Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your Official Ballot:

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic AGE: 45
OCCUPATION: Congressman / Emergency Physician
EDUCATION AND QUALIFICATIONS:

Washington is a disaster, filled with career politicians focused on petty partisan politics and their own perks and privileges.

I'm not a career politician, and I never will be. I'm an emergency physician who grew up here and ran for office to serve people in our communities. That's what I've done my entire adult life.

As a doctor, I'm trained to put people first. That's why I'm working across party lines to find solutions to tough problems:

STANDING UP FOR MEDICARE AND SOCIAL SECURITY: I promised that I would never vote to cut Medicare or Social Security, and I've kept my promise. I will continue to do so. And, I passed a bipartisan bill to help protect Medicare.

STANDING UP FOR VETERANS: I sponsor an annual "Veterans University" to help local vets get health care and assistance, and to connect them with local employers. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

OPPOSING PERKS FOR POLITICIANS: I oppose any pay raises for Congress, and I am fighting for legislation prohibiting Congressmembers from using taxpayer money to fly first class.

FIGHTING TO ENSURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE: As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I'm working to make premiums and prescription drugs more affordable.

Let's fight back against partisan gridlock in Washington. I'd be honored to have your support.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

KIMBERLIN BROWN PELZER, Republican AGE: 57
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

Small Business Owner – Honorary Co-Chair of the Gas Tax Repeal Campaign – Supporter of Term Limits & No Budget, No Pay for Congress

Politicians love to tell us all the great things they'll do for us when elected. They hope we'll forget their promises because they never follow through. We need new, principled leaders who are not afraid to say what they mean and stick with it.

That's why I'm running for Congress. I have firm, conservative principles. I'm not afraid to be "politically incorrect" and stand up for the Constitution, conservatism, and American exceptionalism.

My principles:

I. Put defense first. Congress must keep Americans safe at home and abroad.

II. Build sound finances. Washington must be held fiscally accountable: start to pay off the national debt and no new taxes.

III. Protect the vulnerable. People paid into Social Security and Medicare – we must make sure they are solvent, effective, and efficient programs.

IV. Grow the Middle Class. Congress needs to stop working for Special Interests and Lobbyists and start working for us.

I'm a proud wife, mother, and successful entrepreneur. I've been blessed with a daytime television career. My husband and I have built several successful businesses, including a sports fishing and marina rental business and a design company. We employ over 100 Californians.

Congress should live by the same rules they place on the rest of us, have term limits, and not get paid if they don't pass a budget. I would be honored to have your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican

OCCUPATION: Member of the State Assembly

EDUCATION AND QUALIFICATIONS:

As we approach November, our community will focus on selecting our elected representatives. As your Assemblyman, I am again seeking your trust to remain your voice in Sacramento.

When you first elected me, I was overflowing with optimism and believed that we could solve every major issue facing California if we just rolled up our sleeves and worked hard. Six years later - even while the hyper-partisan environment of Sacramento has certainly tested my temperament - I remain convinced that our best days are ahead of us.

My optimism is rooted in a strong and free economy, lower taxes, and providing equal opportunity for each of us. As I often say, my job is to work to provide people with more freedom, and not less.

That's why I'm thankful for the opportunity to shape real policies and to provide real solutions that put people first and improve their lives.

For example, we reformed education to provide economic incentives that encourage those on welfare to attain their high school and college education - to achieve financial independence.

To offset California's expensive gas prices, we helped deliver cost cutting measures that will guard against higher gas and energy prices.

Instead of just talking about reducing harmful regulations that kill jobs; we actually rolled back harmful regulations and protected Proposition 13.

I don't have all the answers, but I've honored my commitment to put people first.

I would be honored to have your continued trust and support.

EDUCATION AND QUALIFICATIONS:

AD 42 is diverse, encompassing Interstate 10 from Yucaipa to the rancheros of Pioneertown and we share a common need, representation in Sacramento. **CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY SUPERVISOR,
DISTRICT 5**

JEFF HEWITT

AGE: 65

OCCUPATION: Small Businessman / Mayor

EDUCATION AND QUALIFICATIONS:

Riverside County residents need representation in Riverside County.

Career establishment politicians have nearly bankrupted our county, gambling billions of dollars on Sacramento shell games. With eyes on distant offices they have funneled funds and resources away, instead of putting them to work here. Our families, our schools, our roads, our jobs and our very way of life must have at least one Supervisor who will work for Riverside County's interests FIRST.

Jeff Hewitt has dedicated himself to the health and wealth of Riverside County.

Jeff became Mayor of Calimesa after starting public service on their planning commission as a volunteer. By cutting off the tendrils of Sacramento from his city, he doubled Calimesa's fire department staffing and infrastructure while significantly reducing annual costs.

Sacramento corruption is out of control; we need Jeff to stand up for Riverside County.

Jeff is a native who raised his family here, built his business here, and Jeff only has interests here. Jeff works for family values. Jeff works for working men and women. Jeff works for keeping our tax dollars in our County, working for our needs.

Jeff works for Riverside County, because Jeff works for YOU.

RIVERSIDE COUNTY
SHERIFF / CORONER / PUBLIC ADMINISTRATOR**

STAN SNIFF

OCCUPATION: Riverside County Sheriff

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

CHAD BIANCO

AGE: 50

OCCUPATION: Lieutenant Sheriffs Department

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff's office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That's why I'm proud to be law enforcement's choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I'll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff's Association, Riverside Police Officers' Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here's what the RIVERSIDE SHERIFF'S ASSOCIATION SAYS: “Lt. Chad Bianco's unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

As Sheriff, I'll work to bring the public safety community together to make our county a safe place to live and work.

DAVID HAPPE

AGE: 60

OCCUPATION: Business Owner / Retired Firefighter

EDUCATION AND QUALIFICATIONS:

Don't worry, Vote Happe! I am a proud Banning resident and owner of
The Station Tap House Bar and Grill. I see great potential in Banning
and I believe that I can help make a positive difference.

As a retired firefighter of 25 years, I know first-hand the importance of
public safety in our communities. I want to ensure that our police and
firefighters have the resources and training to do their jobs and keep
our neighborhoods safe.

Banning must have stability at City Hall. City leaders need to provide an
encouraging and positive working environment that will attract and retain
the best people possible.

Recruiting businesses with good paying jobs is key to the city's success.
Bringing new businesses will not only provide the local jobs our residents
need and want, but also the tax revenues that will help deliver crucial
city services.

Most importantly, Banning should be a place where families can enjoy a
high quality of life. Banning has great parks and recreational opportunities,
and more should be done to support those activities. Banning's future is
bright, it just needs the right leadership at City Hall.

So remember: Don't worry, Vote Happe!

EDUCATION AND QUALIFICATIONS:

I am an 18 year resident of Banning. I am married and have 3 children.
Over the last 25 years, I have worked as a Police Chaplain for LAPD,
Rockford, Illinois, as well as Beaumont and Banning. Currently I am the
lead pastor of Highland Springs Fellowship.

During the past 16 years, previous City Councils took an almost debt
free City of Banning and loaded it up with over \$106 million in debt. In
order to service this debt, our water rates have risen dramatically. Our
electric rates have gone up. We are currently down 4-6 police officers.
As a City Council member, I will oppose any further increases as well
as additional borrowing, and instead focus on repaying our debt. I will
make sure our Police Department is adequately provided for and staffed.
As your servant, I will pursue integrity and accountability.

With my recent retirement, I am committed towards keeping our City beautiful, safe, fiscally sound, and progressive.

We live in a unique community that has tremendous potential for us to live, work, and enjoy our diverse city.

TIMOTHY SMITH

OCCUPATION: Retired

EDUCATION AND QUALIFICATIONS:

I am against raising trash, water, waste water and electricity rates.

I would like to see a sports park built along Wilson St. as part of the Butterfield home project by Pardee Homes. The park would give Banning children and adults more and badly needed recreation opportunities. This housing project needs to be expedited as soon as possible to generate more money for the general fund and for our utilities without raising rates and taxes. Pardee should pay for all its own infrastructure improvements to Butterfield, not the current residents of Banning.

I would like to put a stop to the revolving door in our city staff by employing well qualified professionals and allowing them to do their job without harassment or intimidation. A new city manager every six months benefits no one.

I am against the city's June 26, 2018 proposed electric utility tax ballot measure. Banning residents have been overpaying for electricity since 2013.

I will work collaboratively within the board as a director of the healthcare district to ensure that our expanding community is well-served by a high-quality, responsive, thriving hospital for long into the future.

IMPARTIAL ANALYSIS OF MEASURE “N”

Measure N was placed on the ballot by the Banning City Council. If approved by the voters, Measure N would adopt Banning Ordinance No. 1527 to impose a tax on commercial cannabis cultivation, manufacturing, and testing laboratory facilities.

Measure N would impose the following new City taxes:

1. An annual tax on commercial cannabis cultivation facilities in the amount of \$15 per square foot of indoor area used to grow cannabis (“Canopy Space”). The City Council would have the ability to increase this tax up to \$25 per square foot of Canopy Space without further voter approval.
2. An annual tax on cannabis manufacturing and testing laboratory facilities in an amount equal to ten percent (10%) of the facility’s gross receipts.

These are general taxes enacted for general municipal purposes such as fire, paramedic and police protection; road repairs; youth programs; and parks and recreation. All tax proceeds would go into the City’s General Fund. Measure N requires a simple majority approval of the voters to pass and the taxes would be effective January 1, 2019.

State law allows cities to determine whether to allow commercial cannabis businesses to operate in their jurisdiction. The City Council has adopted an ordinance that will establish regulations for operation of the following commercial cannabis uses if Measure N is passed:

1. Indoor commercial cultivation facilities that are a minimum of 10,000, and a maximum of 22,000, square feet in the size.
2. Manufacturing facilities that manufacture cannabis products using nonvolatile solvents, or no solvents.
3. Testing laboratories that perform tests of cannabis or cannabis products and that are accredited by an independent body from all other persons involved in commercial cannabis activity.

These uses would only be permitted to operate in the Industrial Zoning District, and would be subject to security, odor and waste management requirements. The City Council also adopted a cannabis regulatory ordinance that requires businesses to undergo background checks, and establishes minimum criteria to operate in the City. These two companion ordinances will be effective January 1, 2019, but only if Measure N is approved by voters.

The amount of tax revenue generated by these taxes is dependent on the size and number of cannabis businesses that operate each year. The City Council is authorized to amend the regulatory scheme pertaining to the cannabis taxes, and change the tax rates without voter approval, so long as the tax rates do not exceed the amounts stated above. These local taxes are in addition to taxes collected by the State.

A “Yes” vote allows the imposition of City taxes on commercial cannabis cultivation, manufacturing, and testing laboratory facilities and would permit currently proposed City regulations to take effect that would allow and regulate these types of businesses in the City.

A “No” vote is a vote against City taxes on commercial cannabis cultivation, manufacturing, and testing laboratory facilities, and would block currently proposed City regulations from taking effect that would allow and regulate these types of businesses in the City.

ARGUMENT IN FAVOR OF MEASURE “N”

YES on MEASURE N — It protects Banning residents, allows for the regulation of the cannabis cultivation, manufacturing and testing industry, and will generate up to \$1.2 million in annual City revenue, which could fund police, fire, paramedics, youth and senior programs, parks and more.

Proposition 64 legalized recreational cannabis and gave local governments the responsibility to regulate the legalization within their communities. A new regulatory tax and enforcement framework addressing commercial cannabis businesses in the City is needed.

The Banning City Council recently completed a process to impose TOUGH NEW REGULATIONS on where and how cannabis businesses can cultivate, process and test cannabis. These uses will ONLY be allowed on properties in the City’s Industrial Zone, in warehouses (not outdoors) and AWAY FROM residentially zoned neighborhoods, schools, day care centers, youth centers and parks. Stringent standards on these businesses would apply, including security and odor control.

MEASURE N WILL ALLOW THESE TOUGH REGULATIONS TO GO INTO EFFECT and will approve a City tax on their operations. The operators of these businesses will pay the tax; **RESIDENTS WILL NOT HAVE TO PAY THIS TAX.**

Banning needs to tax the cannabis industry in order to address a budget deficit, effectively enforce our ordinances, and fund critical services such as police, fire, parks, roads and infrastructure and other important municipal services.

It is imperative that we regulate and tax the cannabis industry to ensure compliance with existing laws and **DEAL WITH THE BLACK MARKET.**

A **YES** vote means Banning will allow **CAREFULLY CONTROLLED** indoor commercial cultivation, manufacturing and testing of cannabis by approving a tax on these uses. A **YES** vote means **FUNDING FOR CITY SERVICES FOR RESIDENTS.**

IMPARTIAL ANALYSIS OF MEASURE “O”

Measure O was placed on the ballot by the Banning City Council. If approved by the voters, Measure O would adopt Ordinance No. 1528 to impose a tax on commercial cannabis retail businesses. Measure O would impose an annual tax in an amount equal to ten percent (10%) of the cannabis retailer's gross receipts. The City Council would have the ability to increase this tax up to fifteen percent (15%) of the retailer's gross receipts.

The cannabis business retail tax is a general tax enacted for general municipal purposes such as fire, paramedic and police protection; road repairs; youth programs; and parks and recreation. All tax proceeds would go into the City's General Fund. Measure O requires a simple majority approval of the voters to pass and the taxes would be effective January 1, 2019.

State law allows cities to determine whether to allow commercial cannabis businesses to operate in their jurisdiction. The City currently prohibits cannabis retail sales from occurring in the City. If the tax measure is adopted by the Banning voters, this would allow the City to tax retail cannabis sales if the City were to also adopt land use and regulatory ordinances allowing for the operation of cannabis retailers in specified areas of the City and subject to City-imposed restrictions and limitations.

The commercial cannabis retail tax is not a sales or use tax imposed directly on cannabis users or consumers. It is a tax on the businesses that would sell cannabis or cannabis products in the City. The tax does not apply to the use of cannabis or the cultivation of cannabis for personal use as authorized under state law. This City tax would be in addition to a fifteen percent (15%) percent State excise tax that is imposed upon retail purchasers of all cannabis and cannabis products.

The annual tax that the City would collect from cannabis retailers is dependent on the number of retail cannabis businesses that operate in the City each year. Measure O also includes requirements for the reporting and remission of the tax, penalties for late payment, refunds for overpayments, authority for the City to conduct audits of cannabis businesses, and an appeal procedure for cannabis businesses regarding their tax assessments. Measure O would allow the City Council to amend any of these regulatory provisions, but any increases in the tax rates or expansion of the tax would require future voter approval.

A “Yes” vote on Measure O allows for the imposition of a City tax on commercial cannabis retail businesses, should the City Council adopt an ordinance allowing these businesses to operate in certain areas of the City and subject to municipal restrictions and limitations.

A “No” vote is a vote against the imposition of a City tax on commercial cannabis retail businesses, should the City Council adopt an ordinance allowing these businesses to operate in certain areas of the City and subject to municipal regulation and limitations.

ARGUMENT IN FAVOR OF MEASURE “O”

YES on MEASURE O — It protects Banning residents, allows for the regulation of cannabis retail businesses, and will generate up to \$1.5 million in annual City revenue, which could fund police, fire, paramedics, youth and senior programs, parks and more.

Proposition 64 legalized recreational cannabis in 2016. Whether you agree with the legalization of cannabis or not, the City is now faced with a choice of either keeping retail sales of cannabis in Banning illegal, underground and tax free, or allowing a some State and City-regulated stores to operate in the City generating needed TAX REVENUE for the City.

Measure O would impose an annual tax on retail cannabis businesses of 10% of the businesses gross receipts and allow the City Council to raise that tax up to 15% in the future. Operators would pay the tax. **RESIDENTS WHO DON'T PURCHASE CANNABIS FROM STORES IN THE CITY WOULD NOT PAY THE TAX.**

If Measure O is passed, the City Council will have the option to permit a limited number of legitimate and state-regulated retail cannabis stores to operate in the City and only in certain commercially zoned areas **AWAY FROM** residentially zoned neighborhoods, schools, day care centers, youth centers and parks. Stringent standards on these businesses would apply, including security. These standards will seek to preserve the quality of life for Banning's residents and businesses and protect our neighborhoods from their potentially negative impacts.

MEASURE O will bring needed revenue to the City to address a budget deficit, effectively enforce our ordinances, and fund critical services such as police, fire, parks, roads, and more.

A **YES** vote means **CONTROLLING** and **TAXING** the **RETAIL CANNABIS INDUSTRY** and **PROVIDING FUNDING FOR CITY SERVICES.**

NO ARGUMENT FILED AGAINST MEASURE “O”

IMPARTIAL ANALYSIS OF MEASURE “P”

Measure P was placed on the ballot by the Banning City Council. If approved by the voters, Measure P would adopt an Ordinance which affects the electric utility owned and operated by the City of Banning (“City”).

The City Council is authorized to set electric service rates for City customers in accordance with applicable State and local law. Until December 1, 2021, the Ordinance would cap electric service rates at current levels established under Resolution No. 2013-45, except under certain circumstances. The City Council could only increase electric service rates under two circumstances: (1) the City Council adopts a resolution by a two-thirds vote to approve the rate increase because an emergency in the electric utility requires the rate increase; or (2) the City Council adopts a resolution by a majority vote to approve the rate increase because the rate increase is necessary to meet a covenant under its outstanding debt obligations that are payable from electric service revenues.

After December 1, 2021, the City Council could increase electric utility rates, but it may not back-bill or apply new rates retroactively. The City Council could reduce electric service rates at any time.

The Ordinance would authorize, but not require, the City Council to transfer certain revenues from the City’s electric utility to the City’s General Fund. The General Fund pays for general City services such as fire, paramedic and police protection; road repairs; youth programs; and parks and recreation. Measure P requires simple majority approval of the voters to pass. If Measure P is approved, it would take effect ten days following certification of the election results.

Until December 1, 2021, the City Council could authorize a general fund transfer of up to seven and one-half percent (7.5%) of the electric utility’s gross revenues. Thereafter, the City Council could authorize a general fund transfer of up to five and one-half percent (5.5%) of the electric utility’s gross revenues. A general fund transfer would exclude: (1) electric utility revenues currently paid to the City’s general fund to offset costs borne by the general fund to operate the electric utility (e.g., City staff time); and (2) legally required pass through payments and obligations collected by the electric utility, such as the State Public Benefits Charge, California State Energy Surcharge Tax and Cap and Trade proceeds.

A “Yes” vote would cap electric service rates at current levels through December 1, 2021, unless an exception applies, and authorize the City Council to transfer certain electric utility revenues to the City’s general fund at rates described in the Ordinance.

A “No” vote would maintain the City Council’s discretion to increase electric service rates beyond current levels before December 1, 2021, and would not provide voter authorization to make general fund transfers, except to the extent permitted by current state law.

ARGUMENT IN FAVOR OF MEASURE “P”

Vote YES on Measure P to maintain essential City of Banning services and protect quality of life, **with NO increase to electric rates for three (3) years.**

Measure P is on the ballot to obtain voter authorization for a critical step that makes possible what we all want for Banning: to keep our City safe, receive help in emergencies, and maintain quality parks and streets.

Specifically, passage of Measure P will:

1. **Freeze City of Banning electric rates for three years.**
2. **With NO increase in electric rates**, authorize the City to transfer a limited amount of funding each year from the City's Electric Utility to the City's General Fund, for a period of **ONLY** three years.
3. Approve items 1 and 2 above by a vote of the people.

The City faced major expense increases in 2018, including increases to the Fire Services contract of \$500,000, to CalPERS pre-funded costs of \$500,000, and to the Animal Control contract of \$50,000. The cost increases coupled with the expiration of the City's MOU with Riverside County to fund 4 Police Officers, causing another \$450,000 cost increase, brings a total City expense increase of \$1,500,000 million.

100% of Measure P funds will stay IN Banning. An independent oversight committee, mandatory audits and annual public reports will ensure funds are spent properly. This Measure will allow approximately \$2.325 million dollars to pay for critical public safety and emergency services to our community.

The City's history of clean annual audits and no financial wrong-doing is echoed by taking Measure P to the voters.

The City's Budget & Finance Adhoc Committee comprised of Mayor Moyer, Mayor Pro Tem Peterson and Treasurer McQuown, recommended this measure to Council. Council voted unanimous to place Measure P on the ballot.

By: George Moyer, Mayor
Arthur L. Welch, Council Member
Deborah Franklin, Council Member

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “P”

Regarding Measure P, voters ought to be aware of the following facts:

1. Any suggestions that the Banning Electric Utility has a “history of clean annual audits” is a blatant lie. In fact, the Electric Utility has NEVER received a full audit in its history.
2. Banning's City Treasurer, Dr. John McQuown, has expressly refused to sign the argument in favor of this Measure.
3. Politicians George Moyer, Art Welch and Debbie Franklin are the only proponents of this Measure. Those are the very same individuals who helped create an unprecedented 28-year long sales tax break to benefit a major auto dealership, after receiving generous campaign contributions from its operators.

Now faced with a shortage in general fund tax revenue, these “tax-and-spend” politicians want to create a new tax which will make electric customers pay for their reckless fiscal decisions. Vote NO on P !

By: Don Peterson, Mayor Pro Tem
Jerry W Westholder, City Council Candidate
G. David Ellis, City Council Candidate

Ingeborg Schuler, Planning Comm

ARGUMENT AGAINST MEASURE “P”

Measure P is asking electric customers to tax themselves voluntarily for things that have nothing to do with electricity. Measure P tax revenue is strictly intended for the City's general operations. The Measure is proposing to use the electric utility as a cash cow to fund police, fire, paramedics, parks, etc. .

Do you want your electric bill to fund these services? These services should be funded out of the City's sales tax and property tax revenues. But due to City Council mismanagement and corruption, millions in sales tax revenue is being recklessly given away by the City of Banning. For example, a recent Grand Jury investigation determined that the City Council gave a 28-year long sales tax break to a large auto dealership. With Measure P the city is trying to make up for lost revenue by taxing the little guy – you, the electric customer.

Also, don't be fooled by the proposed 3-year “Rate Freeze”: it is nothing but a clever diversion. In fact, a “NO” vote will actually lower your electric bill.

The city is not telling you that for years they have been stealing from you by adding a similar percentage to your electric bill, and applying it to the very general fund purposes that are listed in Measure P, (police, fire, paramedics, parks, etc.). Changes in the law now force the city to seek voter approval in order to continue this long-standing practice.

Voting “NO” on Measure P will have the effect that the City can no longer steal from you by inflating your electric bill with charges that are unrelated to electricity. Therefore a “NO” vote will make your electric bill go down, not up.

REBUTTAL TO ARGUMENT AGAINST MEASURE “P”

The Argument Against Measure P is a purposeful misrepresentation of the facts and needs to be corrected. **The City's highest priority is Public Safety – Police and Fire Services to citizens of Banning.**

Correction #1 – The 3 Grand Jury investigations initiated by Councilman Don Peterson found NO mismanagement nor corruption, nor criminal, or illegal activity by the City. *The investigations only cost the City tens of thousands dollars in staff time and resources.*

Correction #2 – Councilman Don Peterson moved to approve a 10-year sales tax rebate agreement for a local auto dealership, and it was **unanimously** approved by City Council. This enabled the dealership to invest in land and building expansions and improvements, resulting in doubled auto sales. This public-private partnership provides ongoing increased property and sales tax revenue to the City's general fund.

Correction #3 – A No-Vote does not mean lower electric bills. There has been no rate-decrease taken to Council, nor has the City approved any rate change or decrease. The City's cost for power delivery is increasing from \$386k to \$3.4 million over 10 years, so the cost to operate electric is increasing.

Correction #4 – The past LEGAL transfers from electric to the general fund have been used to pay for Police and Fire, the City's largest expenses.

Until our City grows through additional rooftops, there is no additional revenue source. **WITHOUT PASSING MEASURE P, the City faces MAJOR CUTS TO POLICE, FIRE, and ALL CITY SERVICES.**

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.
