Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic **AGE: 45**
OCCUPATION: Congressman / Emergency Physician
EDUCATION AND QUALIFICATIONS:

Washington is a disaster, filled with career politicians focused on petty partisan politics and their own perks and privileges.

I'm not a career politician, and I never will be. I'm an emergency physician who grew up here and ran for office to serve people in our communities. That's what I've done my entire adult life.

As a doctor, I'm trained to put people first. That's why I'm working across party lines to find solutions to tough problems:

STANDING UP FOR MEDICARE AND SOCIAL SECURITY: I promised that I would never vote to cut Medicare or Social Security, and I've kept my promise. I will continue to do so. And, I passed a bipartisan bill to help protect Medicare.

STANDING UP FOR VETERANS: I sponsor an annual "Veterans University" to help local vets get health care and assistance, and to connect them with local employers. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

OPPOSING PERKS FOR POLITICIANS: I oppose any pay raises for Congress, and I am fighting for legislation prohibiting Congressmembers from using taxpayer money to fly first class.

FIGHTING TO ENSURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE: As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I'm working to make premiums and prescription drugs more affordable.

Let's fight back against partisan gridlock in Washington. I'd be honored to have your support.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

KIMBERLIN BROWN PELZER, Republican **AGE: 57**
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

Small Business Owner – Honorary Co-Chair of the Gas Tax Repeal Campaign – Supporter of Term Limits & No Budget, No Pay for Congress

Politicians love to tell us all the great things they'll do for us when elected. They hope we'll forget their promises because they never follow through. We need new, principled leaders who are not afraid to say what they mean and stick with it.

That's why I'm running for Congress. I have firm, conservative principles. I'm not afraid to be "politically incorrect" and stand up for the Constitution, conservatism, and American exceptionalism.

My principles:

I. Put defense first. Congress must keep Americans safe at home and abroad.

II. Build sound finances. Washington must be held fiscally accountable: start to pay off the national debt and no new taxes.

III. Protect the vulnerable. People paid into Social Security and Medicare – we must make sure they are solvent, effective, and efficient programs.

IV. Grow the Middle Class. Congress needs to stop working for Special Interests and Lobbyists and start working for us.

I'm a proud wife, mother, and successful entrepreneur. I've been blessed with a daytime television career. My husband and I have built several successful businesses, including a sports fishing and marina rental business and a design company. We employ over 100 Californians.

Congress should live by the same rules they place on the rest of us, have term limits, and not get paid if they don't pass a budget. I would be honored to have your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican
OCCUPATION: Member of the State Assembly
EDUCATION AND QUALIFICATIONS:

As we approach November, our community will focus on selecting our elected representatives. As your Assemblyman, I am again seeking your trust to remain your voice in Sacramento.

When you first elected me, I was overflowing with optimism and believed that we could solve every major issue facing California if we just rolled up our sleeves and worked hard. Six years later - even while the hyper-partisan environment of Sacramento has certainly tested my temperament - I remain convinced that our best days are ahead of us.

My optimism is rooted in a strong and free economy, lower taxes, and providing equal opportunity for each of us. As I often say, my job is to work to provide people with more freedom, and not less.

That's why I'm thankful for the opportunity to shape real policies and to provide real solutions that put people first and improve their lives.

For example, we reformed education to provide economic incentives that encourage those on welfare to attain their high school and college education - to achieve financial independence.

To offset California's expensive gas prices, we helped deliver cost cutting measures that will guard against higher gas and energy prices.

Instead of just talking about reducing harmful regulations that kill jobs; we actually rolled back harmful regulations and protected Proposition 13.

I don't have all the answers, but I've honored my commitment to put people first.

I would be honored to have your continued trust and support.

OCCUPATION: Attorney
EDUCATION AND QUALIFICATIONS:

AD 42 is diverse, encompassing Interstate 10 from Yucaipa to the rancheros of Pioneertown and we share a common need, representation in Sacramento. We all deserve excellent education, safe streets, affordable housing, thriving businesses and a universal healthcare system with modern hospitals, and neighborhood clinics.

As your Assemblywoman I will provide that representation. I believe in equal rights for all residents, no matter your race, gender, religion or sexual orientation.

I will advocate for:

- Universal Healthcare;

RIVERSIDE COUNTY SUPERVISOR,
DISTRICT 5**

JEFF HEWITT

AGE: 65

OCCUPATION: Small Businessman / Mayor

EDUCATION AND QUALIFICATIONS:

Riverside County residents need representation in Riverside County.

Career establishment politicians have nearly bankrupted our county, gambling billions of dollars on Sacramento shell games. With eyes on distant offices they have funneled funds and resources away, instead of putting them to work here. Our families, our schools, our roads, our jobs and our very way of life must have at least one Supervisor who will work for Riverside County's interests FIRST.

Jeff Hewitt has dedicated himself to the health and wealth of Riverside County.

Jeff became Mayor of Calimesa after starting public service on their planning commission as a volunteer. By cutting off the tendrils of Sacramento from his city, he doubled Calimesa's fire department staffing and infrastructure while significantly reducing annual costs.

Sacramento corruption is out of control; we need Jeff to stand up for Riverside County.

Jeff is a native who raised his family here, built his business here, and Jeff only has interests here. Jeff works for family values. Jeff works for working men and women. Jeff works for keeping our tax dollars in our County, working for our needs.

Jeff works for Riverside County, because Jeff works for YOU.

RIVERSIDE COUNTY
SHERIFF / CORONER / PUBLIC ADMINISTRATOR**

STAN SNIFF

OCCUPATION: Riverside County Sheriff

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

AGE: 50

OCCUPATION: Lieutenant Sheriffs Department

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff’s office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That’s why I’m proud to be law enforcement’s choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I’ll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff’s Association, Riverside Police Officers’ Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here’s what the RIVERSIDE SHERIFF’S ASSOCIATION SAYS: “Lt. Chad Bianco’s unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

As Sheriff, I’ll work to bring the public safety community together to make our county a safe place to live and work.

EDUCATION AND QUALIFICATIONS:

I have lived in the Inland-Empire most of my adult life. Born in Riverside. Raised in Moreno Valley and Hemet. I have seen a lot of development and change. Some of this change has been positive. While some has been unfortunate.

We all know that change is coming to Calimesa. There's no question about that. The real question is what's this change going to look like? And, what sort of an impact will new development have on our community? These are among the most important questions for us to consider.

I am running for city council to help lead our city into the future by thinking carefully about our city's growth and development. As a family man with three school aged children, I am personally invested in Calimesa.

We all want our city to flourish as we move forward. To do this, I believe that we need a fresh perspective, some new ideas, and some healthy communication between our officials and our community. I am running for city council because I am passionate about ensuring the quality of life we in Calimesa are accustomed to. Over the past decade, I have served on several boards and commissions throughout Riverside Country and understand the value of local control.

MEASURE "CC" - SAN BERNARDINO COMMUNITY COLLEGE DISTRICT

FULL TEXT BALLOT PROPOSITION
SAN BERNARDINO COMMUNITY COLLEGE DISTRICT
BOND MEASURE ELECTION NOVEMBER 6, 2018

"SAN BERNADINO VALLEY/ CRAFTON HILLS COLLEGE JOB TRAINING, SAFETY, REPAIR MEASURE. To upgrade classrooms, labs, Veterans Center, career counseling/job training facilities for science, engineering, nursing, industrial careers; improve student safety, access to affordable, high quality education; repair, construct/acquire classrooms, facilities, sites, equipment, shall San Bernardino Community College District's measure authorizing \$470,000,000 in bonds at legal rates, levying 2.5 cents/\$100 assessed value, \$28,000,000 annually, while bonds are outstanding, be approved, with citizen oversight, all money staying local?"

Bonds - Yes

Bonds – No

PROJECTS

The Board of Trustees of the San Bernardino Community College District, to be responsive to the needs of its community, evaluated San Bernardino Valley College and Crafton Hills College's urgent and critical facility needs, and its capacity to provide students, and **Veterans** with support and **job training** facilities, an **affordable education** and prepare them for success in **college** and **careers**. **Job training** facilities, **safety** issues, class size and offerings, and information and computer technology were each considered in developing the types of projects to be funded by this measure, as such are outlined below and in the District's Districtwide Facilities Master Plan Project List, approved by the Board of Trustees on May 11, 2017 and available for review on the District's website, www.sbccd.edu.

In developing the scope of projects, **basic repairs**, job training facilities, **campus safety**, facilities supporting Veterans, and the expansion of opportunities for local students to receive an **affordable**, quality **education**, were **prioritized**. If these facility needs are not addressed now, the District's Colleges would be unable to remain competitive in preparing students for jobs in high demand industries and **university transfer**.

The Board of Trustees determines that **San Bernardino Valley College and Crafton Hills College MUST:**

- (i) **Maintain affordable education for local students and Veterans;**
- (ii) **Repair or replace leaky roofs, old rusty plumbing and faulty electrical systems;**
- (iii) **Improve Veteran's Center to provide job training, job placement and support services to Veterans;**
- (iv) **Improve student safety and campus security options;**
- (v) **Upgrade classrooms, labs, and job-training facilities in engineering, industrial technology, automotive technology and manufacturing;**
- (vi) **Adhere to stringent FISCAL ACCOUNTABILITY safeguards including:**
 - (a) **All expenditures will be subject to annual independent financial audits,**
 - (b) **No funds will be used for administrators' salaries and pensions,**
 - (c) **An independent citizens' oversight committee will be appointed to ensure that all funds are spent only as authorized.**

The following types of projects are authorized to be undertaken at San Bernardino Valley College, Crafton Hills College and at District Sites and Facilities:

**PROVIDE AN AFFORDABLE EDUCATION
FOR LOCAL STUDENTS AND VETERANS:**

**Basic Upgrade Projects Needed To Make San Bernardino Valley College
and Crafton Hills College Safe Places
For Students Seeking Job Training and Job Placement**

Goals and Purposes: Because the cost of attending the University of California and State University systems has become so expensive, many more students are starting their education at community colleges. This measure will ensure local students have access to an affordable, high-quality education here in San Bernardino County.

Our local community colleges ensure that lower and middle-income students who can't afford the high price of a university still have an opportunity to succeed in college and careers. This measure will provide the affordable, high quality education that all students deserve.

- Improve access to college facilities for people with disabilities.
- **Improve Veterans Centers to provide job training, job placement, counseling, and support services to military veterans and their families.**
- Repair or replace leaky roofs, old rusty plumbing, and faulty electrical systems.

3. Require TAXPAYER OVERSIGHT and yearly audits to ensure all funds are used locally, effectively and as promised.
4. NO ADMINISTRATOR SALARIES. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.**

TAX RATE STATEMENT OF MEASURE "CC"

An election will be held in the San Bernardino Community College District (the "District") on November 6, 2018, to authorize the sale of up to \$470,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9405 of the California Elections Code.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing of this statement, is 2.5 cents per \$100 (\$25 per \$100,000) of assessed valuation. The final fiscal year in which the tax to be levied to fund this bond issue is anticipated to be collected is fiscal year 2047-48.
2. The best estimate of the highest tax rate that would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 2.5 cents per \$100 (\$25 per \$100,000) of assessed valuation in fiscal year 2027- 28.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is approximately \$827,285,534.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The average annual tax rate, the highest tax rate and the year or years in which they will apply, and the actual total debt service, may vary from those presently estimated due to variations in the timing of bond sales, the amount of bonds sold, market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE "CC"

Measure "CC" is submitted to the voters by the Governing Board of the San Bernardino Community College District ("District"). A "yes" vote by at least fifty-five percent (55%) of the voters voting on this measure will authorize the District to issue bonds to benefit the District in the amount of four hundred seventy million dollars (\$470,000,000). If less than fifty five percent (55%) of the voters voting on this measure vote yes, the District will not be authorized to issue and sell the \$470,000,000 in bonds set forth in the measure.

The bond proceeds may only be used to upgrade classrooms, labs, the Veterans' Center, career counseling and job training facilities for science, engineering, nursing and industrial careers; to improve student safety and access to affordable, high quality education; to repair, construct or acquire classrooms, facilities, sites and equipment. The proceeds may not be used for any other purpose, including faculty administrator salaries and other college operating expenses.

The District will conduct financial and performance audits annually and will appoint a citizens' oversight committee to ensure that bond proceeds are spent only on the school facility projects listed in the measure.

The bonded debt will be a general obligation of the District and will be financed by property taxes levied annually on taxable property located within the District in an amount necessary to pay the annual debt obligation.

The above statement is an impartial analysis of Measure "CC". If you desire a copy of Measure "CC", please call Stradling Yocca Carlson & Rauth at (415) 283-2241 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "CC"

As wildfires race across California, we need your help to train more firefighters, as well as to provide more opportunities in other fields for our local students, including veterans.

Please join us in voting YES on Measure CC to protect high-quality education and ensure local access to affordable college and career training at San Bernardino Valley College and Crafton Hills College. This measure includes important facilities to train more of the professional firefighters who put their lives on the line to protect our homes and families.

Our local community colleges are vital resources for residents of Calimesa, Colton, Fontana, Grand Terrace, Highland, Loma Linda, Redlands, Rialto, San Bernardino, Yucaipa and Big Bear Lake. They are home to one of the few state-accredited regional fire academies in California. They also educate healthcare professionals that serve our medical needs, veterans who have served our country, police that keep us safe and skilled workers who fuel our economy.

Attending schools within the UC or Cal-State systems has become expensive. Measure CC ensures students have access to an affordable, high-quality education in the Inland Empire.

Every penny from Measure CC will stay local to benefit San Bernardino community colleges.

Measure CC will:

- upgrade classrooms, labs and career training facilities for science, information technology, engineering, manufacturing, and nursing — and Veterans' Centers
- upgrade classrooms and career training facilities for core subjects including math, economics, humanities and social sciences
- repair or replace leaky roofs, old rusty plumbing and faulty electrical systems
- improve student safety and campus security systems
- improve access for students with disabilities

To ensure the money is spent properly, Measure CC requires:

- a project list detailing exactly how funds will be used
- a Citizens' Oversight Committee
- independent audits

Vote YES on Measure CC to continue preparing students for future careers — and to train the firefighters we need now. Because wildfires won't wait.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "CC"

Exploiting tragedy! Shameful! Unethical!

Were you surveyed? Did you get a campaign mailer from District? You paid for it. Is that fair? Using your money for campaign purposes?

ADMINISTRATOR SALARIES?

Constitution says no salaries. Statutes say no salaries. Resolution and measure say no salaries. Guess what lawyers sneaked in? Hint: "reimburse the District for the cost of District staff." Salaries will be paid. You can take that to the bank.

PENSIONS?

Constitution prohibits operating costs like repairs and painting. Shifting salaries and operating costs to bonds leaves more for extravagant pensions.

OVERSIGHT?

Ever seen expenditure reports from Measure M? Measure P? Good stewardship? It's all fake news.

FACTS

- \$470,000,000 (\$827,285,534 taxes) is maximum District can tax in one measure.
- District issued CABs (capital appreciation bonds, like those in Poway Unified scandal) 4 times at recklessly high rates -- 10%, 11.5%. Now it can't issue more. Boo-hoo!
- District imposed project labor agreement on Measure M to pay off cronies, increase facilities costs, and exclude local, non-union workers.
- Measure CC is a contract. Have you read the fine print? Besides District salaries, what else does it pay for? -- "staff training," "outstanding lease obligations," "performing arts facilities," and on and on.

BOTTOM LINE

How many times will you pay for Measure M promises?

Can you trust District? When you're not looking, will District breach law, its promises, and your trust?

Would you really agree to a written contract where promises weren't explicitly and unambiguously specified? You're being deceived! Don't sign a blank check. Vote NO!

ARGUMENT AGAINST MEASURE “CC”

Really? Have you heard colleges are going virtual? Won't enrollment decline? Isn't it only bureaucrats that need facilities to justify exorbitant salaries/benefits?

Don't be deceived by District's campaign, funded by businesses that will likely benefit from bond money. (Isn't that called pay-to-play?) Beware of high-priced marketers masquerading as “students, professors, and community leaders.”

Why Vote No on Measure CC?

- It's virtually, word-for-word, identical to every other bond measure written by lawyers and advisors who made \$7,942,586 (payable by you, with interest) from facilities bonds issued since 2003.

- Did you hear about a project list? Why isn't there a list of SPECIFIC projects in Measure CC? Because it would restrict District to spend money ONLY on those things?

- Can you trust District? Why did it violate oversight laws over many years for Measure M (2008) \$500,000,000? Measure P (2002) \$190,000,000?

- Did you know that District issued \$366,084,282 in facilities bonds since 2003? Where's it gone? \$70,865,834 on stadium and gym.

- Wait! That's \$323,915,718 not even issued yet. Why is District asking for \$470,000,000 more?

- Why did District violate oversight laws over many years for previous Measure M (2008)? Measure P (2002)?

- How much did District waste from Measure M? It's not District's money. It's yours.

Proposition 39 permits a bare majority of voters (55%) to approve these bonds. “To ensure that BEFORE they vote, voters will be given a list of specific projects their bond money will be use for,” it requires that Measure CC be a “list of the specific school facilities projects to be funded.” (Source: Proposition 39 ballot measure.)

Measure CC's intentionally vague language gives District a BLANK CHECK with NO ACCOUNTABILITY.

Don't vote to waste your taxes on vague promises. Did District keep its promises from Measure M? Measure P? You've been had.

Bond money is like drugs. Don't give District another fix. Just say no!

REBUTTAL TO ARGUMENT AGAINST MEASURE “CC”

The lone opponent of Measure CC does not understand the needs and challenges facing San Bernardino Valley College and Crafton Hills College and unfortunately she has misunderstood or mistaken some facts.

Measure CC is supported by community leaders from across the district who recognize the important role that the college plays and the need for improved classrooms and facilities.

We support Measure CC because SBCCD has a proven track record of spending taxpayers' dollars carefully and responsibly. Refinancings of the prior bonds have saved taxpayers over \$37 million. You can read the independent Citizens' Oversight Committee reports and annual audits at this link: <https://goo.gl/KbesuT>

A project list for Measure CC is required by law and can be found here: <https://goo.gl/JnhWD6>

It's simply not possible to prepare students to compete for today's jobs in outdated classrooms and labs and the longer we wait, the more expensive these improvements will become.

Measure CC will:

- Upgrade classrooms, labs and career training facilities for biology, physical sciences and information technology
- Repair or replace leaky roofs, old rusty plumbing and faulty electrical systems where needed
- Improve student safety and campus security systems including security lighting, security cameras, emergency communications systems, smoke detectors, fire alarms and sprinklers
- Upgrade classrooms and career training facilities for engineering, industrial technology, manufacturing, automotive technology and logistics
- Improve access for students with disabilities

Measure CC is an investment in students, veterans, the firefighters who keep us safe and our community.

The time is right and the plan is clear—Vote Yes on CC.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.
