Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
25TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Emergency Physician / Congressman

EDUCATION AND QUALIFICATIONS:

The last few years have been deeply challenging. And while we all hope the worst of the pandemic is over, the impact will be felt for years.

Now more than ever, we need elected officials who put public service over politics.

I'm the son of farmworkers, who grew up in Coachella.

I'm an emergency physician who ran for Congress to serve people; I'm not a career politician. When I care for patients, it doesn't matter what political party they belong to or whether they are wealthy. All that matters is serving them.

I brought that same commitment to Congress, and continue to do so:

FIGHTING FOR COVID RECOVERY: I helped pass laws that distributed vaccines to everyone who wanted them, delivered \$250 million that allowed local schools to reopen safely, and created a child tax credit that helped 90,000 local families pay for rent, food, and healthcare.

FIGHTING FOR RETIREES AND VETERANS: I promised I would protect Social Security, Medicare, and Veterans' benefits and I've kept my promise. And, I've helped local retirees and veterans collect \$13 million in Social Security and other benefits they'd earned.

FIGHTING FOR AFFORDABLE HEALTHCARE: I wrote a law to improve MediCal coverage for thousands of local families. I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I am working to make prescription drugs more affordable.

We have a lot of work to do; I will not stop until the job is done.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
47TH ASSEMBLY DISTRICT**

GREG WALLIS, Republican

OCCUPATION: Assembly District Director

EDUCATION AND QUALIFICATIONS:

California should be the land of opportunity. We've got some of the smartest, hardest working people anywhere. Weather and natural beauty that's the envy of the world. Innovation. Technology. Agriculture. So why are people leaving?

They are leaving because Sacramento politicians are failing at the basics. Increased crime and homelessness. Higher taxes, restrictive home prices. Failing K-12 schools. Traffic gridlock. Losing freedoms.

The California I think we want? A good idea or hard work can get you ahead... where there is opportunity to be successful and prosper... where we lend a helping hand to people who need it... where it's safe to walk the streets at night... where every student has a good school. I don't think that's asking too much, do you?

Why am I running? My wife Desiree and I have seen too many of our friends pack up and move because of the high cost of living, lack of opportunity, and growing lawlessness. It doesn't have to be this way. We are young, and we could leave too, but instead we want to stay and work to fix things.

I can't solve all the problems, but I can offer a new sense of bipartisanship and fresh ideas. Make it safe again. Friendly to jobs and small business. Affordable. Safe from fire with plenty of water storage. Good schools. Where it's easy to join the middle class. A place where we look forward at a better future, not back wondering what happened.

JEFFREY HEWITT

OCCUPATION: County Supervisor 5th District

EDUCATION AND QUALIFICATIONS:

With the economic turmoil facing our country, my goals continue to focus on providing a steady hand to guide our county through these challenging times. I gained a unique perspective to help our fiscal woes while leading my business through periods of economic uncertainty. During my tenure as County Supervisor, I have worked hard to improve District 5, expanding the SR-60 corridor, building sidewalks for safe routes to schools, and making safety improvements to Ramona Expressway. Some of my proudest achievements as Chairman of the Board are the economic successes we've seen, including reduced pension debt and the first balanced budget in 14 years.

I will continue to build much needed infrastructure, solidify public safety, and support the fiscal health of our community. In this way, we can promise a pristine county for our children and grandchildren for years to come.

When a Person receives more than one billing, one or more being for different periods than another, the duty to collect arises separately for each billing period.

3.13.090 - Penalty for Delinquency.

A. Taxes collected from a Service User, or owed pursuant to Section 3.13.040, are delinquent if not received by the Tax Administrator on or before the date such Taxes are due to the Tax Administrator pursuant to Sections 3.13.040 and 3.13.080. Should the due date occur on a weekend or legal holiday, the return must be received by the Tax Administrator on or before the first regular working day following the weekend or legal holiday. A direct deposit, including electronic fund transfers and other similar methods of electronically exchanging monies between financial accounts, made by a Service Provider in satisfaction of its obligations under this Subsection shall be considered timely if the transfer is initiated on or before the due date, and the transfer settles into the City's account on or before the following business day.

B. If the Service Provider fails, on or before the due date of the Tax: (i) to collect the Tax by failing to properly assess the Tax on the use of electric energy, (ii) to remit the Tax collected on or before the due date, or (iii) in the case of a Service User that self collects, fails to properly self-collect and remit the Tax under Section 3.13.040, the Tax Administrator shall attach a penalty for such delinquencies or deficiencies at the rate of five percent (5%) of the total Tax that is delinquent or deficient in the remittance.

C. Notwithstanding Subsection B of this Section, a Service Provider shall not be subject to the penalty and interest for failing to properly assess the Tax if such failure is voluntarily disclosed to the Tax Administrator, or its agent, and promptly corrected thereafter by such Person. For purposes of this Subsection, the term "voluntarily disclosed" shall mean information freely offered by the Service Provider to the City for the purpose of increasing the accuracy of such Person's collection or remittances before the failure has been raised or an inquiry has been initiated by the City or any other governmental entity.

D. In addition to any other penalties imposed by this Chapter, any Person that fails to collect or remit the Tax pursuant to Subsection B of this Section shall pay interest at the rate of three-quarters of one percent (3/4%) per Month, or any fraction thereof, on the amount of the Tax, exclusive of penalties, from the date on which the remittance first became delinquent, until paid.

E. The Tax Administrator shall have power to impose additional penalties upon Persons required to collect or remit the Tax under the provisions of this Chapter for fraud or gross negligence in reporting or remitting at the rate of five percent (5%) of the amount of the Tax collected or as recomputed by the Tax Administrator.

3.13.100 - Actions to Collect.

A. The Tax required to be paid by a Service User under the provisions of this Chapter shall be deemed a debt owed by the Service User to the City.

B. Any such Tax collected from a Service User which has not been remitted to the Tax Administrator is deemed a debt owed to the City by the Service Provider, and shall no longer be a debt of the Service User.

C. Any Person owing money to the City under the provisions of this Chapter shall be liable to an action brought in the name of the City for the recovery of such amount plus any collection costs incurred by the City as a result of the Person's noncompliance with this Chapter, including, but not limited to, reasonable attorneys' fees.

3.13.110 - Administrative Remedy for Failure to Pay Tax.

A. The Tax Administrator may relieve the Service Provider of the obligation to collect the Tax for specified billing periods whenever the Tax Administrator determines: (i) that a Service User has deliberately withheld the amount of the Tax owed by the Service User from the amounts paid to the Service Provider or (ii) that it is in the best interest of the City.

B. A Person obligated to collect the Tax shall provide the City with the names and addresses of such Service Users that fail to pay the Tax and the amounts of the Tax owed by such Service Users.

C. The Tax Administrator shall notify the non-paying Service User that the Tax Administrator has assumed responsibility to collect the Taxes due for the stated periods and demand payment of such Taxes. The notice shall be served on the Service User by handing it to him or her personally or by deposit of the notice in the U. S. mail, postage prepaid thereon, addressed to the Service User at the address to which billing was made by the Service Provider, or should the Service User have changed his or her address, to his or her last known address.

D. If a Service User fails to remit the Tax to the Tax Administrator within fifteen (15) days from the date of service of the notice upon the Service User, which shall be the date of mailing if service is not accomplished in person, the Tax Administrator shall assess the Service User a penalty of twenty five percent (25%) of the amount of the Tax set forth in the notice, along with interest at the rate of three-quarters of one percent (3/4%) per Month, or any fraction thereof, on the amount of the Tax, exclusive of penalties, from the date on which the remittance first became delinquent, until paid, but not less than five dollars (\$5.00).

3.13.120 - Persons Required to Keep Records.

A. It shall be the duty of every Service Provider to keep and preserve, for a period of at least three (3) years, all records as may be necessary to determine the amount of Tax as such Person may have been liable for the collection of and remittance to the Tax Administrator, which records the Tax Administrator shall have the right to inspect at a reasonable time.

B. The City may issue an administrative subpoena to compel a Person to deliver to the Tax Administrator, copies of all records deemed necessary by the Tax Administrator to establish compliance with this Chapter, including the delivery of records in a common electronic format on readily available media if such records are kept by the Person electronically in the usual and ordinary course of business. As an alternative to delivering the subpoenaed records to the Tax Administrator on or before the due date provided in the administrative subpoena, such Person may provide access to such records outside the City on or before the due date, provided that such Person shall reimburse the City for all reasonable travel expenses incurred by the City to inspect those records, including travel, lodging, meals, and other similar expenses, but excluding the normal salary or hourly wages of those Persons designated by the City to conduct the inspection.

C. The Tax Administrator, or the agents or employees thereof, shall protect the confidentiality of information obtained from Service Users in the administration of the Tax, except as otherwise required by law.

3.13.130 - Additional Power and Duties of Tax Administrator.

A. The Tax Administrator shall have the power and duty, and is directed, to enforce each and all of the provisions of this Chapter.

B. The Tax Administrator is authorized to require any information from a Person required to pay, collect or remit the Tax as deemed necessary to properly determine that the Tax is being levied, collected and remitted in accordance with this Chapter.

C. The Tax Administrator may adopt administrative rules and regulations not inconsistent with provisions of this Chapter for the purpose of administering exemptions, and carrying out and enforcing the payment, collection and remittance of the Tax. A copy of such administrative rules and regulations shall be on file in the Tax Administrator's office.

D. The Tax Administrator shall determine the eligibility of any Person who asserts a right to exemption from or a refund of, the Tax.

3.13.140 - Refunds.

A. Whenever the amount of any Tax imposed by this Chapter has been overpaid or paid more than once, or has been erroneously or illegally collected or received by the Tax Administrator, it may be refunded as provided in this Section.

B. The Tax Administrator may refund any Tax that has been overpaid, paid more than once, or has been erroneously or illegally collected or received by the Tax Administrator under this Chapter, provided that no refund shall be paid under the provisions of this Section unless the claimant or his or her guardian, conservator, executor or administrator has submitted a written claim to the Tax Administrator within one year of the overpayment or erroneous or illegal collection of said Tax. Such claim must clearly establish claimant's right to the refund by written records showing entitlement thereto. Nothing herein shall permit the filing of a refund claim on behalf of a class or group of taxpayers.

C. The Tax Administrator, or the City Council where the claim is in excess of \$5,000, shall act upon the refund claim within forty-five (45) days of receipt of the refund claim. Said decision shall be final. If the Tax Administrator or the City Council, as applicable, fails or refuses to act on a refund claim within the forty-five (45) day period, the refund claim is deemed to have been rejected by the City Council.

on the forty-fifth (45th) day. The Tax Administrator shall give notice of the action in a form that substantially complies with that set forth in Government Code Section 913.

D. The filing of a written claim is a prerequisite to any suit thereon. Any action brought against the City pursuant to this Section shall be subject to the provisions of Government Code Sections 945.6 and 946.

E. Notwithstanding the notice provisions of this Section, a Service Provider, or a Service User that self-collects the Tax pursuant to Section 3.13.040, remits a Tax to the City in excess of the amount of Tax imposed by this Chapter and actually due from a Service User (whether such excess amount is due to overpayment or erroneous or illegal collection of the Tax), may refund such excess amount to the Service User, or apply a credit to Charges subsequently payable by the Service User to the Service Provider, and claim a credit for such overpayment against the amount of Tax that is due on any other monthly returns to the Tax Administrator, provided such credit is claimed in a return dated no later than one year from the date of overpayment or erroneous or illegal collection of the Tax. The Tax Administrator shall first determine the validity of the claim for a credit and the underlying basis for such claim.

3.13.150 - Appeals.

A. The provisions of this Section apply to any assessment, decision or administrative ruling of the Tax Administrator, other than a decision relating to a refund pursuant to Section 3.13.140. Any Person aggrieved by any assessment, decision or administrative ruling of the Tax Administrator, other than a decision relating to a refund, shall be required to comply with the appeals procedure of this Section. Compliance with this Section shall be a prerequisite to a suit thereon. Nothing herein shall permit the filing of a claim or action on behalf of a class or group of taxpayers.

B. If any Person is aggrieved by any assessment, decision or administrative ruling of the Tax Administrator, other than a decision relating to a refund; or with the failure of the Tax Administrator to grant an exemption as provided for under this Chapter; such Person may appeal to the City Council by filing a notice of appeal with the City Clerk within fourteen (14) days of the date of the assessment, decision or administrative ruling of the Tax Administrator which aggrieved the Person.

C. The matter shall be set for hearing no more than thirty (30) days from the receipt of the appeal. The appellant shall be served with notice of the time and place of the hearing, as well as any relevant materials, at least five (5) calendar days prior to the hearing. The hearing may be continued from time to time upon mutual consent. At the time of the hearing, the appealing party, the Tax Administrator, and any other interested Person may present such relevant evidence as he or she may have relating to the determination from which the appeal is taken.

D. Based upon the submission of such evidence and the review of the City's files, the City Council shall issue a written notice and order upholding, modifying or reversing the determination from which the appeal is taken. The notice shall be given within fourteen (14) days after the conclusion of the hearing and shall state the reasons for the decision. The notice shall specify that the decision is final and that any petition for judicial review shall be filed within ninety (90) days from the date of the decision in accordance with Code of Civil Procedure Section 1094.6. If the City Council fails or refuses to act on a refund claim within the fourteen (14) day period, the claim shall be deemed to have been rejected by the City Council on the fourteenth (14th) day.

E. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against this City or against any officer of the City to prevent or enjoin the collection under this Chapter of any Tax or any amount of Tax required to be collected or remitted.

3.13.160 - Remedies Cumulative.

All remedies and penalties prescribed by this Chapter or which are available under any other provision of law or equity, including but not limited to the California False Claims Act, being Government Code Section 12650 et seq., are cumulative. The use of one or more remedies by the City shall not bar the use of any other remedy for the purpose of enforcing the provisions of this Chapter.

3.13.170 - Effect of State and Federal Authorization.

To the extent that the City's authority to impose or collect the Tax is expanded or limited by federal or State law, no amendment or modification of this Chapter shall be required to conform the Tax to those changes, and the Tax shall be imposed and collected to the full extent of the City's authorization up to the full amount of the Tax.

3.13.180 - Independent Compliance Audit.

Commencing with the fiscal year ending June 30, 2023 and continuing on an annual basis thereafter, independent auditors shall review whether the Tax revenues received by the City pursuant to this Chapter are received, managed and expended in accordance with the requirements of this Chapter. The Tax Administrator may dispense with this requirement as to a particular Service Provider if the cost of the audit would exceed the estimated amount of Tax to be collected by the Service Provider, unless otherwise required by law.

3.13.190 - Tax Effective Date.

The Tax shall first be imposed as of January 1, 2023, or at the beginning of the first regular billing period thereafter. The authority to levy the Tax imposed by this Chapter shall remain in effect unless and until repealed by the voters of the City. Notwithstanding the previous sentence, the provisions of this Chapter relating to the collection and enforcement of the Tax imposed prior to its expiration shall continue until such time as the collection and enforcement procedures have been completed."

SECTION 2. Limitations on Use of Revenue. The revenue from the Tax imposed by this Chapter can be spent for park maintenance, park improvements, and other unrestricted general governmental purposes.

SECTION 3. Citizens Oversight Committee. There shall be a five-person committee of members of the public to review and report on the revenue and expenditure of funds from the Tax adopted by this ordinance. Within ninety (90) days of the effective date of this ordinance, the City Council shall adopt a resolution establishing the manner of appointment and composition of the committee and defining the scope of its responsibilities.

SECTION 4. Effective Date. This ordinance is subject to a vote of the qualified voters of Banning and shall take effect, if approved by a majority of the voters voting at such election, ten (10) days following certification of the election results.

SECTION 5. Severability. If any section, sentence, clause or phrase of this ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this ordinance. The People of the City of Banning hereby declare that they would have adopted this ordinance and each section, sentence, clause or phrase thereof, irrespective of the fact that any one or more section, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

SECTION 6. Certification/Summary. Following certification that the qualified voters of Banning have approved this ordinance, the Mayor shall sign this ordinance and the City Clerk shall cause the same to be entered in the book of original ordinances of said City and publish or post a summary of this Ordinance as required by law.

I hereby certify that the foregoing ordinance was **PASSED, APPROVED AND ADOPTED** by the voters of the City of Banning on the 8th day of November 2022.

IMPARTIAL ANALYSIS OF MEASURE "I"

The City Council of the City of Banning is submitting Measure I to the voters to establish a Utility Users Tax (UUT) on electric energy use in the City. Measure I would approve an ordinance to establish a UUT upon every customer of electric energy in the City, with certain limited exceptions, at the rate of \$0.015 (one and one-half cent) for each kilowatt-hour used. The tax would commence January 1, 2023, or the beginning of the first regular billing period thereafter and would stay in effect until repealed by the voters.

The UUT is a general tax which means that the revenues from the UUT would be deposited in the City's General Fund to be used for general municipal governmental purposes. Those uses may include park improvements and park maintenance but the Measure would not bind the Council to use the tax revenues only for those purposes. As a general tax, Measure I requires the approval of a majority of the voters who vote on the measure. If Measure I had instead required the tax revenues to be used only for specific uses, the UUT would have been categorized under law as a special tax and would have required approval from two-thirds of the voters who vote on the Measure.

A five-member committee appointed by members of the City Council would review and report to the City Council and the public on the expenditure of UUT revenues. Measure I would also require annual review of the UUT revenues by independent auditors.

Measure I would require each electric utility service provider to collect the UUT from its customers at the time that the utility service provider charges its customers for electric energy services and remit the tax revenues to the City on a monthly basis. Delinquent taxes are subject to a penalty that is 5% of the delinquent amount plus interest at ¾% per month from the date that the UUT first became due. Additional penalties shall apply if the City assumes the responsibility of collecting the tax. In the event that an electric utility service user believes the UUT was erroneously paid, the service user may submit a claim for a refund to the City Council within one year from the date that the UUT was paid in error.

Measure I would exempt from the UUT electric energy used with respect to property or equipment owned and operated by a governmental entity for governmental purposes. Measure I would also authorize the City Council to adopt other exemptions from the UUT. In addition, the City Council may reduce, on an annual basis, but cannot increase, the UUT rate. California law requires voter approval for any future UUT tax rate increase or to expand the UUT to other utilities.

A "yes" vote for Measure I will approve establishing the UUT on electric energy use and adopt the ordinance establishing the tax; a "no" vote against Measure I will oppose establishing the UUT and oppose the ordinance that would establish the tax.

ARGUMENT AGAINST MEASURE "I"

The City suggests this measure will raise \$2,000,000 annually for City parks. The truth is this measure does not commit a single penny for parks! VOTE NO ON MEASURE I.

This new tax goes straight to the General Fund (also known as the Slush Fund) where it can be spent for any "general municipal purpose". There is no commitment in this measure to increase the Parks budget. Park spending has taken a backseat for years and this measure will not change that.

The oversight committee will simply "review and report" on how much tax was collected and how the Council chose to spend the money. A legitimate oversight committee would have a say in how the funds are spent!

The City claims this new tax will burden the typical household about \$90 per year. The authors of this argument have looked at their own electric bills and checked with friends and family and came up with added costs from about \$75 per year to over \$200 per year! On top of an increase in your electric bill, expect price hikes at local businesses as they recover their increased electricity costs.

Solar system owners beware! This tax also applies to you. Solar providers will collect the tax and turn it over to the City. Those with independent systems must report consumption and pay the tax directly to the City. Who will administer these new reporting and collection programs? How much will that cost us?

The economy is in a fragile state and many Banning families struggle to make ends meet. This is not the time to impose any new taxes. It is definitely not the time to impose a flawed, misleading tax with no accountability as to how the money is spent.

VOTE NO ON MEASURE I.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver's license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently serving in a state or federal prison for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver's license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver's license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 24: last day to register to vote and request your ballot

November 1: last day to update or change how you want to receive your ballot

November 8: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 15. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
