Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

The last few years have been deeply challenging. And while we all hope the worst of the pandemic is over, the impact will be felt for years.

Now more than ever, we need elected officials who put public service over politics.

I'm the son of farmworkers, who grew up in Coachella.

I'm an emergency physician who ran for Congress to serve people; I'm not a career politician. When I care for patients, it doesn't matter what political party they belong to or whether they are wealthy. All that matters is serving them.

I brought that same commitment to Congress, and continue to do so:

FIGHTING FOR COVID RECOVERY: I helped pass laws that distributed vaccines to everyone who wanted them, delivered \$250 million that allowed local schools to reopen safely, and created a child tax credit that helped 90,000 local families pay for rent, food, and healthcare.

FIGHTING FOR RETIREES AND VETERANS: I promised I would protect Social Security, Medicare, and Veterans' benefits and I've kept my promise. And, I've helped local retirees and veterans collect \$13 million in Social Security and other benefits they'd earned.

FIGHTING FOR AFFORDABLE HEALTHCARE: I wrote a law to improve MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I am working to make prescription drugs more affordable.

We have a lot of work to do; I will not stop until the job is done.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
47TH ASSEMBLY DISTRICT**

GREG WALLIS, Republican

OCCUPATION: Assembly District Director

EDUCATION AND QUALIFICATIONS:

California should be the land of opportunity. We've got some of the smartest, hardest working people anywhere. Weather and natural beauty that's the envy of the world. Innovation. Technology. Agriculture. So why are people leaving?

They are leaving because Sacramento politicians are failing at the basics. Increased crime and homelessness. Higher taxes, restrictive home prices. Failing K-12 schools. Traffic gridlock. Losing freedoms.

The California I think we want? A good idea or hard work can get you ahead... where there is opportunity to be successful and prosper... where we lend a helping hand to people who need it... where it's safe to walk the streets at night... where every student has a good school. I don't think that's asking too much, do you?

Why am I running? My wife Desiree and I have seen too many of our friends pack up and move because of the high cost of living, lack of opportunity, and growing lawlessness. It doesn't have to be this way. We are young, and we could leave too, but instead we want to stay and work to fix things.

I can't solve all the problems, but I can offer a new sense of bipartisanship and fresh ideas. Make it safe again. Friendly to jobs and small business. Affordable. Safe from fire with plenty of water storage. Good schools. Where it's easy to join the middle class. A place where we look forward at a better future, not back wondering what happened.

**CANDIDATE STATEMENT FOR
JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 4**

AMY BARAJAS

OCCUPATION: Senior Deputy District Attorney

EDUCATION AND QUALIFICATIONS:

I am running for Riverside County Superior Court Judge Seat #4 to ensure we protect our community and provide justice for victims and their families and to give all litigants fair administration of justice whether in criminal, civil, family, juvenile, or probate court.

For 17 years, I have served as a Senior Deputy District Attorney, successfully prosecuting some of society's worst criminals, including perpetrators of homicide, child abuse, sexual assault, gang violence, domestic violence, and political corruption. My unparalleled track record and years of courtroom experience taught me the necessary lessons and values to be your next judge.

Demonstrating my impartial approach to advancing justice, I have earned the support of the current Presiding Judge of Riverside County Superior Court and the current Presiding Justice for the Fourth District Court of Appeal, Division 2, each respectively supervising all judges or justices within Riverside County, (including the position I am running for), over 36 additional judges countywide, District Attorney Mike Hestrin, Public Defender Steve Harmon, public safety, and many more.

Riverside deserves a trusted, experienced and informed judge who lives in and understands our community, a place where I grew up and choose to raise my family. I am committed to holding violent criminals accountable, protecting victims, and rehabilitating nonviolent offenders. I would be honored to earn your vote to continue delivering justice in this great county we call home.

GOVERNING BOARD MEMBER,
BEAUMONT UNIFIED SCHOOL DISTRICT, TRUSTEE AREA 4**

STEVEN A HOVEY

OCCUPATION: School Board Member

EDUCATION AND QUALIFICATIONS:

Dear Voters,

My name is Steve Hovey, and I am running for reelection to the Beaumont School Board, with the experience, leadership, and integrity to be an effective and responsible representative for our community. My reelection will promote transparent decision making, conducting the public's business in public, and doing what's good for kids.

My experience includes service as a special education teacher, school principal, Beaumont USD assistant superintendent, Riverside County Office of Education Associate Superintendent, as well as leadership experience in regional and state organizations. My education includes a bachelor's degree and a master's degree in Education from UC Riverside.

In 2021-2022, we provided in-person instruction and had no closed schools or classes. We have one of the highest graduation rates in the county; we opened a new K-8 school, added Career Technical Education opportunities, expanded Beaumont High School, and started the Middle College program with SJCC. Transitional and full-day kindergartens have grown, and student learning has improved.

In the "post-COVID" period, we need everyone working together – Home, School, and Community - to assure the best educational opportunity for all BUSD students. Supporters include BUSD Board members, Teachers, Classified Employees, Parents, and Community leaders.

Requesting your vote,

Sincerely, Steve Hovey

MELISSA WILLIAMSON

AGE: 45

OCCUPATION: Educator / Parent / Administrator

EDUCATION AND QUALIFICATIONS:

I believe that the well-being of our schools determines the future of Beaumont. Our community is growing at an unprecedented rate. Our current climate necessitates high support for students throughout their education. This belief in education determining futures is why I am running for School Board; Melissa Williamson for BUSD.

My 23 years of experience in the field of education have given me valuable insight into the importance of social-emotional wellness for students, parent involvement and student achievement, leading to graduation and career/college readiness.

As a parent of three school age children, I am invested in: ensuring schools are a safe place for students to learn and thrive, and that parents have a voice in their child's education. My husband and I love our community and time with our children and three dogs.

Professionally, I prioritize classified and certificated staff in my role as a District level administrator with CJUSD. I focus on leadership, student, and family support with the general and special education population, effective fiscal management of State and Federal funds and support of the District's LCAP findings. I hold a bachelor's in business management from University of Phoenix.

Thank you for your vote!

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY SUPERVISOR,
DISTRICT 5**

JEFFREY HEWITT

OCCUPATION: County Supervisor 5th District

EDUCATION AND QUALIFICATIONS:

With the economic turmoil facing our country, my goals continue to focus on providing a steady hand to guide our county through these challenging times. I gained a unique perspective to help our fiscal woes while leading my business through periods of economic uncertainty. I know what it is like to tighten my belt, and then give generously to my employees, as times get tough and eventually rebound.

During my tenure as County Supervisor, I have worked hard to improve District 5, expanding the SR-60 corridor, building sidewalks for safe routes to schools, and making safety improvements to Ramona Expressway. Some of my proudest achievements as Chairman of the Board are the economic successes we've seen, including reduced pension debt and the first balanced budget in 14 years.

I will continue to build much needed infrastructure, solidify public safety, and support the fiscal health of our community. In this way, we can promise a pristine county for our children and grandchildren for years to come.

I look forward to your vote and continuing to serve the community that been my home and source of pride for so many years.

DAVID CASTALDO

EDUCATION AND QUALIFICATIONS:

AGE: 61

I greatly need your vote to help me make some major changes in Beaumont. Our traffic is deplorable and it needs to be improved and controlled. I am not talking about a new traffic signal. Our traffic problems are caused from people outside of Beaumont. We need major construction of new roads to divert non-local drivers away from Beaumont. We need to apply strong pressure on the County of Riverside and CalTrans to construct better roads.

Our community swimming pool was old and in disrepair, thus removed. There are no plans to rebuild it. Our children need a community pool. My goal is to construct a new, bigger, and better swimming pool.

Also, it is about time "Concerts In The Park" returns. Our community needs family events. These were good events that brought kids, parents, and grandparents together for wholesome fun and great memories.

Together, with my only wife of 33 years, we have raised our two children who also work and live here. As a longtime resident and a local Business owner, I have seen Beaumont's good times and bad times. Together we need to experience again more of Beaumont's good times. EDUCATION AND QUALIFICATIONS:

Know what's happening. We have been paying the San Gorgonio Pass Water Agency for years and years for bond debts that were created equally as long. The tax rate charged to each parcel began on our tax bills decades ago when the population was far less and the homes were even lesser. The San Gorgonio Pass Water Agency taxable boundary starts in Calimesa and extends to Cabazon. Even a blind man can see the vast increase in homes. The San Gorgonio Pass Water Agency receives its revenue from the tax rate of each parcel's assessed value. Considering the amount of resales and increased property values, the San Gorgonio Pass Water Agency's revenues have increased immensely. This Agency is sitting on a boatload reserve, almost \$80,000,000. Every year we continue to pay the San Gorgonio Pass Water Agency more and more money as our property values increase, but their debt remains constant. The tax rate must to be lowered.

Here is the stinger. As the San Gorgonio Pass Water Agency's revenues increase, the present board recently doubled their potential pay checks by doubling the amount of paid meetings they attend.

I hate paying taxes. I am a local small business owner. I own 5 parcels. I pay 5 times to the San Gorgonio Pass Water Agency. I promise I will vote to lower your tax rate.

MEASURE “M” - BEAUMONT LIBRARY DISTRICT

BALLOT MEASURE FULL TEXT OF MEASURE

BOND AUTHORIZATION

By approval of this proposition by at least two-thirds of the registered voters voting on the proposition, the Beaumont Library District (the “District”) shall be authorized to issue and sell bonds of up to \$24,000,000 in aggregate principal amount to provide financing for the facilities projects listed in the Bond Project List below, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the District's voters and taxpayers may be assured that their money will be spent wisely to address specific facilities needs of the District.

Special Bond Proceeds Account: Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board of Trustees shall take actions necessary pursuant to Government Code Section 53410 and following to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Director of the District (or such other employee as may perform substantially similar duties) shall cause a report to be filed with the Board no later than December 31 of each year, commencing December 31 of the year in which bonds are first issued, stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as such officer shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Specific Purposes. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, and shall constitute the specific purposes of the bonds, and proceeds of the bonds shall be spent only for such purposes, pursuant to Government Code Section 53410.

Rate of Interest. The bonds shall bear interest at a rate per annum not exceeding the statutory maximum, payable at the time or times permitted by law.

Term of Bonds. The number of years any bonds are to run shall not exceed the legal limit, though this shall not preclude bonds from being sold which mature prior to the legal limit.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated tax rates, the duration of issued bonds and related tax levies and collections are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

The Bond Project List below describes the specific projects the Beaumont Library District proposes to finance with proceeds of the bonds. Listed projects will be completed as needed according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. Until all project costs and funding sources are known, the Board of Trustees cannot determine the amount of bond proceeds available to be spent on each project, nor guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Completion of certain projects may be subject to further government approvals or appropriation by State officials and boards, to local environmental review, and to input from the public. For these reasons, inclusion of a project on the Bond Project List is not a guarantee that the project will be funded or completed.

- Expansion, renovation and modernization of Beaumont Library.
- Erection, renovation, modernization and equipping of a community room, bookstore, materials display area, public computing area, children's play space, maker's studio, study rooms, a reading room, staff offices and central elevator.
- Upgrade wiring/cablings/technology infrastructure.
- Upgrade to meet Americans with Disabilities Act requirements.
- Plumbing upgrades and repairs, including but not limited to, water and sewage, drainage, valves, faucets, back flow prevention, laterals, storm drains, water mains, sinks, water heaters, fixtures, etc.
- Abatement or removal of any hazardous materials (e.g. asbestos, lead, etc.) from buildings and grounds.
- Make safety and seismic upgrades.
- Improve air quality and energy efficiency.

- Acquisition of property and easements as may be required to make construction and renovation improvements.

Each project is assumed to include its share of architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary relocation of dislocated District activities caused by construction projects. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Necessary site preparation/restoration may occur in connection with new construction, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects and the costs of issuing the bonds. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

The Bond Project List shall be considered a part of this ballot proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition.

**MEASURE "M" - BEAUMONT LIBRARY DISTRICT
TAX RATE STATEMENT**

An election will be held in the Beaumont Library District (the "District") on November 8, 2022, to authorize the sale of up to \$24,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is 0.97¢ per \$100 (\$9.70 per \$100,000) of assessed valuation. It is currently expected that the tax will be collected until fiscal year 2050-51.
2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is 1.0¢ per \$100 (\$10.00 per \$100,000) of assessed valuation. This rate is projected to apply until fiscal year 2048-49.
3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$42,683,546.

These estimates are based on projections derived from information obtained from official sources and are based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions. The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and equalization process.

IMPARTIAL ANALYSIS OF MEASURE "M"

The Board of Trustees ("Board") of the Beaumont Library District ("District") by adopting Resolution No. 2022-2 ("Resolution"), elected to call an election pursuant to Section 1 of Article XIII A of the California Constitution and Section 19520 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds ("Bonds") in the aggregate amount principal amount of twenty-four million dollars (\$24,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to expand, renovate and modernize the Beaumont Library. The Bonds may be used to renovate, modernize, erect and equip a community room, bookstore, public computing area, study rooms, offices and a central elevator. The Bonds may also be used to upgrade and modernize technological infrastructure, upgrade and repair plumbing, remove hazardous material and safety and seismic upgrades. State law requires that the District utilize the proceeds only to the specific purposes of the Bond, create an account into which proceeds shall be deposited and prepare an annual report containing the amount of funds collected and expended.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is 0.97 cents per \$100 per assessment (\$9.70 per \$100,000) of assessed value. The final fiscal year in which the tax to be levied to fund these bonds is anticipated to be collected in fiscal 2050-2051.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$42,683,546.

For this Measure to be approved two-thirds (2/3) of voters (sixty-six percent) of qualified voters who vote on the Measure must vote yes.

A "YES" vote on Measure "M" is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A "NO" vote on Measure "M" is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “M”

Everyone knows the importance and value of having quality educational and library services. Beaumont Library District does its best to offer excellent recreational, educational, and other learning opportunities, but our facility is outdated, undersized, and inadequate to provide the residents of our community, which has quadrupled in size since 2000, with the quality services they need and deserve. That is why a **YES vote on Measure M is so important!**

Although Beaumont Library District's building has been well maintained over the years, it was first built in 1914 and needs major upgrades and infrastructure improvements. Measure M would allow Beaumont Library District to expand and modernize our local library, provide better service to youth, and broaden our excellent learning opportunities for years to come. By investing in our library facilities, we can meet and exceed 21st century technological, educational, and recreational standards while improving our community's quality of life.

Measure M will provide funding to improve the Beaumont Library by:

- Constructing, enlarging, and modernizing library facilities
- Improving access to computers and technology
- Making health, safety, security and ADA-accessibility improvements
- Building a community room for public use and providing play/learning areas for youth
- Repairing/replacing aging infrastructure including plumbing, sewer, HVAC, and electrical systems

Measure M makes financial sense and protects taxpayers.

- All funds must be spent locally and cannot be taken by the State.
- By law, spending must be reviewed and annually reported on.
- Funds can only be spent to improve the Beaumont Library facility, not for library salaries.

Measure M will preserve our historic Carnegie building, while upgrading and expanding our library facility, improve services to local residents, and enhance the quality of life in our community. That's something we can all support. Please join us and **VOTE YES ON MEASURE M!**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “M”

Everything in the argument in favor is dishonest by design, and intended to deceive you so you vote away your money.

If the Library is such a community fixture, and is so valued and valuable, why isn't a private foundation already doing all the work Measure M advertises?

What's the library doing with the money it already collects from you in property taxes?

Where's the money coming from to pay for all the people needed to supervise and run this project?

ACCOUNTABILITY? There is none. When you're not looking, they do whatever they want.

PROJECT LIST? There is none. Measure M includes everything under the sun. Read it.

ADMINISTRATOR SALARIES? Of course! Read the fine print!

Less than 15% of your taxes will go to facilities that will still be around by the time the bonds are paid off. A private library foundation could do this work better and cheaper. Don't let “public good” scammers waste your money.

The entire system is rigged to pass taxes. That's not just our opinion. <http://bit.ly/GrandJury2021> <http://bit.ly/ElectionCheating>

ARGUMENT AGAINST MEASURE “M”

How much election cheating are you willing to put up with?

What if it's for an allegedly good cause? Does that change your answer?

Do you know all the public officials with duties related to local measure elections? County supervisors, registrar of voters, county counsel, district board that resolves to put measures on the ballots. A lot of public officials, most of them getting salaries you could never dream of.

Are these public officials corrupt? All of them?

Then how do you explain that at every election they all look the other way or point fingers at each other saying that “It’s not my job to enforce measure election laws?”

How is it then, that all these public officials, who you pay, combined, millions of dollars a year, have never (never means not once) put a local measure on the ballot that follows the law? <http://bit.ly/GrandJury2021>

Officials in counties other than Riverside, at least follow some of the laws. But your district board, registrar of voters, county counsel and supervisors do whatever they please.

It's almost like it's a conspiracy. Because the public officials (district board) who start the ball rolling, violate every meaningful law with the knowledge, apparently, that all the other public officials will go along with their corruption.

There are too many broken laws to mention in 300 words, but you can check it out (<http://bit.ly/ElectionCheating>) for all the gory details.

Bottom line: All the public officials would rather have gullible voters force taxpayers, including themselves, to send every dollar they dream up to some government agency or another. It's more for them. Less for you.

Are you tired of been taken for a chump? Vote HELL NO! on Measure M (\$48,000,000 tax).

REBUTTAL TO ARGUMENT AGAINST MEASURE “M”

Don't let opponents mislead you. They do not have the facts, do not live in our community, and have submitted nearly identical arguments against multiple public improvement measures throughout California. They clearly do not understand how Measure M works.

Conspiracy theories from people living outside our community do not address our local issues nor solve local problems.

Measure M is a carefully considered, affordable plan that will allow Beaumont Library District to expand and modernize our local library and provide the best learning environment for Beaumont residents.

Consider the facts, and vote YES on Measure M:

- Measure M is locally controlled, and every dollar stays here, benefitting our local library, children, community and property values.
- Measure M provides funding to expand and modernize our local library, improve access to computers and modern technology, and make health, safety and handicapped accessibility improvements.
- No other source of sufficient funding exists to modernize/upgrade our library.
- Measure M makes financial sense and has strict accountability, including review of expenditures and annual reports.

Many of Beaumont's most respected community members support Measure M. Let's trust them and not listen to the incorrect statements from outsiders.

Don't be misled! Study the FACTS and vote YES on M for an improved library in Beaumont!

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver's license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently serving in a state or federal prison for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver's license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver's license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.
