3. 4. Assessor’s Parcels subject to the District’s Assessment District 93-1 and Reassessment District No. 01-1 shall be identified and the amount of the Fiscal Year levy shall be determined.

C. MAXIMUM SPECIAL TAX RATES

Notwithstanding the below, under no circumstances will the Special Tax levied in any Fiscal Year against any Assessor’s Parcel for which an occupancy permit for private residential use has been issued be increased by more than ten percent above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default by the owner(s) of any other Assessor’s Parcel within CFD No. 2022-1.

PRIOR TO THE TRANSITION EVENT

1. Developed Property

The Maximum Special Tax for each Assessor’s Parcel of Developed Property is shown in Table 1.

**TABLE 1

FISCAL YEAR 2023/24**

Property Type	Maximum Special Tax	Per
Single Family Residential Property	\$0.07	Building Square Foot

Residential Condominium Property	107.00	Unit
Multi-family Residential Property	94.00	Unit

2. Taxable Contingent Property

Maximum Special Tax

The Maximum Special Tax for each Assessor’s Parcel of Taxable Contingent Property shall be assigned as shown in Table 1 according to the previous Taxable Property type and use.

AFTER THE TRANSITION EVENT

The Maximum Special Tax for each Assessor's Parcel that may be levied in any Fiscal Year after the Transition Event is determined as, an amount equal to 100% of the Maximum Special Tax in the Fiscal Year prior to the Transition Year, adjusted for any parcel that prepaid in part their Special Tax by adding an amount equal to the Special Tax that would have been due in the Fiscal Year prior to the Transition Year if such Parcel had not prepaid.

PARCELS SUBJECT TO ASSESSMENT DISTRICT 93-1 AND REASSESSMENT DISTRICT NO. 01-1

The Maximum Special Tax for each Assessor's Parcel that, in any Fiscal Year, is levied an assessment for the District's Assessment District 93-1, may be reduced by the amount of the District's Assessment District 93-1 and Reassessment District No. 01-1 levy for such Fiscal Year.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAXES

Commencing with Fiscal Year 2023/24 and for each following Fiscal Year, the CFD Administrator shall determine the Special Tax Requirement, and shall levy the Special Tax until the amount of the Special Tax equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property at a rate up to 100% of the applicable Maximum Special Tax to satisfy the Special Tax Requirement.

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on all Taxable Contingent Property at a rate up to 100% of the Maximum Special Tax for Taxable Contingent Property.

E. EXEMPTIONS

No Special Tax shall be levied on Agricultural Property, Timeshare Property, Public Property and Undeveloped Property. However, should an Assessor's Parcel no longer be classified as Public Property or Undeveloped Property its tax-exempt status will be revoked. In the case of Public Property and pursuant to Section 53317.3 of the Act, if property not otherwise exempt from the Special Tax levied pursuant to this chapter is acquired by a public entity through a negotiated transaction, or by gift or devise, the special tax shall, notwithstanding Section 53340, continue to be levied on the property acquired and shall be enforceable against the public entity that acquired the property. However, the public agency that acquires the property may prepay in part and satisfy the obligation to pay the tax pursuant to Section I below.

Taxable Contingent Property shall be subject to the levy of the Special Tax, assigned to a Property Type in accordance with the use of the property, and shall be taxed Proportionately as part of the second step in Section D above, at up to 100% of the applicable Maximum Special Tax.

Prior to the Transition Event, any property that is granted a welfare exemption pursuant to Section 53340(c) under the Act under subdivision (g) of Section 214 of the Revenue and Taxation Code prior to the first series of CFD No. 2022-1 Bonds shall thereafter be exempt from the Special Tax. Any property that is granted a welfare exemption pursuant to Section 53340(c) under the Act under subdivision (g) of Section 214 of the Revenue and Taxation Code after the first series of CFD No. 2022-1 Bonds have been issued shall not be considered Welfare Exempt Property for the Special Taxes - Facilities and shall not be exempt from Special Tax - Facilities.

After the Transition Event, any property that is granted a welfare exemption pursuant to Section 53340(c) under the Act under subdivision (g) of Section 214 of the Revenue and Taxation Code shall thereafter be exempt from the Special Tax.

F. APPEALS

Any property owner may file a written appeal of the Special Taxes with the CFD Administrator claiming that the amount or application of the Special Taxes is not correct. The appeal must be filed not later than one calendar year after having paid the Special Taxes that are disputed, and the appellant must be current in all payments of Special Taxes. In addition, during the term of the appeal process, all Special Taxes levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Taxes are in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the Board of Directors whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the Board of Directors requires the Special Taxes to be modified or changed in favor of the property owner, the CFD Administrator shall determine if sufficient Special Tax revenue is available to make a cash refund. If a cash refund cannot be made, then an adjustment shall be made to credit future Special Taxes.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.

G. **INTERPRETATIONS**

The District may, by resolution or ordinance, interpret, clarify and/or revise this Rate and Method of Apportionment to correct any inconsistency, vagueness, or ambiguity as it relates to the Special Taxes, method of apportionment, classification of Parcels, or any definition used herein, as long as such correction does not materially affect the levy and collection of Special Taxes. In addition, the interpretation and application of any section of this document shall be at the District's discretion.

H. **MANNER OF COLLECTION**

The Special Taxes shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that the CFD Administrator may, at the sole discretion of the District, directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner as necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on Assessor's Parcels of Taxable Property that are delinquent in the payment of the Special Tax.

I. **PREPAYMENT OF SPECIAL TAX**

The Special Tax may not be prepaid.

J. **TERM**

The Special Tax shall be levied and collected, as needed to fund the Special Tax Requirement, in perpetuity. However, no portion of the Special Tax shall be levied for Authorized Facilities after Fiscal Year 2057/58, which shall be the last Fiscal Year in which the Transition Event may occur: provided, however, that a Special Tax that was lawfully levied for Authorized Facilities in or before Fiscal year 2057/58 and that remains delinquent may be collected in subsequent years.

LIST OF AUTHORIZED FACILITIES AND SERVICES

The public facilities, public services and incidental costs authorized to be financed by the special taxes levied in the CFD consist of the following:

Authorized Facilities. Authorized facilities consist of the purchase, construction, expansion, improvement, relocation and/or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer that is undertaken by the District or another public agency and that is recreation-related, including without limitation, with respect to the Pawley Pool Family Aquatic Complex and the Indio Community Center, together with all direct or indirect costs and expenses related thereto. Authorized facilities also include payment of any bonds, notes, lease payments, indebtedness or other obligations for any authorized facility.

Authorized Services. Authorized services consist of (i) the operation, maintenance, repair and provision of any other services with respect to any authorized facility, including replacement and the funding of a reserve fund to pay for future repair and/or replacement of any authorized facility; such authorized services include, but are not limited to, all general or extraordinary activities deemed necessary or desirable by the District to provide for the use or enjoyment of any and all authorized facilities, whether provided by the District or any outside entity, including maintenance and operations contingencies and reserves with respect thereto; and (ii) any District services which protect public health, improve gang prevention efforts, and/or facilitate afterschool programs for at-risk youth.

Incidental Costs. In addition, costs eligible to be financed by the CFD shall include all costs and expenses incidental to the above and authorized by the Mello-Roos Community Facilities Act of 1982 that are determined by the District to be associated with the authorized facilities or the authorized services, the formation and ongoing administration of the CFD, the election, bonding, or levy and collection of special taxes, as well as all other costs incurred to carry out the authorized purposes of the CFD that are permitted by the Act.

IMPARTIAL ANALYSIS OF MEASURE "L"

The Board of Directors ("Board") of the Desert Recreation ("District") by adopting Resolutions No. 22-34B and No. 22-36, ("Resolutions"), elected to call an election pursuant to Section 1 of Article XIII A of the California Constitution and Section 53311 *et seq.* of the California Government Code (known as the Mello-Roos Community Facilities Act of 1982) to obtain authorization to issue and sell general obligation Bonds ("Bonds") in the aggregate amount principal amount of twenty-one million dollars (\$21,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District for the purchase, construction, expansion, improvement of real or other property that is recreation-related, including, but not limited, to the Pawley Pool Family Aquatic Complex and the Indio Community Center. Additionally, the Bonds may be used for operation, maintenance, repair and other services for any authorized facility, or general or extraordinary activities deemed necessary by the District such as protection of public health, afterschool programs for at-risk youth, and improved gang prevention efforts. State law requires that the District utilize the proceeds only to the specific purposes of the Bond, create an account into which proceeds shall be deposited and prepare an annual report containing the amount of funds collected and expended.

A special tax would be levied and collected on property in the same manner and method as ad valorem taxes within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the maximum annual tax rate at this time is \$0.07 per square foot for single family residential units. A best estimate of the maximum annual tax rate at this for non-residential property is \$402.00 per parcel. Other maximum special tax rates will be applicable to accessory dwelling units, residential condominium properties and multi-family residential properties. The special tax may be levied and collected, as needed, in perpetuity subject to certain events.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term.

For this Measure to be approved two-thirds (2/3) of voters (sixty-six percent) of qualified voters who vote on the Measure must vote yes.

A "YES" vote on Measure "L" is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A "NO" vote on Measure "L" is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “L”

Vote YES on L to maintain clean and safe parks and recreational facilities in Indio.

Voting Yes on L will improve Desert Recreation District's aging parks and recreational facilities in Indio to maintain high-quality recreational opportunities for local children, families and seniors for decades to come.

Measure L would expand the existing partnership between Desert Recreation District and the City of Indio to improve and expand recreational opportunities and programming to ensure our local parks and recreational facilities are enjoyed by residents of all ages.

Measure L gives us local control over parks and recreational needs. Measure L benefits all residents by updating local parks and recreation centers and would provide essential services like meals, food distribution, emergency shelters and cooling and warming centers to those in need.

With Indio experiencing over 30 days of temperatures over 109 degrees or more last summer, providing safe places for children, seniors and community members to play, exercise and stay cool is critical.

Voting YES on L will:

- Keep parks clean, well-maintained and safe
- Maintain safe places for children to play, including parks, playgrounds, sports fields and recreation centers
- Maintain after-school, summer and gang prevention programs serving at-risk youth and teens to keep them safe and out of trouble
- Maintain senior programs, including meals for low-income seniors

Measure L requires strict fiscal accountability

- Every penny must stay local and be used on parks and recreation only
- No Measure L funds could be used for administrator salaries or pensions
- Independent Citizens' Oversight and annual audits are required
- No Measure L funds could be taken by Sacramento
- Low-income seniors would be eligible for an exemption

Vote YES on L to protect high-quality parks and recreational opportunities for our community.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “L”

Everything in the argument in favor is dishonest by design, and intended to scare you so you vote away your money.

Do you really believe that if you don't vote for this extortion then the District will give you unsafe and dirty parks with poisonous water? And absolutely no babysitting? And government is the only solution? Really?

What's the District doing with the money it already collects from you in property taxes?

Make no mistake. You're authorizing bonds. Why? Because the District wants money up front. You won't have a say in anything about the bonds. Do you really want your taxes to pay fees to high-priced agents and interest to wealthy investors?

PUBLIC DISCLOSURE? It's already required. Nothing special.

APPROPRIATION LIMIT? Why so high? So the District never has to go back to you to approve an increase.

FUNDS STAY IN INDIO? Funding salaries with bond debt is insane. You'll get worse service at three times the price.

Less than 15% of your taxes to pay off bonds will go to facilities that will still be around by the time the bonds are paid off. At least half goes to wealthy investors.

The entire system is rigged to pass taxes. That's not just our opinion. <http://bit.ly/GrandJury2021> <http://bit.ly/ElectionCheating>

ARGUMENT AGAINST MEASURE “L”

How much election cheating are you willing to put up with?

What if it's for an allegedly good cause? Does that change your answer?

Do you know all the public officials with duties related to local measure elections? County supervisors, registrar of voters, county counsel, district board that resolves to put measures on the ballots. A lot of public officials, most of them getting salaries you could never dream of.

Are these public officials corrupt? All of them?

Then how do you explain that at every election they all look the other way or point fingers at each other saying that “It’s not my job to enforce measure election laws?”

How is it then, that all these public officials, who you pay, combined, millions of dollars a year, have never (never means not once) put a local measure on the ballot that follows the law? <http://bit.ly/GrandJury2021>

Officials in counties other than Riverside, at least follow some of the laws. But your district board, registrar of voters, county counsel and supervisors do whatever they please.

It's almost like it's a conspiracy. Because the public officials (district board) who start the ball rolling, violate every meaningful law with the knowledge, apparently, that all the other public officials will go along with their corruption.

There are too many broken laws to mention in 300 words, but you can check it out (<http://bit.ly/ElectionCheating>) for all the gory details.

Bottom line: All the public officials would rather have gullible voters force taxpayers, including themselves, to send every dollar they dream up to some government agency or another. It's more for them. Less for you.

Are you tired of been taken for a chump? Vote HELL NO! on Measure L (\$195,000,000 forever increasing, forever tax).

REBUTTAL TO ARGUMENT AGAINST MEASURE “L”

The two opponents don't live in Indio. They don't understand Indio's need for safe parks and recreation programs for local children, teens, families, and seniors.

The incoherent argument against Measure L is full of conspiracy theories and false allegations. It should be ignored.

When you consider the FACTS, voting Yes on L is the clear choice for Indio.

FACT: Measure L gives Indio local control over local parks and recreation. By law, every penny must be spent in Indio. No funds can be taken by the State or used for other purposes.

FACT: Measure L is about more than just parks and recreation. YES on L keeps Indio safe and kids on the right track by supporting afterschool and year-round programs that provide healthy, safe and supervised activities for Indio children and teens to keep them away from vandalism, gangs, and drugs.

FACT: Measure L keeps Indio healthy and safe during excessive hot temperatures or a natural disaster. YES on L helps Desert Recreation District provide meals, food distribution, emergency shelters, and cooling and warming centers to those in need.

FACT: Measure L requires an independent citizens' oversight committee, annual audits and public spending disclosure for transparency and accountability. The oversight committee of Indio residents reviews the use of funds and reports their findings to the public. YES on L is fiscally responsible.

Don't be misled! Study the FACTS and vote YES on L for safe and clean parks, quality recreational programs and to protect Indio's health, safety and quality of life.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver's license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently serving in a state or federal prison for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver's license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver's license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.
